The disbursing Organization's telephone number will be listed along with the payment amount, voucher number, and voucher date for each transaction that totals to the amount of the 1099-MISC form.</p> <p>January 5 is the due date for submitting 1099 information to DOA. However, Organizations must report ALL payments to individuals (including State employees and/or partnerships) for services, regardless of the amount, because the recipient may have performed services for other State Organizations, whether recorded in FSF or</li> </ul>	<p>DOA produces IRS Information Returns annually for payments made through FSF. Reporting includes Forms 1099-MISC, 1099-G, and 1099-INT. DOA primarily reports non-employee compensation for payments made to vendors in the course of the vendor's trade or business on a Form 1099-MISC. Rent, medical and health care payments, and payments to attorneys are also reported on a Form 1099-MISC. Also reported are agricultural payments on a Form 1099-G and interest income on a Form 1099-INT.</p> <p>DOA consolidates all Form 1099 reportable payments to vendors into a single file for 1099 reporting. Any State Organization that files a paper 1099 is subject to a fine/penalty for each form submitted to the IRS per Section 6011(e)(2)(A) of the Internal Revenue Code. Exceptions to this rule include Organizations that produce Forms 1099 of a unique type or for a unique purpose. All exceptions must be reviewed by DOA.</p> <p>Vendor 1099 reportable status is established when the vendor submits a Delaware Substitute Form W-9, which can be found on the DOA website, <a href="http://www.accounting.delaware.gov">www.accounting.delaware.gov</a>. The dollar threshold for Form 1099-MISC reporting is \$600. The dollar threshold for Form 1099-G is any amount and for Form 1099-INT is \$10.</p> <p>FSF has a 1099 External Transactions component in place to enable capturing 1099 reportable payments made outside of FSF.
