Advisory Council For Exceptional Citizens

MISSION

The mission of the Governor's Advisory Council for Exceptional Citizens (GACEC) is to serve as the review board for policies, procedures and practices related to the delivery of services for all citizens with exceptionalities/disabilities in Delaware. GACEC also serves as the Individuals with Disabilities Education Act (IDEA) advisory panel for agencies providing educational services/programs for children (birth through age 26) in Delaware. GACEC's primary function is advisory and may advocate as necessary to achieve its mission.

KEY OBJECTIVES

In order to fulfill its mission as an advisory board, GACEC uses the following means to advocate for exceptional citizens:

- Participation in program visits;
- Review of public reports;
- Analysis of state regulations and legislation;
- Participation in public meetings; and
- Coordination of research projects.

BACKGROUND AND ACCOMPLISHMENTS

Since 1972, GACEC has served as the State's advisory council for exceptional children. The agency's primary mandate is to advise the State Board of Education and Department of Education (DOE) on all issues related to the education of children with special needs, including those with outstanding talents. Pursuant to Delaware Senate Bill 353, passed in 1977, the Advisory Council for Exceptional Children was renamed the Governor's Advisory Council for Exceptional Citizens and expanded its responsibilities to cover a broad range of human service needs for all citizens with disabilities.

GACEC has served as the advisory panel for special education since the initial passage in 1974 of the federal special education statute, Education of the Handicapped Act. GACEC continues to serve in this capacity under the reauthorized law, IDEA, and its amendments.
