1. Forestland Preservation Program

PROJECT DESCRIPTION

Funding is requested to purchase development rights on privately owned forestland. To date, 22 landowners have enrolled in the program with 2,131 acres. This program will help meet the goal of protecting one-half of the remaining unprotected forestland in Delaware by 2024.

2. Forest Service Fire Equipment Buildings

PROJECT DESCRIPTION

Funding is requested for the construction of two buildings, one each at Blackbird and Redden state forests, to house firefighting equipment. The Delaware Forest Service (DFS) has recently expanded firefighting capabilities with available state and federal funding. The firefighting inventory includes three rollback trucks, four bulldozers, two brush trucks, two all-terrain vehicles (ATV), and a water tanker. These buildings will allow DFS to house this equipment in a heated environment, thus permitting water and foam to be stored in the brush trucks, ATVs and water tanker year-round.

These buildings will also provide for storage of firefighting gear.
