\*Funds authorized to the Office of Management and Budget.

**1. Delaware Health Information Network**

**PROJECT DESCRIPTION**

Funding is requested for the Delaware Health Information Network. As a joint initiative among private, federal and state funds, these funds will enable the continued development and enhancement of the first statewide interoperable network. The system is designed to allow patient clinical information to be shared across all healthcare facilities and organizations, and across public and private sectors. The results are improved clinical decision-making, and reductions in service duplication and the rate of increase in health care spending.

**CAPITAL REQUEST**

**FUNDING**

	STATE	FEDERAL	OTHER *
FY 2007	\$2,000,000	\$1,010,000	\$1,900,000
