*Governor's  
Recommended  
Budget*

VOLUME I

*Jack A. Markell*  
GOVERNOR

PRESENTED TO  
*The 148th  
General Assembly*  
FIRST SESSION

*Governor Jack A. Markell*

January 29, 2015

To the Members of the 148th General Assembly and to all Delawareans:

In compliance with 29 Del. C. Section 6335 (a), I respectfully submit for your consideration the Fiscal Year 2016 Recommended Operating Budget and Bond and Capital Improvements Act for the State of Delaware.

I present to you today a spending plan that is within constitutional and statutory limitations on appropriations and fully funds the State's budgetary reserve account. Funding included in the Fiscal Year 2016 Recommended Operating Budget and Bond and Capital Improvements Act will help strengthen Delaware's economy, continue our progress to provide the highest quality education for our children, enhance the overall quality of life in our communities and support Delawareans in need.

I thank you for your consideration and look forward to working with the members of the 148th General Assembly to keep Delaware moving forward.

Sincerely,

A handwritten signature in black ink that reads "Jack Markell".

Jack A. Markell  
Governor

# FINANCIAL OVERVIEW

## RECOMMENDED APPROPRIATIONS

The Governor's Fiscal Year 2016 Recommended General Fund Operating Budget is \$3,900.0 million. In addition, Governor Markell has set aside \$45.4 million for Grants-in-Aid and \$15.0 million in dedicated cash to the Bond and Capital Improvements Act. Total recommended Fiscal Year 2016 General Fund appropriations are \$3,960.4 million. Total appropriations represent 98.0 percent of projected net Fiscal Year 2016 revenue plus projected carryover funds, which is within the constitutionally mandated limitation on appropriations.

The Governor's Fiscal Year 2016 Recommended Bond and Capital Improvements Act totals \$385.8 million. Of this amount, \$246.8 million is recommended for state capital projects and \$139.0 million is recommended for transportation projects. Of the \$246.8 million supporting state projects, \$197.5 million is General Obligation Bond Authorization, \$15.0 million is General Fund cash and \$34.3 million is reprogramming.

Fiscal Year 2016 appropriations are based on Delaware Economic and Financial Advisory Council (DEFAC) revenue and expenditure estimates as of December 15, 2014. Governor Markell has recommended adjustments to these figures that will provide a net increase to the DEFAC revenue estimates of \$65.0 million in Fiscal Year 2016. These recommended adjustments are as follows:

- ◆ An increase of \$40.0 million by redirecting Abandoned Property revenue back to the General Fund;
- ◆ An increase of \$14.0 million by redirecting Realty Transfer Tax revenue back to the General Fund;
- ◆ An increase of \$6.0 million by enhancing collection efforts; and
- ◆ An increase of \$5.0 million by redirecting Public Utility Tax revenue back to the General Fund;

## DEFAC GENERAL FUND REVENUE FORECASTS

DEFAC projected net General Fund revenue collections for Fiscal Year 2015 of \$3,927.9 million and \$3,885.0 million for Fiscal Year 2016. The highlights of the forecast include:

- ◆ **Personal Income Tax** - This tax, closely modeled after federal income tax law, is progressive in nature, with marginal rates from 0 to 6.60 percent. DEFAC estimates (after refunds) are \$1,222.3 million for Fiscal Year 2015 and \$1,277.1 million for Fiscal Year 2016.
- ◆ **Franchise Tax and Limited Partnership/Limited Liability Company Tax** - The Franchise Tax is imposed upon domestic corporations incorporated in Delaware and based on either the outstanding shares of stock of a corporation or on gross assets. In addition, every domestic Limited Partnership and Limited Liability Company formed in Delaware and every foreign Limited Partnership and Limited Liability Company registered to do business in Delaware is required to pay an annual tax of \$300. DEFAC estimates (after refunds) for these categories are \$889.3 million for Fiscal Year 2015 and \$904.3 million for Fiscal Year 2016.
- ◆ **Business and Occupational Gross Receipts Tax** - This tax is imposed on the gross receipts of most businesses with tax rates ranging from 0.0945 percent to 1.9914 percent, depending upon the category of the business activity. DEFAC estimates are \$226.9 million for Fiscal Year 2015 and \$237.8 million for Fiscal Year 2016.
- ◆ **Lottery** - This category includes video lottery operations, table games and sports betting, as well as traditional lottery sales. DEFAC estimates are \$206.2 million for Fiscal Year 2015 and \$207.3 million for Fiscal Year 2016.
- ◆ **Corporation Income Tax** - This tax is imposed on every domestic and foreign corporation doing business in Delaware, depending upon the amount of a corporation's taxable income that is apportioned and allocated to Delaware. DEFAC estimates (after refunds) are \$219.4 million for Fiscal Year 2015 and \$154.4 million for Fiscal Year 2016.
- ◆ **Bank Franchise Tax** - This tax is imposed on the net income of banks, trust companies and savings/building and loan associations and their subsidiaries. DEFAC estimates are \$101.7 million for Fiscal Year 2015 and \$99.7 million for Fiscal Year 2016.
- ◆ **Abandoned Property** - Any debt obligation that has gone unclaimed or undelivered, or security that has remained undelivered for three or more years after the date the owner should have received it, or was entitled to claim it must be reported to the State as abandoned property. DEFAC estimates are \$554.0 million for Fiscal Year 2015 and \$514.0 million for Fiscal Year 2016.

## FINANCIAL OVERVIEW

- ◆ **Realty Transfer Tax** - The State imposes a tax of 2.0 percent of the fair market value of the property divided equally between the grantor and the grantee. Local governments are permitted to levy a 1.5 percent tax. In cases where the local levy exceeds 1.0 percent, the State rate decreases to 1.5 percent. DEFAC estimates are \$72.2 million for Fiscal Year 2015 and \$64.0 million for Fiscal Year 2016.

# GOVERNOR'S BUDGET OVERVIEW

The Governor's Fiscal Year 2016 Recommended Budget maintains core services provided to Delawareans in the areas of education, healthcare, public safety and quality of life. The Governor's proposed Fiscal Year 2016 Operating Budget totals \$3,900.0 million. This budget, in combination with the Recommended Bond and Capital Improvements Act of \$385.8 million and recommended set aside for Grants-in-Aid of \$45.4 million, is within the constitutionally mandated 98.0 percent limit on appropriations.

## Government Efficiency

The proposed budget represents an increase of just 2.37 percent over the Fiscal Year 2015 operating budget and continues to hold the line on agency personnel growth. There are 1,021 fewer state agency positions in Fiscal Year 2015 compared to Fiscal Year 2009. The Fiscal Year 2016 Governor's Recommended Budget includes an additional reduction of 100 state agency positions with savings of \$5.5 million.

## Job Creation, Retention and Economic Growth

The Recommended Bond and Capital Improvements Act contains several funding initiatives designed to enhance Delaware's economy and generate jobs. These include:

- \$10.0 million for the Delaware Strategic Fund. The Delaware Strategic Fund represents the primary funding source used by the Delaware Economic Development Office to provide targeted financial assistance to businesses. Recent projects supported through the Delaware Strategic Fund include grants to companies such as Kuraray America, Perdue Foods, SLM Corporation, Navient and Bayhealth Medical Center.
- \$10.0 million for a container crane and infrastructure improvements at the Diamond State Port Corporation.
- \$3.15 million for the Riverfront Development Corporation to continue development efforts along the Christina River in Wilmington.
- \$1.0 million for the second year of funding for the Delaware Cyber Initiative (DCI). This initiative is a partnership between the State's higher education institutions, the private sector and the State to develop a workforce and research location targeting the area of cyber security. There is a significant need for trained cyber security graduates critical to large financial services and military employers important to the region. This funding will assist in the planning, design and start-up costs of DCI on the STAR campus.

- \$1.0 million to leverage Federal Research and Development Matching grants. This program offers funding support to federally - sponsored research grant proposals developed by Delaware State University, Delaware Technical and Community College and the University of Delaware.
- \$1.0 million for the Fraunhofer Center for Molecular Biotechnology (CMB) Vaccine Development. This funding is intended to create high-tech, high-impact jobs, spin-off businesses, new partnerships and alliances and enable CMB to leverage its unique technologies in the biotech marketplace.
- \$1.0 million for the third year of a five-year commitment to the Center for Clinical and Translational Research (DE-CTR) initiative. DE-CTR will enable partner institutions (University of Delaware, Christiana Care and Nemours) to develop new methods to translate research discoveries to community health settings and will leverage \$20.0 million in funding from the National Institutes of Health.
- \$1.0 million in state match for the second year of a five-year commitment to the IDeA Network of Biomedical Research Excellence program. This program is designed to build a statewide infrastructure in facilities for research into cancer, neuroscience and cardiovascular diseases.
- \$800.0 for the third year of a five-year commitment for the Experimental Program to Stimulate Competitive Research - Research Infrastructure Improvement (EPSCoR-RII) initiative. EPSCoR-RII provides infrastructure to support research and educational programs for Delaware's water and energy challenges and will leverage \$20.0 million in funding from the National Science Foundation.
- \$1.0 million for the Bioscience Center for Advanced Technology. The Center fosters academic industry research partnerships to support local bioscience businesses and help Delaware recruit, retain and create science-based jobs.

## Investing in Delaware's Schools and Youth

- \$15.3 million to fully fund an additional 76 units for the 2014 - 2015 school year and a projected growth of 110 units for the 2015 - 2016 school year.
- \$10.2 million to fund salary steps for public education and Delaware Technical and Community College employees.

# GOVERNOR'S BUDGET OVERVIEW

- \$9.5 million to continue the commitment to Public Education including:
  - District supports such as Response to Intervention, English Language Learners (ELL) and student safety initiatives.
  - Targeting resources to High Need Schools.
  - Supporting educators across the State.
  - Modernizing and enhancing student learning.
  - Improved collaboration through Performance Management.
  - College and Career Readiness.
- \$3.1 million to support STARS, Delaware's Quality Rating and Improvement System for early care and education.
- \$2.3 million for a projected increase in expenditures for pupil transportation.
- \$2.1 million for projected expenditures in the Academic Excellence appropriation to account for unit growth.
- \$945.1 for an increase to the education paraprofessional pay scale.
- \$89.0 million for public education capital projects, which includes Minor Capital Improvements funding and funding for projects in the Caesar Rodney, Cape Henlopen, Delmar, Lake Forest, Milford, New Castle County Vo-Tech, Polytech, Red Clay and Smyrna school districts.
- \$21.0 million for capital projects at Delaware State University, Delaware Technical and Community College and the University of Delaware.

## Health and Self Sufficiency for Delawareans

- \$10.0 million for the Housing Development Fund (HDF). The HDF provides affordable, decent, safe and sanitary housing to responsible, low- and moderate-income households.
- \$5.2 million for placements in the Division of Developmental Disabilities Services comprised of:
  - \$3.7 million for community residential placements. These funds will allow additional individuals with developmental disabilities to reside in a neighborhood group home, apartment, shared living arrangement or supported living; and

- \$1.5 million for special school graduates. This funding will support an estimated 150 additional special school graduates to be placed in community day programs and supported employment.

- \$4.5 million for Substance Use Disorder Services. Using national best practices, these funds will support enhanced assessment, monitoring and individualized treatment to those grappling with addiction.
- \$3.2 million for community-based services for individuals with serious and persistent mental illness.

## Enhancing our Quality of Life

- \$7.0 million for the second year of the statewide Urban Redevelopment initiative. This initiative will strengthen and enhance downtown areas by incentivizing rehabilitation and construction in designated Downtown Development Districts in amounts not to exceed 20 percent of the total project cost. In addition, up to \$1.0 million of this funding may be used for local downtown grants, in amounts not to exceed \$150.0 per locality in a one year period.
- \$5.0 million in matching funds for projects in the Lewes, Delmar, Harrington and the Rt 9/13 Garfield Park libraries.
- \$3.0 million for Statewide Trails and Pathways. Funding will continue the initiative to provide an interconnected network of shared-use pathways and trails that will support non-motorized travel and recreational trail opportunities.
- \$3.5 million for the redevelopment of the NVF site in Yorklyn and the Fort DuPont site in Delaware City.
- \$1.8 million for the Drinking Water State Revolving Fund. This program makes funds available to finance infrastructure improvements of local drinking water systems.
- \$1.4 million in matching funds for the Clean Water State Revolving Fund. This program provides assistance in the form of low-interest loans and grants for water quality projects, as well as municipal wastewater treatment projects.

## Ensuring Public Safety

- \$2.7 million to provide additional program space for offenders housed at the James T. Vaughn Correctional Center comprised of:
  - \$1.5 million for an Automotive Skills facility; and

## GOVERNOR'S BUDGET OVERVIEW

- \$1.2 million for cafeteria renovations to develop a Culinary Arts program.
- \$1.8 million for facility improvements at the Delaware State Police Indoor Firing Range.
- \$1.8 million for the replacement of state and local police Live Scan fingerprint equipment.
- \$1.1 million for renovations to the Delaware National Guard Readiness Center in Georgetown.
- \$889.5 for an addition to the New Castle County Fire School.

# THE DELAWARE BUDGET PROCESS

## BUDGET PROCESS AND OUTPUTS

To support a more strategic view, the Governor's Recommended Budget contains Volume I, which includes summary financial data, but emphasizes the Governor's policy agenda and a narrative description of agencies and their programs. The format reflects the strategic direction of agencies. An important part of this effort is the requirement that all agencies craft a mission statement, key objectives and accomplishments (past and planned) from which performance can be measured.

All key activities must be identified and systematically analyzed. These activities may be programmatic or administrative in nature.

The departmental sections in Volume I contain:

- Organizational Chart;
- Department Mission and Key Objectives;
- Five-Year Bar Chart of Departmental Budget Act Appropriations;
- Budget and Personnel Charts; and
- Subordinate Organization Mission, Key Objectives, Background and Accomplishments, Activities, Budget and Personnel Chart and Performance Measures.

The *Organizational Chart, Department Mission* and *Key Objectives* are the highest levels of summarization for a department. They present an organizational chart, a broad overview of the department's mission and key objectives and identify significant issues and changes in operating methods. All subordinate organization objectives are derived from and contribute toward departmental objectives.

The *Five-Year Bar Chart of Department Appropriations* provides Budget Act appropriations by funding type (General Fund (GF), Appropriated Special Fund (ASF), etc.) for the previous five fiscal years at a glance.

The *Funding and Position Charts* show, by fund type, the actual expenditures and positions for the previous fiscal year, the current fiscal year's budget appropriation and positions and the Governor's recommended appropriation and positions for the next fiscal year. Budgetary amounts are reflected in thousands.

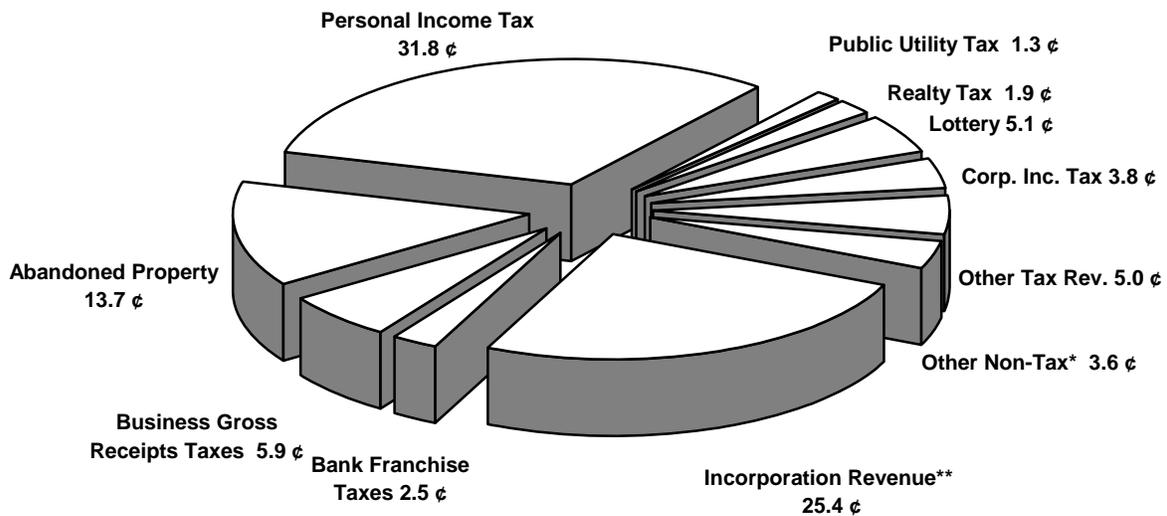

The subordinate organization *Mission, Key Objectives, Background and Accomplishments, Activities, Budget Chart, Personnel Chart* and *Performance Measures* provide the details necessary to understand the programs and services provided by the organization. Also included in Volume I are detailed statewide financial statements.

Volume II provides the detailed financial data for each agency, including history, requested funding and recommended funding.

**RESEARCH  
01-08-01**

**MISSION**

The Division of Research was created by the General Assembly to serve as a non-partisan and confidential reference bureau for information relating to legislative matters and subjects of interest to the Senate or House. To meet this mandate, the division conducts a wide range of activities, including legislative research, bill drafting, committee staffing and the development, production and distribution of public information regarding the General Assembly.

The division is responsible for the overall supervision of the facility, scheduling building events and the use of conference rooms in the Tatnall Building.

The division is the home of Research Analysis, the Bill Room, the Legislative Library, the Office of the Registrar of Regulations, Joint Sunset Committee Support and the Legislative Print Shop. The division provides information about legislative matters and provides copies of bills, resolutions and other legislative documents to all interested parties in accordance with the letter and spirit of the Freedom of Information Act.

The division publishes the Delaware Register of Regulations monthly in hardcopy and electronic formats. This publication and thousands of other public documents, including the Delaware Code online, are available on the General Assembly website.

**KEY OBJECTIVES**

- Encourage greater use of the services and resources of the division by members of the General Assembly.
- Continue the development and maintenance of the Delaware Administrative Code.
- Strive for greater customer satisfaction among users (legislators, lobbyists, government officials and the general public) of the division's services.
- Maintain and enhance the information and services provided through several websites maintained by the division, including the Delaware Code online.

**BACKGROUND AND ACCOMPLISHMENTS**

- The Registrar of Regulations and staff continue maintaining and enhancing the information provided through its publications, specifically:
  - The Delaware Code online received a new look in Fiscal Year 2014, enhancing the ability of users to view it using tablets and smartphones;
  - The Delaware Code online also became more functional as each Title is now divided into parts like the printed version of the code;
  - The online version of the Laws of Delaware now begins with laws from the 105th General Assembly (1935); and
  - The Delaware Administrative Code, only available online, continues to grow. The Registrar adopted new regulations in Fiscal Year 2014 to establish minimum requirements for filing and publication, including adherence to deadlines and the Registrar's style manual, to assist the Registrar in maintaining the accuracy, clarity and uniformity of the code, as well as monthly Registrar of Regulations.
- The Joint Sunset Analyst continues to provide research and administrative support for the work of the Joint Sunset Committee.
- The Legislative Librarian has cataloged the library holdings, which are now included in the Delaware Public Library Catalog so the public is aware of the resources offered by the Legislative Library, and has begun collaborating with the county law libraries on a seminar or podcast on sources of legislative history.
- Division staff proposed Delaware adopt the Uniform Electronic Legal Material Act (UELMA), which establishes a framework for providing electronic legal material with the same trustworthiness traditionally provided by publication in print. The General Assembly passed House Bill 403, adopting UELMA, and division staff are working to bring the electronic versions of the Delaware Constitution, Delaware Code, Laws of Delaware and Delaware Administrative Code, available in electronic form, into conformity with the requirements of UELMA.
- Division staff proposed the consolidation of the responsibility for the management of the printed version of the Delaware Code with Legislative Council and with the support of the Code Revisors, the updating of language relating to the preparation of the printed version of the Delaware Code. The General Assembly passed House Bill 401, adopting these proposals. Division staff have worked with state agencies over the summer to ensure the number of copies of printed supplements to the Delaware Code and copies of Delaware Rules accurately reflect the need of these agencies.

**LEGISLATIVE

**ACTIVITIES**

- Disseminate accurate and timely legislative documents and information to users of the division's bill service.
- Provide objective, non-partisan research and analysis of issues related to legislation and subjects of interest to members of the General Assembly.
- Provide accurate, well-reasoned and effective draft legislation to meet the needs of members of the General Assembly.
- Maintain an effective legislative library by constantly updating reference materials and taking advantage of ongoing technological improvements.
- Provide timely, updated, accurate and well maintained information to website users of the Register of Regulations and General Assembly.
- Provide timely and accurate printed materials through the legislative print shop.
- Provide same-day service for all information requests made to the bill room.
- Maintain computerized activity logs on the Legislative Tracking System to record bills drafted, research reports, memos completed and other activities.

The Office of the Controller General works with and assists the General Assembly and Joint Finance Committee by providing comprehensive budget analyses, fiscal notes and limited numbers of management and program reviews. Priority issues and/or policy questions are researched and investigated. The office provides support to legislative members on the Delaware Economic and Financial Advisory Council and provides analyses of General Fund transfers and applications for federal funds. Staff members participate in all hearings relating to the State's operating budget, contemplated supplementary appropriations and capital improvement programs. The office performs management and program reviews by using casual/seasonal employees and contractual services. The office also provides professional, technical and clerical support to legislative standing committees.

### MISSION

The Judicial Branch is a co-equal, independent branch of government entrusted with the fair, just and efficient resolution of disputes under the rules of law and equity and with the protection of all rights and liberties guaranteed by the Constitutions of the State of Delaware and the United States.

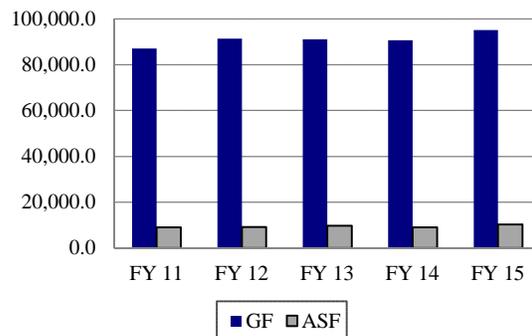

### KEY OBJECTIVES

- Enhance options for cost-effective and timely dispute resolution practices.
- Improve access to justice for Delaware residents.

### BACKGROUND AND ACCOMPLISHMENTS

Goals and objectives contained within the Judiciary are based upon direction from the Chief Justice as outlined in various administrative directives, national goals promulgated by the American Bar Association (ABA) and individual objectives specific to the Delaware court system.

### SUPREME COURT

#### 02-01-00

#### MISSION

- Provide fair, just and efficient resolution of disputes under the rules of law and equity and with the protection of all rights and liberties guaranteed by the Constitutions of the State of Delaware and of the United States.
- Regulate the practice of law through various committees appointed by the Supreme Court.
- Establish statewide goals and implement appropriate policies for judicial administration and support operations.
- Supervise other state courts pursuant to the Chief Justice's authority under Article IV, Section 13 of the Delaware Constitution.

#### KEY OBJECTIVES

During Fiscal Year 2016, the court expects to accomplish the following:

- Continue to render final dispositions in most cases within 90 days from the under advisement date to the final decision date; and
- Continue to regulate the practice of law in Delaware.

#### BACKGROUND AND ACCOMPLISHMENTS

The Supreme Court was created by Article IV, Section 1 of the Delaware Constitution. The Supreme Court consists of a Chief Justice and four justices, each of whom is appointed by the Governor and confirmed by the Senate. The Chief Justice, in consultation with the justices, is responsible for the administration of all courts in the State under Article IV, Section 13 and appoints a State Court Administrator of the Administrative Office of the Courts (AOC) to manage the non-judicial aspects of court administration.

Under Article IV, Section 11 of the Delaware Constitution, the Supreme Court has final appellate jurisdiction in criminal cases from the Superior Court in which the sentence shall be death, imprisonment exceeding one month or fine exceeding \$100 and in such other cases as shall be provided by law. In civil cases, the Supreme Court has final appellate jurisdiction as to final judgments and in certain other orders of the Court of Chancery, Superior Court and Family Court. Appeals are heard on the record established in the trial court.

Delaware is an appeal of right state. If an appeal is within the jurisdiction of the Supreme Court, the court must accept the appeal. Appeal processing, from initial filing to final decision, is the primary activity of the Supreme Court.

The Court on the Judiciary, established by Article IV, Section 37 of the Delaware Constitution, consists of the five members of the Delaware Supreme Court, the Chancellor of the Court of Chancery, the President Judge of the Superior Court, the Chief Judge of the Family Court and the Chief Judge of the Court of Common Pleas. The purpose of the Court on the Judiciary is to investigate complaints filed against any judicial officer appointed by the Governor and take appropriate action as set forth in the Constitution.

The Supreme Court regulates the practice of law in Delaware through various committees referred to as the Arms of the Court. Each committee member is appointed by the court. Pursuant to Supreme Court rules, these committees are funded by annual assessments paid by Delaware lawyers, fees from applicants who take the Delaware Bar examination and assessments from non-Delaware lawyers who are admitted under Pro Hac Vice rules.

The Board on Professional Responsibility and Office of Disciplinary Counsel are authorized by Supreme Court Rules 62 and 64, respectively. Under Supreme Court Rule 62(c), the court appoints a Preliminary Review Committee. The Board on Professional Responsibility, Preliminary Review Committee and Office of Disciplinary Counsel are responsible for the regulation of the conduct of the members of the Delaware Bar. Matters heard by the board are subject to review by the Delaware Supreme Court.

The Lawyers' Fund for Client Protection is authorized by Supreme Court Rule 66. The purpose of the fund is to establish, as far as is practicable, the collective responsibility of the legal profession with respect to losses caused to the public by defalcations of members of the Bar.

The Board of Bar Examiners is authorized by Supreme Court Rule 51. It is the duty of the board to administer Supreme Court Rules 51 through 55. These rules govern the testing and procedures for admission to the Bar of the Supreme Court of Delaware.

The Commission on Continuing Legal Education (CLE) is authorized by Supreme Court Rule 70 and Mandatory Continuing Legal Education Rule 3. The purpose of the commission is to ensure minimum requirements for continuing legal education are met by attorneys to maintain their professional competence throughout their active practice of law.

# JUDICIAL

## 02-00-00

The Supreme Court Advisory Committee on the Interest on Lawyer Trust Accounts (IOLTA) program is authorized by Supreme Court Rule 65. The function of the committee is to oversee and monitor the operation of the Delaware IOLTA program, as established pursuant to Rule 1.15 of the Delaware Lawyers' Rules of Professional Conduct. The committee reports annually to the Supreme Court on the status of the program and the work of the committee. It is the exclusive responsibility of the Delaware Bar Foundation, subject to the supervision and approval of the court, to hold and disburse all funds generated by the IOLTA program. The majority of these funds are used to provide legal representation to indigents.

The Board on the Unauthorized Practice of Law is authorized by Supreme Court Rule 86. It is the duty of the board to administer Supreme Court Rule 86 and investigate matters *sua sponte* or matters referred to it from any source, respecting issues involving the unauthorized practice of law.

The Chief Justice, in consultation with the justices, has the responsibility to manage judicial administration for all courts. In this role, the Chief Justice monitors the performance of the entire judicial system by identifying areas for increased administrative focus, coordinating plans to deal with inter-court issues and reviewing individual court budgets.

The Supreme Court's major accomplishment within the past year was the disposition of most cases within 28 days of the date of submission. This disposition rate is well under the 90-day standard the court has set in accordance with ABA standards.

## COURT OF CHANCERY

### 02-02-00

### MISSION

To render justice in matters relating to corporate litigation, fiduciary and other matters within its jurisdiction in a way that is fair, prompt, efficient and highly expert.

### KEY OBJECTIVES

- Maintain and enhance the court's reputation for excellence and promptness in judicial work.
- Maintain and enhance the court's automated capability to handle workload.
- Continue to improve the statewide functionality of the Register in Chancery.

### BACKGROUND AND ACCOMPLISHMENTS

Delaware's Court of Chancery is a non-jury trial court of limited jurisdiction and is the sole Delaware court with general power to issue temporary restraining orders and preliminary injunctions. Its jurisdiction includes both corporate and non-corporate litigation matters. The judges spend approximately 70 percent of their time on corporate, alternative entity and other complex commercial disputes involving Delaware businesses. This specialization and expertise contribute to the fact that Delaware is a preferred site for entity formation in the United States. The remainder of the court's resources are spent handling non-corporate litigation regarding the fiduciary administration of guardianships, trusts and estates and other non-litigation matters.

The Court of Chancery consists of one Chancellor, four Vice Chancellors and two Masters in Chancery. The Chancellor and Vice Chancellors are nominated by the Governor and are confirmed by the Senate.

Many areas of the court's work are handled by the Masters in Chancery, who hold evidentiary hearings and write opinions in areas under the court's jurisdiction, such as wills, estates, real estate, guardianships and in cases involving corporate law. The Chancellor assigns to the Masters in Chancery various matters, and parties have a right to appeal to a judge if they so choose.

### SUPERIOR COURT

#### 02-03-00

#### MISSION

To provide superior service to the public in pursuit of justice.

The following statements of purpose are based on the six performance areas in the Trial Court Performance Standards:

- To be accessible to all litigants and other court users within safe and convenient facilities;
- To provide prompt and efficient resolution of disputes and meet its responsibility to everyone affected by its actions;
- To provide due process and individual justice in each case, treat litigants similarly and ensure the court's actions and the consequences thereof are consistent with established law;
- To be accountable for the use of resources at its disposal;
- To ensure the court's personnel practices and decisions establish the highest standards of personal integrity and competence among its employees; and
- To instill public trust and confidence that the court is fairly and efficiently operated.

#### KEY OBJECTIVES

- Increase the rate of compliance with the Chief Justice's Speedy Trial Directive for the disposition of criminal cases.
- Increase the rate of compliance with ABA standards for the disposition of civil cases.
- Incorporate conflict management into the scheduling process, establish greater adherence to court schedules and tighten the notification process.
- Reduce the number of capiases outstanding by review of their status and by promoting efforts to apprehend those who fail to appear.
- Expand training opportunities for staff, particularly in management and supervisory skills.
- Reduce the number of violations of probation to reduce recidivism and prison populations.
- Develop recruitment and training programs for staff that recognize diversity as a core value of the court.

## JUDICIAL 02-00-00

- Maximize staff productivity through enhancements to automated case management systems.

### BACKGROUND AND ACCOMPLISHMENTS

Superior Court is Delaware's court of general jurisdiction. The court's jurisdiction includes:

- Criminal felony cases;
- Civil cases where the claim exceeds \$100,000 and those under \$100,000 where a jury trial is demanded;
- Appeals arising from the decisions of more than 50 boards and commissions;
- Appeals from the Court of Common Pleas; and
- Applications for extraordinary writs, such as habeas corpus and mandamus.

Superior Court continues its dedication to its vision, mission and core values through the collaborative efforts of its judges and staff from across Delaware. The vision of the Superior Court is to offer the most superior service in the nation among courts of general jurisdiction. Superior Court's core values are UNITED, which stands for Unity, Neutrality, Integrity, Timeliness, Equality and Dedication. The court is committed to building on the quality of justice and public service for which it is well known both in Delaware and throughout the nation.

Superior Court has partnered with other criminal justice agencies to assist problem-solving courts to improve court outcomes for victims, litigants and communities through problem-solving court strategies. These include extended probation, frequent appearances before judges, meetings with probation officers and regular alcohol and other drug testing. The mission of problem-solving courts is to divert eligible defendants from the criminal justice system and provide defendants with tools to lead a productive and law-abiding life. Superior Court's problem-solving courts include Drug Court, Mental Health Court, Re-entry Court and Veterans Court.

The Mortgage Foreclosure Mediation program and Operation Rightful Owner initiative are active in assisting victims of mortgage foreclosure. The Mortgage Foreclosure Mediation program gives homeowners an opportunity to negotiate an alternative to foreclosure with the assistance of housing counselors. Project Operation Rightful Owner is designed to assist residents who have lost their homes to sheriff's sale by returning excess proceeds to the rightful owners.

- Resolve cases timely and expeditiously.
- Provide a safe, accessible and secure environment for the residents of Delaware.
- Responsibly use and account for public resources.
- Ensure an environment free of bias and the perception of bias.

#### BACKGROUND AND ACCOMPLISHMENTS

The Court of Common Pleas has jurisdiction over:

- All misdemeanors except certain drug-related crimes;
- Preliminary hearings in all felony cases;
- Certain traffic offenses;
- Civil cases where the amount in controversy does not exceed \$50,000 on the complaint;
- Civil and criminal appeals from the Justice of the Peace (JP) Court;
- Criminal appeals from Alderman Courts;
- Appeals from the Division of Motor Vehicles (DMV) in license suspensions;
- Appeals from the Animal Control Panel; and
- Confirmation of arbitration awards in consumer credit cases.

The Court of Common Pleas receives most of its criminal caseload from the JP Court and a small percentage of filings from Alderman Courts. Approximately 3 percent of cases are filed by the Attorney General.

Jury trials are available to all criminal defendants. Civil cases are tried without a jury. Appeals to the court are *de novo* appeals; appeals from the Court of Common Pleas are to the Superior Court on the record.

The Court of Common Pleas has nine judges and two commissioners. Five judges serve in New Castle County,

two serve in Kent County and two serve in Sussex County. One commissioner serves in New Castle County and one is shared between Kent and Sussex Counties.

The court operates a court-supervised, comprehensive drug diversion program for non-violent offenders. This voluntary program includes regular appearances before a judge and participation in substance abuse education, drug testing and treatment. The court has handled 7,733 participants since the program's inception in 1998. In Fiscal Year 2014, 450 participants entered the program.

The court began a mediation dispute resolution program in 2001. In partnership with the Center for Community Justice and the Delaware Center for Justice, the court has referred more than 13,805 cases for mediation, with a success rate of nearly 90 percent. Mediation provides an alternative to criminal prosecution and leaves participants with an increased sense of satisfaction about the criminal justice process. The court's mediation program has been expanded and is available to parties in both civil and criminal cases. More than 1,485 referrals were made in Fiscal Year 2014.

In November 2003, the State's first Mental Health Court was instituted in New Castle County. The goal of the specialized court is to serve the special needs of the mental health population in the criminal justice system through continuous judicial oversight and intensive case management. In Fiscal Year 2012, the court received a federal grant to provide for the expansion of Mental Health Court to Kent and Sussex Counties. In Fiscal Year 2014, approximately 117 defendants entered Mental Health Court statewide.

The court introduced Traffic Court in New Castle County in November 2003 to reduce the number of court appearances for traffic offenses and to manage the large number of motor vehicle cases. Through the application of aggressive case management techniques, the court has reduced the time to disposition for these cases.

The Trauma Informed Probation (TIP) calendar, now in its third year, is a problem-solving court aimed at identifying defendants, including women in prostitution, who have experienced significant trauma in their past. The goal is to provide trauma-informed care to help improve outcomes for TIP participants and to reduce recidivism rates. In Fiscal Year 2014, 23 participants entered the TIP program.

The Court of Common Pleas is a high volume court that manages a diverse caseload. Keeping pace with the caseload requires the commitment of judges and staff and the implementation of aggressive case management techniques to ensure prompt and fair justice for all litigants.

### FAMILY COURT

#### 02-08-00

#### MISSION

To provide equal access to justice for the families and children under Family Court’s jurisdiction in a manner that is fair and efficient and that maintains the public’s trust and confidence in an independent and accountable Judiciary.

#### KEY OBJECTIVES

- Comply with all scheduling and dispositional standards in civil and criminal matters as prescribed by the Chief Justice and Chief Judge.
- Improve access to the court with an emphasis on those who elect to represent themselves.
- Increase the effectiveness of calendaring and continuance practices.

#### BACKGROUND AND ACCOMPLISHMENTS

Family Court was created by Article IV, Section 1 of the Delaware Constitution. Family Court has its origin in the Juvenile Court for the City of Wilmington founded in 1911. In 1933, the Juvenile Court expanded to include all three counties in Delaware. A statewide Family Court with jurisdiction over all family matters was achieved with the statutory authorization of the court in 1971.

Family Court is a unified statewide court with facilities in New Castle, Kent and Sussex Counties. The court consists of a Chief Judge, 16 judges and 16 commissioners, each of whom are appointed by the Governor and confirmed by the Senate.

Family Court has both criminal and civil jurisdiction and disposes of adult misdemeanor crimes against a child; intra-family misdemeanor crimes; juvenile delinquency matters; child neglect, abuse and dependency matters; child and spousal support matters; paternity determinations; custody and visitation of children; adoptions; terminations of parental rights; divorces and annulments; property divisions; specific enforcement of separation agreements; guardianship over minors; imperiling the family relationship; orders of protection from abuse; child abuse substantiation matters; and other legal matters involving the family unit. Family Court judges review the decisions of Family Court commissioners upon the filing of a timely request. Family Court decisions are appealed directly to the Supreme Court with the exception of adult criminal cases, which are appealed to the Superior Court.

Family Court requires court mediation in a number of its case filing types facilitated by court-employed mediators in recognition of the importance of empowering individuals to make decisions regarding their families in a non-adversarial setting. In Fiscal Year 2014, more than 12,500 matters were scheduled for mediation statewide.

Arbitration is available for eligible first-time juvenile offenders. Arbitration allows eligible juveniles who accept responsibility for their conduct and who comply with specific conditions to have their charges dismissed.

Family Court has several specialty courts designed to meet the needs of the populations they serve effectively. These specialty courts include Gun Court, Juvenile Drug Court and Mental Health Diversion Court.

Family Court administers the Court Appointed Special Advocate program to recruit, train and assign volunteers to represent the best interests of children in the child welfare system.

Family Court provides services to self-represented litigants in its resource centers and through its website.

## JUSTICE OF THE PEACE COURT

### 02-13-00

### MISSION

As the place where justice starts, the following is the mission of the JP Court:

- Serve the people of Delaware through the efficient and accessible administration of justice for all; and
- Treat all persons with integrity, fairness and respect.

### KEY OBJECTIVES

- Provide exemplary customer service.
- Improve the infrastructure of the court.
- Provide reasonable court access and locations.
- Provide convenient, safe and secure facilities for the public and court employees.
- Improve efficiency and the quality of justice.
- Improve security for all court facilities.
- Work in conjunction with DMV, law enforcement agencies, other courts and the Department of Safety and Homeland Security to reduce the flow of paperwork between the courts and other agencies.

### BACKGROUND AND ACCOMPLISHMENTS

JP Court is authorized by Article IV, Section 1 of the Delaware Constitution. JP Court is Delaware's entry-level court, through which the great majority of all criminal cases pass. JP Court has criminal jurisdiction to hear:

- Criminal misdemeanor cases as listed in 11 Del. C. § 2702 and all criminal violations;
- Most 21 Del. C. traffic offenses, which do not involve physical injury or death;
- County code violations;
- Many Department of Natural Resources and Environmental Control offenses;
- Truancy cases;
- Alcoholic beverage violations; and
- Miscellaneous violations initiated by other state agencies.

JP Court has civil jurisdiction over:

- Contractual disputes in which the amount in controversy does not exceed \$15,000;
- Replevin actions (actions brought to recover possession of personal property unlawfully taken) in

# JUDICIAL

## 02-00-00

which the amount in controversy does not exceed \$15,000;

- Negligence cases (not involving physical injury) in which the amount in controversy does not exceed \$15,000;
- Landlord/tenant cases, including summary proceedings for possession where jury trials are authorized and appeals from landlord/tenant cases to special courts consisting of a three-judge panel; and
- Traffic cases with civil penalties.

JP Court also has jurisdiction to:

- Issue summonses and arrest and search warrants for all criminal offenses based upon findings of probable cause;
- Conduct initial appearances to set bond for all criminal offenses and conduct bond review hearings when requested;
- Issue and execute capiases; and
- Process capiases issued by Family Court, Court of Common Pleas and Superior Court.

There are 15 JP trial court sites located in 13 court facilities, with one court in each county open 24 hours a day, 365 days a year. The Delaware Code authorizes 60 Justices of the Peace and one Chief Magistrate to serve as the administrative head of the court. Justices of the Peace are appointed by the Governor and confirmed by the Senate.

JP Court is unique in that it is the only Delaware court that employs constables, a quasi-police force charged with carrying out its judicial orders.

### Truancy Court

Truancy Court operates in cooperation with schools and social service agencies to reduce truancy. During Fiscal Year 2013, the 147th General Assembly enacted House Bill 24, resulting in school districts being required to report on grades K-12 no later than the 20th unexcused absence. This legislation, in conjunction with the Truancy Task Force established by the Juvenile Justice Collaborative, assists JP Court to further improve intervention processes and extend available resources aimed at reducing the overall truancy rate.

### Statewide Videophone Court

The statewide Videophone Court at JP Court 2 in Rehoboth Beach creates time and staffing efficiencies by providing specialized one-stop videophone proceedings for law enforcement. Videophone arraignments, initial presentments, capias returns and warrant requests by police throughout the state are processed through JP Court 2. The statewide Videophone Court currently handles over 2,200 videophone cases each month.

### Capias Processing

The court continues its capias reduction plan to eliminate stale capiases in which there is no real likelihood of bringing to justice those who failed to appear in court or failed to pay fines while providing for a clear understanding of capiases that are still viable. JP Court has the policy to permit any JP site to handle another JP Court's capiases. This has resulted in time and transport savings for law enforcement, correctional officers and defendants. The court has also implemented an enhanced collections program, with the assistance of the Office of State Court Collections Enforcement (OSCCE), to further reduce outstanding capiases.

### Police Prosecution

JP Court established the Police Prosecution Process to facilitate the goal of speedy resolution of traffic and minor criminal cases. The Police Prosecution Process was initiated at JP Court 6 in Harrington and has since expanded to 12 JP Courts throughout New Castle, Kent and Sussex Counties. Speedy resolution provides significant cost savings, convenience and procedural benefits to the court, law enforcement agencies, attorneys, Department of Correction (DOC), victims, defendants and the public in general.

### Facilities

In an effort to reduce operating expenses and increase operational efficiency, JP Court has developed and implemented plans to consolidate facilities over the past several years. In Fiscal Year 2010, for example, JP Court consolidated the locations of JP Court 11, JP Court 15, JP Court Administrative Office and Constable Central to one location. Efforts are still under way to continue to consolidate and find more effective and efficient locations for JP Courts statewide.

The 144th General Assembly enacted Senate Bill 75, establishing a separate fund to provide supplemental funding for court security personnel, equipment and training based upon a plan submitted by the Chief Justice and approved by the Office of Management and Budget, Controller General and Joint Finance Committee. Monies for this fund shall come from court security assessments imposed as a part of court costs for civil initial filings and criminal and traffic convictions.

Fiscal Year 2009 was the first year the security assessment funds were accessible to the courts through the implementation of a security plan that enhanced physical security structures in several courthouses, as well as established new court security positions to cover additional shifts of operation.

In Fiscal Year 2014, the administration of court security funds was moved to the individual courts. Court security reserve funds for the New Castle, Kent and Sussex County Courthouses continue to be administered in the Central Services Account.

**MISSION**

To assist the Judicial Branch and others in delivering the highest quality of justice by providing effective and efficient administrative support and information services.

**BACKGROUND AND ACCOMPLISHMENTS**

AOC was established in 1971 pursuant to 10 Del. C. § 128. The office assists the Chief Justice in carrying out the responsibilities as administrative head of all courts in the Judicial Branch.

Since 1971, several administrative directives promulgated by the Chief Justice and Supreme Court Rule 87 have expanded and clarified the role and responsibilities of AOC. The role described in these documents includes delivering services to courts, judicial organizations and external customers in the areas of budget development, personnel policies, fiscal policies, collections, technology policies and services, records management, interpreters, planning and research, facilities, education and law libraries.

To fulfill its responsibilities, AOC is divided into three components that provide direct services to the Supreme Court, Court of Chancery, Superior Court, Family Court, Court of Common Pleas, JP Court and limited services to several non-judicial agencies. The components are the Office of the State Court Administrator, OSCCE and the Information Technology (IT) division. AOC provides limited fiscal and administrative services to several agencies that receive policy direction and oversight from boards and governing bodies outside the Judicial Branch. These agencies establish their own missions, objectives and performance measures. This group of agencies is composed of the Office of the Public Guardian (OPG), the Child Placement Review Board (CPRB), the Office of the Child Advocate (OCA), the Child Death, Near Death and Stillbirth Commission (CDNDSC) and the Delaware Nursing Home Residents Quality Assurance Commission.

- Enhance public trust and confidence in the courts through the provision of information to the public about the court system and initiatives to promote fairness and the perception of fairness.
- Increase public access to the courts through provision of interpreters and assistance to unrepresented litigants.
- Ensure continuity of operations in the event of an emergency.
- Enhance service to the public by providing staff support for judicial education and staff training programs.
- Promote safety and security of courthouses.
- Assist courts in developing and reporting statistical measurements.
- Support efforts to recruit, hire and retain the most qualified candidates and provide promotional opportunities.
- Provide administrative support for Judicial Branch agencies.

**BACKGROUND AND ACCOMPLISHMENTS**

The Office of the State Court Administrator provides a variety of support services to the courts, as well as limited fiscal and administrative assistance to Judicial Branch agencies.

## JUDICIAL 02-00-00

Several accomplishments during the past fiscal year included:

- Expanding its staff training;
- Continuing to expand its community outreach efforts, through enhanced programming and a series of new initiatives focused on providing educational opportunities to Delaware youth and the community;
- Expanding the Limited Legal Assistance Program (LLAP), to provide a spanish interpreter to spanish speaking litigants who attend the program;
- Receiving the 2013 John Neufeld Court Achievement Award, recognizing the achievements of an individual, a group of individuals or a court system that has developed or implemented a significant or innovative court program in the Mid-Atlantic region; and
- Presenting the Final Report of the Supreme Court's Racial Justice Improvement Project Task Force, highlighting the numerous accomplishments of the task force.

### ACTIVITIES

- Provide centralized services to the New Castle County Courthouse, including safety and security planning and coordination and management of operations for the information desk, filing and payment center, LLAP and mail room.
- Provide education and staff training services for the Judiciary.
- Administer the statewide Court Interpreter program.
- Conduct research and analysis related to all issues affecting the Judicial Branch.
- Prepare the Annual Report of the Judiciary.
- Administer the Judicial Branch Public Information program, including a newsletter highlighting its accomplishments.
- Assist in policy coordination and development for issues affecting all courts.
- Coordinate preparation, review and submission of the Judicial Branch budgets.

### *OFFICE OF STATE COURT COLLECTIONS ENFORCEMENT 02-17-03*

---

### MISSION

To assist the Delaware Judiciary and the criminal justice community through collection enforcement of court-ordered financial sanctions and assessments.

### KEY OBJECTIVES

- Assist in the collection of court-ordered financial assessments, which include victim restitution, Victims' Compensation Assistance Program funds, Drug Education Fund fees, Delaware Criminal Justice Information System fees, court security fees, court fees and DOC supervision/interstate compact fees.
- Develop policies and procedures to support one-stop judicial payment centers.
- Develop and implement new initiatives to assist in the collection of delinquent receivables.
- Participate in efforts to develop and implement standard financial policies and procedures related to the courts' processes.
- Improve operational efficiency and effectiveness.

### BACKGROUND AND ACCOMPLISHMENTS

OSCCE functions as a one-stop judicial collections center. There are four judicial payment centers and five payment kiosk locations that provide cashiering services for Superior Court, Court of Common Pleas, Family Court, JP Court and DOC.

In an effort to provide efficient services to state residents, OSCCE continues to collaborate with all branches of government. OSCCE assists DOC with the collection of supervision and interstate compact fees, the Department of Elections with felony voting restoration rights and the

## JUDICIAL 02-00-00

Division of Revenue with offsetting state tax refunds and lottery winnings against delinquent state receivables.

OSCCE continues to implement and/or expand several new programs to improve collection efforts. These include:

- Expanding the wage garnishment program to enforce the collection of outstanding Superior Court receivables;
- Expanding the use of payment kiosks to increase payment accessibility to the public for judicial receivables through DMV;
- Expanding payment options within OSCCE's kiosk program; and
- Completing implementation of the DOC probationary fees automated system to include Interstate Compact fees.

OSCCE continues to research, develop and implement new technologies to assist the Judiciary and State with the handling of delinquent receivables. These efforts include:

- Working with IT and the Department of Labor to create an automated wage earnings reporting system that will allow ad hoc report requests to facilitate client accountability in payment of court receivables; and
- Developing procedures to improve client repayment accountability through financial reporting, focusing on delinquent restitution cases within the courts.

### ACTIVITIES

- Accept payment of court-ordered financial assessments.
- Document and record all financial transactions promptly and accurately.
- Explore alternative forms of payment processing.
- Pursue the collection of financial obligations referred by the courts.
- Refer offenders to programs administered by DOC to address court-ordered financial sanctions (excluding restitution).
- Work with statewide criminal justice agencies to promote cooperation and share automated data.
- Assist staff in the issuance of restitution funds collected against referred delinquent Family Court receivables.
- Provide financial reports as requested.

- Provide leadership and oversight of technology efforts supporting the courts' business needs.
- Develop systems that integrate with other criminal justice agencies and stakeholders in the exchange of information.

#### BACKGROUND AND ACCOMPLISHMENTS

Throughout Fiscal Year 2014, IT remained focused on addressing longstanding infrastructure and personnel needs.

Recent accomplishments include:

- Continuing systems stabilization and infrastructure improvements; and
- Continuing to support judiciary technology planning.

#### ACTIVITIES

- Analyze business issues and processes related to the flow, management and use of information.
- Drive process improvement efforts.
- Manage development of and support applications to enhance the operations of the courts and agencies.

## JUDICIAL 02-00-00

- Provide telephone and audiovisual installation and desktop support services.

### **LAW LIBRARIES** **02-17-05**

#### MISSION

To provide legal information resources for the Judicial Branch, Attorney General, Public Defender, other state agencies, members and prospective members of the Delaware Bar Association and *pro se* litigants and function as the official depository of state laws, agency rules and regulations, administrative and board regulations, court opinions, advisory memoranda and policy directives.

#### KEY OBJECTIVES

- Effectively manage all types of legal information.
- Provide assistance and comprehensive legal resources to a variety of library users.

#### BACKGROUND AND ACCOMPLISHMENTS

The primary purpose of the law libraries is to provide legal information to the Judicial Branch. The libraries also support other legal agencies within the State, as well as members of the legal community and *pro se* litigants. Each law library strives to maintain as many current and archival Delaware legal resources as possible. A law library is maintained in each county in Delaware as outlined in 10 Del. C. § 1941.

The New Castle County Law Library maintains a collection of 25,000 volumes. The library has multiple computer terminals and a hybrid of both print and electronic resources available to patrons free of charge. The New Castle County Law Library accommodates other state agencies and organizations by providing the use of rooms for meetings, conferences and the weekly LLAP for Family Court.

The Kent County Law Library is designated as the State Law Library pursuant to 10 Del. C. § 1942. The library incorporates both print and electronic media and maintains a legal reference collection of approximately 22,000 volumes. Some books in the collection are quite rare and considered invaluable in terms of their historical significance. The library offers computer-assisted online legal research and wireless access services.

The Sussex County Law Library in Georgetown maintains approximately 10,000 legal resources in a hybrid of print and electronic form. The Sussex County Law Library works with other legal and non-legal libraries across the country to procure legal information for the Judiciary via the inter-library loan program. The Sussex County Law Library has implemented new procedures, as well as conventional methods, to further assist patrons by providing wireless computer access, multiple computer terminals and a wide spectrum of legal online databases and print resources.

#### ACTIVITIES

- Provide legal tools and information to the Judiciary, legal community, *pro se* applicants and other state agencies.
- Structure, organize and evaluate the library inventory based on current legal needs of the Judiciary, while maintaining and preserving archival materials.
- Collaborate with other organizations and libraries to provide a diverse and comprehensive coverage of legal materials.
- Conduct yearly law library tours to familiarize judicial law clerks and staff with the law libraries.
- Research and retrieve information from books, periodicals, reference materials, other law libraries or commercial databases in response to judicial requests.
- Provide and maintain a physical environment conducive to researching the law.

### OFFICE OF THE PUBLIC GUARDIAN 02-18-01

#### MISSION

To provide quality, comprehensive and protective guardianship services to adult residents of Delaware who are severely mentally or physically disabled, are unable to manage their personal and financial affairs, are at risk for exploitation, neglect, abuse and victimization and have no one else able or willing to serve as a guardian.

#### KEY OBJECTIVES

- Provide guardianship services, enabling individuals to receive the best care and live in the least restrictive environment.
- Monitor private guardianships at the direction of and in cooperation with the Court of Chancery through maintenance and strengthening of the Guardianship Monitoring program.

Provide education to private guardians appointed by the Court of Chancery in the form of online and in person educational opportunities.

- Support various agencies in their work protecting the rights of those with disabilities.

#### BACKGROUND AND ACCOMPLISHMENTS

OPG was created in 1974 and serves as interim and permanent guardian for persons with severe disabilities. Referring agencies include the Court of Chancery, Adult Protective Services, Division of Developmental

Disabilities Services, Division of Substance Abuse and Mental Health, other state agencies, long-term care facilities, hospitals and private nursing care facilities.

In Fiscal Year 2014, the number of pleadings filed by OPG totaled over 500.

#### ACTIVITIES

OPG is working collaboratively with other state agencies and entities to provide advocacy and ensure that wards receive the best care and care transition. Due to the increasing complexity of property and financial issues, OPG is working to improve property and financial case management, thus allowing quality decision-making.

### CHILD PLACEMENT REVIEW BOARD 02-18-03

#### MISSION

To provide and administer a volunteer-based board that acts as an independent monitoring system charged with identification and periodic review of all children in out-of-home placements. The purpose of these reviews is to ensure every child in care has effective plans for permanency, receives adequate care for both physical and emotional needs and participates, at an appropriate age, in educational programs to increase independent living skills.

# JUDICIAL

## 02-00-00

### KEY OBJECTIVES

- Perform the tasks and functions defined in 31 Del. C. c. 38 in a professional, informed and efficient manner to have a positive impact on the State's effort to promptly provide quality services to children in out-of-home placements.
- Collect, record and distribute statistical information regarding children in out-of-home placements with the goal of advocating for their unmet needs.
- Administer the Ivyane Davis Memorial Scholarship and, in partnership with the Division of Family Services, Delaware's Educational and Training Voucher (ETV) program to support the higher education and training goals of eligible young adults who have been in or aged out of Delaware's foster care system.
- Perform functions as defined in 10 Del. C. § 1009(j)(4) to assure the safety and wellbeing of children when adjudicated and non-adjudicated youth are placed together.

### BACKGROUND AND ACCOMPLISHMENTS

CPRB is a statewide child advocacy agency. It is chartered by Delaware's General Assembly with three main tasks:

- Use resident-based panels to complete regular reviews of children placed by Family Court in Delaware's foster care system;
- Use resident-based panels to complete reviews of adjudicated youth placed by Family Court in out-of-home, non-detention placements; and
- File an annual report with the General Assembly regarding the work of CPRB.

In carrying out these directives, CPRB:

- Meets federal mandates requiring independent reviews of children in foster care;
- Submits review reports to Family Court and to the state agency responsible for the care of children in the foster care system;
- Studies and highlights trends affecting children in care;
- Develops and implements advocacy positions relating to children in care; and
- Combines the efforts of trained volunteers and the work of a small professional staff, creating a cost-effective, independent review system.

Since 1979, CPRB has been serving Delaware's child welfare system by holding independent reviews of the status of individual children in foster care. The board

was chartered to advocate for a permanent home or placement for each child in foster care and monitor provision of services to children in foster care to avoid "foster care drift," in which children remain in care year after year without plans or progress toward adoption or other permanent placement.

CPRB reviews are completed by volunteers trained in monitoring foster care placements. During Fiscal Year 2014, CPRB held 657 individual reviews on 553 unduplicated children in foster care.

In addition to children in foster care, CPRB also reviews the placement and status of adjudicated youth. Placement arrangements and supervision for these cases are managed through the Division of Youth Rehabilitative Services (YRS). CPRB reviewed 47 YRS cases this year; two of the offenders were female and 45 were male.

CPRB administers the Ivyane Davis Memorial Scholarship and administers the federal ETV program, both of which support post-secondary education for Delaware's former foster children. These programs motivate children in foster care to embrace the opportunity for post-secondary education. In Fiscal Year 2014, 59 recipients received scholarships and grants with a value of \$171,038. Twenty-two students used their grants at two-year colleges, and 33 attended four-year colleges. Three are in other post-secondary programs.

### OFFICE OF THE CHILD ADVOCATE 02-18-05

### MISSION

To safeguard the welfare of Delaware's children through educational advocacy, system reform, public awareness, training and legal representation of children as set forth in 29 Del. C. c. 90A.

### KEY OBJECTIVES

- Secure legal representation for every dependent, neglected and abused child in the custody of DSCYF.

## JUDICIAL 02-00-00

- Accomplish the goals and objectives of the Child Protection Accountability Commission (CPAC), including multi-disciplinary collaboration on child protection system issues and the development of and participation in quality training programs for the child protection community.
- Advocate for legislative, policy and procedure initiatives designed to improve the safety, permanency and wellbeing of Delaware's dependent, neglected and abused children.

### BACKGROUND AND ACCOMPLISHMENTS

OCA was created in 1999 in response to numerous child abuse-related deaths in Delaware. These cases pointed to deficiencies in the child protection system that could not be remedied solely by one entity. The General Assembly determined that an office to oversee these efforts, staff CPAC and provide legal representation on behalf of children was necessary.

During Fiscal Year 2014, OCA received 536 appropriate referrals on children, made 230 attorney appointments and completed 53 case reviews to ensure the child welfare system was adequately protecting those children. Throughout Fiscal Year 2014, OCA represented a total of 623 children.

On June 30, 2014, 613 children were in the legal custody of DSCYF. OCA represented 306 of those children and the Court Appointed Special Advocate program represented 307 children. No children were unrepresented on the last day of the fiscal year.

During Fiscal Year 2014, 355 volunteer attorneys represented children for OCA, with 42 new attorneys trained in five sessions. By the end of Fiscal Year 2014, OCA boasted a roster of 216 volunteer attorneys with at least five years experience representing children through OCA. Eighty-nine of those volunteers had 10 years of experience or more.

OCA worked diligently to deliver training on mandatory reporting of child abuse to professionals throughout Delaware and continued to support efforts to improve permanency and stability for teens aging out of foster care.

### ACTIVITIES

- Secure legal representation for DSCYF children by employing Deputy Child Advocates and recruiting volunteer attorneys to represent children.
- Provide support to CPAC, chair committees, participate on committees and workgroups and draft reports and legislation.

- Educate the public on the services and accomplishments of OCA and CPAC.
- Develop, participate and provide quality training and education to the child protection community.
- Review relevant policies, procedures and laws and make recommendations for change with a view toward the rights of children.
- Collect and analyze data to determine how many children are not receiving services or representation in Delaware and why.

### CHILD DEATH, NEAR DEATH AND STILLBIRTH COMMISSION 02-18-06

#### MISSION

To safeguard the health and safety of all Delaware children as set forth in 31 Del. C. c. 3.

#### KEY OBJECTIVES

- Review, in a confidential manner, the deaths of children under the age of 18, near-deaths of abused and/or neglected children and stillbirths occurring after at least 20 weeks of gestation.
- Provide the Governor, General Assembly and CPAC with recommendations to alleviate those practices or conditions that impact the mortality of children.
- Assist in facilitating appropriate action in response to recommendations.

# JUDICIAL

## 02-00-00

### BACKGROUND AND ACCOMPLISHMENTS

Delaware's child death review process was established by legislation on July 19, 1995, after a pilot project showed the effectiveness of such a review process for preventing future child deaths. CDNDSC provides meaningful system-wide recommendations to prevent the deaths and/or near-deaths of children and improve services to children. The process brings professionals and experts from a variety of disciplines together to conduct retrospective case reviews, create multi-faceted recommendations to improve systems and encourage interagency collaboration to end the mortality of children in Delaware.

In Fiscal Year 2014, reviews were conducted by each of the three panels (consisting of New Castle County, Kent/Sussex Counties and Abuse/Neglect) to determine whether reasonable standards of practice were met by the systems involved. The Fetal and Infant Mortality Review (FIMR) teams in New Castle, Kent and Sussex Counties continue to meet monthly to review cases of any fetus over 20 weeks gestation or infant through one year of age. The Maternal Mortality Review (MMR) program was implemented in 2011 by statutory authority granted to the CDNDSC. The goal of MMR is to conduct in-depth, multidisciplinary reviews of pregnancy-related deaths and some pregnancy-associated deaths to make system recommendations to decrease maternal mortality.

The commission meets quarterly to review and approve the work of the panels. Recommendations from expedited reviews of abuse/neglect cases are distributed to the Governor, General Assembly, CDNDSC and CPAC.

Statistics for Fiscal Year 2014 include:

- 62 deaths were reviewed by the child death panels;
- 26 initial cases were reviewed by the child abuse/neglect panel;
- Two cases were final reviews of child abuse/neglect;
- 112 fetal and infant deaths were referred to CDNDSC;
- 70 cases were reviewed by FIMR case review teams;
- 19 maternal interviews were conducted with mothers who have had a fetal/infant loss;
- Four maternal deaths were reviewed by MMR; and
- 345 Cribs for Kids referrals were received and 268 cribs were delivered.

### ACTIVITIES

- Identify and triage cases for review.
- Prepare and review child death and near-death cases that meet the criteria for review.

- Make recommendations to decrease child and maternal mortality.
- Collect and analyze data related to child deaths, near-deaths and maternal deaths.
- Issue annual reports and expedited review reports on recommendations and data.
- Engage community partners for prevention programs, such as Cribs for Kids and the statewide hospital abusive head trauma education program.
- Collaborate with CPAC and the Delaware Healthy Mother Infant Consortium.
- Oversee the Delaware Cribs for Kids program.
- Oversee the Direct on Scene Education program for first responders to educate the community on Infant Safe Sleeping.

### *DELAWARE NURSING HOME RESIDENTS QUALITY ASSURANCE COMMISSION 02-18-07*

#### MISSION

To monitor Delaware's quality assurance system for nursing home residents and assisted living facilities in both privately-operated and state-operated facilities so complaints of abuse, neglect, mistreatment, financial exploitation and other complaints are responded to in a timely manner to ensure the health and safety of residents of nursing homes and assisted living facilities.

#### KEY OBJECTIVES

- Examine the policies and procedures and evaluate the effectiveness of the quality assurance system for nursing home residents.
- Monitor data and analyze trends in the quality of care and life of individuals receiving long-term care in Delaware.
- Review and make recommendations to the Governor, the Secretary of the Department of Health and Social Services and the General Assembly

**JUDICIAL**  
**02-00-00**

concerning the quality assurance system and improvements to the overall quality of life and care of nursing home residents.

- Protect the privacy of nursing home residents.

**BACKGROUND AND ACCOMPLISHMENTS**

The Delaware Nursing Home Residents Quality Assurance Commission was established in response to the numerous complaints from long-term care residents in Delaware. These cases pointed to numerous deficiencies in Delaware’s quality assurance system for nursing home residents. The General Assembly determined a commission would oversee these efforts and advocate on behalf of nursing home residents.

The commission reviews various legislative and policy initiatives and provides comments. Members work closely with the Division of Long Term Care Residents Protection and other agencies to aid in enhancing the quality of care for residents.

**ACTIVITIES**

- Review relevant policies, procedures and laws and make recommendations for change with a view toward the rights of the long-term care residents.
- Review the performance of various agencies charged with protecting long-term care residents and provide recommendations for change and improvement.
- Visit long-term care and assisted living facilities to aid in promoting the quality of care for residents.
- Analyze trends to assess the value and efficacy of current procedures intended to improve the quality of care and life of individuals receiving long-term care in Delaware.
- Prepare and publish an annual report, including aggregate data with comprehensive analysis and monitoring of trends in the quality of care and quality of life of nursing home residents.

**OFFICE OF THE GOVERNOR  
10-01-01**

**MISSION**

To expand economic opportunity, improve the quality of life and protect the health, rights and safety of Delawareans.

**KEY OBJECTIVES**

- Getting people back to work and expanding economic opportunity.
- Ensuring our public education system lays the proper foundation for our future.
- Improving public safety, health and quality of life.
- Meeting budget challenges while maintaining fiscal discipline and responsibility.

**BACKGROUND AND ACCOMPLISHMENTS**

Governor Markell is committed to bringing people together to create jobs, leading responsibly and moving Delaware forward. To that end, the Governor has launched many initiatives, signed a number of significant bills into law and made important investments to advance these goals. This year's budget will build upon the success of the previous budget, legislative activity and other initiatives from the past year, which included a focus on the key objectives outlined above.

## EXECUTIVE 10-00-00

### *GETTING PEOPLE BACK TO WORK AND EXPANDING ECONOMIC OPPORTUNITY*

- The Governor is committed to creative solutions to improve the business climate in Delaware. Downtown Development Districts were created under Senate Bill 191 to revitalize urban areas and spur economic activity by attracting increased private funding through development and other incentives in selected areas. The Fiscal Year 2015 Capital Budget provides \$7 million to allow for the selection of one to three districts in the first year.
- Businesses owned by individuals with disabilities and certain small businesses are now included in the State's supplier diversity efforts under Executive Order 44 signed by the Governor on March 26, 2014. Executive Order 44 expands the scope of the Governor's Supplier Diversity Council to include the study and consideration of how the State of Delaware does business with enterprises owned by individuals with disabilities and other small businesses. The order also creates the new Small Business Focus program, which will increase opportunities for small businesses to participate in state procurement.
- As part of the Governor's increased support to small businesses and entrepreneurs, the Delaware Economic Development Office (DEDO) has continued to increase access to funding via the State Small Business Credit Initiative. In addition, DEDO supported Start It Up Delaware, which offers access to shared resources and services to entrepreneurs, and expanded Project Pop-Up to give 15 owners of Delaware businesses rent-free commercial space in a Delaware downtown for three months during the holiday season, including nine in a three-month incubator; the remaining six have established long-term leases in these spaces.
- Recognizing the leading role played by Delaware in the financial services industry, the Governor signed House Bill 414, which extends the Bank Franchise Tax Credit to support financial industry job creation by changing the sunset of the tax credit from 2022 to 2032 and providing a rolling base year for measuring employment growth.
- The Fiscal Year 2015 Capital Budget continued to support the Strategic Fund, which helped several successful companies expand their business in Delaware in the past year, including Allen Harim, poultry processing company, which announced its intention to employ an estimated 700 people and invest \$100 million as it expands investment in the United States through the acquisition of the former Pinnacle Foods (Vlasic) processing facility in Millsboro.
- To increase opportunities for working families, the minimum wage in Delaware will rise to \$8.25 per hour in two increments. The minimum wage rose by 50 cents to \$7.75 on June 1, 2014. On June 1, 2015, it will rise another 50 cents to \$8.25 per hour, making Delaware's minimum wage \$1.00 higher than the current federal minimum wage.
- To reduce high costs to businesses through recommendations of a task force created by the Governor and General Assembly, the Governor signed House Bill 373 to reform Delaware's workers' compensation system.
- The Governor recognizes the importance of growing new businesses in Delaware and supported small business innovation and growth by doubling the Research and Development Tax Credit for them. House Bill 318 targets startups and small companies with less than \$20 million in receipts by making them eligible for a tax credit of up to 100 percent of the federal credit, while large companies continue to qualify for up to 50 percent.
- The Delaware Cyber Initiative, a partnership among the higher education institutions, the State and the private sector, was created to encourage and support innovation in the tech industry, which has numerous unfilled jobs in the state. In addition, a Federal Research and Development Matching Grant program allows the State to provide grants to Delaware institutions engaged in cutting-edge research.
- In recognition of Fort DuPont's potential as a sustainable, mixed-use community that preserves the historical and environmental interests of the complex and surrounding areas, House Bill 310 authorized the creation of the Fort DuPont Redevelopment and Preservation Corporation, an entity that will spearhead the renovation, redevelopment and preservation of the complex.
- In order to help veterans transition to civilian workforce, the Governor signed House Bill 296, which permits professional licensing boards to recognize military education, training and experience when reviewing credentials and issuing licenses.

## EXECUTIVE 10-00-00

### *ENSURING THAT OUR PUBLIC EDUCATION SYSTEM LAYS THE FOUNDATION FOR OUR FUTURE*

- The Governor strongly believes that increased access to college is, for many students, the key to a better life. Delaware now funds a dual enrollment option, allowing high school students to earn college credits while still in high school. Another college access initiative, the “Getting to Zero” program, succeeded in having all college-ready seniors in this year’s graduating class apply to college and take steps to enroll, when in previous years about one in five did not. And because of increased emphasis on college readiness, more Delaware students are taking Advanced Placement (AP) courses and passing AP tests.
- The Fiscal Year 2015 Operating Budget made investments in Delaware’s schools, allocating \$19 million to maintain classroom size and fully fund unit count; providing \$10.2 million for step increases for school employees and an enhanced paraprofessional pay plan; and providing \$2.9 million for pupil transportation associated with enrollment growth.
- To improve the compensation of Delaware’s educators, Senate Bill 254 initiated a process of collaborative work focused on making starting salaries competitive, rewarding educators who take leadership roles and better supporting those who work with the most at-risk students. These are critical steps to help Delaware attract, develop and retain high-quality educators, who are the most important school-related factor in students’ academic success.
- The Fiscal Year 2015 Operating Budget established a path forward for more flexible funding for school districts after more than six decades of the prior funding system. The rigid state funding model prevented school leaders from developing innovative ways to best serve their students.
- To help match state assessments to college and career ready standards, House Bill 334 transitioned to student assessments that are aligned with Common Core.
- High school students can gain professional certificates in manufacturing by the time they graduate while receiving exposure to Delaware Technical and Community College and the workplace through the Accelerated Career Path. To further promote and support experiential learning as

a workforce development tool, the Fiscal Year 2015 budget provided \$900,000 for public-private partnerships between employers and schools.

- The Youth Re-entry Education Task Force was created under Executive Order 45 to examine the quality and availability of educational programs for juveniles returning from secure care settings, including special education, alternative school programs and career and technical training opportunities. The task force will develop recommendations to ensure that appropriate services are available for youth when they return to their communities from juvenile secure care facilities.
- In 2013, the Governor pledged that all Delaware schools would have a state-of-the-art school safety plan by the end of 2014. House Bill 340 fulfilled that pledge, and required schools to have a comprehensive and up-to-date plan by September 2014 to be prepared for potential emergency situations, ranging from armed intruders to natural disasters.
- The Sudden Cardiac Arrest Prevention Act, Senate Bill 205, requires the Delaware Interscholastic Athletic Association to draft regulations to identify symptoms and risk factors of sudden cardiac arrest in student athletes and to ensure that schools are better prepared to respond quickly and effectively should an incident occur.

### *IMPROVING PUBLIC SAFETY, HEALTH AND QUALITY OF LIFE*

- The Governor supported and signed a number of bills to address the many challenges related to Delaware’s offender population and to better ensure that ex-offenders can earn a living when they are released. One of the best predictors of whether ex-offenders will commit more crimes is whether they have a job. To help ex-offenders reintegrate into society, Senate Bill 217 eliminates the arbitrary loss of a driver’s license for drug crimes that have nothing to do with automobiles. This removes a major obstacle for ex-offenders, and helps them to find and hold a job.
- Known as “Ban the Box” legislation, House Bill 167 prohibits public employers from inquiring into an applicant’s criminal record before their first interview. This law permits consideration of criminal background after an applicant’s initial interview.

## EXECUTIVE 10-00-00

- House Bill 264 allows the Department of Correction to hire qualified ex-offenders into a short-term job training program to give those who have paid their debt to society a better opportunity to reintegrate into their communities. The department can offer employment for up to six months to ex-offenders who demonstrate exceptional job skills while enrolled in a level 4 or level 5 vocational program, notwithstanding any prior felony convictions.
- Criminal records for minor offenses can inhibit employment and other opportunities. More than three dozen minor environmental offenses associated with wildlife, hunting, fishing and boating were reduced from environmental misdemeanors to environmental violations under Senate Bill 258.
- As one of the Governor's initiatives to improve sentencing policies, House Bill 312 changes Delaware's sentencing laws to provide appropriate judicial discretion by permitting judges to impose concurrent sentences for multiple offenses. Delaware was previously the only state that forced judges, without exception, to impose consecutive sentences.
- The Fiscal Year 2015 Operating Budget included \$250,000 to create a pre-trial supervision program to keep some non-violent individuals out of prison while they are awaiting trial.
- To help young people transitioning out of juvenile facilities keep their lives on track when they return to their communities, the Fiscal Year 2015 Operating Budget provided \$250,000 for community-based youth advocates.
- Senate Bill 241 created the Division of Forensic Science, which reorganizes the forensic science functions of the former Office of the Chief Medical Examiner in a new division within the Department of Safety and Homeland Security (DSHS). The bill also establishes a Forensic Science Commission to provide important oversight and assistance to the office.
- The Division of Special Investigations was created in DSHS to make Delaware communities safer through in-depth investigations into firearm transactions, gun trafficking and by developing a statewide enforcement and oversight strategy.
- The Governor is committed to transforming the way the State handles addiction through better treatment, community care management and other related services. The Fiscal Year 2015 Operating Budget provided funding to allow the State to increase detoxification services, assertive community treatment team services and sober living occupancy rates, while also establishing a comprehensive system to meet the needs of people in correctional facilities who have substance abuse disorders.
- Recognizing the epidemic of heroin and other opioid-related overdoses, House Bill 388 authorizes law enforcement officers to carry Naloxone, a prescription drug that counteracts the effects of opioid-related overdoses. A companion bill to this legislation, Senate Bill 219, allows family, friends and members of the community to buy naloxone after they have been trained by the Department of Health and Social Services (DHSS). These new laws reinforce previous efforts to combat prescription drug abuse, which kills more Delawareans every year than traffic accidents.
- The Governor supported public services for people in greatest need and the Fiscal Year 2015 Operating Budget included \$2.3 million for the Division of Developmental Disabilities Services to support existing Special School Graduates and community placements; \$3.6 million for community-based services for individuals with serious and persistent mental illness; and \$3.3 million to support an estimated 175 additional Special School Graduates and 75 additional community placements.
- The Nurse-Family Partnership is a proven program that assists first-time mothers. The Fiscal Year 2015 Operating Budget included \$1.3 million to help more children get off to the right start by participating in the program.
- A package of bills gives DHSS, through the Office of Animal Welfare, new tools to secure the well-being of companion animals. Senate Bill 245 enhances the regulations for shelter inspections, complaint investigation and animal control officer certification. Animals seized in criminal activity, cruelty and animal fighting will be evaluated for adoptability by trained personnel rather than automatically euthanized. The existing Dangerous Dog Law was strengthened to clarify when an animal control constable or dog warden may impound a dog that is suspected of being dangerous or potentially dangerous.

***MEETING BUDGET CHALLENGES WHILE  
MAINTAINING FISCAL DISCIPLINE AND  
RESPONSIBILITY***

- Serving as good fiscal stewards of public dollars is a key component of governing responsibly. The Fiscal Year 2015 Operating Budget Bill highlights Governor Markell’s ongoing commitment towards this effort. Governor Jack Markell signed a balanced Fiscal Year 2015 budget to cap a legislative session focused on increasing economic opportunity for all Delawareans.
- The Fiscal Year 2015 Operating Budget contains 2.46 percent growth over Fiscal Year 2014 despite unanticipated increases in Medicaid expenses and the number of children attending Delaware schools. Average annual budget growth during the Markell administration (2009-2015) is 2.2 percent.
- To improve the efficiency of government while working to promote additional transparency in our elections, the Governor helped enact legislation that consolidates the three County Elections Boards, creates a new State Board of Elections, allows anonymous reporting of election law violations, requires additional disclosure of persons responsible for contributions from entities, and provides whistleblower protections for persons reporting campaign finance violations.
- The State has continued to receive a AAA bond rating from all three rating agencies in large part due to appropriating just 98 percent of available revenues and maintaining a fully funded Rainy Day Fund. This year’s budget adheres to those principles.
- Despite a fiscal climate that has remained challenging even in a time of job growth, the funding appropriated in the Operating Budget, Bond and Capital Improvements Act and Grants-in-Aid bills keeps the Governor’s commitment to fiscal responsibility. Overall, the accomplishments of this session support business creation and growth.

## **BUDGET DEVELOPMENT, PLANNING AND ADMINISTRATION**

### **MISSION**

To facilitate the preparation and implementation of the Governor's budget and policy agenda through the integration of objective fiscal and policy analysis, program evaluation, financial management and coordination of grants.

To provide leadership with sound financial and technological support to the operations of OMB through collaborative relations with all sections.

### **KEY OBJECTIVES**

- Serve as state government's primary resource for information and expertise regarding the budget, financial management and grant review.
- Support a diverse workforce of well-trained and motivated employees by maintaining an environment that fosters professional development, promotional opportunities and performance recognition.
- Improve decision-making through the efficient use of state resources by integrating budgeting, planning and grant review and analysis processes.
- Improve employee awareness and cross-training of section functions to minimize disruptions in the budgeting, planning, financial management and grant review and analysis processes.
- Maximize interagency and intergovernmental cooperation and coordination regarding statewide budgeting issues.
- Maintain a Continuity of Operations Plan (COOP) to ensure continuity of operations in the event of an emergency.
- Streamline work processes using available resources.
- Maintain consistent document processing through internal policies and procedures.
- Continue building and strengthening collaborative relationships with customers/stakeholders.

### **BACKGROUND AND ACCOMPLISHMENTS**

The Budget Development, Planning and Administration (BDPA) unit consists of three core functions: budget development and administration, support for

departmental financials and information technology needs. This unit seeks to promote sound decision-making practices throughout state government.

BDPA assists agencies in the planning and implementation of operational programs and capital projects affecting all Delawareans. In addition to managing the State's budget process, the unit manages the statewide Clearinghouse function for the application of federal grants, works in coordination with the Division of Accounting (DOA) on statewide accounting policies and provides support and guidance to state agencies. During Fiscal Year 2014, BDPA worked with DOA to update purchasing review and policies. In addition, BDPA implemented a paperless Clearinghouse process, which tracks federal resources coming into the State more efficiently. BDPA is responsible for developing and administering the Cash Management Improvement Act governing the manner in which agencies obtain federal funds and for preparing the annual Statewide Cost Allocation Plan. In Fiscal Year 2014, BDPA participated in a COOP drill utilizing the Business and Disaster Recovery program.

Financial Operations (FO) is responsible for the preparation and management of payroll, accounts payable and receivable, grants, budget preparation, fiscal year start-up and close-out and financial reporting. During Fiscal Year 2014, the accounting fiscal year was closed successfully and all reconciliation and transaction deadlines were met. In addition, FO successfully automated agency billings for the Statewide Cost Recovery Plan.

Information Technology's (IT) primary responsibilities are to provide network and desktop support, as well as application development and website support for a workforce of over 400 users. During Fiscal Year 2014, IT focused on infrastructure consolidation, application enhancements and security. IT replaced 500 phones, switches, 450 operating systems on OMB business unit computers and redesigned/reconfigured both the legacy Statewide Benefits system and GSS Fleet reservation system.

## ***BUDGET DEVELOPMENT, PLANNING AND ADMINISTRATION*** ***10-02-10***

### *INSURANCE COVERAGE OFFICE* 10-02-31

### MISSION

The Insurance Coverage Office protects the State’s physical assets through fiscally responsible, effective, timely and comprehensive insurance management and safety/risk management strategies, policies and services. The Insurance Coverage Office also assists state employees who have job related injuries through the effective management of the State’s Workers’ Compensation program.

### KEY OBJECTIVES

- Provide safety and risk management services statewide.
- Reduce the average length of lost time and total incurred costs from workers’ compensation injuries.

## EXECUTIVE 10-00-00

- Develop and conduct safety and risk management training programs for state employees at all levels to increase safety awareness and offer risk management strategies for location implementation.
- Update Insurance Coverage Office property schedules each year to adequately reflect the physical assets held by the State and ensure adequate insurance coverage is maintained.
- Reduce the delay in reporting auto incidents to ensure all claims are reported within the business day the incident occurred.

### ACTIVITIES

- Administer the State's Self Insurance Fund.
- Provide loss control services to agencies including work site safety programs and property inspections.
- Administer the workers' compensation program for state agencies, school districts and higher education institutions.
- Conduct statewide insurance purchases to cover the State's physical assets.

## PENSIONS

### *PENSIONS* 10-02-32

#### MISSION

Provide accurate and supportive retirement services and fund management, ensuring peace of mind to customers.

#### KEY OBJECTIVES

- Provide timely, accurate individualized and group services to stakeholders.
- Enhance and maintain technological capabilities.
- Maintain quality customer service.
- Actively promote an environment that fosters workplace trust, communication and relationships.

## BACKGROUND AND ACCOMPLISHMENTS

The Delaware Public Employees Retirement System was established on June 11, 1970, with the incorporation of the State Employees, Judiciary, Closed State Police and Retired and Disabled Teachers Pension plans. The system is administered by the State of Delaware Board of Pension Trustees. The State Employees and Judiciary plans were changed to actuarial reserve funding shortly thereafter. The Closed State Police Pension plan remains a pay-as-you-go plan. Fiscal Year 1994 was the last year the Retired and Disabled Teachers Pension plan had members entitled to benefits.

Accomplishments for Fiscal Year 2014 included:

- The board continued to identify growth opportunities while managing risks;
- Expanded capabilities in managing credit bond exposure;
- Assisted with an upgrade of PeopleSoft applications; and
- Implemented an Identity Access Management system that provides online services to members.

### ACTIVITIES

- Administer nine state pension plans.
- Provide individual counseling sessions and member workshops.
- Process pension plan applications.
- Maintain pensioner and statewide employee records.
- Maintain accounting records for trust fund assets.
- Manage the state pension payroll.

## GOVERNMENT SUPPORT SERVICES

#### MISSION

To provide cost effective support services to include messenger services, printing and copier placement services, fleet services, Delaware Helpline, contract negotiations, disposal and redeployment of state property (except real estate), storage and distribution of donated federal food commodities for state agencies, school districts and Delaware residents and to ensure effective integration of a statewide Human Resources, Benefits,

## EXECUTIVE 10-00-00

Payroll and Time and Labor system with the State's financial system while enhancing delivery of information and services to its customers.

### KEY OBJECTIVES

- Provide statewide mail courier service for all state agencies.
- Provide educational training and opportunity for all state agencies to decrease postage expenses through elimination of mailings and discount opportunities for presort mail service.
- Provide cost-effective copier placement for agencies.
- Establish business centers to reduce costs by eliminating the need to purchase and maintain supplies for desktop printers.
- Operate an efficient fleet to provide the most economical vehicle rentals possible to all agencies.
- Efficiently operate the Fleet Link Commuter Van Pool program for all enrolled state employees and support clean air initiatives.
- Provide public telephone access to government information through the Delaware Helpline center regarding state services, programs and employees.
- Provide a centralized platform for vendors to view bidding opportunities with the State and a centralized point of registration for potential vendors.
- Provide a centralized platform to allow the public and/or vendors the ability to view the State's existing contracts and contract-related documents, as well as provide contract usage information to facilitate more accurate and competitive bid responses.
- Ensure compliance with existing procurement policies, Executive Orders and/or Delaware Code of all solicitations required to be posted on *bids.delaware.gov*.
- Ensure publication of state procurement activities, resources and business intelligence on the State's procurement portal, *mymarketplace.delaware.gov*.
- Assist agencies in administering unique contracts while recommending best practices and guidance regarding contracting and procurement to all state and local agencies and officials.
- Manage and market surplus property and redeployment services to all state agencies, school

districts, local governments and nonprofit organizations.

- Administer The Emergency Food Assistance Program (TEFAP) and state distribution services of the United States Department of Agriculture (USDA) donated commodities.
- Establish supplier diversity initiatives focused on Office of Supplier Diversity (OSD) certified businesses and registered small businesses as defined by the Supplier Diversity Council, while increasing transparency in state government to encourage and promote equal access to state procurement opportunities.
- Encourage and promote participation in the state procurement process for OSD certified and small businesses.
- Serve as a central clearinghouse for information and data regarding the current number of certified OSD businesses participating in the state procurement process.
- Provide leadership and integrate partnerships in the long-term planning for the State's Enterprise Resource Planning (ERP).
- Enhance services to federal, state and local organizations and vendors using technology to eliminate paper-based processes.
- Strengthen internal controls and enhance operational security of state employee data.
- Assure accurate payments and benefits to all state employees.
- Enhance the availability of system information for use in operations and policy decisions.

### BACKGROUND AND ACCOMPLISHMENTS

In Fiscal Year 2014, Mail/Courier Services handled 2.7 million pieces of United States Postal Service (USPS) mail. The unit handles 855,000 pieces of interdepartmental mail annually.

In Fiscal Year 2014, Fleet Management continued an extensive update of management software to provide access to the reservation database to agencies outside the core state network. Global Positioning System installations continued in vehicles owned by agencies, which are now encouraged to adapt the technology to better control vehicle use and reduce fuel consumption. The Delaware Fleet program was nationally recognized, for the sixth consecutive year by *Government Fleet* magazine as a Top 100 Best Fleet from among 38,000 eligible government operations. The Delaware Fleet

## EXECUTIVE 10-00-00

program continues to maintain vehicle service and repair at high levels, ensuring state employees are provided safe and dependable vehicles.

State governments are mandated by both the Federal Clean Air and Energy Policy Acts to purchase vehicles capable of reducing air pollution and reducing dependence on foreign oil. In Fiscal Year 2014, 209 of 253 units purchased qualified as alternative fuel vehicles. Forty-four hybrid-electric units are being used and evaluated on a life cycle basis. The total fleet alternative fuel capable component is 68.1 percent.

In Fiscal Year 2014, Delaware Helpline's call volume was 106,896, averaging approximately 12 calls per hour per operator. Delaware Helpline participates annually in the Delaware Emergency Management (DEMA) COOP exercise. In Fiscal Year 2014, Helpline remained operational throughout six severe weather emergencies.

The Contracting unit continues to use best practices through strategic sourcing and cooperative procurement. The unit is the centralized clearinghouse for all agency solicitations posted on *bids.delaware.gov*, as well as responsible for providing contract resources, vendor usage reports and business intelligence available on *mymarketplace.delaware.gov*, which is the statewide central procurement portal.

Surplus Services functions as a redeployment unit for excess state-owned physical assets in accordance with 29 Del. C. c. 70 and 63A. The unit assists agencies with the process of declaring assets as excess and manages the redeployment of these assets.

The Food Distribution unit acts as the sole state agency to receive, warehouse and distribute food commodities issued by the federal government for use in the National School Lunch program, non-penal, tax-exempt private or public institutions, state correctional institutions and to provide assistance to other needy persons in accordance with § 416 of the Agricultural Act of 1949.

The Payroll Human Resources Statewide Technology (PHRST) system is the cornerstone of the State's ERP. The system is an integrated software application consisting of four of the Human Capital Management (HCM) modules within Oracle: Human Resources, Time and Labor, Benefits and Payroll.

The PHRST team provides leadership and direction to ensure an automated management information system environment in which all state organizations can maintain accurate, timely and complete human resources, benefits, payroll and time and labor data. PHRST seeks to promote an environment of best practices as they relate to an ERP for the State. Additionally, PHRST:

- Generated 50,210 State of Delaware W-2s for state employees and election workers;
- Handled system administration and support to the 19 school districts, 27 charter schools, Delaware State University and Delaware Technical and Community College;
- Successfully upgraded the PHRST and First State Financials (FSF) integrated ERP system from Oracle version 8.9 to version 9.1;
- Centrally managed employee garnishments statewide, processing over 1,000 new garnishments annually and generating over 6,000 vendor checks;
- Developed a comprehensive PHRST report inventory containing all data elements in PHRST reports to be used as a tool by end users when looking for key information in PHRST;
- Streamlined the PHRST data request process by developing a form to be submitted by state organizations when there is a need for information not available in pre-defined reports; and
- As part of the Lotus Notes application retirement, implemented a new software application, Service Manager, for the PHRST Help Desk to track calls and integrated a new Data Change Request application in PHRST.

## FACILITIES MANAGEMENT

### MISSION

Plan, develop and maintain state infrastructure to provide agencies with safe, adequate, appropriate and well-maintained facilities, in which to conduct efficient operations and serve the residents of Delaware.

### KEY OBJECTIVES

- Manage the State's construction and renovation programs.
- Maintain facilities in a good and safe condition.
- Increase energy efficiency in state facilities, including work on energy performance contracts.
- Implement the use of "green" energy and practices in state facilities.
- Comply with the Americans with Disabilities Act in all facilities.

- Maintain accurate and efficient historical records on all construction and renovation projects.
- Reduce the State's real property footprint through the consolidation and management of leased and owned space.
- Identify and mitigate environmental hazards in/on state facilities and properties.

### BACKGROUND AND ACCOMPLISHMENTS

Facilities Management is the State's authority on building design, construction and operation for all state agencies. The unit is responsible for the design and construction of all public buildings, with the exception of school buildings, road construction and certain facilities operated by the Departments of Natural Resources and Environmental Control and Transportation.

In addition to OMB projects, Facilities Management provides ongoing management of construction and renovation projects for the Departments of Correction (DOC), Health and Social Services, State, Services for Children, Youth and Their Families, Safety and Homeland Security, Transportation and the Judiciary. Current projects include the new Delaware State Police (DSP) Troop 3, the new DSP Troop 7, the DSP Indoor Firing Range roof replacement and the Capitol Complex exterior lighting upgrades. Additionally, the DOC Outdoor Firing Range, the Howard R. Young Correctional Institution kitchen expansion and the Townsend Building infrastructure upgrades were completed. Facilities Management also completed numerous Minor Capital Improvement and Equipment projects to maintain and improve the quality of the State's facilities.

### *FACILITIES MANAGEMENT 10-02-50*

### ACTIVITIES

- Review and approve statewide professional services and construction bid documents.
- Provide statewide construction management for major and minor capital projects, including environmental compliance, architectural accessibility and energy efficiency.
- Provide statewide annual prequalification services to contractors, state agencies and school districts that elect to use prequalification for large public works contracts.
- Provide construction management accounting and reporting.
- Provide capital budget consulting and review.

**DELAWARE ECONOMIC DEVELOPMENT  
OFFICE  
10-03-00**

**MISSION**

To attract new investors and businesses to the State, promote the expansion of existing industry, assist small and minority-owned businesses, promote and develop tourism and create new and improved employment opportunities for all residents in Delaware.

**KEY OBJECTIVES**

The Delaware Economic Development Office (DEDO) strives to become a more proactive and professional economic development organization, focusing on the following key objectives:

- Align economic development objectives with the Governor’s vision of business retention, expansion and attraction;
- Maintain support of the State’s leading industries, while identifying and supporting sectors of growth and placing emphasis on being less specialized and more adept at serving all businesses;
- Continue to look for new opportunities while also focusing on the retention and growth of Delaware businesses;
- Collaborate with other state agencies to sustain economic growth and build workforce capacity and availability;
- Assist entrepreneurs, innovators and small businesses, including minority and women-owned businesses, through the Delaware Emerging Technology Center (ETC);
- Coordinate Downtown Delaware by providing technical assistance and training;
- Concentrate on sales of group tours, sports marketing, meetings, conventions and leisure; and
- Focus on continuous improvement in DEDO’s administration and management to provide the infrastructure necessary to ensure successful performance.

# EXECUTIVE

## 10-00-00

### BACKGROUND AND ACCOMPLISHMENTS

DEDO continues to position Delaware for greater economic growth and vitality. The department focuses on serving all businesses regardless of industry or size.

#### Administration

The Administration unit oversees all financial operations, information technology, building maintenance and human resources and supports office-wide initiatives.

#### Tourism

The mission of the Tourism unit is to increase the economic impact of tourism by marketing and promoting Delaware as a desirable tourist destination.

Recognizing the economic impact of Delaware's tourism industry, the unit emphasizes sales in segments that bring large volumes of visitors to Delaware, which include:

- Sporting events solicited and supported by the Sports Development Leader and the Delaware Sports Commission;
- Group tours through familiarization tours and attending the American Bus Association Convention; and
- Leisure activities including trails, familiarization tours and public relations.

Tourism development efforts contributed to or accomplished the following:

- Earned over \$1 million in free media through public relations efforts;
- Created the Delaware Outdoor Trail;
- Rebranded the Delaware Wine and Ale Trail to the Delaware Beer, Wine and Spirits Trail;
- Continued promotion of Delaware through social media such as Facebook, Twitter, Pinterest, Instagram, Flickr and YouTube; and
- Continued using cost-effective online media outlets to promote Delaware.

#### Business

The Business unit is comprised of the Business Development team and the Business Services and Communications team.

The Business Development team's objectives include:

- Specializing in creating, retaining and expanding jobs within the health care, life sciences and green and material sciences;
- Seeking out and following up on attraction opportunities;
- Supporting business outreach and expansion efforts;

- Continuing to support Downtown Delaware, a resource center focusing on downtown revitalization of commercial business districts throughout Delaware, emphasizing business development, vacancy reduction and proactive planning for the selection and placement of retail goods and services; and
- Assisting entrepreneurs, innovators and small businesses, including minority and women-owned businesses, through the Delaware ETC.

The Capital Resources team provides analysis, advice and financial assistance through programs such as: the Delaware Capital Access program, Delaware Strategic Fund, Small Business Innovation Research grants, Brownfield grants, State Small Business Credit Initiative program, Business Finder's Fee, Delaware Rural Irrigation program, State Small Business Credit Initiative and Tax Exempt Bond Financing.

Infrastructure and Intergovernmental Relations serves as the point of contact for professional site selectors and the liaison to other state and local government agencies.

The Workforce Development team manages the Blue Collar Training Fund and works with other public and private partners to develop training, retention and education to address the needs of Delaware businesses.

The Industry Research and Analysis team provides various customized reports.

The Strategic Communications team provides communications and marketing support for business attraction, retention and expansion for new and existing programs.

**CRIMINAL JUSTICE COUNCIL  
10-07-01**

**MISSION**

The Criminal Justice Council (CJC) is an independent body committed to leading the criminal justice system through a collaborative approach. Representing all areas of the criminal justice system and the community, the council continuously strives for an effective system; one that is fair, efficient and accountable.

**KEY OBJECTIVES**

- Develop a strategic plan using objective research, analysis and projections to improve understanding and effectiveness within the criminal justice system.
- Identify budget priorities supported by CJC and presented annually to the Governor and Joint Finance Committee.
- Promote crime reduction through interdisciplinary approaches emphasizing community partnerships and empowerment and encouraging community participation through public hearings.
- Use technology to enhance the administration of justice.
- Increase the number of victims made whole through effective restitution and timely restoration, placing increased emphasis on juvenile justice, the elderly and victims of domestic violence.

- Provide knowledge to the criminal justice community and general public through training, technical assistance, dissemination of information and effective use of technology.
- Provide leadership in preventing disparate treatment by including individuals who reflect the diversity of the community in the decision-making process.
- Promote a full range of sanctions and rehabilitation for offenders, including, but not limited to, job skills, education, counseling and drug and alcohol treatment.

**BACKGROUND AND ACCOMPLISHMENTS**

CJC was created by statute in 1984 to develop and implement policies for improving the criminal justice system in the State. The council serves as a liaison between the federal government and state criminal justice agencies. The council consists of 29 members, including representatives from the Judiciary, state and local police departments and state and local government.

In Fiscal Year 2014, CJC awarded funding, in excess of \$9.9 million to 168 programs, which supported various initiatives to improve the criminal justice system and community. CJC also continued to administer \$10.4 million in other active grants awarded in previous fiscal years. These funds supported various initiatives including:

- Community-based drug treatment;
- Juvenile delinquency prevention;
- Anti-crime programming;
- Recidivism reduction;
- Specialty courts;
- Law enforcement training and equipment;
- Community corrections and reentry services; and
- Victim services.

CJC administers federal funding from various U.S. Department of Justice grants. CJC also submits additional competitive discretionary grants when appropriate.

CJC administers 29 subcommittees and working groups that examine priority issues of the criminal justice community. In Fiscal Year 2014, CJC continued to assist the Departments of Health and Social Services, Correction, Labor, Education and the Delaware State Housing Authority with developing and implementing I-Adapt, a statewide reentry plan for offenders and an initiative of the Governor. This plan maximizes resources by creating interdisciplinary approaches to support offenders' successful re-integration into the community and increases availability and access within

## EXECUTIVE 10-00-00

five identified reentry pillars: housing, employment, human services, education and community integration.

CJC works with criminal justice agencies to identify and support budget and policy priorities. This includes working with the General Assembly regarding the consideration of bills affecting the criminal justice system. During Fiscal Year 2014, CJC reviewed 34 legislative bills related to criminal justice. CJC employs a federally-funded criminal justice coordinator to serve as staff liaison between the Delaware Sentencing Accountability Commission (SENTAC) and CJC to facilitate cooperation and promote a full range of criminal sanctions and rehabilitation options for offenders.

CJC continues to support the statewide videophone system. On June 30, 2014 there were 105 videophone sites and plans for additional sites and upgrades are being developed. CJC provides services through the Policeman's Bill of Rights legislation, monitors implementation of the Victim's Bill of Rights requirements and administers the Law Enforcement Education Reimbursement Fund.

CJC supports the Domestic Violence Coordinating Council (DVCC). DVCC provided training to approximately 1,056 individuals at various training events throughout the State. DVCC collaborates extensively with community partners statewide by participating in public awareness and training efforts.

Other criminal justice-related efforts during Fiscal Year 2014 included:

- Funding the Delaware State Police (DSP) Ballistic Examiner;
- Staffing the Justice Reinvestment Initiative Oversight Group, created by Executive Order 40, to improve public safety and the allocation of resources in the criminal justice system;
- Staffing the Sex Offender Management Board to review guidelines and standards for adult and juvenile sex offenders;
- Continuing a mini-grants program to provide grant training to over 150 individuals and allocate over \$50,000 to 11 small nonprofit organizations;
- Providing Capital Case Litigation training to more than 175 attorneys from the Office of the Attorney General and the Public Defender's Office;
- Disbursing \$112,315 collected from certified copies of marriage and civil union licenses to support services for domestic violence victims;
- Continuing to support the DSP annual law enforcement training conference attended by 175 individuals;

- Providing Critical Incident Stress Management training to 38 victim advocates and police;
- Providing 51 law enforcement education reimbursements to 29 police officers;
- Providing funding for more than 300 officers to attend Law Enforcement Executive Development Association training, sponsored by the Federal Bureau of Investigation;
- Administering \$915,531 for after school prevention programs; and
- Developing and implementing an internet-based electronic grants management system.

## *DELAWARE JUSTICE INFORMATION SYSTEM* 10-07-02

### MISSION

To establish policy for the development, implementation and operation of a comprehensive integrated infrastructure, which in turn supports the criminal justice community. Delaware Criminal Justice Information System (DELJIS) commits to providing a system to improve criminal justice and enable bias-free decision making.

### KEY OBJECTIVES

- Operate, maintain and develop the Criminal Justice Information System (CJIS).
- Provide system access, including training and security.
- Provide information sharing to authorized users.
- Provide information system auditing.

### BACKGROUND AND ACCOMPLISHMENTS

DELJIS was established pursuant to 11 Del. C. 86 to maintain an accurate and efficient CJIS database. An independent board of managers was created to establish policy for the management of an information system. The law allows for an executive director and staff to

## EXECUTIVE 10-00-00

implement and administer the provisions of this chapter, under the direction of the board of managers. In June 1982, the statute was amended to create the Office of the Director and delineate the duties of the executive director and the office within CJIS.

In Fiscal Year 2014, DELJIS continued enhancing the criminal justice system by accomplishing the following:

- Creating the Live Scan Automated Interface, which reduces data entry requirements for law enforcement;
- Implementing rap back reporting in all public and charter schools, as well as warrants for on-campus students, eliminating the after-hours contact between juveniles and law enforcement;
- Creating a program, per the requirements of Executive Order 42 to close the gap in criminal background checks for summer camp employees;
- Placing in service the Racial Justice Information program to determine the likelihood of a person returning to court, which is aimed at reducing the number of failed appearances;
- Finalizing the e-Payment web portal to allow for the timely processing of payments and automatic updating of records;
- Combining civil and criminal traffic charges on one ticket, which reduces the amount of time it takes an officer to create a ticket;
- Creating, releasing and enhancing a sex offender portal, eliminating the need for the State Bureau of Identification to prepare case files on offenders and have them electronically microfilmed for historical purposes; and
- Developing a new interface between CJIS and Child Support Enforcement.

### STATISTICAL ANALYSIS CENTER 10-07-03

#### MISSION

Provide the State with a professional capability for objective, interpretive analysis of data related to crime and criminal justice issues (juvenile and adult) in order to improve the effectiveness of policy making, program development, planning and reporting.

#### KEY OBJECTIVES

- Prepare and submit crime and criminal justice studies and analyses per the annual work plan.
- Promote the orderly development of criminal justice system information and research database systems within the State.
- Maintain research databases.

#### BACKGROUND AND ACCOMPLISHMENTS

The Statistical Analysis Center produces annual studies relating to youth rehabilitative services, institutional populations and movements, detailed recidivism results and juvenile institution population forecasts.

Extensive efforts have also been made to develop accurate and complete indictment and Superior Court sentencing order information. This information is

**EXECUTIVE  
10-00-00**

valuable for SENTAC special studies and criminal justice studies.

**ACTIVITIES**

- Prepare the annual project plan and publish studies and analyses per the work plan, in cooperation with SENTAC and other criminal justice agencies, with final review by the Director of CJC.
- Design and maintain research databases necessary to carry out the required studies.
- Contribute to CJIS enhancements.
- Conduct and prepare the annual adult recidivism study.

The mission of the Delaware State Housing Authority (DSHA) is to efficiently provide and assist others in providing quality affordable housing opportunities and appropriate supportive services to low and moderate-income Delawareans.

**KEY OBJECTIVES**

- Create 125 units of newly-assisted affordable rental housing.
- Preserve 200-300 affordable rental units in need of substantial rehabilitation.
- Ensure federal Section 8 subsidy contracts are maintained in 319 units, thereby retaining approximately \$3.5 million in federal subsidies.
- Assist 790 individuals/households with rental vouchers for special populations in need of supportive services.
- Support 45 households to transition from assisted to unassisted housing via Moving to Work.
- Lead and coordinate foreclosure prevention programs and planning statewide to:
  - Bring 86 foreclosed homes back to active use via Neighborhood Stabilization Program and Strong Neighborhood funds;
  - Assist 750 households with foreclosure prevention counseling; and
  - Assist 125 homeowners currently in default to avoid foreclosure with the Delaware Emergency Mortgage Assistance Program (DEMAP).
- Assist 750 households to become homeowners with below-market rate mortgage financing.
- Provide down payment and closing cost assistance to 525 families.
- Assist 325 homeowners in making major structural or emergency repairs.
- Generate at least \$1 million in Neighborhood Assistance Act contributions.
- Administer and allocate \$7 million in the Downtown Development District program to leverage \$28 million in private capital investments.

# EXECUTIVE 10-00-00

## BACKGROUND AND ACCOMPLISHMENTS

DSHA was created in 1968 as a public corporation and in 1998 was established as an independent authority in the Executive Department.

DSHA is authorized to make mortgage, construction and other loans to not-for-profit and limited-profit housing sponsors, make loans to mortgage lenders, purchase qualified mortgage loans from mortgage lenders, apply for and receive assistance and subsidies under programs from the federal government and issue bonds and notes.

DSHA's accomplishments during Fiscal Year 2014 include:

- Assisted families in purchasing homes with nearly \$80 million in financing for over 500 mortgage loans;
- Received national recognition for the State Rental Assistance Program (SRAP) and agency accounting and financial reporting, as well as honors from the University of Delaware for work with the Delaware Cooperative Extension;
- Provided foreclosure prevention assistance to 1,242 families and individuals through housing counseling and direct financial support;
- Assisted 465 families and individuals with more than \$360,000 in Rapid-Rehousing and Homeless Prevention assistance;
- Assisted more than 500 families in both the Neighborhood Stabilization program and DEMAP;
- Renewed contracts for 936 units at nine rental housing sites to continue long-term affordability;
- Monitored nearly 12,000 affordable housing rental units through compliance inspections and/or asset management; and
- Hosted the fourth annual Homebuyer Fair in Wilmington and partnered with the National Council on Agricultural Life and Labor to host the Homeownership Expo in Dover.

## ACTIVITIES

- Preserve affordable rental housing.
- Provide homeownership assistance.
- Administer the Neighborhood Assistance Act program.
- Administer the Downtown Development District program.

In Fiscal Year 2014, the Fraud Prevention Bureau investigated 495 cases of alleged insurance fraud. Approximately 82 percent of the cases were resolved by consent agreements or arrest, deemed to be unfounded or had dispositions that were suspended. Approximately \$24,034 in civil penalties was assessed in substantiated fraud cases during Fiscal Year 2014 with a collection rate of approximately 83 percent.

The Fraud Prevention Bureau continues to work with entities such as the U.S. Department of Justice, the Delaware Department of Justice, the National Insurance Crime Bureau (NICB) and the NAIC in a combined effort to reduce insurance fraud particularly within the healthcare industry.

Several current members of the Fraud Prevention Bureau hold certifications in professional associations such as the Association of Certified Fraud Specialists and Association of Accredited Health Care Fraud Investigators.

Fraud investigators also maintain the following activities:

- Member, Delaware Valley Chapter of International Association of Special Investigative Units;
- Member, NAIC Anti-Fraud Task Force;
- Member, NICB;
- Member, International Association of Special Investigation Units;
- Member, National Health Care Anti-Fraud Association;
- Member, U.S. Attorney General Healthcare Fraud Taskforce; and
- Special training on healthcare fraud detection and investigation and claims.

#### **ACTIVITIES**

##### **Examinations/Financial Analysis**

This section provides financial solvency oversight for the approximately 145 Delaware domesticated companies through quarterly financial analysis and the performance

of financial examinations, as required by statute or as deemed necessary for the protection of Delaware policyholders. The department received re-accreditation from the NAIC in 2014 for five years and participates on numerous financial committees at the NAIC level.

The staff is also responsible for the ongoing licensing, registration and regulation of numerous insurance operating entities which include admitted insurers such as: property/casualty insurers, life/health insurers, domestic surplus lines companies, fraternal, health maintenance organizations, Medicare prescription drug plans, title insurers and insurance-related entities such as: accredited reinsurers, premium finance companies, risk retention groups, reinsurance intermediaries and third party administrators.

##### **Market Conduct**

This section is comprised of company market conduct, agency market conduct and market analysis, rates and forms, producer licensing and continuing education. This section conducts examinations of companies to ensure they are in compliance with the Delaware Insurance Code and Regulations with respect to rating, underwriting and claim handling practices. Exams are scheduled based on complaint activity, special requests or on a regular schedule.

This section exceeded goals set by the NAIC in respect to market analysis by completing 69 Market Analysis Level 1 reviews and six interrogatories during the fiscal year.

The Company Market Conduct unit is responsible for the oversight of Company Market Regulation activities.

Staff in the Market Conduct Oversight unit participate in committees and work groups of NAIC and represent the Commissioner on the Governor's Health Reform Steering Committee.

Staff also maintain the following activities;

- Member, Interagency Coordinating Council;
- Fellow, Life Management Institute from the Life Office Management Association; and
- Designee, Market Conduct Management.

##### **Agency Market Conduct**

This section receives referrals from the public, as well as from the Consumer Services and Fraud Prevention Bureau sections, regarding alleged misconduct of insurance agents and agencies. It conducts examinations of agents and agencies to ensure they are in compliance with the Delaware Insurance Code and Regulations. The Agency Market Conduct section also reviews producer/adjuster applications regarding prior criminal or

civil actions. Some of these have resulted in fines being assessed.

Agency market conduct has investigated several bail industry complaints, which has resulted in new legislation being implemented. The new legislation has increased regulatory authority over the bail industry resulting in several denials, fines and revocations.

This section implemented the State Based Systems (SBS) to provide efficient and accurate processing of enforcement cases through a fully integrated system that is linked to the Company and Producer Licensing systems.

Agency Market Conduct staff investigated 320 cases. Approximately 91 cases were resolved by consent and approximately \$470,371 was collected in civil penalties and restitution.

Agency Market Conduct employees maintain membership and participate in the following activities:

- Member, NAIC;
- Member, SBS;
- Member, Inter-Agency Coordinating Council; and
- Member, Insurance Regulatory Examiners Society.

#### **Producer Licensing**

This section is responsible for the licensing and administration of the following license types: Producer, Adjuster, Appraiser, Public Adjuster, Fraternal Producer, Apprentice Adjuster, Apprentice Appraiser, Surplus Lines Broker, Limited Lines Producer and Business Entities. The section is also responsible for insurance company appointments, continuing education, investigations and insurer licensing market conduct issues.

Staff provided presentations to consumer advocate groups, the public, professional insurance organizations including agent associations and business entities, industry trade groups and insurance companies on current insurance industry trends and regulatory changes, enforcement issues and ethics.

This section continues to work with the National Insurance Producer Registry (NIPR) to enhance the electronic processes for licensing. NIPR's Personalized Information Capture System was updated to allow staff to retrieve, view and process regulatory actions more efficiently. The NAIC Regulatory Information Retrieval System continues to provide the department with up-to-date regulatory notices in regards to administrative actions, fines and revocations.

Delaware has worked closely with SBS to improve the efficiency and accuracy of capturing information. The SBS Continuing Education module has been updated to require email approvals/rejections. The SBS Producer module has been enhanced to include a Designated Homes State field for non-resident adjuster licenses. This provides licensees the ability to electronically apply and renew a license. This has increased the productivity of the unit in regards to processing applications/renewals.

#### **Rates and Forms**

This section enhances the tracking and monitoring of rate and form filings with System for Electronic Rate and Form Filing (SERFF), which is designed to enable companies to send and receive, comment on and approve or reject insurance industry rate and form filings electronically. SERFF continues to implement changes to comply with ACA for reporting. Nearly 100 percent of all filings are received electronically.

SERFF was modified to accommodate the Quality Health Plan application and filings for the Marketplace/Exchange.

The Rates and Forms section maintains the following activities:

- Participates in committees and work groups of the NAIC;
- Participates in E-Reg;
- Participates in SERFF working groups; and
- Performs plan management functions related to the Federal/State Partnership exchange and provides reports to the Department of Health and Social Services and the Centers for Medicare and Medicaid Services.

#### **Consumer Services**

The Consumer Services unit investigates and attempts to resolve complaints by Delaware consumers against insurance companies and agents and acts as the frontline in the department's interaction with, and service to, Delaware insurance consumers. Its professional staff is comprised of eight investigators, half of whom are responsible for life and health and half of whom are responsible for property and casualty. They investigate complaints lodged by Delaware policyholders against carriers, brokers and agents who are subject to regulation under Title 18.

The Consumer Services unit performs many additional functions. Even in cases where the department lacks jurisdiction, the investigators will locate the appropriate contact in another state or agency and put the consumer in direct contact with them. Consumer Services investigators participate in outreach in all three counties, providing information and real-time guidance to those

## OTHER ELECTIVE 12-00-00

who are either unaware of the department's services or are unable to contact the department during business hours.

In Fiscal Year 2014, the Consumer Services division received 4,872 consumer complaints and inquiries. As in prior years, the most frequent issues regard what perils are covered under a policy, disputes about claims payment and increases in premiums.

### Workplace Safety Program

This program, available to employers doing business in Delaware, offers participants the opportunity to earn up to a 19 percent discount on workers' compensation premiums. Employers who have been in operation three years or more and whose annual workers' compensation premium is \$3,161 or more are eligible to participate. The program works with the Delaware Compensation Rating Bureau, qualified inspectors, insurance industry and employers to ensure the accuracy of information and expeditious processing of each employer's safety credit. Since its inception in 1988, the program has yielded a savings of approximately \$118 million for Delaware employers. In Fiscal Year 2014, 1,496 employers participated.

### Delaware Medicare Assistance Bureau

In May of 2014, ELDERinfo was renamed the Delaware Medicare Assistance Bureau or DMAB. DMAB is the State Health Insurance Program for Delaware's Medicare population of over 160,000. The program is a public service of the Insurance Commissioner's office and is funded through a grant from the Administration for Community Living.

The program is designed to assist, educate and empower people with Medicare and their caregivers with complex and often confusing matters of the Medicare Prescription

Drug Improvement and Modernization Act of 2003, Medigap and other supplemental insurance, medical bills, enrollment issues, non-renewals, Medicare Advantage options, guaranteed issue rights, financial assistance with prescriptions, Medicare Savings programs, long-term care insurance and other health insurance matters.

Staffing consists of three full-time employees and 18 volunteer counselors conducting one-on-one counseling. From June 2013 through June 2014, the unit assisted 6,533 beneficiaries with one-on-one counseling and reached more than 60,000 individuals through interactive public presentations, health fairs and direct mailings. The unit mailed 484 Medicaid applications, resulting in potential savings of more than \$641,784 for the Medicare premium reimbursement.

DMAB continues to focus on one-on-one counseling for Delaware seniors. The unit will continue to educate the Medicare population through direct mailers, health fairs, outreach programs, radio/TV interviews, senior forums and one-on-one counseling.

### Bureau of Captive and Financial Insurance Products

The Bureau of Captive and Financial Insurance Products was formed in 2009 to provide increased flexibility to businesses needing customized insurance, foster the growth of Delaware as a domicile for captive insurance entities and create additional revenue-generating insurance products and services. Today, Delaware has licensed over 317 captive insurers, 13 protected cells, and 637 series business units under the Delaware limited liability companies. In total, these 967 risk-bearing captive entities make Delaware the third largest captive domicile in the U.S. and the world's sixth largest captive domicile.

### ADMINISTRATION 12-05-01

OST is divided into four offices: Executive Office of the State Treasurer, Office of Finance and Treasury Services, Office of Disbursements and Reconciliations and Office of Economic Policy. The respective offices have independent objectives and work in unison to accomplish the mission of OST.

#### KEY OBJECTIVES

- Provide accurate daily reconciliation of the State's bank accounts, set the State's daily cash position and maintain up-to-the-minute data on the State's investment portfolio.
- Manage the State's \$2.1 billion investment portfolio pursuant to the investment guidelines set forth in the Delaware Code and the Cash Management Policy Guidelines in accordance with best practices.
- Develop strategic programs and innovative initiatives designed to meet OST's mission and statutory mandates.
- Ensure optimal investment opportunities and benefits for eligible employees in the Deferred Compensation 457(b) and 403(b) plans and increase

participation through effective marketing and educational resources.

- Work with state agencies and vendors to provide treasury services, including Automated Clearing House (ACH) and credit card processing services designed to further reduce the number of checks issued, maximize savings and optimize service.
- Continually provide timely and pertinent economic information and resources to policymakers and Delaware residents to assist them in their financial decisions.
- Ensure the State and applicable parties maintain compliance with Social Security regulations.
- Provide estimates of dividend and interest income for the Delaware Economic and Financial Advisory Council (DEFAC) and the General Assembly.
- Manage the Delaware Local Government Investment Pool on behalf of participating local governments.
- Serve as an idea center for investment and financial management within the contours of state government.

#### BACKGROUND AND ACCOMPLISHMENTS

The State Treasurer is responsible for the administration of the State's Section 218 Social Security agreements. OST continues to build relationships with the related entities to ensure compliance with Section 218 agreements and work with all applicable parties.

OST manages a variety of statewide functions for the agencies and institutions of the State. These include deferred compensation programs, investment management, banking and cash management services and debt management.

Participation in the State of Delaware Deferred Compensation 457(b) Plan has grown from 3,400 in July 1999 to over 12,800 in July 2014. State employees contribute more than \$1.2 million per pay cycle and have over \$511 million saved toward retirement. Although currently suspended, the State Match program resulted in more than \$21 million currently standing in state employee match accounts.

Participation in the 403(b) plan for employees working for a school district, charter school, Delaware Technical and Community College, Delaware State University and Department of Education has grown from 4,328 in 2009 to over 5,700 in July 2014. Assets in the 403(b) plan currently total over \$270 million.

## OTHER ELECTIVE 12-00-00

OST monitors external investment managers who invest the State's money pursuant to the investment guidelines set forth in the Delaware Code, the Cash Management Policy Guidelines and in accordance with best practices. OST is responsible for periodic reporting related to investments. All interest earnings on investments accrue to the General Fund unless state law or legislation requires otherwise. In addition, OST provides estimates of dividend and interest income for DEFAC and the General Assembly.

OST manages the State's major banking relationships and the State's credit card acceptance program. OST is responsible for the daily investment of the State's cash pool of over \$2.1 billion, setting the daily cash position and moving money as directed. The office is also responsible for assisting state agencies with banking and vendor payment needs and interest calculations for all school and special funds.

OST is responsible for reconciling the State's general collection and disbursement accounts, which includes performing internal audits and payment distribution for ACH and check services. Specifically, the payments processed through this office include payroll, pension, vendor, foster care, personal income tax refunds, escheat payments and corporate tax refunds. The office also provides a variety of payment services including reissuance or cancellation of checks, maintaining the stale-dated check register and providing deposit information for incoming funds.

OST maintains a continual improvement policy for fraud prevention, including the use of the positive pay system, which verifies certain information on all state issued checks prior to payment by a financial institution. The office also works with other state agencies on internal processes and increasing professional education to keep current on strategies relating to fraud prevention.

### ACTIVITIES

- Settle the cash position daily to ensure state funds are recorded in appropriate accounts while maximizing dollars available for investment.
- Administer and promote the State Deferred Compensation programs.
- Record and deposit receipts daily including tracking ACH activity.
- Reconcile major state bank accounts and lockboxes.
- Disburse funds to meet financial obligations, including ACHs, wire transfers and daily processing of vendor checks.
- Provide service to agencies and schools by issuing stop payment/reissues and other check requests.

- Ensure the State and applicable parties maintain compliance with Social Security regulations.
- Process payroll, pension, vendor, foster care and personal income tax refunds.
- Facilitate cash management projects statewide that improve efficiency by reducing float, eliminating paper and streamlining processes.
- Reconcile state payroll and payment of federal taxes.
- Approve, monitor and reconcile the acceptance of credit card payments by any state agency.

### *DEBT MANAGEMENT* 12-05-03

### MISSION

The mission of the debt management section of OST is to manage the State's debt, including legal and accounting records; process and account for all local school debt and interest; process and account for all special fund balances and interest; and provide overall guidance and accounting in an effort to maximize taxpayer value in the area of debt issuance and its management.

### KEY OBJECTIVES

- Provide guidance to state and school district officials regarding debt issuance and capital financing, which maximizes taxpayer value and protects the interests of investors.
- Maintain an accounting and data retrieval system in OST for bond authorizations, bond sales, amortizations, debt budgeting and debt payments with less reliance on manual calculations and operations for state bonds, as well as for school district bonds.
- Work with the First State Financials (FSF) team to improve electronic reporting of special and school funds and interest payments on these funds.

**OTHER ELECTIVE  
12-00-00**

- Coordinate and process the payment of principal and interest on behalf of all state agencies, school districts, banks and other financial institutions.

**BACKGROUND AND ACCOMPLISHMENTS**

During Fiscal Year 2014, all debt service payments to the Depository Trust Company were met on the bond due dates, which entailed:

- Disbursement of \$229.6 million for 25 General Obligation issues on \$1,825.3 million outstanding on June 30, 2014; and
- Collection of \$65.1 million from schools for the repayment of their local share of school construction on \$538.3 million of outstanding local share bonds on June 30, 2014.

**ACTIVITIES**

- Maintain records required for bond projects as authorized by the annual Capital Improvements Act from authorization through bond sales and amortizations of the bond sales over a number of years.
- Provide the Office of Management and Budget, other state agencies and school districts with the principal and interest payments due by fund and fiscal year.
- Provide bond counsel with data relating to bond projects, including project identification, description, volume and chapter required to obtain a legal opinion for the bond issue.
- Establish and monitor special fund interest table in FSF to calculate and pay interest on special funds on deposit with OST. Interest in Fiscal Year 2014 totaled more than \$1.3 million.
- Advise and provide assistance to local school districts in acquiring an Attorney General’s opinion in securing a Bond Anticipation Note or permanent bond financing of the local share.
- Establish, maintain and monitor the school fund interest table in FSF to calculate interest to schools for their operation, debt service and construction funds on deposit with OST. Interest paid to school districts on their funds on deposit with OST totaled \$1.8 million for Fiscal Year 2014.
- Assist the public with any inquiries concerning state bonds.

**MISSION**

The mission of the Refunds and Grants section of OST is to process refunds for improperly collected fees or receipts, maintain an accurate accounting of fiscal year refunds and accurately and timely process Grants-In-Aid, municipal street aid and fire and ambulance organization and police pensions in accordance with statutory requirements.

**KEY OBJECTIVE**

- Timely distribution of refunds and grants.

**BACKGROUND AND ACCOMPLISHMENTS**

Per 29 Del. C. § 2713, the State Treasurer executes a payment voucher as a direct claim in the event any agency improperly collects fees or receipts that become revenue to the General Fund.

In accordance with the annual Grants-In-Aid legislation, OST makes quarterly disbursements to nonprofit organizations.

**OFFICE OF THE ATTORNEY GENERAL  
15-01-01**

**MISSION**

To protect all individuals in Delaware by prosecuting violations of criminal and motor vehicle laws; serve the public interest by providing cost-effective legal services to state agencies; protect Delaware residents from fraudulent, unfair and deceptive trade practices; and protect Delaware's families by prosecuting violations of criminal and civil laws pertaining to child support obligations, delinquency, truancy, domestic violence, child abuse and neglect and crimes against the elderly and vulnerable citizens.

**KEY OBJECTIVES**

- Ensure all criminal matters are prosecuted in a manner that increases public safety, safeguards the rights of victims and protects the constitutional rights of the defendants.
- Implement an intelligence-driven prosecution model that focuses the Criminal Division's resources on crime reduction, through effective law enforcement, government, and community partnerships.
- Remove violent gangs, illegal guns and drug trafficking from neighborhoods.
- Defend convictions and sentences against post-conviction challenges, whether by way of appeal or collateral challenge.
- Prosecute health care providers who have defrauded or attempted to defraud Medicaid and recover damages.
- Enhance the availability of government documents to the public under the Freedom of Information Act (FOIA).
- Investigate possible violations of consumer protection, securities and antitrust laws.
- Extradite fugitives charged with serious criminal offenses to Delaware for trial.

## LEGAL 15-00-00

### BACKGROUND AND ACCOMPLISHMENTS

The Office of the Attorney General is organized into five divisions: Fraud and Consumer Protection, Criminal, Civil, Family and Executive Offices. All divisions are directed by the Attorney General, who serves as the chief law enforcement officer of the State.

#### Criminal Division

The Criminal Division works to protect all Delaware residents by prosecuting violations of criminal and motor vehicle laws and providing counseling, support referral, notification and information services to victims and witnesses of crime. The division is made up of various units including, but not limited to, appeals, homicide, child predator, victim witness services, felony screening, crime strategies, misdemeanor trial, sex crimes, traffic safety resources and Wilmington units. Criminal prosecutors also have administrative duties including extraditions, forfeiture hearings, Safe Street violations of probations, discretionary expungements, homicide cases and other legal services provided to law enforcement.

#### Civil Division

The Civil Division provides legal services to state agencies and departments, enabling them to serve the public interest. The division is responsible for providing legal services to the Governor and General Assembly, as well as officers, departments, boards, agencies, commissions and other instrumentalities of state government. The division also provides formal and informal opinions of the Attorney General, represents the State's interest in civil litigation, conducts administrative prosecutions, acts as counsel to administrative bodies, provides representation to the public in certain labor matters and provides legislative drafting and review services for members of the General Assembly and state agencies.

The Civil Division is responsible for the following:

- Enforcing environmental laws to protect Delaware's natural resources;
- Providing legal counsel to state agencies and entities including advising on complex contract and procurement issues, banking and financial services regulation, revenue and tax matters;
- Enforcing professional licensing laws to protect the public through administrative prosecutions;
- Enforcing FOIA;
- Counseling state agencies and entities to ensure compliance with the law;
- Recovering false claims paid by state agencies to vendors;

- Enforcing labor laws regarding discrimination, disabilities, wage payment, prevailing wage and workplace fraud; and
- Representing state entities and employees in legal matters filed in state and federal courts.

#### Family Division

The Family Division protects families by enforcing child support obligations; protecting the interest of children in child abuse, neglect and dependency cases; prosecuting delinquency, truancy, domestic violence and child abuse crimes; ensuring compliance with federal and state adoption and safe family laws; reviewing and implementing federal and state child support laws; and prosecuting those who have committed crimes against seniors.

The division consists of four units: juvenile delinquency and truancy, domestic violence and child abuse, child protection and child support. Since its inception, the division has responded to changes in the protection from abuse statute that extends protection past the traditional nuclear family and the most recent change that allows for the entry of a permanent no contact order.

#### Fraud and Consumer Protection Division

The Fraud and Consumer Protection Division is made up of the investor protection, consumer protection and Medicaid fraud control units. The division protects residents from fraud and protects consumers from fraudulent, unfair and deceptive trade practices. It enforces laws against Medicaid fraud by healthcare providers and nursing homes, including enforcement of the laws prohibiting abuse, neglect, mistreatment and the financial exploitation of seniors. The division also prosecutes violations of the Delaware Securities Act and prosecutes cases involving public corruption.

The division provides invaluable services to the public through law enforcement, comprehensive investigatory practices, aggressive prosecution and a strong emphasis on community education to ensure residents are aware of their rights and understand protections under the relevant laws.

#### Executive Offices

Executive Offices provide operational support to employees of the Office of the Attorney General. The division manages fiscal, human resources, information systems, purchasing and supply, facilities, extraditions, public information, legislative and external affairs, Victims' Compensation Assistance Program (VCAP) and oversees the immigration and naturalization-related services provided to Delaware residents.

**PUBLIC DEFENDER  
15-02-01**

**MISSION**

29 Del. C. c. 46 established the Public Defender's Office (PDO) to preserve the constitutional rights of indigent defendants through the assistance of counsel in all critical stages of the criminal justice process. In addition, the Public Defender has the professional duty to assist the courts to improve the quality of justice.

**KEY OBJECTIVES**

The primary goal of the PDO is to provide effective assistance of counsel to its clients, while responsibly using the agency's resources. In an effort to achieve its primary goal, the PDO has identified the following key objectives:

- Conduct intake interviews with incarcerated individuals within 24 hours of incarceration and make attorney assignments within one day thereafter;
- Make full use of Judicial's Information Technology Division and Delaware Justice Information System to open client files;
- Require attorneys to contact incarcerated clients in person or by videophone to prepare their defense; and
- Require psycho-forensic evaluators (PFEs) to produce a minimum of 60 court plans each year.

**BACKGROUND AND ACCOMPLISHMENTS**

The PDO is a criminal defense law firm directed by the Chief Public Defender. The PDO's practice is organized into four sections: Legal Services, Office of Conflict Counsel, Administrative Services and Technology Services.

**Legal Services**

The Legal Services section provides representation to indigents accused of crime through all stages of criminal proceedings, including the pre-trial, trial and appeal stages of court proceedings. The PDO provides competent defense counsel for clients statewide in the Supreme Court, Superior Court, Court of Common Pleas and Family Court. Attorneys from the PDO also represent clients in Newark Alderman's Court. Public Defender attorneys provided legal representation involving approximately 47,000 cases during Fiscal Year 2014.

### Office of Conflict Counsel

Effective November 1, 2011, the administration of the Conflict Attorneys program was transferred from the Judicial Branch to the PDO. A Chief Conflict Counsel and a Paralegal are directly responsible for administering the statewide Conflict Attorneys program within the Office of Conflict Counsel (OCC).

The Conflict Attorneys program is a network of 26 criminal defense attorneys who are contracted independently to represent indigent criminal defendants ineligible for PDO representation due to conflicts of interest. Conflict attorneys retain needed ancillary service providers through OCC.

### Administrative Services

The Administrative Services section includes executive and administrative support staff. The executive staff establishes and enforces policies and goals and is responsible for daily administration, assigning cases, supervising personnel and drafting programs. The administrative support staff maintains and processes financial and personnel transactions, maintains office inventory and prepares federal and state reports.

### Technology Services

#### ACTIVITIES

The PDO is responsible for representing each indigent person accused of a crime in Delaware from the inception of a case to its conclusion. To meet this responsibility, attorneys and support staff perform the following activities:

- Conduct eligibility screening and preliminary factual investigation interviews for incarcerated and non-

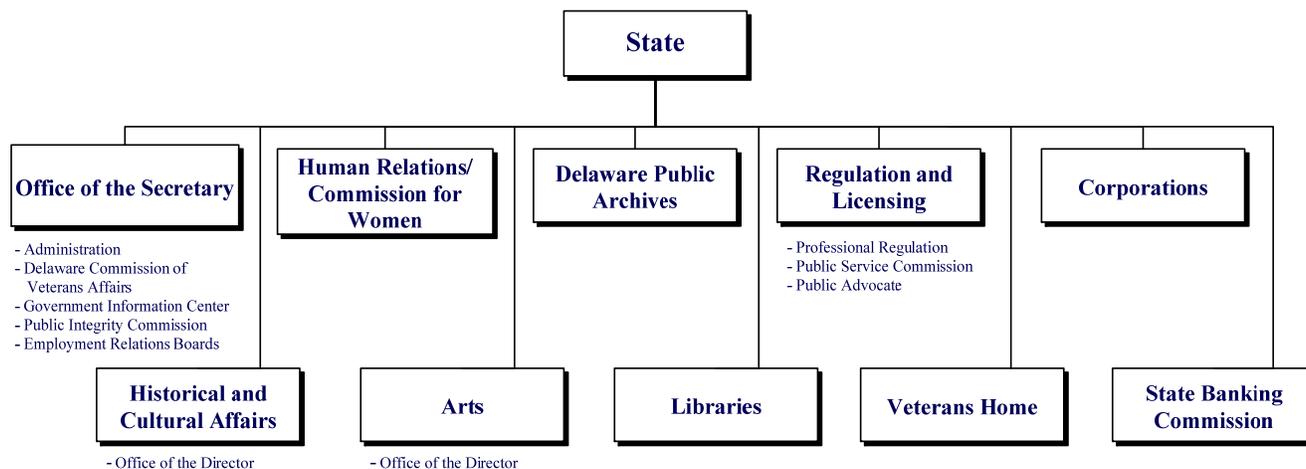

- incarcerated individuals and make appropriate referrals to PFEs;
- Identify and declare conflicts of interest, then refer clients to OCC when appropriate;
- Use criminal justice databases and make necessary entries in the systems;
- Conduct defense investigations of witnesses and/or crime scenes as requested by the assigned attorney;
- Develop client-specific plans for conditional pre-trial release and alternatives to incarceration;
- Assist in case preparation by providing relevant background information on clients;
- Develop capital case mitigation evidence for death penalty cases;
- Provide referrals for forensic, psychological, medical or psychiatric examinations and other experts as needed;
- Provide expert consulting services for cases involving forensic issues, autopsy reports, sexual assault reports, medical records and other scientific studies;
- Prepare felony and misdemeanor cases for trial, sentencing, appeals and post-conviction motions;
- Handle appeals for indigent clients represented by the PDO and those formerly represented by private counsel at trial who have become indigent as a result of incarceration;
- Manage and maintain the day-to-day information resources of the PDO, which includes over 150 computers, through network administration, hardware and software support, mainframe systems, video conferencing, programming and computer training;
- Manage and maintain the statewide videophone system;
- Provide fiscal management of resources including budgeting, recordkeeping, financial reporting, financial transactions, auditing and payroll;
- Provide supervision of staff, assign cases, coordinate caseloads with court schedules and maintain personnel records; and
- Manage and maintain the statewide Conflict Attorneys program through OCC.

**ADMINISTRATION  
20-01-01**

**MISSION**

To provide leadership, support and centralized services to the divisions to meet the overall objectives of the department and promote job creation and revenue growth by assisting Delaware businesses and institutions with efforts to increase exports and promote foreign direct investment in Delaware.

**KEY OBJECTIVES**

- Build domestic and international brand awareness and recognition of Delaware's position as the Corporate Capital of the World and the Business Gateway to the United States.
- Provide leadership in an effort to leverage Delaware's international reputation to help attract complementary corporate, financial and legal services businesses.
- Provide direction and leadership in the area of citizen access to information by promoting library, archive and e-government services.
- Provide leadership in marketing Delaware arts, history and culture.
- Promote services offered through the Corporate and International Development Office, provide export/import assistance to Delaware businesses, promote export growth and work to attract and retain jobs associated with international businesses.
- Administer the Unclaimed Property Voluntary Disclosure Agreement (VDA) program.

- Provide effective financial, human resource information technology, policy development, community relations and administrative support to divisions.
- Provide support services to the Secretary of State related to official duties and functions on the Board of Pardons, Delaware Stadium Corporation, Diamond State Port Corporation, Delaware Economic and Financial Advisory Council (DEFAC) and other boards, committees and task forces.

### **BACKGROUND AND ACCOMPLISHMENTS**

Comprised of various boards, divisions and commissions, the Department of State is led by the Secretary of State, who leads a diverse organization with responsibilities in many distinct areas. The department is involved in virtually every aspect of state government: economic development, finance, regulation, transportation and infrastructure, housing, education, culture and quality of life issues.

In addition to providing direction to the various divisions, the Secretary of State provides policy guidance. The secretary serves on the board of the Diamond State Port Corporation and Riverfront Development Corporation. By virtue of the Delaware Constitution, the Secretary of State is the Secretary of the Board of Pardons. Under state law and various executive orders, the secretary administers regulations affecting over 10,000 Delaware notaries public and actively participates in numerous public bodies, including DEFAC, the Cash Management Policy Board and the Biggs Museum Board.

Through Corporations and the State Bank Commissioner, the department contributed a record \$1.02 billion of net General Fund revenue in Fiscal Year 2014. The department continues to maintain the State's leadership in the corporate, legal and banking services industries and leverages those relationships to attract related businesses and industries.

Through Archives, Libraries and Government Information Center (GIC), the department has the statutory responsibility to ensure residents have access to governmental, educational and recreational information. Archives safeguards public records and has made more than 1.2 million digital archival images available to the public through the end of Fiscal Year 2014. Libraries fosters education and recreational enjoyment. Last year, Delaware public libraries served almost 4 million visitors and circulated more than six million books, e-books and other materials. The Delaware Library Catalog provides access to 2.5 million items shared among 52 libraries.

The Delaware Library Network provides access to one of the nation's fastest high-speed broadband and Wi-Fi systems. The division operates Job Centers and Inspiration Spaces at libraries in each county providing job seekers with access to critical job search, resume writing and computer skills training. GIC promotes easy and organized access to online information and e-government services. In Fiscal Year 2014, GIC continued to support increased utilization of social media and launched the Department of Natural Resources and Environmental Control's (DNREC) Hunter and Trapper Registration app, the Arts "Delaware What's On" mobile app and a mobile-friendly *Delaware.gov* portal.

Through HCA, Archives and Arts, the department plays a major role in preserving and celebrating the past and exposing residents and visitors to the State's rich culture and history. Archives, state museums and conference centers hosted more than 193,000 visitors in Fiscal Year 2014.

Arts supports creative expressions that inspire current generations and serve as lasting monuments to a free and democratic society. The recent creation of the Delaware Arts Trust Fund stabilized the finances of the State's largest arts organizations. This ensured their ability to continue to contribute to the State's economic vitality and funded ongoing collaborative arts marketing in all regions of the State. Division-sponsored events and activities attracted more than one million participants last year.

Through the Human Relations/Commission for Women, the department protects Delaware's residents from discriminatory practices and promotes equal opportunity and protection for all persons. Furthermore, it promotes the economic, social, educational, personal and professional growth of Delaware women. Each year, this division participates in scores of outreach, educational and training activities.

Through the Division of Professional Regulation, Delaware Public Service Commission (PSC) and the Division of the Public Advocate (DPA), the department provides regulatory, licensing, investigative and consumer services to protect the public's health, safety and economic welfare. The division streamlined the intake and processing of licensing applications. Average turnaround for all license types from receipt to approval is less than 30 days and now averages five to seven days for those licenses not requiring board approval.

The division's Office of Controlled Substances continued implementation of the Delaware Prescription Monitoring Program (PMP) designed to assist practitioners to prevent patient doctor shopping by providing a patient prescription history report. The

## STATE 20-00-00

system has more than 5,700 registered practitioners and dispensers who query the PMP database 27,170 times per month on average.

PSC currently regulates, registers and/or licenses the activities of more than 350 energy, telecommunications, water and wastewater service providers and franchisees. In Fiscal Year 2014, PSC staff handled more than 450 docketed cases, launched a new e-filing system and assisted consumers with more than 700 utility complaints.

DPA represents the interests of utility customers, reviews every docketed case received by PSC and formally intervenes in all major cases. By providing these services, this helps lower the rates that might have otherwise been allowed, ensuring improvements in the oversight of utility practices.

Through Employment Relations Boards and the Public Integrity Commission (PIC), the department administers state laws governing employment relations and ethics. These divisions continue to expand and enhance their websites to improve access to statutes, regulations and online services.

Delaware Commission of Veterans' Affairs (DCVA) serves Delaware veterans through its administrative offices and the veterans' memorial cemeteries. The commission continues to play a vital role in developing rules and regulations to administer DVH. The commission continued its ongoing efforts to improve both its New Castle and Sussex County cemeteries. The launch of a new online Veterans Service Directory is helping the commission to expand its partnerships with other federal, state, local and service organizations to assist veterans seeking assistance with employment, health and business start-up services.

DVH provides long-term care services, such as skilled nursing care, to Delaware veterans at its facility in Milford. DVH operated at an 89 percent occupancy rate in Fiscal Year 2014. It continues to provide the highest quality of care for veterans.

The Corporate and International Development Group works to increase employment in the State by attracting new internationally-based businesses to Delaware and providing export/import information and guidance to existing Delaware-based businesses. The group hosts dozens of delegations from around the world and visits many countries each year to promote foreign direct investment in Delaware and exports of Delaware products and services overseas. Delaware exports of more than \$5 billion can be found in more than 150 countries around the world with the fastest growing exports occurring in plastics, poultry and aviation. The group also provides direct support to Delaware small

businesses seeking access to new markets overseas through the State Trade Export Promotion program.

### ACTIVITIES

- Provide centralized services to operating divisions, including financial, human resource, legislative, information technology, general administrative and employee training.
- Provide direction and policy-making functions for operating divisions.
- Promote international trade and development.
- Prepare budgets and control expenditures throughout the department.
- Process Board of Pardons applications.

**GOVERNMENT INFORMATION CENTER**  
**20-01-06**

**MISSION**

To promote easy and organized access to government services and information online.

**KEY OBJECTIVES**

- Increase the percentage of residents using the state portal, agency websites, e-government applications and social media channels.
- Establish e-partnerships with all local and county governments.
- Facilitate the creation of new online services that reduce costs, provide convenience and increase the efficiency of government.

**BACKGROUND AND ACCOMPLISHMENTS**

In Fiscal Year 2001, GIC was created within the Office of the Secretary to assist the Department of State provide residents with free and equal access to state, local and federal government information. GIC works with state agencies, legislators, judicial agencies, local governments, the public and others to improve the delivery of government services and information through Delaware's portal and other channels.

Accomplishments from Fiscal Year 2014 include:

- Launched a comprehensive redesign of the State of Delaware web portal (*delaware.gov*);
- Completed a project to move the state web portal to a new, cloud-based hosting environment that provides additional flexibility and protection from hardware failure;
- Worked with state agencies to migrate their websites to the new, “common look and feel” website design;
- Created and published a fully responsive, multi-lingual website (*corplaw.delaware.gov*);
- Designed and helped launch a new Delaware Works jobs portal (*www.delawareworks.com*) for the Department of Labor;
- Increased the number of local government websites that are designed and hosted by GIC;
- Migrated 27 percent of the local government websites hosted by GIC to newly redesigned and responsive versions;
- Worked with private sector partners to launch an application for DNREC that allows Delaware hunters and trappers to register for required licenses and registrations and to report wildlife harvests;

## STATE 20-00-00

- Launched donation applications for DVH and DCVA and a new Public Integrity Reporting System (PIRS) for the PSC;
- Developed and launched a new “Delaware What’s On” smartphone application for the Arts;
- Managed and supported The Delaware Public Meeting Calendar ([calendar.delaware.gov](http://calendar.delaware.gov)), to help state agencies post information about public meetings; and
- Managed and supported the State’s central news server ([news.delaware.gov](http://news.delaware.gov)), helping state agency staff publish and share news releases.

### ACTIVITIES

- Manage, grow and promote the state internet portal, *Delaware.gov*.
- Provide common information-sharing tools for state agencies, including a statewide Public Meeting Calendar, a news release portal and eBook publication assistance.
- Advise and train state agency staff on the use of modern online communication tools, including social media, website publishing tools and citizen communication tools.
- Increase the use of social media channels, such as Facebook, Twitter, YouTube and others among state agencies.
- Grow the use of mobile and portable web content, applications and tools.
- Establish e-partnerships with local governments to ease access to government information and reduce costs by leveraging existing online services.
- Partner with the Department of Technology and Information (DTI) to create, modify and enforce state standards.
- Promote the creation of websites that provide content to the widest audience possible by encouraging compliance to accessibility best practices.

## *PUBLIC INTEGRITY COMMISSION* 20-01-08

### MISSION

To instill public confidence in the integrity of the government by administering and enforcing laws on ethics for the executive branch and local governments; financial disclosure for Executive, Legislative and Judicial Branches; dual compensation for state and local employees and officials holding two government jobs; and registration and expenditures by lobbyists.

### KEY OBJECTIVES

- Broaden awareness of PIC’s mission and goals amongst state and local government employees.
- Maintain a 45-day or better response time for issuing written decisions.
- Increase the number of disclosures filed online.

### BACKGROUND AND ACCOMPLISHMENTS

PIC interprets:

- Ethics law for more than 58,000 state employees, officials, boards, commissions, appointees and for 50 local governments;
- Financial disclosure law for more than 300 state officials;
- Disclosure law requiring all state elected officials and state candidates to disclose all nonprofits, civic and community associations, foundations, maintenance organizations or trade groups of which they are a council member or board member;
- Law pertaining to dual office holders; and
- Lobbying law, which applies to 320 lobbyists representing 1,128 organizations.

In Fiscal Year 2014, PIC reviewed 53 requests for advisory opinions and complaints against government employees and officials. That number represents a 50 percent increase over the number of requests processed in Fiscal Year 2013.

Fiscal Year 2014 was the ninth year officials could file financial disclosure reports online or by hard copy; however, PIC proposed legislation which made online filing of financial disclosure reports mandatory. This legislation was signed into law by the Governor in July 2014.

During Fiscal Year 2014, PIRS was nationally recognized by the Public Technology Institute as an example of an outstanding application of technology

**STATE  
20-00-00**

tools. In addition to financial disclosure data, PIRS is a repository for lobbyist registration information. It tracks and categorizes all reported lobbying activity. Lobbying activity is identified by bill or regulation number and reported to the General Assembly on a weekly basis. The same information is available to the public through the database's public interface component.

In Fiscal Year 2014, PIC continued to provide free training to government employees and officials in order to raise awareness about the State Code of Conduct. PIC is designing an online training module, which will be mandatory for all new state employees. PIC hopes to have the new initiative in place before the end of Fiscal Year 2015. As state and municipal employees become more educated about the types of conflict that violate the Code of Conduct, PIC anticipates an increase in the number of requests for advisory opinions. The commission will continue to work with other agencies to encourage participation in its training program.

**ACTIVITIES**

- Issue written opinions on whether state employees, officers, honorary officials, agencies, local government employees, officers and officials, dual office holders and lobbyists are complying with the ethics, financial disclosure, dual compensation and lobbying laws in 29 Del. C. c. 58.
- Grant waivers if the literal application would not serve the public purpose of the Code of Conduct and/or if compliance would result in undue hardship on employees, officers or state agencies.
- Investigate and prosecute violations of 29 Del. C. c. 58.
- Provide seminars and publications to aid in compliance with 29 Del. C. c. 58.

**PERFORMANCE MEASURES**

***EMPLOYMENT RELATIONS BOARDS  
20-01-09***

**MISSION**

The Public Employee Relations Board (PERB) provides timely, competent and trustworthy support for the collective bargaining process to promote harmonious and

cooperative labor management relationships between public employers and their employees. PERB also protects the public by assuring the operations and functions of governmental entities are not interrupted by labor strife. The Merit Employee Relations Board (MERB) resolves employee complaints by restoring any position, benefit or right denied as a consequence of a misapplication of 29 Del. C. c. 59, Delaware Merit System of Personnel Administration and the rules adopted pursuant thereto.

**KEY OBJECTIVES**

- Increase the percentage of disputes informally resolved through PERB facilitation.
- Increase the percentage of PERB and MERB cases resolved within 90 days of filing.
- Increase use of electronic transmission in PERB and MERB case processing.

**BACKGROUND AND ACCOMPLISHMENTS**

The department consolidated responsibilities for PERB and MERB in Fiscal Year 2009 and reflected this consolidation in the budget under one budget unit referred to as Employment Relations Boards in Fiscal Year 2011.

PERB administers the Public School Employment Relations Act, the Police Officers and Firefighters Employment Relations Act and the Public Employment Relations Act.

PERB's case load is a function of the public sector labor management environment. This environment is impacted by changing economic conditions; projected fiscal deficits; job cut backs, layoffs or freezes; changes in funding sources and support; governmental reorganizations; and the tenor of the relationship between labor and management.

PERB has developed an effective impasse resolution procedure, resulting in an average settlement rate of 87 percent of negotiations in which binding interest arbitration is requested over 10 years.

PERB efficiently and effectively responded to changing demands for dispute resolution services and the increasing complexity of issues as demand for services has increased. PERB continues to be a reliable, creative and credible resource for resolution of public sector collective bargaining disputes.

MERB was established in 1994, pursuant to 29 Del. C. § 5906. The mission of MERB is to provide timely disposition of merit employee grievances and maintenance review classification appeals.

**STATE  
20-00-00**

The statute requires MERB to conduct public hearings prior to the adoption of any Merit Rule revisions. The director of the Office of Management and Budget (OMB) is required to submit proposed Merit Rule changes to the statewide Labor Management Committee for review and comment prior to submission to the board.

MERB is also empowered to request the OMB Director investigate problems or complaints arising from the implementation of the Merit System and the effect of merit policies and procedures on employees in classified service.

In April 2009, responsibility for administering MERB was transferred to the staff of PERB in an effort to reduce costs and standardize processing of employment disputes. Since this change, MERB has instituted procedures for expediting the processing of cases to hearing and eliminated its backlog of pending cases.

**ACTIVITIES**

- Investigate, hear and resolve (either through decision or settlement) unfair labor practice charges and requests for declaratory statements.
- Conduct representation elections and define appropriate bargaining units for representation of public employees in collective bargaining.
- Facilitate the resolution of negotiation impasses through mediation, facilitation and binding interest arbitration.
- Administer the binding grievance arbitration panel for public school labor and management.
- Systematically support and provide alternative dispute resolution procedures to resolve unfair labor practice charges, representation questions and negotiation disputes.
- Increase the number of public sector labor disputes resolved informally through PERB intervention and facilitation prior to the completion of formal case processing procedures.
- Develop and increase accessibility to PERB and MERB processes and decisions through electronic media.
- Serve as the final step in the State Merit System grievance process and in appeals of classification maintenance reviews.
- Adopt or reject changes to the Merit Rules submitted by the statewide Labor Management Committee after a public hearing.
- Request that the OMB Director investigate problems and/or complaints arising from Merit policies and procedures.

**HUMAN RELATIONS/COMMISSION FOR  
WOMEN**  
**20-02-00**

**MISSION**

To ensure equal opportunity for all people of Delaware by promoting and enforcing laws against discrimination based on race, color, age, sex, religion, marital status, national origin, creed, familial status, disability and sexual orientation in housing and places of public accommodations. To support a quality of life for people in Delaware free of discrimination through education and cooperation with others to promote amicable relationships among the various racial and cultural groups within the State. To provide leadership, advocacy and resources on issues affecting the quality of life and the full participation of women in all sectors of society.

**KEY OBJECTIVES**

- Eliminate unlawful discrimination in Delaware.
- Eliminate biases and barriers that obstruct equity and justice for women.
- Improve the status and quality of life of women in Delaware.
- Promote economic, social and political justice.
- Protect Delawareans against violations of the State's fair housing and equal accommodations laws.
- Educate citizens of their rights and responsibilities under the state and federal fair housing laws.
- Enforce state laws prohibiting discrimination in housing and places of public accommodations.
- Maintain a partnership with the U.S. Department of Housing and Urban Development (HUD) and local housing providers and fair housing advocates for fair housing outreach, education and enforcement.
- Maintain status as a Fair Housing Assistance program with the authority to receive, investigate, process and resolve fair housing cases filed under the federal fair housing law.
- Maintain productive relationships with local, regional and national organizations similarly focused on improving the status of women.
- Assist and support the State Human Relations Commission (SHRC) and Delaware Commission for Women (DCW), in fulfillment of their statutory duties and responsibilities.

**BACKGROUND AND ACCOMPLISHMENTS**

SHRC was created in 1961 to promote a climate of understanding among racial, cultural and ethnic groups in Delaware. Thus for more than 50 years, the SHRC has served to educate, advocate and enforce civil and human rights on behalf of Delawareans. With the passage of the Equal Accommodations Law and Equal Rights to Housing Law, SHRC was given enforcement authority over matters of discrimination in housing and places of public accommodation. In 1970, the Division of Human Relations was established to support the work of the commission, particularly with investigations; mediations; conciliations; administration; outreach education; and training. The division is certified by HUD as a substantially equivalent fair housing agency, making it eligible for performance-based federal funding. The certification includes an obligation to affirmatively further fair housing. The Division of Human Relations with SHRC serves as Delaware's primary civil rights enforcement agency, processing over 200 complaints of discrimination annually and assisting in the resolution of individual and community tensions and concerns, stemming from allegations of discriminatory acts or practices.

Modeled after President Kennedy's Commission on the Status of Women, DCW was established to consider and work constructively to eliminate barriers for women in all sectors of society. DCW and the Office of the Commission for Women serve as a primary resource to leaders, agencies, organizations and residents on issues impacting the lives of women and the future for girls.

The accomplishments from Fiscal Year 2014 include:

- Provided various fair housing training sessions to advocates, professionals and respondents;
- Received and processed 61 allegations of housing discrimination;
- Received and processed 53 allegations of discrimination in places of public accommodations;
- Provided training on Delaware's law against discrimination in places of public accommodation;
- Maintained highly regarded status as a member of the National Association of Commissions for Women;
- Collaborated with the American Association of University Women (AAUW) and legislators to affirm the importance and impact of pay equity and to support a House Resolution recognizing Equal Pay Day;
- Supported programs and activities designed to inspire, educate and empower thousands of women;
- Sponsored a forum with Delaware legislators to provide information, resources and awareness of

existing and emerging issues impacting women in Delaware;

- Promoted heart disease awareness in connection with National Wear Red Day;
- Supported the Sister in Success Conference;
- Collaborated with other organizations to commemorate the 50th anniversary of the Civil Rights Act of 1964 signing;
- Planned and coordinated the annual Hall of Fame of Delaware Women to recognize and honor Delaware women for their outstanding contributions to the state and nation;
- Collaborated and coordinated with the National Association of Commissions for Women on issues and initiative of mutual interest; and
- Offered free legal information seminars to over 50 people.

**DELAWARE PUBLIC ARCHIVES**  
**20-03-00**

**MISSION**

To manage and preserve the records of Delaware's democracy that document the obligations and rights of residents and empower them to judge the performance and accountability of public officials in carrying out public policy. To promote a greater awareness of the history and heritage of the First State and its people.

**KEY OBJECTIVES**

- Preserve state and local government records that possess legal, fiscal and historical value.
- Ensure ongoing access to records of enduring value by managing their archival preservation and using evolving technologies to promote their use.
- Promote the availability and use of Delaware's documentary resources through programs and outreach with the education community, historical societies, related organizations, researchers and the general public.
- Provide guidance on the proper management, maintenance and disposition of state and local government records.

**BACKGROUND AND ACCOMPLISHMENTS**

Established in 1905 and currently staffed by 31 dedicated professionals, Archives is one of the oldest continuous public archives in the nation. Archives fills a critical role in collecting, preserving and making available state and local government records of historical and evidential value. Delaware's public records have a wide and varied usefulness. Without these historical resources, activities as diverse as government actions and decision-making, historical and genealogical research, museum exhibit preparation, archaeological fact-finding, legal and judicial investigation, and historic building preservation would be made more difficult or perhaps impossible to conduct.

Archives' holdings contain approximately 10.4 million documents ranging from single, historic documents, such as the Royal Charter, to a variety of historic and state and local documents, architectural drawings and maps dating from the 17th century to the present. For most Delawareans who were born, were married, owned property, attended school or died in Delaware, a record of these life events will eventually be housed in Archives.

In addition to paper documents, Archives houses approximately 6,600 books, 17,000 audio/video recordings, 75,000 rolls of microfilm and more than 800,000 historical photographs. These materials are housed in a specially constructed building that encompasses four climate-controlled Archives vaults totaling almost 90,000 cubic feet. These collections may be viewed in the Mabel Lloyd Ridgely Research Room, a research facility that is equipped with Wi-Fi to support individual patron computer access for various research undertakings.

The Delaware Public Archives has seen unprecedented gain in online patronage this year. With a goal of reaching 215,000 e-user interactions in Fiscal Year 2014, Archives far surpassed expectations as the total number soared to 1,105,982 during this time period. To date, 1,197,634 documents, photos and related materials have been made available online. Archives' ability to embrace new technologies and understand emerging social media outlets is a major factor behind the tremendous growth in this area.

The accomplishments from Fiscal Year 2014 include:

- Established an Archives Social Media Team, expanding Archives' social media presence;
- Enhanced Archives' website with the addition of several digitized collections;
- Enhanced visitors' experience by creating exhibits and holding special events;
- Increased outreach efforts through the publication of 6,000 brochures (created in both English and Spanish) to promote Archives;
- Expanded the use of Archives' materials by local media outlets, while employing new and non-traditional public relations tactics;
- Increased access and visibility of Archives' collections by using traveling exhibits installed at the Delaware State Fair, Kent County Library and in the lobby of the Delaware Board of Agriculture building;
- Secured and promoted workshops and programs for First Saturday presentations;
- Coordinated with the Delaware Heritage Commission to set up a special ceremony at the site of Pickett's Charge in Gettysburg, honoring the Delaware troops who fought there, and to conduct a memorial ceremony to commemorate the 150th Anniversary of the death of Col. David Stricker, a Union officer during the Wilderness engagement;
- Developed a Frequently Asked Questions guide for records' officers throughout the State, as a result of recent changes to policies and procedures, to increase the efficiency of Archives' services to

**STATE

individuals who are responsible for records management in their agencies;

- Increased the ability for records' officers statewide to receive updates and revisions through the addition of a Records and Information Management announcement section to the Delaware Notification Service;
- Established three records management training courses: Files Management, Preparation of Records for Transfer to DPA and Records and Information Management;
- Expanded the Delaware Historical Marker program with 14 new markers installed and dedicated in all three counties; and
- Convened the Reappraisal and De-accessioning Committee (RRDAC) to review record series holdings of Archives.

**PROFESSIONAL REGULATION  
20-04-01**

**MISSION**

To ensure the protection of the public's health, safety and welfare through administrative and investigative services provided to the citizens of Delaware, professional licensees, license applicants, other state and national agencies and private organizations.

**KEY OBJECTIVES**

- Assist applicants seeking licensure throughout the licensure process.
- Issue and renew licenses for qualified professionals and business entities.
- Maintain a licensing database to provide the public with vital licensure information, notify licensees of renewal periods and continuing education requirements and assist state and federal agencies in accomplishing their missions.
- Respond to inquiries from the public, other state and national agencies and private organizations regarding Delaware licensed professionals.
- Investigate complaints from the public.
- Partner with the Office of the Attorney General to coordinate complaint disposition and disciplinary proceedings in accordance with the Administrative Procedures Act.
- Oversee all board/commission activities to ensure that testing, licensing, disciplinary proceedings, rule making and other regulatory activities are completed

in an efficient manner and in compliance with the Delaware Code and applicable rules and regulations.

- Assist boards and commissions during the Sunset Committee review process and in complying with the committee's recommendations.

**BACKGROUND AND ACCOMPLISHMENTS**

The division provides regulatory oversight for 34 boards/commissions that are comprised of Governor-appointed public and professional members. The activities of this oversight include administrative, fiscal and investigative support for 54 professions, trades and events. The division provides services for nearly 300 board/commission members and over 85,000 active licensees. Licensure fees fund the division and the expenditures attributed to each licensing board.

The accomplishments from Fiscal Year 2014 include:

- Registered 5,764 Delaware Controlled Substance registrants and Delaware-licensed pharmacists to access the PMP database;
- Initiated the implementation of 36 bills that passed during the 147th General Assembly, impacting various professions;
- Continued to work with Reliant Behavioral Health to administer the Delaware Professionals' Health Monitoring program;
- Deployed the Council on Licensure, Enforcement and Regulation online regulatory course as part of a new board members' orientation;
- Continued Phase I of a project to digitally image in-house licensing records for 54 professions;
- Continued to upload to its website all public disciplinary orders and consent agreements resulting from disciplinary action against professional licensees;
- Issued 11,572 licenses to new applicants and renewed 30,888 licenses;
- Screened 931 complaints, accepted 648 for investigation and completed 659 investigations;
- Initiated legislation to streamline the investigative and prosecutorial process for complaints of unlicensed practice;
- Held 395 hearings;
- Streamlined intake and processing of license applications division-wide, reducing the average turnaround time to less than 30 days; and
- Initiated a project to replace its aging licensure system.

***PUBLIC SERVICE COMMISSION***  
***20-04-02***

**MISSION**

To regulate Delaware's investor-owned utilities by assuring they provide safe and reliable electric, gas, water, wastewater and basic telecommunications and cable services to their customers in a timely manner and at reasonable rates that have been appropriately determined through regulatory review and approval.

To support the federal pipeline safety program, to certify renewable energy systems, to certify energy suppliers and to provide a regulatory environment that considers environmental impacts, supports the economic development of the State and ensures just and reasonable sharing of costs and benefits between consumers and regulated utilities.

To facilitate, where appropriate, the implementation of competitive utility markets and to do so in a manner that retains quality service at reasonable prices for all Delaware consumers.

**KEY OBJECTIVES**

- Ensure regulated utility services are rendered safely, reliably, cost effectively and are coordinated with the economic and environmental goals of concerned state agencies.
- Review, process and resolve utility applications, petitions, tariff filings and consumer complaints in a timely fashion consistent with statute requirements providing public notice and transparency of process.
- Review all major utilities' financial data and service level reports, ensure compliance with orders and identify significant resulting issues.
- Manage docketed cases and complaints, prepare commission materials, testify in formal proceedings and coordinate pertinent case information with all parties.
- Maintain electronic docket files and web/social media pages providing effective public user and utility access to regulatory file information.
- Review and coordinate proposed legislative changes and implement key regulatory policy initiatives as directed by statute.
- Manage and ensure a fair process for the consideration of formal consumer complaints as received from DPA.

### **BACKGROUND AND ACCOMPLISHMENTS**

PSC is principally charged with the regulation of rates and services provided by investor-owned electric, natural gas, telephone, water, wastewater and cable television utilities that serve customers in Delaware. In exercising its regulatory authority, PSC recognizes regulated utilities are entitled to earn a fair return on their investments while providing customers with reliable and safe services at just and reasonable rates. At present, PSC has regulatory authority over 12 water suppliers, seven wastewater utilities, four cable television providers in a total of six franchise areas, two natural gas utilities, one electric distribution company, 134 electric suppliers and 201 telephone companies that provide either local exchange service or intrastate toll service or both. PSC also reviews the financial and tariff filings of these utilities.

In response to the Electric Utility Retail Customer Supply Act of 2006, PSC continues to evaluate and review electric generation, demand response and transmission options to meet Delmarva Power and Light's electric load requirements. Central to this planning effort is Delmarva Power's Integrated Resource Plan (IRP), which is filed and reviewed biennially. It reflects updated load forecast data and includes a study of the cost impacts of externalities associated with fossil fuel generation.

PSC actively monitors proceedings and actions by both the Federal Energy Regulatory Commission (FERC) and the Federal Communications Commission (FCC). These federal agency proceedings have major impact on Delaware consumers and must be monitored for potential intervention and participation. In addition, PSC, under the U.S. Department of Transportation, has a continuing federal grant for monitoring, inspection and safety of Delaware's natural gas and propane pipelines.

PSC participates as a member of the Renewable Energy Task Force (RETF), established by the Delaware legislature to design and implement programs that facilitate the development of renewable energy markets in the State while limiting rate impacts to consumers.

PSC continues to be a participant on the Water Supply Coordinating Council (WSCC). As a member of the WSCC, the commission helps to review and approve water conservation plans from municipally-owned and investor-owned water utilities located in northern New Castle County.

The accomplishments from Fiscal Year 2014 include:

- Opened 483 docket;

- Processed 303 applications for certification of 411 megawatts of renewable energy resources, including solar, wind, biomass, hydropower and landfill gas;
- Continued to monitor the progress of the Diamond State Generation Partners fuel cell installation and reviewed/approved Delmarva Power's monthly filed tariff costs;
- Processed multiple rate cases, concluded an investigation of Delmarva's reliability infrastructure spending and settled a Tidewater rate case and Slaughter Beach water rate request;
- Continued a review of the telecommunications administrative code and proposed changes to reflect the revised legislation that was passed in 2013;
- Coordinated with several parties to create more transparency in Delmarva's distribution billing;
- Reviewed/approved Delmarva Power's application which mirrored the recommendations of the Renewable Energy Task Force;
- Handled 707 customer complaints with six of those complaints processed as formal dockets before the commission;
- Continued to participate in initiatives by the organization of PJM States, Inc. and the Eastern Interconnection States' Planning Council to plan for electric transmission projects that will enable states to meet public policy goals relating to green energy and economic development;
- Conducted pipeline safety inspections, tracked underground utility damage and placed radio advertisements to raise awareness of damage prevention requirements; and
- Participated in several FERC proceedings, intervened and commented in another 12 cases and monitored 30 other dockets.

### **ACTIVITIES**

- Review and process filed applications presented to PSC by regulated utilities in a timely manner and make fair and reasonable recommendations to the commissioners. Filings include requests for changes to tariffed rates and terms of service, requests for operating certification from telecommunications carriers and competitive retail electric suppliers and requests for service territory expansion from water and wastewater utilities.
- Ensure the regulated utilities are providing safe and reliable service and are in compliance with local, state and federal regulations and laws.
- Receive, investigate and respond to formal consumer complaints as submitted by the Public Advocate's Office.
- Conduct open public hearings, as required, in the course of processing utility filings.

**STATE  
20-00-00**

- Conduct safety inspections on natural gas and propane pipelines to ensure compliance with federal safety standards. Conduct enforcement proceedings when necessary.
- Ensure Class A regulated utilities' financial performance is not in excess of the authorized rate of return.
- Implement a case management and e-filing system to automate paper-based processes and to increase transparency by providing for web-based access to case files and other documents.
- Monitor state and national issues that affect PSC and communicate these issues to staff and commissioners.
- Oversee Delmarva Power's Standard Offer Service electricity procurement process, review its IRP and administer rules to promote greater electric supply competition while protecting consumer interests.
- Participate on committees and sub-committees created by the National Association of Regulatory Utility Commissioners and the Mid-Atlantic Conference of Regulatory Utilities Commissioners to discuss issues affecting regulated utilities and best practices in other states.

**PUBLIC ADVOCATE  
20-04-03**

**MISSION**

DPA represents the interests of Delaware public utility residential and small commercial consumers before the PSC, advocating for the lowest reasonable rates consistent with the maintenance of safe, adequate and reliable utility services. DPA appears and participates on behalf of consumers before Delaware and federal courts and federal regulatory commissions such as the FERC

and FCC in matters involving rates, services and practices of regulated public utilities.

**BACKGROUND AND ACCOMPLISHMENTS**

- Continued to perform numerous outreach efforts statewide, reaching more than 2,000 residents in Fiscal Year 2014.
- Developed a list of community organizations and associations to engage in more targeted outreach.
- Redesigned its website to make it more user-friendly and maximize the public's ability to access services.
- Worked closely with the PSC in addressing consumers' questions and concerns that arose from the removal of basic telephone services from PSC's regulatory jurisdiction or any disputes that arose in locations where there is not an alternative provider.
- Assisted with establishing an auction process for Delmarva Power's procurement of solar renewable energy credits.
- Continued its participation in reviewing Delmarva's Standard Offer Service supply procurements and actively participated in workshops to revise the regulations applicable to third-party suppliers, providing both written and verbal comments.
- Supported Tidewater Environmental Services, Inc.'s acquisition of a small and environmentally-troubled wastewater system serving a single community in Sussex County.
- Engaged with other regional state consumer advocate offices and supported comments filed at FERC that promote consumer interests.
- Supported contributions to the Delaware Low-Income Home Energy Assistance Program and a move to create the Consumer Advocates of PJM States LLC, to ensure a stronger consumer advocate presence in PJM stakeholder meetings and votes.
- Opposed a proposal between Delmarva and Washington Gas Energy Services, Inc., resulting in a reduction in prices Delmarva customers would pay by more than \$2 million over the life of the contract.
- Helped to craft and ultimately support a proposal that is helping to accelerate the availability of lower cost natural gas to consumers in un-served and under-served areas of southern Delaware, while ensuring such expansion is not unduly subsidized by existing natural gas customers.
- Offered extensive comments on the PSC staff's proposed revisions to the Commission's regulations regarding termination of utility service for non-payment, including Delmarva Power's proposal to remotely connect and disconnect customers.

## STATE 20-00-00

### ACTIVITIES

- Reviews all utility applications and filings to determine if consumer interests require its intervention.
- Evaluates informal complaints received by PSC for issues that may warrant further investigation or action.
- In rate case dockets before the PSC, DPA advocates for the lowest reasonable utility rates for residential and small commercial utility consumers, consistent with the maintenance of safe and adequate public utility service.
- Targets specific utility-related issues for investigation by, or, if appropriate, for litigation before, the PSC.
- Attempts to mitigate rate increases through settlements, where appropriate, to resolve contested rate proceedings.
- Participates in energy work groups, such as the RETF.
- Seeks to maximize the public's ability to access its services via the Internet through use of advanced network technology.
- Seeks to raise public awareness of its role in utility regulation through targeted outreach.
- Participates in matters pending before FERC and the FCC that may affect the rates Delaware consumers pay for energy.

## CORPORATIONS 20-05-00

### MISSION

Be America's corporate and alternative business entity domicile of choice. Create business entities and generate revenue for the State of Delaware through the collection of entity taxes and fees, as well as Uniform Commercial Code (UCC) filing and search fees. Provide superior services for customers to attract and maintain incorporations and alternative business entities in Delaware to promote a strong economy.

### KEY OBJECTIVES

- Increase the number of entities domiciled in Delaware.
- Increase general fund revenue.
- Increase the use of electronic UCC filings.
- Increase the receipt of electronic tax payments for alternative entities.
- Increase the availability of online and mobile information and services to customers.

### BACKGROUND AND ACCOMPLISHMENTS

Revenue collected by the division accounted for 26 percent of the State's General Fund revenue in Fiscal Year 2014. The State's success in generating such substantial revenue is attributable to several factors including:

- Delaware's modern and flexible corporate law;
- Delaware's highly respected Judiciary, including the nation's premier business court, the Court of Chancery;
- Expertise of the State's corporate and legal services industry;
- Excellent customer service provided by division staff;
- State-of-the-art technology that is reliable and secure;
- A cooperative legislature that responds quickly to necessary changes in the law; and
- Ongoing marketing initiatives both domestically and internationally.

By providing unique product offerings and superior customer service, the division helps foster growth of the State's corporate and legal services industry, a significant source of jobs and income for Delawareans.

**STATE  
20-00-00**

By continuously working to improve policies, procedures and processes, the division is at the forefront of efforts to make state government more efficient and effective. In 2014, the division successfully completed an ISO 9001 recertification audit to demonstrate outstanding performance in quality management in Delaware. This validates that its quality management system meets or exceeds international standards of excellence.

Technology provides a key competitive advantage for the division. To improve the efficiency and effectiveness of its operations, the division continually makes software, hardware and website enhancements. In recent years, the division has focused on expanding access to online information and services. The division publishes the most used state agency website in Delaware (*corp.delaware.gov*). Last year, more than 810,000 payment transactions were conducted through the division's e-government applications. The division's highest priority is the successful implementation of a new Integrated Corporations Information System to better serve customers.

The division continues to experience long-term growth in business formations with more than 1,063,000 active legal entities in the State. The division works closely with its partners, such as: the Judiciary, Delaware State Bar Association, commercial registered agents, General Assembly, legal scholars and others, to build brand awareness and recognition, both domestically and internationally, of Delaware's position as the Corporate Capital of the World. The division also works with the Secretary of State's Corporate and International Development Office to leverage Delaware's international reputation in order to attract complementary businesses to be created and located in Delaware.

The accomplishments from Fiscal Year 2014 include:

- Increased the net number of active business entities in Delaware by 57,985 entities;
- Improved efficiency by increasing the percentage of alternative entities paying annual taxes electronically by 2 percent;
- Continued efforts to reduce maintenance and overhead costs and boost efficiency through information technology consolidation;
- Continued efforts to boost productivity and service through an ongoing partnership with Commercial Registered Agents to develop clear guidelines to ensure documents presented for filing are in compliance with state mandates;
- Continued enforcement of standards prohibiting Commercial Registered Agents listed on the State's websites from marketing the sale of shell, shelf or aged companies and promoting Delaware as a haven for secrecy or anonymity;

- Implemented the State's new Public Benefit Corporation (PBC) statute enabling the formation of a new kind of socially conscious, for-profit corporation intended to operate in a responsible and sustainable manner;
- Implemented the State's new and very popular Certificate of Validation statute, creating a safe harbor procedure for ratifying corporate acts or transactions and stock that, due to a "failure of authorization," would otherwise be void or voidable;
- Successfully worked with the Governor's Office, General Assembly and Delaware State Bar Association on 11 changes to the State's business entity laws to attract new incorporations and to clarify, confirm and simplify administrative procedures;
- Continued to enhance the State's new Corporate Law marketing website (*corplaw.delaware.gov*), in partnership with the Court of Chancery's Rules Committee to promote the use of Delaware corporate law by domestic and international businesses; and
- Published dozens of articles about Delaware corporate law to the Corporate Law website's associated blog (*decals.delaware.gov*) attracting more than 1,800 subscribers in its first year.

**HISTORICAL AND CULTURAL AFFAIRS  
20-06-00**

**MISSION**

HCA serves Delaware residents and visitors by identifying, preserving and interpreting Delaware history.

**KEY OBJECTIVES**

- Improve access to collections, research and historic places.
- Create and support an innovative learning environment.
- Strengthen connections with Delaware residents, organizations and visitors.
- Enhance the preservation of historic properties and collections.
- Share knowledge, experience and resources to inspire others to value and preserve their cultural assets.
- Develop a culture of collaboration and respect to optimize the management of organizational resources.

**BACKGROUND AND ACCOMPLISHMENTS**

HCA is entrusted with the oversight of 42 historic properties encompassing 114 structures and adjacent lands across the State, including the operation of six museums, a conference center and a welcome center located in Dover. Additionally, HCA cares for more than 90,000 objects in its museum collections and over four million artifacts in its archaeological collections. These collections, representing 12,000 years of Delaware history and heritage, are exhibited and interpreted at division museums and at 90 additional sites across the State, including courthouses, government offices and nonprofit affiliate organizations.

HCA's preservation mission includes assisting applicants involved in federally-assisted projects to achieve outcomes that limit or mitigate adverse effects to significant cultural resources. HCA secures and provides guidance to others in securing property nominations to the National Register of Historic Places, assists local governments in obtaining Certified Local Government designation for federal grant eligibility and administers \$5 million annually in state tax credits for historic preservation. In addition, HCA leads planning efforts upon the discovery of historic unmarked human remains,

monitors and stewards the State's interests in property and agricultural leases, historic preservation easements and covenants and provides technical assistance on a variety of history-related inquiries from the public.

HCA serves as a catalyst in the formation of new operating partnerships and joint programming ventures that expand public access to the State's vital history while substantially reducing costs. These efforts include the development of five program activities for select sites: friends group development; nonprofit operating partner; passive income through rents, leases and fees; local government and community support; and membership-based support.

#### **Partnership Development**

- Enhanced the First State National Monument, enabling the New Castle Court House Museum to expand public visitation hours during the summer season to seven days a week. Additionally, HCA provided training as part of the First State National Monument Ambassadors Program, a community volunteer group welcoming visitors to the city.
- Worked with the Delaware Museum Association to strengthen the Delaware museum community through an active association for collaboration, communication and promotion.
- Partnered with the Delaware Historical Society, providing staff assistance with preliminary program planning for the Center for African-American Heritage, opening in 2016.
- Initiated an agreement with the New Castle Historical Society for the purpose of operating the Arsenal in New Castle as a meeting and event facility.
- Partnered with various organizations to expand opportunities, showcasing state collections in areas not served by division-owned properties and help to promote local historical resources.
- Collaborated with the Middletown Historical Society to transform the Society's gallery to a new public venue for exhibition.
- Focused on the ongoing development of friends groups to support HCA properties.

#### **Improving Access**

- Upgraded its Cultural and Historical Resource Information System.

#### **Innovative Learning**

- Co-chaired an international conference on comparative colonialism.
- Created the Professional Development Work Group to plan and coordinate professional development opportunities for all HCA employees with a special

focus on creating regular professional development workshops to be held at division sites.

- Offered teacher in-service training, coordinated with the Delaware Teacher Center.
- Provided a summer education workshop illustrating that the City of Lewes is rich with educational and engaging field trip potential in not only history but also science, technology, engineering, math and the arts.
- Expanded programming with Girl Scouts of the Chesapeake Bay for badges that are components of the *Keys to Leadership* goals. Work with Boy Scouts focuses on *Citizenship in the Community and World*.
- Served over 900 students in 2014 as a part of the Make a Splash program, allowing students to explore water as a natural resource and discover the use of water.

#### **Engaging Audiences**

- Welcomed nearly 8,000 adults to HCA's exhibition, *An Illegal Activity: Delaware and the Underground Railroad* at the First State Heritage Park Welcome Center since its opening in October 2013.
- Welcomed 10,010 guests, held 22 events hosted by members of the general public and held six community events in partnership with the Delaware Nature Society at Buena Vista.
- Initiated the development of an agency-wide marketing plan to improve communication with the public and promotion of division facilities, programs and services.
- Published electronically 12 issues of the division's Historic Preservation and Museums e-newsletter.
- Expanded the timeline of the division's event calendar so that it is distributed to the media at least four months in advance of listed events.
- Enhanced the Buena Vista Conference and Events Center's online social media presence by revamping its Facebook page. An Instagram page is currently in development. In addition, accounts are being established on WeddingWire.com and Eventective.com, to connect event planners to vendors.
- Coordinated by HCA and in partnership with the Lewes Historical Society, City of Lewes, Lewes Public Library, Lewes Presbyterian Church, and local merchants and community leaders, The 16th annual Chautauqua tent show, *With Malice Toward None: Delaware Life During the Civil War*, drew a total attendance of 2,323 guests during its week-long run in Lewes.
- Worked with the Lenape Tribe of Delaware for a Lenape Homecoming, bringing nearly 800 visitors to the park.

**STATE**  
**20-00-00**

**Enhancing Preservation**

- Applied to the National Park Service (NPS) for the Hurricane Sandy Preservation Recovery Funds and was awarded a \$1 million grant to cover the costs of preserving or rehabilitating historic properties affected by the storm. During Fiscal Year 2014, HCA developed program guidelines, solicited applications, and received NPS approval to sub-grant funds to three projects: 1) Harbor of Refuge Lighthouse condition assessment and dock replacement; 2) Milford New Century Club heating/cooling system and roof replacement and associated repairs; and 3) Phillips Potato House exterior repairs. The projects are expected to be underway in Fall 2014. In addition, the grant will fund disaster planning initiatives to improve identification of historic properties in areas vulnerable to such storms.
- Awarded all \$5 million of available state historic preservation tax credits for improvements to 26 historic properties, which included owner-occupied, nonprofit owned and income-producing properties.
- Received for review and comment 378 new environmental review projects that included federal undertakings from U.S. Department of Agriculture, HUD, Department of Education, Federal Highway Administration, Federal Emergency Management Administration, U.S. Army Corps of Engineers and the FCC, as well as State Preliminary Land Use Service projects. HCA closed 90.2 percent of these projects.
- Negotiated Programmatic Agreements (PA) with HUD for its Community Development Block Grants programs in New Castle and Sussex counties and with the Federal Highway Administration and the Delaware Department of Transportation. Also assisted in the development of a regional PA with NPS, governing project review under the Hurricane Sandy grant program.
- Approved four properties for historic preservation and nomination to the National Register of Historic Places.
- Worked in collaboration with DNREC and agencies within the Department of State to develop strategies for improving resiliency of department facilities and operations and identifying best practices consistent with the requirements of Executive Order 41 relating to climate impacts.

**Achieving Excellence**

- Co-curated the award-winning *Forging Faith, Building Freedom* exhibit exploring two centuries of diverse faith experiences and the story of freedom and equality for African Americans in Delaware. This project afforded a rare opportunity for

professional and community collaboration on a thematic topic of great significance, both locally and nationally. Presented in the City of Wilmington, where it was viewed by more than 2,000 people, the exhibit received the American Association for State and Local History Award of Merit.

- Received the American Association for State and Local History's Award of Merit for a program entitled "The DeBraak and Its Atlantic World," which showcases the *HMS DeBraak*, a British warship and escort vessel that capsized in a storm and sank off the Delaware coast in 1798. The surviving hull and extensive artifact collection have been curated by the division since they were acquired by the State of Delaware in 1992.
- Enhanced the Preservation Maintenance Team's core skills to enable increased repair and fabrication work to be done in-house. Implemented improvements to HCA's preventive maintenance practices to include annual applications of preservatives and finishes to prolong the life of existing building fabric and furnishings and replacement of bulbs in lighting fixtures with more energy efficient compact fluorescent and light-emitting diodes (LEDs).
- Published 2013 Annual Report: *Planning for the Future, Striving for Excellence*, which focuses on the division's strategic planning and museum accreditation efforts, as well as highlights of some of the division's 216 free and low-cost public programs, special events and exhibits held at Delaware museums throughout the year.

**Special Services and Volunteer Initiatives**

- Provided hours of volunteer services interpreting at HCA's museums, installing exhibits, processing artifacts, cataloging collections, completing horticulture inventories, conducting historical research on a wide range of topics, assisting with preparation of National Register nominations, processing digital research files, providing assistance with property maintenance, graphic design, administrative tasks and special events.

**ARTS**  
**20-07-00**

**MISSION**

To nurture and support the arts to enhance the quality of life for all Delawareans.

**KEY OBJECTIVES**

- Support high-quality arts programming statewide that fosters broad public participation, engagement and use of Delaware cultural resources.
- Engage the division's nonprofit arts grantees in professional development and networking opportunities to build capacity and sustainability.
- Expand division outreach to underserved communities with funding, services and public information about the arts.
- Raise the public's awareness of the arts and its impact on education, the economy and quality of life.

**BACKGROUND AND ACCOMPLISHMENTS**

Arts supports the nonprofit arts sector, artists, schools and the general public by providing grants and technical assistance to its constituents, as well as publicizing arts programs and events throughout Delaware. The division is advised by the Delaware State Arts Council, a 16-member body appointed by the Governor and representing communities throughout Delaware.

The division has four major programmatic areas: grant-making, professional assistance and organizational development, publicity and communications and promotional events.

As a grant-making organization, the division focuses its efforts on supporting quality arts programming that serves Delawareans. The division strives to improve the application and review process and sustain grant programs that support the needs of the arts community and increases access to the arts for all Delawareans. The division conducts an extensive citizen panel recruitment and instructional process and uses an independent financial analysis to ensure a thorough and informed review of all grant applications. In addition to its annual grants to eligible organizations and individuals, the division continues to provide opportunity grants on a bi-monthly basis to support new projects and initiatives.

Technical assistance initiatives provide workshops and consulting services to emerging and established arts

organizations as they build organizational capacity to serve Delawareans. The division works with its partners, including the Delaware Arts Alliance, to convene the arts community through statewide conferences, workshops, topic-specific focus groups and local meetings.

The division sponsors a variety of communication tools available to arts providers to publicize arts events, disseminate information on arts trends and policy and promote the importance of the arts in economic development, education and quality of life.

The division also sponsors events that promote the arts and artists, provides professional development to artists and administrators and facilitates connections between the arts, business and education communities.

A recent economic impact study demonstrated that the cultural sector and its related industries in Delaware employ nearly 4,000 people, ranking the arts among Delaware's top 10 employers. The positive return on investment in the arts is documented in state and local revenue, in higher test scores for students who study the arts and in higher quality of life in communities that engage their residents and visitors in the arts.

**Economic Impact**

- Awarded \$1.6 million from the Delaware Arts Trust fund to Delaware's major arts organizations throughout the State, supporting cultural sector jobs and related economic activity, arts education programming in schools and community centers, year-round arts programming and collaborative marketing initiatives that promote Delaware as a cultural destination. Nearly 500,000 individuals benefitted from this arts programming, as reported by the grantees.
- Invested \$2.98 million in grants to arts organizations serving local communities; \$216,500 to community-based organizations providing arts programming and \$122,700 to arts education programs serving youth. An additional \$100,000 is allocated to initiatives in underserved communities and \$88,000 is allocated to individual artist fellowships and opportunity grants.
- Continued the division's collaboration with the Mid-Atlantic Arts Foundation, resulting in a re-investment of more than \$60,000 in grants by the foundation to performing arts presenters in Delaware.
- Supported collaborative marketing initiatives among Delaware arts organizations that promote Delaware as a cultural destination and the arts as an economic driver, to increase public attendance and participation in the arts in Delaware.

**STATE  
20-00-00**

**Education and Advocacy**

- Sponsored more than a dozen readings and public appearances by Poet Laureate JoAnn Balingit in schools and community gatherings, meeting with more than 1,000 individuals.
- Sponsored the ninth annual Poetry Out Loud event, a national poetry recitation contest for high school students.
- Reached more than 200,000 youth through arts education programs and general support of arts programming targeting youth audiences.

**Efficiency and Sustainability**

- Utilized eGranting in Fiscal Year 2014 with assistance and support from GIC, to improve grant processing efficiencies and reduce printing and mailing costs for applicants. Expanded eGrants to opportunity grants.
- Expanded communications through social media.
- Developed a mobile-device app (“What’s On”), in conjunction with GIC, to promote Delaware arts events on smartphones and tablets, with information powered by DelawareScene.com, the Division’s web-based arts calendar.
- Expanded promotion of arts events.

**Public Engagement and Collaboration**

- Assisted the Delaware Arts Alliance in convening and increasing support for the arts at the grassroots level through community forums and electronic communications and surveys.
- Partnered with Libraries and Division of Parks and Recreation to facilitate accessibility of quality arts programming throughout the State.
- Partnered with the Biggs Museum of American Art in Dover to promote the division’s artist fellowship winners.

**MISSION**

To provide leadership and support for the timely development of Delaware's libraries; to ensure convenient and affordable access to current information resources and reading material; and to provide transformational leadership for lifelong learning to ensure all Delawareans achieve their versions of the Delaware Dream.

**KEY OBJECTIVES**

- Strengthen the library technology infrastructure and maximize the Delaware Library Catalog shared collection.
- Expand library building capacity and access.
- Enhance the professional development of library staff.
- Facilitate development of learning and growth opportunities for individuals and communities.

**BACKGROUND AND ACCOMPLISHMENTS**

Delaware libraries enjoy a unique vantage point. They serve all the realms of lifelong learning: workforce and economic development, education, community and quality of life issues and individual interests and talents. As such, the services and programs of Delaware's public libraries are heavily used by Delawareans. Delaware public libraries record annually almost four million visits, answer almost half a million reference questions and circulate more than six million books and other materials.

Libraries applies quality tools and a collaborative approach among a multitude of library governing bodies to achieve efficiencies and economies of scale savings statewide and to maximize lifelong learning support.

The accomplishments from Fiscal Year 2014 include:

- Provided seamless access for Delawareans to 2.5 million items shared by 52 libraries through the statewide Delaware Library Catalog, [www.lib.de.us](http://www.lib.de.us);
- Supported every public library at 100 megabytes per second, one of the fastest library networks in the nation and includes WiFi public access in each library;
- Completed Wilmington and Greenwood library building projects, with Lewes and Delmar in the pipeline;

- Supported Delaware's present, past and future as a foundation for Delawareans to achieve the Delaware Dream through partnership and programs; and
- Distributed digital players and book cartridges provided by the Library of Congress.

**STATE BANKING COMMISSION  
20-15-00**

**MISSION**

To serve the public interest in a safe and sound financial services industry by regulating and examining state banks, trust companies, licensed financial institutions and mortgage loan originators; resolving consumer complaints and promoting financial literacy; and collecting and administering the bank franchise tax.

**KEY OBJECTIVES**

- Ensure the safe and sound operation of state banks and trust companies, the compliance of licensed financial institutions with state and federal laws and regulations, and the escheat of abandoned property to the State by all banking organizations through regular examinations of those institutions.
- Expand the availability of financial services to consumers in Delaware by chartering new banks and trust companies and by issuing new licenses and renewing existing licenses for non-depository financial institutions.
- Enhance confidence in the integrity of the mortgage lending process by licensing and regulating mortgage loan originators.
- Create an environment of service to consumers by responding to informational inquiries, resolving complaints against regulated financial institutions, and supporting financial literacy programs in Delaware.
- Collect bank franchise tax revenues, administer bank franchise tax laws in a fair and efficient manner and provide periodic estimates of tax revenues to DEFAC for budgetary purposes.

**BACKGROUND AND ACCOMPLISHMENTS**

The banking industry has grown to be one of the most important in the State since the passage of the Financial Center Development Act in 1981. In addition to the State's traditionally strong banks and trust companies, some of the largest credit card banks in the country are located in Delaware. Commercial bank employment in Delaware has grown from less than 5,000 in 1981 to about 26,000 in 2014.

The responsibilities of the Office of the State Bank Commissioner have grown significantly since 1981. Today, the office supervises 13 banks with assets of over \$111 billion, as well as 32 nondeposit trust companies,

**STATE

two building and loan associations and about 600 licensed financial institutions. Most of the licensees provide financial services to consumers in the State and include mortgage brokers; licensed lenders, such as mortgage lenders and consumer finance companies; check sellers and money transmitters; check cashers; motor vehicle sales finance companies; and providers of pre-need funeral contracts. Money transporters and business and industrial development corporations are also licensed by the State Bank Commissioner. In 2008 and 2009, the General Assembly enacted new laws to improve regulation of the mortgage lending industry and protect consumers by providing for licensing of mortgage loan originators. As of the end of Fiscal Year 2014, 2,470 of these licenses were issued. The Office of the State Bank Commissioner is actively engaged in responding to consumer inquiries and complaints and providing public information about financial services.

The accomplishments from Fiscal Year 2014 include:

- Chartered one new state-chartered nondeposit trust company;
- Conducted examinations of state-chartered banks, trust companies, building and loan associations, state-licensed financial services businesses and escheat of abandoned property by banking organizations; and
- Awarded \$264,000 in Financial Literacy Education Fund grants to 19 nonprofit organizations to support financial literacy programs in Delaware.

## 25-00-00

### OFFICE OF THE SECRETARY

#### 25-01-00

#### MISSION

To lead the State in developing and executing sound fiscal policies and practices.

#### KEY OBJECTIVES

- Make available all economic information relevant to maintaining the State's financial position.
- Ensure financial policies and processes are consistent with Delaware's designation as a Triple-A rated state.
- Identify and promote opportunities for the State by providing debt policy direction that minimizes the cost of capital.
- Provide budgetary revenue projections that are within 2 percent of actual collection, excluding revenue anomalies due to exogenous and/or non-recurring events, for June Delaware Economic and Financial Advisory Council (DEFAC) estimates.
- Facilitate the exchange of necessary information between divisions within the Department of Finance and among other state agencies, local governments, rating agencies and the public.
- Maximize effectiveness and efficiency by improving the State's fiscal operations through the use of appropriate financial and accounting controls.

#### BACKGROUND AND ACCOMPLISHMENTS

The Secretary of Finance is the State's Chief Financial Officer and is the central source for economic and fiscal policy and the management of financial resources. The Office of the Secretary provides economic data, revenue and legislative analyses and public information services.

The office provides management and oversight of general obligation debt and overall coordination and management of all debt of the State and state authorities. In addition, the office builds the foundation for the State's budget process by providing the analysis and forecasting of revenues in support of DEFAC.

The following items demonstrate the office's success in accomplishing its mission:

- Helped reaffirm the State's Triple-A bond ratings from the three Wall Street rating agencies, which

Delaware has maintained since the spring of 2000 and is one of only nine states currently holding these ratings;

- Implemented process improvements resulting in the return of \$104 million in unclaimed property to the rightful owners, a five-fold increase over the previous record;
- Facilitated the transfer of the financial administration of the Drinking Water State Revolving Loan Fund to the Department of Natural Resources and Environment Control;
- Modeled and helped secure the adoption of House Bill 168 designed to pay off federal advances to the Unemployment Insurance Trust Fund and return the fund to solvency; and
- Crafted legislation that doubled the State's research and development credit and made it permanent for small businesses.

## ACCOUNTING

### 25-05-00

#### MISSION

To provide expert financial and technical accounting services for the State of Delaware, delivering central support to state organizations, as well as consistent and reliable financial information to the public.

#### KEY OBJECTIVES

- Provide training and supportive resources to state organizations, to facilitate the effective and compliant use of the statewide accounting system.
- Successfully prepare the Comprehensive Annual Financial Report (CAFR) to ensure the State receives a clean audit and the Government Finance Officers Association (GFOA) Certificate of Achievement for Excellence in Financial Reporting.
- Successfully manage the issuance of the State's A-133 Single Audit Report with applicable grant laws and regulations.
- Manage First State Financials (FSF) processes for 1099s.
- Manage key transparency initiatives such as the online and procurement card checkbooks.
- Interpret new and revised tax laws as they relate to payroll processing to ensure compliance.

#### BACKGROUND AND ACCOMPLISHMENTS

The division is committed to further solidifying the State's internal control structure and expanding its financial reporting capabilities through the application of technology. The division is also committed to providing the State with expert leadership surrounding the accounting and payroll functions.

The division has strived toward continuous improvement, has worked closely with agency heads to understand potential weaknesses and developed varying solutions that impact everything from cash and financial management to resource optimization through transaction processing efficiencies. The implementation of FSF has significantly strengthened the State's internal control structure and, over the past four years, the State's financial reporting capabilities have greatly expanded. The most recent change now allows for CAFR financial reporting processes to be completely integrated with FSF, eliminating the need for third party applications to map

The division works closely with the Division of Revenue, Statewide Human Resources Management, Statewide Benefits, Payroll Human Resources Statewide Technology, the Office of the State Treasurer, the Pension Office and the Department of Labor to ensure newly implemented and revised tax laws are appropriately considered and properly adopted and accounted for within the payroll system. The division monitors statewide compliance with payroll laws and regulations and provides guidance on payroll-related internal controls, policies and practices.

During Fiscal Year 2014, the division performed internal control reviews for accounting/financial operations for over 30 state organizations and provided the organizations with recommendations for improvement or confirmation of effective control environment. In Fiscal Year 2015, the division has performed desk reviews on PCard and payroll internal controls for over 100 organizations throughout the state.

For the fiscal year ended June 30, 2013, the division issued the State's CAFR in full compliance with Governmental Accounting Standards Board reporting requirements. The division received the GFOA Certificate of Achievement for Excellence in Financial Reporting for Fiscal Year 2013 marking the 19th consecutive year Delaware has been recognized by GFOA.

### REVENUE

#### 25-06-00

#### MISSION

As the primary revenue collector for the State, the Division of Revenue's mission is to collect 100 percent of the taxes and other revenues required by law, no more and no less, and do so in a manner that creates the highest possible level of satisfaction on the part of the public with the division's competence, courtesy, effectiveness and efficiency.

#### KEY OBJECTIVES

- Improve voluntary compliance through improved communication with taxpayers, the use of electronic technology, better distribution and design of tax forms and overall simplification of the tax code.
- Improve enforced compliance through the use of technology and effective allocation of resources to collection activities.
- Increase the cost effectiveness of divisional activities through the use of process flow analysis, establishment of meaningful benchmarks and judicious application of technical and human resources.
- Enhance the capabilities of staff through the implementation of a structured, long-term training and professional development program.

#### BACKGROUND AND ACCOMPLISHMENTS

Revenue revolves around three activities: tax processing, tax enforcement and policy formulation. Tax processing involves receiving documents and remittances (either in-house, via lockbox or electronic means), depositing remittances, entering/capturing data from returns, validating taxpayer's determination of tax, refunding overpayments and assuring proper accounting (including internal controls) and reporting these transactions.

Each year, the division processes over 500,000 personal and 600,000 business tax returns and issues more than 330,000 tax refunds. In addition, information technology staff is responsible for the design and administration of some of the most sophisticated and technically advanced processing and imaging systems in the State. Delaware has been a national leader in applying technology to tax administration.

Tax enforcement includes examinations, audits and collection of delinquent accounts. The division's enforcement responsibilities encompass 15 different revenue sources, including the State's Personal and Corporate Income Taxes, Gross Receipts Tax and Realty Transfer Tax.

The division provides data, administrative support and consultation to the economic analysis group within the Office of the Secretary. The group develops and analyzes Delaware's tax policy. It also plays a significant role in the coordination of economic development efforts with the State's overall fiscal strategy.

The division continues to focus on improving the quality of service to its customers. One of the ongoing initiatives is the Quality Service Mailbox, which allows callers to leave comments for the division. If a caller requests a response, the division responds within 48 hours.

Electronic filing of income tax returns has continued to expand statewide. The division received over 405,000 electronically filed personal tax returns in Fiscal Year 2014. The division projects it will receive 415,000 personal tax returns electronically in Fiscal Year 2015. These returns do not require manual intervention in sorting, data entry or return validation.

The division aggressively promoted filing personal tax returns in a digital format via the Internet, electronic software and bar-coded paper filing. Digital returns reduce mail and data entry processing, improve the refund issuance process and reduce seasonal and operating expenses. Since implementation in Fiscal Year 1996, the number of digitally filed personal tax returns has increased from zero in Fiscal Year 1995 to over 428,000 in Fiscal Year 2014, almost 87 percent of all current year personal tax returns filed.

As part of the Business Systems Master Plan, the division implemented an integrated imaging system into personal income tax return processing that allows exception returns to be separated from non-exception returns. This initiative, along with improved training in preparation for tax season and the use of outsourced data entry enabled the division to continue to reduce the average number of days to issue a tax refund from 34 days in Fiscal Year 1995 to 14.8 days in Fiscal Year 2014.

## STATE LOTTERY OFFICE

### 25-07-00

#### MISSION

To maximize revenue contributions to the State's General Fund, thereby helping to fund the delivery of governmental services to the people of Delaware:

- Through the marketing, sale and distribution of innovative, entertaining and secure lottery products that ensure the public's confidence in the integrity of the games, retailers, agents and lottery operations; and
- By providing leadership and a corporate culture that encourages productive change leading to improvement in every aspect of the business.

#### KEY OBJECTIVES

- Achieve General Fund contribution of \$207.3 million in Fiscal Year 2016.
- Continue to improve customer and retailer satisfaction.

#### BACKGROUND AND ACCOMPLISHMENTS

With more than 6,500 games in play, video lottery net proceeds for Fiscal Year 2014 totaled more than \$355 million. The multi-jurisdictional, wide-area progressive Video Lottery Game Group, consisting of Delaware (Chair), West Virginia, Rhode Island and Ohio, administered under the auspices of the Multi-State Lottery Association, continued to offer the MegaHits games, which have consistently outperformed all other video games at each of Delaware's three race tracks. In Fiscal Year 2015, Maryland will become the fifth state to join the Game Group. Fiscal Year 2014 marked the fourth full year of table games (blackjack, roulette, craps, poker, etc.) at the tracks. The three casinos offered a combination of 113 gaming tables and 73 poker tables. Lottery and the Department of Technology and Information continued to work together to enhance Lottery's initiative of an electronic/online casino employee licensing process. The system is expected to be rolled out during the first quarter of Fiscal Year 2015.

During Fiscal Year 2014, Lottery's traditional products had a record sales year of \$148.3 million, which represented a 3 percent increase over Fiscal Year 2013. Sales were led by the multi-state jurisdiction jackpot games Powerball and MegaMillions, as well as instant scratch-off games.

# FINANCE

## 25-00-00

During Fiscal Year 2014, Lottery was tasked with continuing the implementation of House Bill 333, the Delaware Gaming Competitiveness Act of 2012. The four main components of the act were the expansion of the Sports Lottery into retail locations, the launch of Keno in retail locations, and the authorization of both traditional and casino style online wagering.

Lottery continued the Sports Lottery expansion into retail locations that began in Fiscal Year 2013. During Fiscal Year 2014, the number of retail establishments participating in Sports Lottery more than doubled to over 70 retail establishments during the 2013/2014 pro football season. The result was a jump in handle from \$25.4 million in Fiscal Year 2013 to \$31.5 million in Fiscal Year 2014, an increase of 24 percent, with no cannibalization of the tracks.

During the second half of Fiscal Year 2013, Lottery launched Keno with an initial group of 80 retail locations. By the end of Fiscal Year 2014, that number had reached to just over 100 and continues to grow.

In Fiscal Year 2014, Lottery launched the nation's first full-scale online Internet casino and poker offering. This included three Internet casinos, one associated with each of the State's licensed video lottery agents, Delaware Park, Dover Downs and Harrington Raceway. Delaware's Internet gaming launch also introduced the nation's first "shared liquidity" poker network, allowing players from multiple internet casinos to sit in one common poker room and play against each other.

Shortly after the introduction of online casino wagering in Delaware, the Governors of Delaware and Nevada worked diligently to continue to break new ground. By February of 2014, the two states had established the legal framework for creating regulated, multi-jurisdictional online poker rooms, and signed a multi-state agreement. The agreement will allow players from Delaware and Nevada to participate in a common poker game. This feature will continue to drive multi-state gaming revenue by increasing the number of players available at every stake and game style at any time of day the player wishes to play.

Additionally, Senate Bill 112, passed July 1, 2013, established final legislation regarding the implementation and oversight of Charitable Gaming Organizations (CGO), which was initially authorized by House Bill 1 and passed as a temporary measure in January 2013. The final language modified the number of charitable gaming machines allowed by any individual CGO and increased Lottery's oversight and administrative responsibilities by requiring that Charitable Gaming Vendors now contract directly with Lottery.

Lottery's marketing program continued its relationship with both the University of Delaware and Delaware State University, participating in a variety of cooperative sports programs conducted during the winter sports season. In addition, Lottery maintained its long-standing sponsorships with the Delaware State Fair and Punkin' Chunkin', as well as participated in more recent associations with such diverse events as the Wyoming Peach Festival and Saint Anthony's Italian Festival. During Fiscal Year 2014, Lottery expanded its community-based activities to include the Triple Threat Beer & BBQ Festival in Harrington, the Wilmington Riverfront Blues Festival, Milford's Bug and Bud Festival, Old Dover Days and Delaware 87ers sporting events.

Lottery's accomplishments during Fiscal Year 2014 included:

- Delaware ranked third out of the 44 U.S. Lotteries with combined per capita annual sales of \$597;
- Delaware ranked fifth out of the 44 U.S. Lotteries with combined per capita profit to the State of \$215; and
- Delaware ranked fourth out of the 44 U.S. Lotteries offering both Powerball and MegaMillions with combined per capita annual sales of \$40.

## 35-00-00

### MISSION

The Department of Health and Social Services (DHSS) plays a major role in meeting the basic needs of Delaware families and individuals. This is recognized by the department's mission to improve the quality of life for Delaware's residents by promoting health and well-being, fostering self-sufficiency and protecting vulnerable populations.

### KEY OBJECTIVES

#### Promote Health and Well-being

- Increase access to mental and physical health care and promote preventive behaviors that can improve health status.
  - Extend managed care models of service delivery to provide more and better services with cost controls.
  - Continue to advance a public health agenda to reduce the incidence of preventable conditions by promoting healthy lifestyles through health education, wellness and risk reduction programs.
  - Implement strategies to enhance prevention and intervention efforts for high-risk minority populations.
  - Continue to strengthen maternal, adolescent and child health care.
  - Expand collaborations, services and strategies to reduce infant mortality.

#### Foster Self-Sufficiency

- Reduce dependency among low-income populations and those at risk for welfare dependency.
  - Provide family support to increase the earning potential of single parents through day care,

medical benefits, employability training and vocational training.

- Implement targeted strategies to promote mutual responsibility and encourage families to stay together.
- Enhance child support enforcement efforts to maintain prompt processing while responding to increasing demand.
- Provide community-based care to ensure an appropriate continuum of services and avoid restrictive and costly institutionalization whenever possible.
  - Continue to expand community services for persons with developmental disabilities and enhance family support services.
  - Continue to expand community mental health and substance abuse services.
  - Continue to expand community-based supports, such as homemaker services and adult day care, to allow elderly and adults with disabilities to remain in their homes.

#### Protect Vulnerable Populations

- Ensure the quality of care, safety and security of individuals in long-term care facilities, residential programs and day services.
- Provide emergency and transitional shelters and support to homeless individuals and families.
- Serve children and their families by providing a safe environment for supervised visitation.
- Eliminate barriers to personal independence for persons with the sensory disability of vision loss.

## ADMINISTRATION

### 35-01-00

### MISSION

The mission of the Administration unit is to provide leadership and policy direction for DHSS and to ensure the department is well managed in its delivery of services to clients. In addition, the unit exists to promote coordinated intra and inter-departmental responses, providing a flexible resource to support the management needs of the divisions.

### KEY OBJECTIVES

- Provide leadership in the development of public policies and in the advancement of responsive management practices.
- Provide technical assistance and support to the divisions in the form of training, standard setting, budget and program analysis and planning.
- Provide centralized administrative functions in accounting, human resources, payroll, contracts and procurement, management of state and federal funds, technology and facility operations.
- Through the activities of the Delaware Health Care Commission, promote a comprehensive health care system that is accessible, affordable and assures quality health care for all Delawareans.

### BACKGROUND AND ACCOMPLISHMENTS

The department's services and mission involve complicated social conditions. With ongoing fiscal pressures, DHSS continuously rethinks how it can meet its objectives, which entail communicating expectations, encouraging risk-taking and rewarding efforts that achieve their purpose.

Several major efforts require leadership from the Administration unit to ensure expectations are realized, including providing assistance to divisions by facilitating administrative procedures, coordinating the activities of joint projects and communicating regularly with constituents.

With an organization of approximately 4,178 people, DHSS faces the challenge of meeting the needs of an increasingly diverse workforce. Additionally, greater demands to increase the accessibility and responsiveness of the service delivery system are ever-present. A flexible work environment is needed to meet the needs of clients while supporting employees and their families.

## 35-00-00

Training, professional development and management support are ongoing requirements to enhance staff performance.

Programmatically, there is a volume of client and program data to be collected and analyzed, dollars spent must be accounted for, quality must be monitored and contracts managed. Automation and technological support are critical to achieving and maintaining this balance. The department continues to proceed with systems development through the investment of one-time funding, reallocations and reclassification of existing staff.

#### MEDICAID AND MEDICAL ASSISTANCE

### 35-02-00

#### MISSION

The mission of the Division of Medicaid and Medical Assistance (DMMA) is to improve health outcomes by ensuring the highest quality medical services are provided to vulnerable populations in the most cost-effective manner.

#### KEY OBJECTIVES

##### **Promote a comprehensive health care system for low-income individuals**

- Function as a health care safety net for children and adults who have special needs, the uninsured and under-insured and other disadvantaged groups.
- Promote preventive care to improve health outcomes for the populations DMMA serves.
- Enhance quality of care through utilization review, disease management and case management.
- Encourage the use of the medical home model of care, wherein care is provided in a patient-centered, physician-guided model.
- Maximize the use of community-based alternatives in lieu of institutional care.

##### **Maintain an adequate network of qualified health care providers**

- Foster collaborative partnerships with other governmental agencies, provider groups, advocacy groups and other stakeholders to ensure health care delivery is well managed.
- Foster partnerships with other agencies to encourage expansion of health care providers who can deliver long-term care services in community-based settings.
- Establish provider reimbursement rates that are consistent with efficiency, economy and quality of care and that are sufficient to ensure an adequate supply of health care similar to that which is available to the general public.
- Ensure providers comply with all applicable federal, state and DMMA rules and standards.

##### **Maximize available resources**

- Maximize cost avoidance by setting up appropriate claim edits in the automated claims processing

# HEALTH AND SOCIAL SERVICES

**35-00-00**

system, effective coordination of benefits with other third-party payers, pursuit of estate recovery for long-term care recipients, pursuit of accident settlements and aggressive third-party recoveries.

- Ensure the automated claims processing system supports the appropriate identification of eligible clients and their benefits for timely claims processing and facilitates DMMA’s ability to analyze claim and client data.
- Continue to assist other state agencies in maximizing health care funds by supporting cost recovery initiatives.

## BACKGROUND AND ACCOMPLISHMENTS

DMMA administers an array of health care programs for Delaware’s low-income individuals and families. These programs are funded with both state and federal dollars and provide health benefits to over 240,000 Delaware residents each month. The following are the major programs administered by DMMA.

- **Medicaid (Title XIX):** Pays for comprehensive health care benefits to low-income children and adults, including both preventive and acute care services, as well as long-term care services and supports. Effective January 1, 2014, per the Affordable Care Act (ACA), adults between 101-133 percent of the Federal Poverty Level (FPL) became eligible for Medicaid in Delaware.
- **Delaware Healthy Children Program (DHCP) (Title XXI):** Provides health care benefits to uninsured children under the age of 19 with family incomes between 133-200 percent of FPL.
- **Delaware Prescription Assistance Program:** Pays for Medicare Part D premiums or non-Part D covered prescription drugs up to an annual maximum of \$3,000 per person for qualified Delaware residents who are either over 65-years-old or are below 65 and have a disability.
- **Chronic Renal Disease Program:** Pays for Medicare Part D premiums, drugs, nutritional supplements and transportation for Delaware residents diagnosed with end-stage renal disease, most of whom are also covered by Medicare Part D.

Some of the Division’s recent accomplishments include:

- Provided incentive payments to eligible professionals, eligible hospitals and critical access hospitals (CAHs) as they adopt, implement, upgrade or demonstrate meaningful use of certified Electronic Health Record (EHR) technology through Medicare and Medicaid EHR Incentive programs.

- Achieved participation in the EHR Incentive Payment program from 1,117 eligible providers and hospitals;
- 532 eligible providers and seven eligible hospitals attested to the initial adopt, implement and upgrade phase of EHR, and 571 providers and seven hospitals have attested to meaningful use of EHR;
- Provided Disproportionate Share Hospital payments to eligible hospitals;
- Cooperated with the Department of Insurance and Delaware Health Care Commission to implement the health affordability programs under ACA. During Fiscal Year 2014, 21,023 Delawareans enrolled in health care coverage through expanded Medicaid and the Marketplace; Delaware Medicaid enrolled 6,626 of these clients;
- Collaborated across DHSS divisions to design a new cross-disabilities program, Pathways to Employment, which will provide additional support for individuals with disabilities to find employment;
- Continued to promote community-based long-term care community supports through a managed care delivery system; and
- Implemented a contract for a Data Warehouse/Decision Support System which will enhance DMMA’s ability to analyze data and improve its fraud and abuse detection tools.

## PUBLIC HEALTH

### 35-05-00

#### MISSION

The mission of the Division of Public Health (DPH) is to protect and promote the health of all people in Delaware.

#### KEY OBJECTIVES

DPH has four priorities to achieve its vision and mission. These are:

- Improve health-related lifestyles by focusing on reducing obesity;
- Improve access to integrated, prevention-focused, quality and safe health care as part of reforming the health care system;
- Achieve health equity by improving the health of minority populations; and
- Improve performance by implementing a performance management system and improving organizational culture.

#### BACKGROUND AND ACCOMPLISHMENTS

DPH has evolved from an organization that primarily provided direct health care services to residents and enforced health regulations, to a division that works collaboratively with communities and other organizations to protect and enhance the health of all people in Delaware.

DPH places emphasis on the core functions of public health: assessment, assurance and policy development. It collects and analyzes various health data and provides disease investigations and public health laboratory testing to ensure public health is safeguarded. Assurance efforts include environmental health monitoring, public information, health education and collaboration with community, state and local organizations to assure access to health care services for Delawareans. DPH expanded its leadership efforts to work directly with communities to identify health problems, provide data about problems and assist communities to develop strategies to address their health concerns. Policies to protect residents' health involve the input of many individuals and organizations. This process ensures these policies are appropriate and effective to address public health concerns.

DPH provides direct services in critical public health areas. It offers a wide range of services that include targeting highly contagious diseases and offering family

# HEALTH AND SOCIAL SERVICES

## 35-00-00

planning services to high-risk individuals. Collaboration with other organizations has improved and expanded health services for cancer patients, adolescents through school-based wellness centers and vulnerable populations, such as those diagnosed with HIV or AIDS.

DPH continues to examine the core public health functions and activities necessary to ensure Delawareans live full and healthy lives in a healthy environment. A continued focus on assessment, assurance and policy development, as well as assuring the provision of personal health services and health promotion programs to special populations or populations at risk, will help the State realize improvement in the health of its residents.

Some of DPH's accomplishments include:

- Achieved screening rates for colorectal and breast cancer that are among the best in the nation;
- Eliminated the gender and racial gap in colorectal cancer screening;
- Achieved an all-site cancer death rate that is declining faster than the national rate;
- Built infrastructure and trained groups in public health preparedness;
- Provided access to primary care doctors, medical specialists and other health resources, including prescription programs, laboratory and radiology services for eligible uninsured Delawareans;
- Provided tobacco cessation information to over 8,300 callers and cessation counseling services to over 3,800 Delawareans through the Delaware Quitline in Fiscal Year 2014;
- Provided funding to assist with infrastructure improvements to public water systems;
- Implemented an electronic disease reporting system to respond more rapidly to communicable disease outbreaks, including bioterrorism;
- Assisted 266 Delawareans to successfully complete a six-week diabetes self-management program in the past fiscal year;
- Achieved a 15.8 percent decrease from 1997-2001 through 2007-2011 in Delaware's cancer death rate, an improvement that was 38 percent greater than the decline seen nationally;
- Launched the Oral Health 2020 Initiative that includes a new state Oral Health Plan, the Delaware Oral Health Coalition and community disease prevention activities;
- Continued to provide preventive dental services for at-risk school children under the Seal-A-Smile program using the dental van;

- Modernized the Williams State Service Center dental clinic to provide school-linked dental services for children in Kent County;
- Issued 181 patient and caregiver cards through the Office of Medical Marijuana; program growth exceeded 146 percent annually;
- Established the Office of Animal Welfare; and
- Signed a contract to operate Delaware's first compassion center, opening expected in April 2015.

## **SUBSTANCE ABUSE AND MENTAL HEALTH** **35-06-00**

### **MISSION**

The mission of the Division of Substance Abuse and Mental Health (DSAMH) is to promote prevention and recovery from substance use, gambling, mental health and co-occurring disorders by ensuring all adult Delawareans have access to high-quality, cost-effective and outcome-based services and supports.

### **KEY OBJECTIVES**

- Develop and expand the role of persons in recovery in policy development, service planning, implementation and delivery and evaluation of services. Ensure care is customized based on the individual and family needs, choices and values.
- Ensure Delawareans receive mental health, substance use and gambling prevention and treatment services in a continuum of overall health and wellness. Strengthen interdepartmental and interagency collaboration.
- Eliminate disparities in substance use and mental health services. Provide individualized treatment, intervention and prevention services to special populations and traditionally underserved groups, including pregnant women.
- Develop the clinical knowledge and skills of the DSAMH state and provider workforce. Develop and implement multiple training and education opportunities for DSAMH staff and community providers.
- Promote excellence in customer service in all settings. Ensure the service delivery system is informed by evidence-based practices, including peer-run programs and experiences. Promote accreditation and licensure of Delaware's behavioral health programs.
- Use technology to access and improve care and promote shared knowledge.

### **BACKGROUND AND ACCOMPLISHMENTS**

DSAMH's core services provide prevention and treatment services to Delawareans with mental health, substance use, problem gambling and co-occurring conditions. The division's goal is to ensure behavioral

# HEALTH AND SOCIAL SERVICES

## 35-00-00

health services are accessible and effective, facilitate recovery and are integrated into the community.

The continuum of services that are operated or funded by DSAMH include: inpatient psychiatric and residential substance abuse services, inpatient and ambulatory detox, opiate addiction services, group homes, recovery houses Oxford houses, peer-run drop-in centers, supervised apartments, care management, outpatient clinic services and 24/7 mobile crisis services. In addition to these services, grant funds awarded to DSAMH are used through contracts with community providers to provide transitional and permanent housing, homeless outreach, substance use and abuse prevention and supported employment services.

The State of Delaware entered into a settlement agreement with the Civil Rights Division of the U.S. Department of Justice (U.S. DOJ) in July 2011. The overarching goal of the agreement is to provide community-based care to Delawareans with severe and persistent mental illness. The agreement resolves the U.S. DOJ's investigation of the services at the Delaware Psychiatric Center (DPC) that began in 2007. The terms of the agreement will help achieve better outcomes for persons with serious mental health concerns, and do so in a manner that protects their independence and sense of community. The agreement requires the expansion of certain services for persons with severe and persistent mental illness, including crisis services, Assertive Community Treatment (ACT), Intensive Case Management (ICM), Targeted Case Management (TCM), housing, supported employment and rehabilitation services and family and peer supports.

DSAMH met the annual targets of the U.S. DOJ Settlement Agreement in Fiscal Year 2014.

DSAMH developed and implemented a training program for mental health and trauma peers. Formal peer support certification is in the final stages of approval through the state licensing certification board.

Additional accomplishments include:

- Developed a training and certification for mental health screeners;
- Revised the Supervised Apartment program by separating housing management from the services, giving service providers equal opportunity to apply for housing for their clients;
- Redesigned the Involuntary Civil Commitment process with input from representatives from the mental health courts, Judiciary, mental health social workers and nonprofits working in the mental health system, psychiatric hospitals and DSAMH staff; and

- Ongoing redesign of the Substance Use Disorder service system.

### SOCIAL SERVICES 35-07-00

#### MISSION

The mission of the Division of Social Services (DSS) is to provide prompt, respectful and accurate services that promote self-sufficiency for all Delawareans.

#### KEY OBJECTIVES

##### Promote self-sufficiency

- Partner with the Delaware Economic Development Office, Departments of Transportation and Labor and contracted service providers to place welfare clients in employment or work activities and provide support for long-term employment retention.
- Achieve federal mandates for the Temporary Assistance for Needy Families (TANF) program work participation rates.
- Develop policies and structures that support the goals of the Office of Early Learning to provide access to high-quality early care for low-income children so that they are prepared to enter school ready to learn.
- Implement Medicaid expansion using new eligibility rules with an upgraded system for integrated eligibility.

##### Maximize available resources

- Continue to improve division administration, program management, operations and customer service to maximize both efficiency and service quality.
- Allocate existing staff/program resources to best achieve organizational mission.
- Identify and engage community partners to increase access for eligible residents and improve application processing.
- Increase staff diversity and cultural competency.
- Improve succession planning and employee retention strategies.
- Seek grants that fit with goals and objectives and maximize funding.

#### BACKGROUND AND ACCOMPLISHMENTS

DSS administers a broad range of programs for Delaware's low-income families. The programs are regulated and funded by state and federal governments and are provided to more than 200,000 Delawareans each month. The major program areas are:

- Subsidized child day care, which enables low-income children to receive quality early care with a goal to improve their long-term school outcomes, while supporting working parents;
- Financial assistance, including TANF, Emergency Assistance, Refugee Assistance, General Assistance and Food Benefits; and
- Eligibility for poverty-related Medicaid categories, including DHCP and the new expanded eligible group as part of ACA.

The division achieves its goals by:

- Increasing family financial independence through work supports;
- Strengthening families and encouraging personal responsibility; and
- Developing clear goals that enhance staff performance and improve client outcomes.

Some major accomplishments include:

- Improving access to benefits by enhancing online application processes;
- Receiving enhanced federal Medicaid funds to upgrade the integrated eligibility system while preparing for new rules required for Medicaid eligibility under ACA;
- Increasing partnerships with community agencies to provide outreach and education to potentially eligible residents; and
- Receiving Supplemental Nutrition Assistance Program (SNAP) high performance bonus for program access.

### **VISUALLY IMPAIRED** 35-08-00

#### MISSION

The mission of the Division for the Visually Impaired (DVI) is to work in partnership with Delawareans who are blind and visually impaired in empowering them to be self-sufficient.

#### KEY OBJECTIVES

- Promote health and well-being by reducing or eliminating all barriers to lifelong personal independence produced by the sensory disability of vision loss.
- Foster self-sufficiency by developing and administering employment and job-related training programs for persons who are blind or visually impaired.
- Protect vulnerable populations by focusing outreach efforts in underserved communities.

#### BACKGROUND AND ACCOMPLISHMENTS

DVI provides services to individuals with blindness or severe visual impairment. Services include:

- Early diagnosis and intervention;
- Education in the least restrictive environment;
- Family and individual counseling;
- Independent living skills, training and equipment;
- Vocational training and related job placement services;
- Employment opportunities;
- Advocacy; and
- Low vision evaluation and utilization training.

DVI's goal is to provide services in the least restrictive environment to individuals with blindness and significant visual impairments that meet DVI's eligibility criteria. In Fiscal Year 2014, DVI served 874 individuals out of the 3,047 individuals with visual impairments and blindness that are currently on DVI's registry. DVI staff provide the majority of services in the most appropriate and effective environments, such as home, work or school.

DVI is organized into three primary service programs: Educational Services, Vocational Rehabilitation (VR) and Independent Living. Additionally, there are two direct employment programs: Delaware Industries for the Blind (DIB) and the Business Enterprise Program (BEP). Services are developed and provided to three

major groups of consumers: educational age (0-21), primary employment age (14-65) and older adults (66+).

Through the Education program, DVI provided services to 233 children with visual impairments and their families in School Year 2013-2014. Certified teachers of the visually impaired provide instruction, and child youth counselors provide early intervention services at school, home and in the community.

VR services were provided to 336 individuals, and 26 individuals achieved competitive employment during Fiscal Year 2014. Since the beginning of the federal fiscal year, there were 102 new applicants to the VR program.

Through DVI's Instructional Material Center (IMC), 12 inmates provided Braille and one other provided large print services through the Men with a Message program. The prisoners generated approximately 20,038 pages of Braille and 24,789 large print pages through the end of July 2014. In addition, Delta Gamma, a local sorority, volunteered 53.5 hours in Fiscal Year 2014. Other returning volunteers have worked 700 hours on various tasks throughout the IMC in helping staff achieve the division's mission in the past year.

During Fiscal Year 2014, DVI provided Independent Living Services (ILS) to 414 persons. ILS services include training on: communication devices, daily living skills and low vision aids. Macular degeneration is the primary visual impairment of those being served. The majority of these consumers has at least a high school education, lives in their own residence and experienced vision loss more than 10 years ago.

## VISUALLY IMPAIRED SERVICES 35-08-01

### ACTIVITIES

- Provide an education program to students with visual impairments through the efforts of itinerant teachers and child youth counselors and the provision of textbooks and instructional materials in accessible mediums.
- Provide independent living services to persons of all ages in the areas of adaptive training and low-tech adaptive equipment.
- Provide vocational rehabilitation and support to individuals age 14 and older designed to achieve employment commensurate with life goals, skills and abilities.
- Develop and establish self-employment opportunities in federal, state and privately-owned locations through Blind Entrepreneurs program.
- Administer an industry employment program through DIB that develops talent and opportunities for competitive, supportive, short or long-term agency employment. Continue to grow DIB's business by seeking new venues for business outside the State.

### LONG TERM CARE RESIDENTS PROTECTION 35-09-00

#### MISSION

The mission of the Division of Long Term Care Residents Protection (DLTCRP) is to promote the quality of care, safety and security of people living in long-term care facilities and ensure facilities' compliance with applicable state and federal laws and regulations designed to protect these residents.

#### KEY OBJECTIVES

- Comply with state and federal regulations regarding the inspection and licensing of all types of long-term care facilities.
- Promptly investigate reports of abuse, neglect or financial exploitation.
- Secure criminal histories and determine fitness for employment for all individuals who work in long-term care.
- Ensure the quality of nurse aide education and certification.

#### BACKGROUND AND ACCOMPLISHMENTS

The division promotes quality of life for people living in long-term care facilities and ensures these residents are safe, secure and free from abuse, neglect and financial exploitation. This is accomplished by monitoring compliance with state and federal laws and regulations. The division also certifies long-term care facilities in Delaware for Medicare and Medicaid.

The Investigative unit receives and investigates complaints from long-term care consumers and their families, providers and the general public. When misconduct is substantiated, the unit places individuals on the Adult Abuse Registry, which is available for online review.

The unit has a hotline number for reporting abuse, neglect or financial exploitation. An Investigative unit member is on-call nights, weekends and holidays to assess potentially life-threatening situations.

The Investigative unit processed 5,377 reports during Fiscal Year 2014. At the end of Fiscal Year 2014, there were 177 people on the Adult Abuse Registry.

Criminal background checks are required for employees in nursing homes and other licensed facilities. During

Fiscal Year 2014, a total of 6,431 new applicants were fingerprinted for state and federal criminal background checks. Of those, 21 percent had some criminal history. None of the total nursing home job applicant pool had a serious disqualifying criminal conviction.

The division's nurse aide responsibilities include licensing training schools, ensuring curriculum meets federal and state requirements, overseeing the testing and certification of nurse aides and maintaining the Certified Nursing Assistant (CNA) registry.

## CHILD SUPPORT ENFORCEMENT

### 35-10-00

#### MISSION

The mission of the Division of Child Support Enforcement (DCSE) is to promote family independence by reducing dependency of single parent households through the collection of monetary child support payments and medical support from non-custodial parents. This mission is achieved through the effective use of paternity establishment programs, aggressive location of absent parents, expedited case processing and enforcement techniques, efficient collection and the timely distribution of child support payments.

#### KEY OBJECTIVES

- Increase the number of paternities established for Delaware children born out-of-wedlock and increase the paternity rate for children in DCSE caseload.
- Increase the number and percentage of child support orders established for cases in the caseload.
- Increase the percentage of current child support collected by expanding efforts in three areas: further enhancing the initiation of income withholding orders on child support cases; devoting additional time and resources to non-custodial parent locate activities; and expanding the use of specialized enforcement tools.
- Increase the number of children receiving medical support from the legally-responsible parent.
- Increase the percentage of cases paying child support arrears.
- Increase the overall collections on all cases.

#### BACKGROUND AND ACCOMPLISHMENTS

The Child Support Enforcement program began in 1975 to shift the fiscal responsibility for the support of children from government to those morally, legally and ethically obligated to support their children. Child support collections are an integral part of any policy to reduce poverty, strengthen families and prevent welfare dependency.

The Personal Responsibility and Work Opportunity Act (PRWORA) mandated many changes in the operation of child support programs. In addition, the elimination of the Aid to Families with Dependent Children program placed added emphasis on the child support enforcement

## HEALTH AND SOCIAL SERVICES

35-00-00

program and its close relationship to the TANF program that replaced it.

Under the Federal Child Support Performance and Incentive Act of 1998, the basis for performance measures established by the Federal Office of Child Support Enforcement (OCSE) was significantly revised and placed a much greater emphasis on federally established performance measures which continue to drive the operation of the program. DCSE must maintain a concerted effort to improve its overall performance efficiency and effectiveness.

- **Child Support Collections:** During Fiscal Year 2014, DCSE collected \$92,506,968 in child support payments. This represented a 2.5 percent decrease in collections versus Fiscal Year 2013. Out of the Fiscal Year 2014 collections, DCSE returned \$4,709,872 to reimburse the state and federal governments for benefits provided to children through TANF and Foster Care programs. This represents 5 percent of Fiscal Year 2014 collections. The remaining 95 percent of Fiscal Year 2014 child support collections were distributed to custodial parents and others caring for dependent children either directly or passing through another state.
- **Customer Service Initiatives:** The division's Voice Response unit allows custodial and non-custodial parents to call the agency 24 hours a day and receive current information on items, such as the date and amount of the last child support payment issued and the current balance on their account. The Automated Assistance Line/Voice Response unit (AAL/VRU) handled 1,305,896 phone calls during Fiscal Year 2014. This includes calls to the AAL/VRU full Spanish version.
- **Delaware Automated Child Support Enforcement System (DACSES) Replacement Project:** The new system called the Delaware Child Support System (DECSS) became operational on October 1, 2013, and successfully concluded its warranty year on September 30, 2014. There are a few remaining deliverables from the implementation and warranty phases that are capital expenses, the most significant of which is the completion of the Federal Certification process. The implementation vendor is obligated to continue this portion of its warranty support of DECSS until OCSE certifies that the system meets all of its requirements. OCSE has completed its level one assessment and will return to Delaware for the level two visit in the upcoming months.

- **License Suspension and Denial:** PRWORA mandated all child support enforcement agencies enter into agreements with other state licensing agencies to suspend or deny the driver's, occupational/business, professional and recreational licenses of seriously delinquent non-custodial parents. DCSE performs automated matching to suspend licenses through the Divisions of Motor Vehicles, Revenue and Professional Regulation.
- **Financial Institution Data Matches (FIDM):** Under PRWORA, every state child support enforcement agency is required to enter into data match agreements with all financial institutions doing business in their state. Financial institutions also have the option to join the multi-state FIDM program operated by OCSE. The purpose of these agreements is to develop and operate a data match system which identifies the assets of seriously delinquent non-custodial parents held in financial institutions, imposes liens and levies on those accounts and undertakes the seizure of these assets.
- **Direct Deposit and First State Family Card:** In July 2007, DCSE began to offer custodial parents the opportunity to deposit child support payments directly into their checking, savings or credit union account. As of September 2014, 17,383 clients were enrolled in the direct deposit program. This was a 16.7 percent increase in users over the previous year. The First State Family Card, a debit card, was made available as another payment option beginning in May 2010. As of September 2014, 14,025 clients were enrolled in the program, a small increase over the previous year. Not only do these programs result in savings for DCSE in postage, checks and envelopes, they provide a safer and more secure option for delivering child support payments to families. Presently, 31,408 clients are receiving electronic payments, which is approximately 96 percent of all payments made.
- **Slot Intercepts:** In June 2012, legislation was passed allowing DCSE to intercept slot winnings of non-custodial parents who owe more than \$150 in arrears. Working with the three Delaware casinos, the intercept program started in November 2013. Through mid-September 2014, collections have been received from 42 non-custodial parents, representing 58 separate cases for total net collection of \$71,836.

## DEVELOPMENTAL DISABILITIES SERVICES 35-11-00

### MISSION

The Division of Developmental Disabilities Services (DDDS) values persons with intellectual and developmental disabilities, honors abilities, respects choices and supports people to live healthy, safe and fulfilling lives.

### KEY OBJECTIVES

- Provide supports and services to persons with developmental disabilities to enable them to continue to lead safe and stable lives in the community.
- Ensure that individuals have access to community-based services provided under the DDDS Medicaid HCBS waiver.
- Operate the Stockley Center Intermediate Care Facility for Individuals with Intellectual Disabilities (ICF/IID) within state and federal guidelines.
- Encourage and support self-advocacy.
- Work with the schools to provide transition services related to employment for graduates of special education programs.
- Support the choice of all individuals with an intellectual disability to work.
- Implement a robust quality improvement/quality assurance system in order to evaluate the outcomes of the service system to ensure the health and safety of the individuals supported, meet their needs, encourage community participation and maximize the efficient use of human and fiscal resources.

### BACKGROUND AND ACCOMPLISHMENTS

DDDS provides supports and services to individuals with intellectual disabilities, including brain injury, autism (including Asperger's disorder) and other related developmental disabilities and their families. The division's service system is based on the principles of self-determination, person-centered services, self-advocacy and choice.

A developmental disability is a lifelong condition. When individuals are determined to be eligible to receive services from the DDDS service system, they typically

# HEALTH AND SOCIAL SERVICES

## 35-00-00

remain with the division throughout their lifetime. Since 2006, the number of people eligible for DDDS services has grown by over 32 percent. DDDS's challenge is to design a system of supports and services that will be flexible and responsive to meet the needs of individuals as they change over time.

As of June 2014, over 71 percent of the individuals served by the division live at home with their families. Of the individuals who are supported by DDDS, approximately 97 percent live in the community; only approximately 3 percent live in an institutional setting.

Assuring that the individuals served by DDDS are healthy and safe is an expected outcome of all services. A key to this outcome is the development of a person-centered plan that addresses individual support needs. Every individual in a community-based residential placement is assigned to a case manager who facilitates the development of an Essential Lifestyle Plan (ELP) that is person-centered and reviewed on at least a monthly basis. Individuals living at home are assigned a Family Support Specialist and a Family Support Agreement is developed with the individual and his/her family. The ELP or the agreement is periodically reviewed with the individual and his/her family to ensure that it continues to meet the needs of the individual.

Most of the community-based services offered to DDDS clients are provided under a Medicaid HCBS waiver operated by DDDS. The waiver must be renewed every five years. DDDS certifies providers to provide residential, employment and day programs and clinical consultation. Medicaid-eligible consumers must be offered choice among a set of qualified providers.

D DDS uses an assessment instrument called Inventory for Client and Agency Planning (ICAP) to determine the individual support needs of each client receiving community residential and day services. The ICAP is expressed as the number of hours of direct support needed by each consumer each day.

CMS issued regulations in the *Federal Register Vol 79 date 1/16/14*, effective March 17, 2014, defining the characteristics of a home and community-based setting for both residential and day services. In this Community Rule, homes located on or adjacent to the grounds of a public institution, like Stockley Center, are presumed to not be community-based. Congregate settings that have the effect of isolating individuals from the broader community, such as facility-based day and pre-vocational programs, are also presumed to not be community-based. Delaware is currently working on a transition plan that must be submitted by no later than March 17, 2015, indicating how it will come into compliance with the new rule. States must be in full

compliance no later than March 17, 2019. At that time, federal funding can no longer be drawn for settings that are not community-based.

Significant accomplishments have been made in the following areas:

- Placed 87 individuals in need of community residential services who were in an emergency situation or at high risk between July 1, 2013, and June 30, 2014;
- Received CMS approval, in the spring of 2014, to renew the DDDS waiver for another five years, through Fiscal Year 2019;
- Added 165 special school graduates to employment or day services between July 1, 2013, and June 30, 2014;
- Provided 211,817 hours of respite services to 708 individuals between July 1, 2013, and June 30, 2014, a 15.3 percent increase in individuals served from the previous fiscal year;
- Provided an array of human service internships and nursing clinicals at Stockley Center for students from Delaware Technical and Community College, Delaware State University, Wilmington University and Indian River School District; and
- Implemented the National Core Indicators Project, which surveys individuals with disabilities to gather a standard set of performance and outcome measures that can be used to track the State's performance over time, compare results across states and establish national benchmarks.

## STATE SERVICE CENTERS

### 35-12-00

#### MISSION

The mission of the Division of State Service Centers is to provide easy access to human services, assist vulnerable populations maintain self-sufficiency, support communities and promote volunteer and service opportunities.

#### KEY OBJECTIVES

- Provide services and resources to those individuals and families in greatest need.
- Use public and private resources efficiently and effectively to mitigate the causes and conditions of poverty in Delaware.
- Coordinate volunteer and community service opportunities for all ages to address critical needs and have a lasting impact.
- Increase access to information regarding services via effective communication networks and increased technological capacity.

#### BACKGROUND AND ACCOMPLISHMENTS

The Division of State Service Centers provides direct client services to fragile families, low-income households and vulnerable populations; administers state and federal funds to assist low-income persons and families; and coordinates volunteer and service activities. The division is structured into four sections:

- Family Support Services provides programs and services that serve as a safety net for individuals and families in crisis or in need of supportive services;
- State Office of Volunteerism administers volunteer and service activities for all ages;
- Office of Community Services administers statewide and federal programs for low-income and homeless persons; and
- Administration leads and manages the division and includes the Office of the Director and fiscal operations.

During Fiscal Year 2014, the division's accomplishments included:

- **Emergency Assistance:** Community resources and assistance for rent, utilities and emergency shelter was provided to 19,630 clients. An additional 10,734 clients were served through the Emergency

Assistance Fund, and 242 clients received assistance through the Needy Family Fund. The Kinship Care program assisted 191 caregiver households, Medical and Diabetes Funds assisted 379 clients, the Regional Greenhouse Gas Initiative fund assisted 80 households and the Utility Fund assisted 2,192 households.

- **Family Visitation:** Visitation centers provide safe, neutral settings where children can maintain or re-establish a relationship with a non-custodial parent. The visitation centers served 235 unduplicated families by providing 1,031 monitored exchanges, 1,294 supervised individual visitations and 945 group visitations.
- **Adopt-A-Family:** During the holiday season, 2,593 individuals were served by Adopt-A-Family, and an additional 2,920 households were served throughout the year. In addition, 879 students were assisted with school supplies.
- **Homeless Shelter Services:** State Emergency and Transitional Housing funds supported contracts with 14 emergency and transitional shelter agencies with approximately 618 beds and assisted 4,265 homeless individuals. Of those who received shelter services, 2,304 individuals successfully departed to stable housing.
- **Community Services Block Grant (CSBG):** CSBG funded a range of anti-poverty services, including comprehensive case management, training, emergency services and community development to 11,008 individuals and 5,534 families where 41 percent of those served were from poor working families or receiving unemployment benefits, and 34 percent served were in severe poverty at or below 50 percent of the federal poverty rate.
- **Food and Nutrition Program:** The self-help food cooperative (HOPE program) at Catholic Charities and 38 other nonprofit agencies reporting to the Food Bank of Delaware distributed food 60,846 times to households through food closets and mobile pantry programs in Delaware, including food closets at the state service centers.
- **Senior Volunteer Programs:** The Retired or Senior Volunteer Program (RSVP) provides opportunities for people age 55 and older to apply their life experience to community needs. Volunteers are recruited to help serve in the areas of health and human services, education, environment and public safety. In New Castle and Sussex Counties, 2,317 seniors contributed 370,473 hours of volunteer service at nonprofit and governmental agencies.

- **The Foster Grandparent Program:** The program financially enables senior citizens on a limited income to volunteer. Through a non-taxable stipend, Foster Grandparents devote their volunteer service entirely to disadvantaged or disabled youth through age 21 across Delaware. The program provided 239 seniors with volunteer opportunities and contributed 209,724 hours of volunteer service to 1,434 of Delaware's children.
- **AmeriCorps:** Over 114 AmeriCorps members served over 170,000 hours, giving back to their community through mentoring school children; providing food, shelter and clothing for the poor and homeless; building quality homes for low-income families; and teaching in classrooms throughout the State. An additional 120,000 volunteer hours were served by volunteers in the community who were recruited and managed by AmeriCorps members.
- **Volunteer Delaware:** This program served Delawareans through 704 direct volunteer referrals and 8,750 outreach contacts, provided technical assistance to 485 agencies and organized training sessions for volunteer coordinators. Additionally, 127 students received an elective school credit through the Delaware Volunteer Credit program. Volunteer Delaware and the website for volunteer referrals received 32,613 hits.
- **Low-Income Home Energy Assistance Program (LIHEAP):** LIHEAP assists low-income families (up to 200 percent FPL) with home energy costs. During Fiscal Year 2014, 16,906 households received assistance with home heating costs averaging \$500. During the summer months, LIHEAP operates a cooling program that assists eligible households with electric bills and the purchase, delivery and installation of air conditioners. A total of 489 families received a room-sized, window unit air conditioner, and 8,659 households received a benefit of \$165.75 to help offset the cost of their summer electric bills.

## SERVICES FOR AGING AND ADULTS WITH PHYSICAL DISABILITIES 35-14-00

### MISSION

The mission of the Division of Services for Aging and Adults with Physical Disabilities (DSAAPD) is to maintain and improve the quality of life for residents of Delaware who are at least 18 years of age with physical disabilities or who are elderly.

### KEY OBJECTIVES

#### Promote Health and Well-Being

- Establish and advance partnerships with other state and community-based agencies to promote and support the independence, health and well-being of older persons and adults with physical disabilities.

#### Foster Self-Sufficiency

- Coordinate the delivery of home and community-based services, such as nutrition programs, personal care programs and respite care programs that promote constituents' independence.

#### Protect Vulnerable Populations

- Advocate for the rights of vulnerable older persons and adults with physical disabilities, including working toward providing constituents the least restrictive living environment possible. Provide skilled and intermediate nursing care for those who cannot be served in other settings.

#### Ensure Access to Services

- Provide streamlined access to information and services for older persons and individuals with disabilities.

### BACKGROUND AND ACCOMPLISHMENTS

DSAAPD was established over 45 years ago as the Division of Aging. In 1994, the division was expanded to include services for adults with physical disabilities. DSAAPD serves as Delaware's State Unit on Aging and coordinates a broad range of services for older persons and adults with physical disabilities in Delaware.

Funding sources for the division include the Administration on Community Living (ACL) (formerly the Administration on Aging through the Older Americans Act) and Social Services Block Grant. Additionally, DSAAPD pursues and manages research

and demonstration grants from various sources as they become available.

In October 2010, DSAAPD launched the Delaware Aging and Disability Resource Center (ADRC). ADRC streamlines access to information and services, provides options counseling and supports proactive care transition planning for older Delawareans and adults with physical disabilities.

People can access the ADRC 24 hours per day, seven days per week, through the call center or the Delaware ADRC website [www.delawareadrc.com](http://www.delawareadrc.com).

In January 2011, the operations of the three state long-term care facilities, Governor Bacon, Emily P. Bissell and Delaware Hospital for the Chronically Ill, were transferred from DPH to DSAAPD. The integration of the facilities into DSAAPD created a single point of access to nursing home and community-based long-term care services.

In February 2011, DSAAPD started a Care Transitions program. The program extends community living for individuals who are in the community or in the hospital and are seeking admission to one of the State's long-term care facilities. In May 2012, the Care Transitions program was extended to offer hospital discharge planning support to Delaware's acute care hospitals. This ensures that individuals are linked to community-based long-term care services that prevent re-hospitalization and institutionalization.

In Fiscal Year 2013, DSAAPD received a grant from ACL to sustain and grow the capacity of the ADRC to serve people across disabilities and the lifespan. ACL also awarded DSAAPD a Lifespan Respite grant. Grant funds will be used to increase the delivery and quality of respite services available to families across age and disability spectrums by expanding and coordinating existing respite systems in Delaware.

DSAAPD is working with DMMA, DDDS and DVI to implement a new program called Pathways to Employment. The program will use a Medicaid 1915(i) waiver to advance employment opportunities for people with disabilities.

Finally, DSAAPD continues to use both print and Internet media to provide information and support to Delawareans on a range of topics. The popular *Guide to Services for Older Delawareans and Persons with Disabilities* is available in English and Spanish, while the agency also makes available guides titled *How to Select Long Term Care* and *Delaware's Legal Handbook for Grandparents and Other Relatives Raising Children*.

# SERVICES FOR CHILDREN, YOUTH AND THEIR FAMILIES

37-00-00

## MISSION

To assist children, youth and families in making positive changes through services that support child and public safety, behavioral health and individual, family and community well-being.

## GOALS

The primary goals of the Department of Services for Children, Youth and Their Families (DSCYF) are:

- To ensure the safety of children, youth and the public from abuse, neglect, dependency, self harm, substance abuse, crime or violence by youth; and
- To provide positive outcomes for children and youth through reunification with families, timely achievement of permanency, achievement of the most appropriate level of functioning and behavioral adjustment, reduced recidivism or return to service and prevention services and avoidance of entering or re-entering the department's mandated services.

## KEY OBJECTIVES

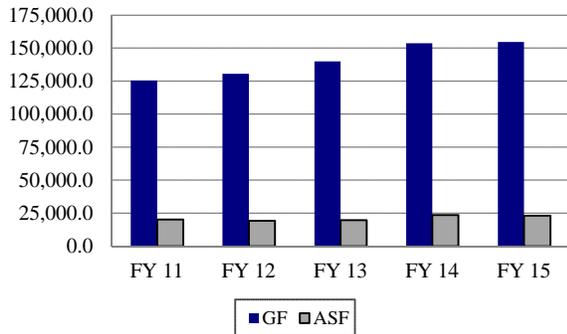

- Provide family services including: investigation of alleged abuse, neglect or dependency, out-of-home placement as necessary, in-home treatment and adoption to reduce re-abuse, timely reunification with family when appropriate, timely achievement of permanency either through adoption, guardianship or long-term foster care and child and family well-being.
- Reduce recidivism rates by providing Juvenile Justice Services including: detention, institutional care, probation and aftercare services consistent with adjudication.

- Enable children and caregivers to achieve the highest potential level of functioning and behavioral adjustment in the least restrictive environment possible by providing accessible and effective behavioral and mental health services for children including: drug and alcohol treatment, crisis services, outpatient treatment, day treatment, residential mental health treatment and inpatient psychiatric hospital treatment.
- Prevent entry or reentry in one or more of DSCYF's core services by providing prevention and early intervention services including: training, public education and contracted services to prevent child abuse, neglect, dependency, juvenile delinquency, suicide, violence and drug and alcohol abuse among children and youth.
- Monitor, regulate and license all child care facilities where regular child care services are provided by adults unrelated to the child and for which the adults are compensated.
- Require criminal history and/or Child Protection Registry checks for all DSCYF employees, foster care parents, adoptive parents, client services, licensed child care providers and their employees, licensed child care provider household members and health care and public school employees with direct access to children or vulnerable adults.

## PREVENTION AND BEHAVIORAL HEALTH SERVICES 37-04-00

### MISSION

To develop and support a family-driven, youth-guided, trauma-informed prevention and behavioral health system of care.

### KEY OBJECTIVES

- Maintain an integrated approach to treatment and services that is based on the System of Care principles, is trauma-informed and operates using evidence-based services.
- Continue to operate an accessible, publicly managed behavioral health care system that integrates behavioral and/or mental health and substance abuse treatment for departmental children who are eligible for Medicaid, the Children's Health Insurance Program (CHIP) or are uninsured.
- Promote children's behavioral and mental health to achieve measurable improvements in a child's functioning in the home, school and community.
- Engage parents and caregivers of children in care as full partners.
- Continuously improve our effectiveness using family, youth and other stakeholder input, outcome-driven data and collaboration with our partners.

### BACKGROUND AND ACCOMPLISHMENTS

Accomplishments of PBHS include:

- Partnered with Medicaid to operate a public managed care organization for children's behavioral health care using a professional team approach to ensure quality care;
- Continued to improve access to PBHS's behavioral health care services for children who are eligible for Medicaid, CHIP or are uninsured;
- Disseminated and used evidence-based and research-based treatment practices in the public child behavioral health care system;
- Successfully completed a \$9 million Substance Abuse and Mental Health Services Administration (SAMHSA) grant for treatment services for young children;
- Continued implementation of a \$6 million SAMHSA System of Care grant;

- Initiated implementation of a \$4 million grant to promote wellness and address physical, social, emotional, cognitive and behavior needs of young children from birth to eight years;
- Continued successful operation of the Early Childhood Mental Health Consultation program statewide;
- Successfully completed a \$1.5 million SAMHSA grant for suicide prevention, which focused on middle school students, school staff, parents and caregivers;
- Maintained accreditation of the division's Crisis Stabilization, Residential Treatment facilities, Day Treatment and Outpatient Treatment services;
- Implemented Fiscal Year 2014 initiatives, including middle school behavioral health consultants (BHCs), psychiatry initiatives and after school and summer targeted prevention programs; and
- Received a Federal System of Care Expansion Implementation grant that allocates \$1 million per year from July 1, 2013, through June 30, 2017, to create a sustainable statewide system of care for children with serious emotional disturbances, improve behavioral health outcomes and increase access to services and family involvement in a child's treatment.

#### MISSION

To support public safety and positive change of children, families and communities through guidance, education and empowerment.

#### KEY OBJECTIVES

- Recognize the needs of youth to direct services toward fulfilling those needs through intra-departmental and community organization collaborations.
- Monitor the progress of youth who receive YRS services through case management and measure the success of youth by tracking recidivism rates.
- Maintain American Correctional Association (ACA) accreditation at the Ferris School, New Castle County Detention Center (NCCDC) and Stevenson House Detention Center.
- Control institutional overtime and casual/seasonal payroll expenditures by effectively managing workforce requirements.

#### BACKGROUND AND ACCOMPLISHMENTS

**Juvenile Justice Collaborative (JJC):** JJC works in partnership with the Annie E. Casey Foundation as a replication site for the Juvenile Detention Alternatives Initiative (JDAI). The primary goal is to improve the effectiveness and efficiency of Delaware's juvenile justice system. Current initiatives include improving data collection and analysis and streamlining efforts to support and sustain initiatives on the front-end of the system and in the deep-end of the system.

Since becoming a JDAI replication site, Delaware has significantly reduced the instances of inappropriate and unnecessary detentions and strengthened agency and community partnerships statewide.

**Juvenile Justice Reform and Reinvestment Initiative:** YRS was awarded a three-year federal grant to evaluate the effectiveness of new services implemented under the Community Services restructuring. The division is partnering with Georgetown University, Vanderbilt University and the Urban Institute to implement the Standardized Program Evaluation Protocol. This protocol is a rating scheme that compares an existing program to existing research evidence for intervention effectiveness and cost benefit analysis. Four community

providers are participating in the grant project, which will formally conclude in May 2015.

**Second Chance Reentry Grant:** YRS received a federal Second Chance Reentry grant to enhance an existing community-based reentry service, Parenting with Love and Limits, and added an Evening Reporting Center, providing a sanctioning option, in an effort to reduce recommitment of youth to a Level IV or V residential facility. The grant specifically serves youth in New Castle County.

**Family Engagement:** The division continues to make great strides in elevating the importance of family involvement in the care and rehabilitative efforts of youth. Efforts include involving families in decision-making processes, offering family-centered social events and activities and educating and connecting families to community-based services and supports.

**Trauma-Informed Care:** The division has convened a Trauma-Informed Care team that has been tasked with examining policies, procedures and practices and the impact of previous traumatic experiences on the lives of youth committed to YRS care. The team will be training all division staff on the Think Trauma! curriculum, which emphasizes staff's role in helping youth build resilience while addressing their own experiences in dealing with vicarious trauma.

**Reentry and Transition:** YRS completed a capstone project through Georgetown University, focusing on the development of an integrated case management approach for youth transitioning from a residential secure facility with an emphasis on family engagement, team planning and coordinated service delivery. The first phase of the project included an assessment of core services and transition processes conducted by the National Center for Youth in Custody. The goal is to ensure programs and services are effective, relevant to today's youth population and aligned with Trauma-Informed Care.

## FAMILY SERVICES

### 37-06-00

#### MISSION

To promote the well-being and safety of children and their families through prevention, protection and permanency.

#### KEY OBJECTIVES

The safety and protection of a child is the paramount priority of DFS. As such, the division strives to ensure:

- At-risk children are safe from abuse, neglect and exploitation;
- Inter-divisional planning and coordination of services for children and families;
- Professional development of staff to provide quality service;
- Quality assurance activities are thorough and ongoing;
- Inter-agency and community collaboration exists to build community-based supports to strengthen families;
- Licensing and monitoring of the State's out-of-home child care facilities;
- Recruitment and retention of sufficient, quality foster families and improved quality of life for children living in foster care;
- Foster families have the support and parenting skills needed to work with challenging children;
- An enriched continuum of care for children needing placement in specialized and treatment, foster and group care; and
- Children who cannot be returned to their families are settled, in a timely way, with a permanent family through adoption or guardianship or older youth are prepared for independence.

#### BACKGROUND AND ACCOMPLISHMENTS

**Intake/Investigation:** Family Services received 18,054 reports of abuse, neglect and dependency in Fiscal Year 2014, which represents an increase of 4 percent over Fiscal Year 2013. Of the reports received, 46 percent were "screened-in" for an investigation; of those accepted, 14 percent were substantiated.

# SERVICES FOR CHILDREN, YOUTH AND THEIR FAMILIES

37-00-00

**Protective Treatment:** In Fiscal Year 2014, a total of 2,323 families and children received treatment services.

**Placement:** During Fiscal Year 2014, 309 children entered placement and 379 children exited placement. At the end of the fiscal year, there were 568 children in foster care, a decrease from 648 at the end of Fiscal Year 2013.

**Independent Living:** During Fiscal Year 2014, 70 children aged out of the foster care system. Independent Living providers administered life-skills and other trainings for 326 children in care and youth who had aged out, preparing them for adulthood.

**Adoption:** In Fiscal Year 2014, 87 children, for whom the division held parental rights, were adopted. This was a decrease from 104 children adopted in Fiscal Year 2013.

**Child Care Licensing:** In Fiscal Year 2014, the Criminal History unit completed 6,747 criminal history record checks and 50,436 Child Protection Registry checks, resulting in the disclosure of 3,030 arrest reports.

**Accomplishments**

- Implemented a new Internet-based reporting system for the Child Abuse Report Line, which allows non-emergency incidents of child abuse, neglect and dependency to be received online. Automatic prompts instruct the reporter to call the Report Line if the child is in imminent danger or other factors exist.
- Continued a comprehensive, multi-year system enhancement initiative called Outcomes Matter.
- Implemented a Consultation and Information Sharing Framework to integrate Structured Decision Making®, Safety Organized Practice, family engagement strategies and team meetings into a cohesive approach for supervisors.
- Adopted a new foster care pre-service and in-service training curriculum. This new training is trauma-informed and better prepares foster parents to help children in their care with behaviors they may present.
- Expanded Differential Response options by partnering with the University of Delaware (UD) to provide voluntary services to families with young children who have been screened-out for DFS services at the Report Line. UD research assistants reach out to the families and conduct screenings to determine what community-based services could be utilized to build maternal sensitivity.
- Reduced teen entries into foster care by 40 percent over the last two years through Differential Response and other Outcomes Matter initiatives.

Nationally, Delaware is the only jurisdiction to focus a Differential Response approach on teens.

- Established a Foster Family After-Hours Support Line. This contracted service is designed to support foster parents guidance on deescalating crises and, if needed, appropriate service referrals to other professionals.
- Continued a program with Delaware State University (DSU) that allows two youths who have exited the foster care system to use full scholarships to attend DSU each year. Five students are currently enrolled at DSU in this program.
- Partnered with the YMCA of Delaware to allow 30 children in foster care to attend a residential summer camp.
- Complied with the Federal Administration for Children and Families National Youth in Transition Database, which tracks children age 17 to 20 and all Independent Living services provided to foster care youth 14 years and above.
- Provided needs-based stipends to 141 youth that have aged out of foster care through the Achieving Self-Sufficiency and Independence through Supported Transition (ASSIST) program. ASSIST was created as part of the Ready By 21 legislation (House Bill 163) passed by the 148th General Assembly.
- Submitted the Child and Family Services Plan to the federal government. This is a strategic plan that outlines initiatives and activities that DFS will carry out in the next five years to administer and integrate programs and services to promote the safety, permanency and well-being of children and families. This plan is required to receive federal funding under Title IV, E and B.
- Began a process to revise Delacare rules for child care centers. These rules have been reduced and condensed to approximately one-third of their original size and key areas have been consolidated into charts instead of narratives.

### MISSION

To protect the public by supervising adult offenders through safe and humane services, programs and facilities.

### KEY OBJECTIVES

- Enhance public safety through the supervision of adult offenders within Department of Correction (DOC) facilities and communities.
- Create an environment conducive to productive offender programming and treatment.
- Maintain a stable and skilled workforce through recruitment initiatives and varied professional development opportunities.
- Maintain system-wide emergency preparedness response capability.
- Ensure every offender receives medical healthcare in compliance with National Commission on Correctional Health Care (NCCHC) standards.

### BACKGROUND AND ACCOMPLISHMENTS

In Fiscal Year 2015, DOC is authorized for 2,561.7 officers and staff across the Office of the Commissioner and four bureaus: Administrative Services, Correctional Healthcare Services, Prisons and Community Corrections. The Office of the Commissioner directs internal affairs, media/community relations, information technology and planning. The Bureau of Administrative Services provides support services in the areas of human resources, employee development and training and fiscal operations. The Bureau of Correctional Healthcare

Services provides management and oversight of medical care, substance abuse and mental health treatment to the offender population. The Bureau of Prisons operates four facilities housing offenders incarcerated by court order. The Bureau of Community Corrections supervises offenders after release from incarceration or upon direct court sentence, in work release facilities, the women’s treatment center, violation of probation centers and in the community.

Most state correctional systems only manage prisons, leaving the jails, detention centers and community supervision to counties, municipalities or the judiciary. In Delaware, DOC is a unified system that manages pre-trial detention through incarceration and community supervision.

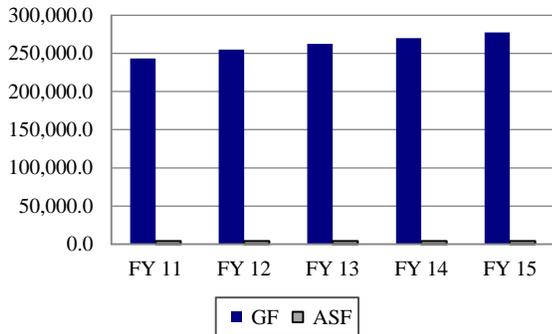

Currently, the incarcerated population (Levels IV and V) is approximately 6,965. The jail population of approximately 2,761 is divided between offenders sentenced to less than one year of incarceration (16.8 percent) and offenders held pending trial (22.8 percent). There are 4,204 offenders sentenced to more than one year, which represents 60.4 percent of the department’s total incarcerated population. Approximately 14,966 offenders are under community supervision.

Within the department’s mission is an overriding objective to increase public safety. Over 90 percent of all offenders incarcerated in Delaware return to their communities upon completion of their sentence. The ultimate objective for the department is to make the community safe and reduce recidivism.

## ADMINISTRATION 38-01-00

### MISSION

To provide direction and support to the various units of the department by providing oversight regarding budget and fiscal management, purchasing, information technology, human resources and staff development and training.

### KEY OBJECTIVES

- Recruit, train and maintain a diverse and viable workforce.
- Administer human resource programs to promote the development and retention of employees.
- Improve department-wide budgetary and fiscal leadership with a focus on accounting practices, contracts and procurement by promoting fiscal responsibility, accountability and effective management.
- Continue to update the Delaware Automated Correction System (DACS) for maximum efficiency.

### BACKGROUND AND ACCOMPLISHMENTS

The Office of the Commissioner, including the executive staff, provides leadership, policy direction, moral guidance, monitoring of operations and support for ongoing activities related to the department's mission and top priorities. Individual units within the Office of the Commissioner include Community and Media Relations, Internal Affairs, Planning and Information Technology (IT).

The Bureau of Administrative Services includes Human Resources/Employee Development Center (EDC) and the Central Business Office.

Human Resources is responsible for the recruitment of staff, employee records management, personnel transactions, pay and benefits, position management and classification, labor relations and employee grievances, employee evaluation and discipline, equal opportunity enforcement and diversity training. Human Resources' staff process new employee paperwork and work with Internal Affairs to ensure clearance/background checks are completed and properly documented. SERVICES**  
**38-02-00**

**MISSION**

To ensure comprehensive healthcare for Delaware's incarcerated population and to promote good health practices for patients returning to the community.

**KEY OBJECTIVES**

- Ensure every offender receives medical healthcare in compliance with NCCHC standards.
- Ensure the most appropriate delivery of healthcare services to the offender population through a healthcare contracting process.
- Provide contract monitoring to ensure contract compliance of the healthcare vendor(s) and maintain NCCHC accreditation.
- Ensure offenders have access to substance abuse program services as needed through a contractual arrangement.
- Provide continuous quality assessment/improvement to ensure offender healthcare services are efficient, productive and cost-effective, and that state, federal and accreditation standards are continually met and maintained.

**BACKGROUND AND ACCOMPLISHMENTS**

The Bureau of Correctional Healthcare Services provides oversight of the daily medical, substance abuse and mental health treatment operations of the contracted medical service provider(s) to ensure NCCHC standards are continuously met and maintained. Healthcare is provided at the utmost professional level in accordance with standard medical practices and laws. This is accomplished through regularly scheduled audits, ensuring compliance to medical standards, maintaining state-of-the-art equipment and following NCCHC protocols through monitoring by bureau staff.

State and federal guidelines and accreditation standards through the NCCHC set the protocols and standards for the delivery of offender healthcare and allow for the evaluation of care provided in DOC. Standards include preventive and public health, occupational health and safety, primary and secondary medical care and mental health.

The bureau strives to maintain and improve the health status of the offender population, while providing a safe working and living environment for both offenders and staff. Chronic illnesses, including acquired immune deficiency syndrome (AIDS), tuberculosis, hepatitis, heart disease and diabetes, continue to be a major focus. Prevention efforts through education and early intervention are maintained, along with aggressive treatment programs for those suffering from illnesses.

The department contracts with a substance abuse provider for various Level IV and V offender treatment and counseling services, as well as Aftercare programs to facilitate an offender's re-entry into society. These services focus on substance abuse treatment, relapse prevention, recovery efforts, anger management, various therapies, skill training and other services necessary for successful transition back into the community. The bureau oversees the contractual arrangement to provide substance abuse treatment services for approximately 598 Level V beds, approximately 490 Level IV beds and 300 Aftercare slots annually.

#### 38-04-00

#### MISSION

To provide overall administrative support to prison facilities, which enforce judicial sanctions for offenders and detentioners in a safe, humane environment. The bureau also provides protection for the public with incarceration and rehabilitation programs that address societal and offender needs.

#### KEY OBJECTIVES

- Utilize flow down options delineated in the Sentencing Accountability Commission (SENTAC) Policy Manual, maximizing Level V bed space availability.
- Utilize offender assessments, program participation and program completion as system efficiency indicators.
- Maintain security housing units to manage the prison population.

#### BACKGROUND AND ACCOMPLISHMENTS

The Bureau of Prisons provides administrative support to the four institutions that house the Level V population. On August 31, 2014, the Level V population was 5,975 offenders.

The bureau has implemented the use of an objective risk and needs assessment instrument that will assist in providing treatment services that are responsive to offender's needs and characteristics.

Working collaboratively with the Departments of Labor (DOL), Education (DOE), Health and Social Services (DHSS) and the Delaware State Housing Authority (DSHA), DOC assesses offender needs and creates service and release plans for the offender population in an effort to reduce recidivism.

Structured offender work programs provide the opportunity to develop work ethic, transferrable skill sets, marketable employment experience and modest wages. In Fiscal Year 2014, the offender workforce performed a total of 1,983,623 hours in work assignments supporting community service projects, food service, maintenance, janitorial, laundry, central supply, commissary and education.

Education continues to be a priority for the bureau, with opportunities to attain a High School Diploma, General

Equivalency Diploma (GED) or vocational skills at all facilities. Howard R. Young Correctional Institution continues to increase participation levels by providing a boarding school in one of the housing units. The concept of offering education at all levels, taught by peers, outside volunteers and DOE, has immersed the offenders in education. Vocational opportunities, such as heating, ventilation and air conditioning, plumbing, automotive service and culinary arts are also available at some facilities.

The Special Operations unit provides specialized security services to the Bureau of Prisons and the Bureau of Community Corrections. The unit provides the following specialized security services: transportation to court and medical appointments; Correctional Emergency Response Team (CERT); K-9 Patrol and Detector Dog Team training and development; Interstate Compact Agreement transports; and Central Intelligence Group. The unit's role also includes: Emergency Preparedness, safety and security audits/inspections; Crisis Negotiation Team; and radio communications coordination. The Central Intelligence Group continues to partner with the Delaware Information Analysis Center and the Federal Bureau of Investigation in efforts to identify and manage security threat group offenders.

Food Services prepares over 18,000 meals per day for the facilities, while ensuring proper and safe food handling by all employees and offender kitchen workers. Ongoing training is provided to institutional kitchen staff as coordinated through EDC and the Food Service Quality Control Administrator. DHSS, Division of Public Health and NCCHC accreditation standards are continually met and maintained. Therapeutic dietary needs are prescribed by medical personnel and prepared by Food Services. Food Services also manages the Central Supply Warehouse that orders and delivers supplies for all DOC facilities.

Facilities Maintenance oversees all capital projects, as well as the repair and maintenance of DOC facilities and equipment. Facilities Maintenance helps maintain regulation requirements in areas such as storage and use of toxic substances, occupational health and safety, food sanitation and infirmary requirements.

## COMMUNITY CORRECTIONS

### 38-06-00

#### MISSION

To promote public safety through the effective supervision of offenders placed under community supervision, SENTAC Levels I - IV; to provide supervision, programs and treatment services that promote long-term, self-sufficient, law abiding behavior by offenders; and to support efforts that make victims whole in accordance with Delaware law.

#### KEY OBJECTIVES

- Maintain and enhance community safety.
- Improve the effectiveness and overall management of the Bureau of Community Corrections by establishing support programs and services for staff and restructuring positions and services to reflect the actual needs.
- Develop initiatives to improve intra and inter-agency communication, coordination and cooperation for better pre and post-release supervision of offenders.
- Improve the operation of the bureau through the development of new programs and more efficient use of resources.
- Expand placements in less costly community programs.

#### BACKGROUND AND ACCOMPLISHMENTS

The bureau supervises offenders released from incarceration or upon direct sentence of a court in work release facilities, the women's treatment center and violation of probation centers. Individual units within the bureau include Bureau Chief - Community Corrections, Probation and Parole, House Arrest, Central Offender Records, New Castle County Community Corrections, Sussex County Community Corrections and Kent County Community Corrections.

#### **Probation and Parole**

As of August 2014, 16,023 individuals were under Probation and Parole supervision. Included in this number are 805 individuals being supervised under the Interstate Compact Agreement that reside out-of-state and 295 individuals on pre-trial status and assigned to probation supervision. Last year, Probation and Parole conducted 13,305 intakes, 12,890 discharges and 17,808 transfers between SENTAC levels. Of the cases that were

discharged, 89 percent were closed and 11 percent were revoked to Level V.

Probation and Parole utilizes classification systems that include the use of the Level of Service Inventory - Revised (LSI-R), the Domestic Violence Screening Instrument - Revised (DVSI-R) and the Static 99 for sex offenders. The use of classification instruments assists in the assignment of cases by helping identify risk of recidivism and the offender's needs. The assessment helps determine an offender's need for treatment and the appropriate type of treatment required to increase the chance of a successful completion of supervision and transition to a productive, law-abiding resident.

Probation and Parole continues to be involved with other law enforcement agencies, state agencies and community groups to better serve the public. Probation and Parole continues Safe Streets partnerships with the Delaware State Police, Wilmington Police, Dover Police and New Castle County Police. Probation and Parole also works closely with DHSS, DOE, DOL and DSHA in addressing offenders treatment needs.

#### **House Arrest/Electronic Monitoring**

The House Arrest program includes: Global Positioning System (GPS) supervision, continuous remote alcohol monitoring and home confinement cellular technology. This technology provides flexibility to the program and enables more individuals to be supervised.

As required by law, Tier III sex offenders under probation supervision are placed on GPS supervision. GPS supervision allows the department's monitoring center and specially trained officers to monitor offender movement within the community and proximity to designated exclusion zones and areas where they are not permitted. This tool supplements officer supervision activities and assists in the supervision of the high risk population.

The 24-hour Monitoring Center is a communications center for Operation Safe Streets officers and other probation and parole officers. The monitoring center provides information to the officers regarding the status of offenders under supervision, sentencing information and other pertinent data, which enables them to stay in the community instead of returning to the office to manually search for information.

#### **Central Offender Records**

Central Offender Records is primarily responsible for processing offender admissions and calculating offenders sentences and release dates. This unit houses and controls all active and inactive institutional and probation/parole offender records. This unit has the overall responsibility

of monitoring sex offender registration and victim notifications for the department as required by Delaware Code. Central Offender Records is tasked with providing record retention for the department, as well as working closely with IT to ensure the accuracy of information provided for statistical purposes.

### **NEW CASTLE COUNTY COMMUNITY CORRECTIONS**

New Castle County Community Correction (NCCCC) centers are comprised of three facilities (Plummer, Community Corrections Center, Hazel D. Plant Women's Treatment Facility and Webb Community Corrections Center). NCCCC provides traditional Level IV work release to sentenced offenders, as well as Level V classified offenders who provide maintenance, lawn care, kitchen and general janitorial services.

#### **Plummer Community Corrections Center (PCCC)**

PCCC provides Level IV work release programs to ensure a smoother and safer transition into the community. The Intensive Community Supervision program offers supervision services at the highest level in the community for offenders awaiting bed space at Level IV. This level of supervision is accomplished through three face-to-face meetings per week with a probation officer who is assigned to the work release facility, curfew checks and monitoring through breathalyzer and drug screening tests.

#### **Hazel D. Plant Women's Treatment Facility**

This female-only facility focuses on treatment of addiction-related issues followed by work release. Functioning as a Level IV substance abuse treatment program modeled after existing CREST programs, offenders deal first with their addiction issues in a gender-specific environment, and upon completion of this phase of treatment progress to work release for re-entry into the community. The work release phase allows offenders to improve their chances of success and independence.

#### **Webb Community Corrections Center (WCCC)**

WCCC houses male offenders in Phases 2 and 3 of the CREST program. This re-entry phase of treatment consists of two to three months of work release and is typically followed by a period of time in Aftercare. All offenders in this phase of the CREST program from New Castle County are housed at WCCC.

### SUSSEX COUNTY COMMUNITY CORRECTIONS

#### **Sussex Violation of Probation Center (SVOP)**

SVOP is a military style work camp. Various courts, probation offices and Level I-IV correctional programs use SVOP as a sanction facility. SVOP performs approximately 8,300 admissions and releases per year. These are Level V holds awaiting Level IV placement, direct sentences from various courts and technical violators from Probation and Parole offices statewide. SVOP also receives offenders sentenced to weekends at Level IV. Many of these offenders are individuals who have committed minor violations or owe child support. In Fiscal Year 2014, offenders at SVOP performed over 165,000 hours of community services to over 152 state agencies and organizations throughout the State of Delaware.

Offenders at SVOP are encouraged to apply the community service hours they accumulate to the costs and fines they owe. The resulting total credited towards costs and fines for Fiscal Year 2014 was \$347,877.

#### **Sussex Work Release Center (SWRC)**

SWRC is a Level IV facility, responsible for housing male and female offenders participating in the re-entry phases of treatment in the CREST program, as well as the work release-only population.

Services maintained by SWRC include: DNA testing; victim notification; sex offender registration; offender publications; work release; escape/absconder apprehension; employment site checks; monetary collections of court ordered costs, fines, room and board; HIV case management; Individual Assessment Discharge and Planning Team (I-ADAPT); treatment groups; and a partnership with DOL for onsite computer lab use for the development of résumés and to conduct job searches.

### KENT COUNTY COMMUNITY CORRECTIONS

#### **Morris Community Corrections Center (MCCC)**

MCCC is a Level IV facility, housing male offenders participating in the re-entry phases of treatment in the CREST program, as well as the work release-only population.

An offender must successfully complete the primary residential treatment (Phase 1) of the CREST program at CVOP before transferring to MCCC. Once at MCCC, offenders participate in the re-entry treatment (Phase 2) of the CREST program and the community reintegration

treatment (Phase 3). The community reintegration phase of treatment consists of two to three months of work release and is typically followed by a period of time in Aftercare.

The work release program is a transition program for offenders who are preparing to live in the community full time. It is a program in which offenders seek employment, attend outside medical appointments, re-establish family relationships, tend to outside personal business and participate in any mandated treatment programs. Offenders in the work release program are typically sentenced by the court to participate in Level IV work release programs or are Level V offenders classified by the department during the last 180 days of their sentence. Accountability to facility rules and regulations, job-site checks, contact with offenders and monitoring of the offender's treatment plan are paramount to ensuring public safety.

Other treatment programming at MCCC includes the James H. Groves Adult Education program, religious study groups, sex offender groups and Alcoholics Anonymous.

#### **Central Violation of Probation Center (CVOP)**

This facility offers the primary/residential phases of treatment (Orientation and Phase 1) in the CREST program. CVOP also houses technical violators from Probation and Parole.

In addition to the CREST program, the facility offers other treatment programs. The pre-release program is designed to provide offenders with the tools and information to aid in successful re-entry into the community. Resources on housing, employment, education, training, substance abuse treatment, community re-entry programs and other social services, lessons on planning, stress reduction and understanding the conditions of probation and parole are also provided. The Employment Search program provides offenders with information, such as job interview, applications and résumé skills to successfully gain employment upon release. Other programs at CVOP include GED, religious study groups, mental health groups, sex offender group, the Victims' Impact class and Alcoholics Anonymous.

The technical violators at CVOP are offenders who have violated the terms of probation. These offenders typically have not committed any crimes during their probation in the community, but have committed technical violations.

CVOP continues to operate six outside work crews throughout New Castle and Kent Counties. Work crews participate in community service projects that benefit towns, churches, nonprofit organizations, American

# NATURAL RESOURCES AND ENVIRONMENTAL CONTROL

40-00-00

## MISSION

To engage all stakeholders to ensure the wise management, conservation and enhancement of the State's natural resources; protect public health and the environment; provide quality outdoor recreation; improve the quality of life; lead energy policy and climate preparedness; and educate the public on historic, cultural and natural resource use, requirements and issues.

## KEY OBJECTIVES

- Promote health and safety by monitoring, maintaining and improving the quality of air, land and water resources, manage populations of mosquitoes and other pests and prevent and clean up spills involving hazardous substances to enhance the health and wellbeing of Delaware's residents, wildlife and plants.
- Conserve plant and animal resources through protection and management of species populations and their habitats. This effort involves maintenance of biodiversity, harvest allocation of species populations, protection and restoration of ecological functions and educational outreach.
- Promote and provide outdoor recreational opportunities, allowing Delaware residents to enjoy natural resources and open spaces through trails and other amenities that enhance the quality of life. The Department of Natural Resources and Environmental Control (DNREC) strives to provide safe and high quality recreational opportunities while ensuring resource protection with resource management and use.

- Broaden commitment to environmental protection and resource conservation by working to integrate economic development, environmental quality and public policy-making with broad public involvement. DNREC strives to create an ethic of stewardship that strongly encourages individuals, institutions, corporations and local governments to take responsibility for the economic, environmental and social consequences of their actions.
- Reduce the adverse impacts of energy use on our environment, health and economy. Educate, lead by example and build partnerships to increase energy efficiency and renewable energy, promote sustainable growth and prepare for a changing climate.

## PRIORITIES

**Transform DNREC into a model 21st century department** - This model better aligns functions by ensuring efficient service delivery and coordination (air, water, soil, waste and energy), integrating emerging priorities (climate) and modernizing public hearing and permitting processes, so they are transparent, consistent and efficient. It adapts to fiscal realities through realignment and cross-training and improves performance by implementing performance measurement systems that collect and track data on key performance and environmental indicators.

**Provide world-class parks and open-space, recreational opportunities and habitat and biodiversity protection** - DNREC will implement this priority through expanded land conservation efforts by completing key acquisition and preservation projects, enhancing recreational opportunities and coordinating habitat preservation and ecological restoration efforts. Key priorities include the Delaware Bayshore Initiative, the Governor's First State Trails and Pathways Plan, the

## 40-00-00

Children in Nature Initiative and the redevelopment of strategic sites. These investments will improve the quality of life for residents, enhance the attractiveness of the State to potential residents and growing companies, spur tourism, improve resident health and provide educational opportunities for youth to become environmental stewards of the future.

**Ensure clean water, clean air and safe healthy communities** - DNREC will focus on high impact activities to enhance air quality, water quality and supply, soil quality and waste management, sustainable building and community design and habitat and biodiversity protection. These programs will create additional economic opportunity by encouraging investment and accelerate responsible economic development. This effort will initially focus on larger facilities to ensure every major facility and project is in regulatory compliance.

**Ensure cleaner, cheaper and more reliable energy and prepare to adapt to climate impacts** - DNREC will coordinate policies and programs designed to spur economic growth through the adoption of lower-emission sources and lead efforts to prepare the State to adapt to emerging climate impacts.

## OFFICE OF THE SECRETARY

### 40-01-00

### MISSION

To oversee the development and implementation of state environmental, natural resource and recreational policies and programs, promote employee productivity through technology and training, manage the department's financial and human resources, promote quality and continuous improvement of programs, assist other agencies in the promotion of environmentally sound economic development and coordinate policy among the department's divisions.

### KEY OBJECTIVES

- Lead the transformation of DNREC into a 21st century department.
- Integrate clean energy programs, including energy efficiency, renewable energy and climate change mitigation and adaption efforts into Delaware policy and operations.
- Coordinate land use activities with other state agencies and county and municipal governments to preserve open space and minimize impacts to habitat, air and water quality.
- Implement Delaware's Coastal Zone Act and protect and enhance the natural attributes of Delaware's Coastal Zone to maintain and enhance fish and wildlife populations.
- Engage state, federal and local governments, universities, environmental and citizen groups, private landowners and agricultural and business communities to implement actions for biodiversity conservation and ecosystem protection.
- Increase trust and understanding within DNREC and with its customers.
- Continue the development and implementation of e-government initiatives and the Environmental Navigator to comply with 7 Del. C. § 6014(a).
- Continue to provide timely and appropriate response on a 24-hour basis to resident inquiries and environmental emergencies and enforce compliance for public health and safety objectives.

### BACKGROUND AND ACCOMPLISHMENTS

The Information Technology (IT) program unit is responsible for the management of the information

resources to ensure investments are optimized to benefit the department and its constituents. The program unit oversees the relationship with the Department of Technology and Information, in accordance with Executive Order 20 signed by Governor Markell to More Effectively Utilize Information Technology Resources to Drive Cost Savings in State Government.

The Public Affairs unit issues press releases, manages the content of the website and sponsors and participates in Coastal Cleanup, the State Fair, Coast Day and other volunteer activities. It also organizes press events and coordinates responses to media inquiries to promote and explain departmental news, initiatives, events and special projects. Publications include *Outdoor Delaware*, press releases and marketing materials.

The Human Resources unit is increasing efforts in the areas of workforce development, quality and diversity. The unit is spearheading the development of a DNREC-specific leadership academy and succession planning program. The unit participates in resolving workplace issues by revising policies and procedures to meet DNREC's changing needs.

Energy and Climate is responsible for strategic energy and environmental planning and policy to protect the health, safety and welfare of the residents and economy of the State. The division manages policy activities and programs necessary to achieve the key objective for integration of clean energy programs and climate mitigation and adaptation.

The Coastal Programs unit serves as the key research, education and policy entity on matters relating to preservation, development and use of coastal, estuarine and ocean resources. Through the provisions of the Federal Coastal Zone Management Act, Delaware Coastal Programs also has a significant role in the coordination and permitting of federal activities within the State and off-shore development projects.

The Environmental Finance unit is responsible for full administration of the Delaware Water Pollution Control Revolving Fund and the financial components of the Drinking Water State Revolving Fund. Funding opportunities are provided to municipal and private utilities for wastewater, stormwater and drinking water infrastructure projects. Support is provided to the Water Infrastructure Advisory Council and to communities for engineering and planning assistance for priority ecological and restoration projects. The division also provides underwriting for grants and low-interest loans to homeowners, communities and agricultural producers.

The Fiscal Management unit reflects a consolidation of the department's budget, accounting, payroll, auditing, cash management, fiscal policy, grants management and

financial reporting functions into a single program unit to improve efficiencies, reduce overhead costs and promote cross training to support a broad array of financial elements.

The Community Services unit coordinates department-wide activities and duties. The focus of this unit is to improve coordination and collaboration among the various program ombudsmen, community organizations, enforcement and other partners in environmental public health protection.

## OFFICE OF NATURAL RESOURCES

40-03-00

### MISSION

To conserve and manage the natural resources of the State, provide safe and enjoyable recreational opportunities to Delawareans and visitors, manage and make available for public use and enjoyment the lands with which it has been entrusted, provide technical, financial and planning assistance to the public for conservation areas and improve the public's understanding and interest in the State's natural resources through information and outreach programs.

### KEY OBJECTIVES

- Protect and restore an interconnected system of undeveloped lands.
- Maintain tidal fisheries management.
- Protect, restore and enhance fisheries and wildlife habitats.
- Foster partnerships with private landowners.
- Conserve biodiversity and the integrity of biological function.
- Provide fish and wildlife-related recreational opportunities statewide.
- Conserve and restore habitat and provide wildlife-oriented recreational opportunities in the Delaware Bayshore.
- Provide educational opportunities for the public including hunter education, boater education and aquatic education.
- Expand youth recreational opportunities and implement the Governor's First State Trails and Pathways Plan.
- Restore natural functions of streams degraded by development.
- Provide water management technical assistance through the construction of drainage, flood control and water management systems.
- Achieve no-net-loss of recreational and protective beaches and dunes along the publicly accessible, developed portions of the Delaware Bayshore and Atlantic Ocean coast as measured on a three to seven-year renourishment cycle.

- Assist the Nutrient Management Commission in managing and regulating the generation and application of nutrients to meet load reduction targets established by approved Total Maximum Daily Load (TMDL) and meet or exceed surface water quality standards for nutrients.
- Increase the percentage of waterways meeting water quality standards for swimming and healthy aquatic life.
- Improve the function and value of coastal and freshwater streams and wetlands for habitat, flood control and water quality enhancements.
- Identify and assess the causes and factors contributing to the sudden dieback of tidal wetland habitats.
- Implement the Delaware Wetlands Conservation Strategy.
- Maintain a system for determining the existence and location of state resource areas, degree of endangerment, an evaluation of importance and information related to natural, historic or open space values.
- Improve the effectiveness of the State's stewardship of plants, animals and their habitats on public lands.
- Undertake special programs, in conjunction with other public and private land management organizations, to acquire or otherwise permanently protect lands within established state resource areas and other lands identified as having significance according to the procedures of the Delaware Land Protection Act.
- Assist in the addition of park land and outdoor recreation facilities at municipal and county levels through grant assistance.
- Increase preventive maintenance to reduce major rehabilitation expenditures and curb facility deterioration.
- Locate and identify important natural resources on DNREC landholdings and develop resource management plans for parks, nature preserves and wildlife areas.
- Continue creative partnerships with for-profit and nonprofit organizations to provide services and raise funds.
- Integrate recommendations developed by the Children in Nature Task Force to increase children's access to nature through family outdoor programs, development of new nature centers, guided field experiences and community events.

# NATURAL RESOURCES AND ENVIRONMENTAL CONTROL

**40-00-00**

## BACKGROUND AND ACCOMPLISHMENTS

The Office of Natural Resources contains three divisions: Parks and Recreation, Fish and Wildlife and Watershed Stewardship.

Parks and Recreation has 11 field offices statewide that oversee the operation of 20,411 acres in 16 state parks, the Brandywine Zoo and Baynard Stadium. Parks and Recreation also manages 10 nature preserves (3,292 acres), 12 other sites (2,368 acres) outside of the parks and monitors 109 conservation easements, which protect an additional 4,743 acres.

Parks and Recreation operates units containing a variety of landscape and natural resource features from rolling terrain in the uppermost regions of New Castle County to coastal beaches in Sussex County. Cultural and historic resources are protected, while a wide variety of recreational facilities are provided for Delaware residents and out-of-state visitors.

Fish and Wildlife manages a variety of programs including: fish and wildlife management and research; land and habitat management; fishing, hunting and boating access lands and facilities; mosquito control; fish, wildlife and boating enforcement; education and volunteer involvement; and licensing and boat registration. Wildlife and fisheries research and management programs ensure sustainable fish and wildlife populations for now and the future, while land management and habitat restoration efforts enhance fish and wildlife populations on public and private lands. Fish and Wildlife owns and manages approximately 61,000 acres of public lands and 47 boat ramp access areas that provide quality outdoor hunting, fishing, nature observation and boating recreation opportunities.

Watershed Stewardship assists the conservation districts in tailoring programs to meet the needs of diverse constituents and coordinates statewide non-point source pollution control programs. Watershed Stewardship programs combine research and education, technical assistance, financial incentives and regulation with interagency and private partnerships. Initiatives, such as beach nourishment projects, public dune maintenance and emergency storm repair and cleanup, are carried out to improve protection to shorefront homes, businesses, roads and utilities and enhance the basis of the State's coastal recreation and tourism industry. Watershed Stewardship focuses on restoring the functions and values of streams, drainage ditches, wetlands and riparian corridors. These programs focus expertise and resources on restoration projects to re-establish biological diversity. Watershed Stewardship strives to implement a variety of restoration techniques that

accelerate the ecological processes, resulting in projects which replicate natural functioning ecosystems.

### *FISH AND WILDLIFE* 40-03-03

#### ACTIVITIES

##### Wildlife/Fisheries

- Lead Delaware Bayshore Initiative to conserve and restore wildlife and fisheries habitat, provide low-impact recreational opportunities (hunting, fishing, birding, canoeing, kayaking, etc.) and spur tourism to strengthen local communities.
- Conduct research surveys and inventories of fish, shellfish and wildlife populations.
- Develop fish and wildlife management plans for 16 wildlife management areas with over 61,000 acres, manage 57 freshwater pond and marine fishing access sites and comply with management plans for 23 species or species groups of marine fish and shellfish.
- Monitor, maintain and regulate harvestable fish and wildlife populations.
- Provide technical assistance to landowners and government agencies.
- Administer wildlife management and research, including: non-game and endangered species, wildlife recreation and wildlife outreach programs.
- Provide fishing and hunting license services and monitor the users of fish and wildlife resources.
- Provide education and volunteer programs to educate and engage the public on natural resource issues to increase understanding and involvement in fish and wildlife conservation.
- Monitor fish for diseases and investigate the extent and probable cause of fish kills.
- Develop regulations needed to manage shellfish aquaculture in the Inland Bays, in accordance with House Bill 160.
- Monitor and enforce compliance with fisheries management plans.
- Acquire, develop and maintain lands and waters for recreation and conservation.
- Control aquatic and non-indigenous plants and improve fish and wildlife habitats.
- Develop wetland enhancement programs and coordinate fish, wildlife, hunter education and aquatic resource education activities.
- Pursue land protection measures through fee simple acquisition, easements and other processes to connect and enhance Delaware's wildlife habitat.
- Conduct a trout stocking program in all three counties.

#### PERFORMANCE MEASURES

# of hunter education certifications	1,298	1,200	1,000
# of acres protected through easements or acquisition	1,802	250	250

##### Mosquito Control

- Monitor mosquito populations and the extent of quality of life and nuisance problems or mosquito-borne diseases (focus on West Nile Virus and Eastern Equine Encephalitis) and undertake control actions in response to infestations, disease outbreaks or adverse economic impacts.
- Respond to resident complaints about excessive numbers of biting mosquitoes or concerns about mosquito breeding areas.
- Investigate and assess mosquito control efficacy and non-target impacts associated with Open Marsh Water Management, impoundment management, mosquito fish stocking and insecticide use (larvicides and adulticides).
- Conduct research surveys and inventories of mosquitoes, fish and wildlife populations.
- Continue implementation of wetland restoration and enhancement projects within the Christina/Delaware River Corridor (Northern Delaware Wetlands Rehabilitation program).
- Interact with the U.S. Fish and Wildlife Service to ensure effective and practicable mosquito control on Delaware's two national wildlife refuges.
- Conduct public education and outreach programs on mosquito control problems and wetlands restoration and management.
- Coordinate with the Riverfront Development Corporation to restore and manage wetlands at the Russell W. Peterson Urban Wildlife Refuge.
- Work with the American Mosquito Control Association to help resolve national mosquito control issues having local impacts.

### Conservation Programs

- Conduct environmentally sensitive tax and public ditch planning and provide technical assistance to landowners on surface water management issues.

- Ensure implementation of the State's no-net-loss of wetlands policy in water management projects and develop wetland and stream restoration techniques.
- Provide technical assistance to local soil and water conservation districts.
- Provide education and outreach to agricultural and environmental communities to demonstrate the working relationship of drainage, agriculture and wetlands.
- Encourage the establishment of riparian corridors along tax ditch rights-of-way to support the Conservation Reserve Enhancement program, the implementation of TMDLs, Pollution Control Strategies (PCS) and Watershed Implementation Plans (WIPs).
- Lead effort to develop common standards for local floodplain and drainage codes.
- Investigate private drainage concerns and recommend new Resource Conservation and Development projects to be funded through the Capital Improvement Act and Twenty-First Century Fund.
- Provide comprehensive Erosion and Sedimentation and Stormwater Management training to the land development community.
- Provide financial, technical and compliance assistance to delegated agencies for plan review, construction and maintenance review of land development projects.
- Provide sediment and stormwater management construction review on federal and state-funded, non-Department of Transportation projects.
- Complete the revisions and implement the new Sediment and Stormwater Regulations.
- Implement National Pollutant Discharge Elimination System (NPDES) Phase II requirements for stormwater management.
- Provide technical and administrative support to the Clean Water Advisory Council.
- Administer the Buried Wood Debris Remediation program.
- Represent the department on the Nutrient Management Commission.
- Administer the Conservation Cost Share program in coordination with federal Farm Bill programs.

# of acres of traditional cover crop planted in the Chesapeake Bay Watershed	31,500	36,500	36,500

### Shoreline and Waterway Management

- Develop and carry out beach preservation projects to enhance and preserve the recreational and storm protection values of Delaware's beaches.
- Serve as the non-federal sponsor on all federal ocean and bay beach nourishment projects.
- Sustain the primary dune and beach system through a regulatory control program that keeps construction off the dunes and beach.
- Improve coastal storm hazard preparedness and mitigation to maintain a resilient coastline.
- Reduce natural hazard losses through cooperation with the Federal Emergency Management Agency and the Delaware Emergency Management Agency in natural hazard mitigation programs.
- Implement dam safety regulations and dam inspection standards, provide emergency action plans and provide assistance to private dam owners.
- Provide technical assistance to local governments and homeowners to improve beach and dune management.
- Identify sufficient sand sources for beach nourishment work for a 10-year maintenance period.
- Provide understanding of the complex physical dynamics of beach erosion and storm impacts to aid in pre and post-coastal storm impact reduction and recovery.
- Operate and maintain a sand bypass facility at Indian River Inlet.
- Conduct a repair and maintenance program of publicly-owned coastal dunes.

- Develop a steady and reliable source of funding for waterway management operations.
- Improve and maintain navigational channels statewide.
- Implement a regional sediment management strategy for Delaware Bayshore, Rehoboth and Indian River Bays.
- Establish and maintain aids to navigation in Delaware Bayshore waterways and Inland Bays to ensure channels are properly marked for safe navigation by the boating public.
- Restore the environmental integrity of state-owned lakes and ponds.
- Mechanically harvest nuisance marine macro algae in the Inland Bays to maintain water quality, aesthetics and boating access.
- Remove abandoned vessels and derelict structures from the State's navigable waterways.
- Restore ecologically important areas in the Inland Bays through beneficial use of dredged materials.

## PERFORMANCE MEASURES

	FY 2014 Actual	FY 2015 Budget	FY 2016 Gov. Rec.
# of aids to navigation established and maintained in Inland Bays for boating public	187	187	187
# of feet in width that design beach is maintained on Atlantic facing public beaches present for summer recreational use seaward of the designed dunes	100	100	100
# of navigational improvement projects completed to restore public boating facilities at state owned lakes and ponds	2	3	3
% of completed investigations concerning nuisance accumulations of macro-algae in the Inland Bays	100	100	100
# of cubic yards of sand pumped by Sand Bypass Facility to maintain and protect ridge approach on north side of Indian River Inlet and to re-nourish public recreational beach area	30,000	120,000	120,000

### Watershed Assessment and Management

- Implement the water quality monitoring and assessment program.
- Implement the federal Beaches Environmental Assessment and Coastal Health Act by monitoring guarded beaches and notifying the public of swimming advisories due to unacceptable water quality conditions.
- Perform sanitary shoreline and marina surveys adjacent to recreational swimming areas to identify, evaluate and determine the existing and potential

# NATURAL RESOURCES AND ENVIRONMENTAL CONTROL

sources of pollution factors having a bearing on swimmer health.

- Implement the Watershed Approach to Toxics Assessment and Restoration with the goal of restoring Delaware watersheds impacted by toxic pollutants.
- Maintain a floatable and debris program to provide surveillance of the Delaware coastline all year round and advise coastal municipalities of impending debris wash-ups and respond to observed slicks that could impact swimming areas.
- Provide beach communities and state parks with permanent signage describing the monitoring and notification assurances for the State's residents and visitors regarding swimming water quality.
- Enhance PCSs and WIPs designed to meet pollutant load reduction goals, established by state and federal TMDLs, by identifying specific projects and funding sources.
- Work with partner programs and agencies to implement new and existing regulations and voluntary actions, including retrofits and restoration projects, to achieve load reduction goals set by TMDLs.
- Track progress toward achieving nutrient and sediment load reduction goals in the Chesapeake Bay Watershed using a two-year milestone approach.
- Participate in the implementation of the Delaware Wetlands Conservation strategy.
- Assist with the implementation of the Secretary's recommendations resulting from the Wetland Advisory Committee process.
- Determine the condition of wetlands, by watershed, through monitoring and assessment.
- Implement the Marine Biotxin Contingency plan when hazardous algae bloom-related events threaten commercial and recreational shellfish resources.
- Regulate state shellfish growing areas and certified shellfish dealers through cooperative agreements with the U.S. Food and Drug Administration and the National Shellfish Sanitation program.
- Investigate shellfish borne illnesses and outbreaks, conduct shellfish recall and develop and implement the annual Vibrio Control plan.
- Evaluate and establish classifications and boundaries for Delaware's shellfish harvesting areas to ensure that shellfish are fit for human consumption, even when consumed raw.
- Deploy and maintain shellfish growing area designation buoys and signs to inform commercial and recreational shellfish harvesters of classification boundaries in the Inland Bays.

- Implement an Aquaculture Shellfish Sanitation program that will provide public health protection standards to ensure that the shellfish harvested in Delaware waters meet the national requirements for the interstate shipment of bi-valve molluscan shellfish.
- Serve as lead for fish contamination assessments, recommend consumption advisories and coordinate at state and inter-state levels.
- Perform assessment and implementation of TMDL activities in the Piedmont, Chesapeake and Inland Bays and Delaware Bay basins.

## PERFORMANCE MEASURES

	FY 2014 Actual	FY 2015 Budget	FY 2016 Gov. Rec.
# of acres of watersheds with PCSs in place	1,032,295	1,032,295	1,032,295

## OFFICE OF ENVIRONMENTAL PROTECTION 40-04-00

### MISSION

To protect and enhance the quality of Delaware's air and water resources and assure appropriate waste management practices within Delaware by verifying strict compliance with laws and regulations to protect Delaware's precious resources and by working cooperatively with residents and businesses to protect public health, welfare and the environment.

### KEY OBJECTIVES

- Increase percentage of facilities in compliance at time of inspection.
- Enhance the fairness, consistency, predictability, deterrence value and efficiency of the DNREC enforcement process.
- Monitor and control the occurrence of environmentally-related exposures and diseases.
- Provide the equitable and adequate allocation of safe surface and ground water supplies.
- Reduce nutrients, bacteria and toxic substances entering the State's waterways.
- Increase the percentage of waterways meeting water quality standards for swimming and healthy aquatic life.
- Reduce exposure to hazardous substances, including carcinogenic substances in the ambient environment.
- Prevent exceedances of air and water quality standards.
- Develop strategies to attain the new eight-hour ozone standard statewide by 2019 and re-designate New Castle County to attainment with respect to Fine Particle (PM2.5) Standards.
- Maintain monitoring networks to provide representative and accurate data for ambient concentrations of pollutants of concern.
- Promote effective and sustainable cleanup and reuse of brownfields in conjunction with community land use plans.
- Increase municipal solid waste recycling to 60 percent pursuant to 7 Del. C. § 6056.

- Protect public health and safety by conducting hazardous materials emergency planning and accidental release prevention and by maintaining an effective emergency response capability.

### BACKGROUND AND ACCOMPLISHMENTS

The division is comprised of three internal program units: Air Quality, Water and Waste and Hazardous Substances.

Air Quality monitors and regulates all emissions to the air, issues permits to construct and permits to operate air contaminant sources, maintains emission inventories from business and industry, develops the state implementation plan as required by the Clean Air Act, adopts new regulations, supports enforcement of existing regulations and permits and inspects asbestos removal sites. The unit continues to move forward with the Title V Operating Permit program that includes issuance of required permits, operating a compliance assurance program and issuing Title V permit renewals.

Water implements its various regulatory programs, provides technical skills to programs, laboratory services, inspections and educational services and performs applied research.

Waste and Hazardous Substances is responsible for ensuring Delaware's wastes are managed in a way that protects human health and the environment. The division ensures proper management through a permitting and compliance monitoring program and also through encouragement of waste reduction, reuse and recycling activities. Waste and Hazardous Substances has a major role in investigating and cleaning up hazardous substance release sites that pose a threat to public health, welfare and the environment. Waste and Hazardous Substances programs regulate the installation, operation, removal and remediation of tanks storing petroleum and hazardous substances. The primary objectives of the tank programs are the prevention of tank releases and early detection and expedited cleanup of releases that occur. Waste and Hazardous Substances also ensures all boilers and pressure vessels in the State are inspected to prevent catastrophic failures. Waste and Hazardous Substances provides comprehensive planning and prevention and 24-hour response to time-critical emergency and non-emergency environmental and hazardous materials incidents for the protection of human life, health, safety and the environment.

### **AIR QUALITY** **40-04-02**

#### ACTIVITIES

- Participate in Ozone Transport Commission (OTC), National Association of Clean Air Agencies and Mid-Atlantic Regional Air Management Association activities to take advantage of combined expertise and foster regional and national strategies to reduce transport and attain health-based air quality standards.
- Develop and pursue a strategy to improve Delaware's air quality particularly relative to the new ozone and fine particles standards.

#### Permitting and Compliance

- Continue to implement value stream mapping recommendations for minor source permitting program to maintain permit issuance time at 90 or fewer days.
- Implement new procedures and protocol to expedite major enforcement cases.
- Issue Title V permit revisions and renewals on a timely basis.
- Track facility submission and inspector review of Annual Compliance Certification reports and Semi-Annual Monitoring reports for all Title V facilities.
- Report all stack test results within 120 days of testing.
- Enter and track all enforcement data into the department's database and upload to the Environmental Protection Agency (EPA) compliance database.
- Conduct a full compliance evaluation of large facilities every two years, medium facilities every five years and full compliance evaluations of small facilities as needed.

- Evaluate facility compliance with regulatory and permit requirements and propose enforcement actions for non-compliance facilities.

#### Planning

- Develop state implementation plan revisions as required by the Clean Air Act Amendments of 1990 (CAAA).
- Monitor or track ambient air quality for all pollutants, especially ozone and fine particulate matter to assess attainment status with National Ambient Air Quality Standards.
- Provide air toxics monitoring at a minimum of two sites in Delaware.
- Continue planning and implementation efforts to address long-term ozone, fine particulates and regional haze problems.
- Work with public and private entities to develop or implement transportation and voluntary control programs, such as Ozone Action Day.
- Promulgate new air regulations required by the CAAA and through OTC agreements.
- Conduct an annual point source emission inventory and a comprehensive emission inventory every three years, consistent with the CAAA.
- Develop and implement a new, web-based emission inventory reporting system for annual submission of facility reports.

#### PERFORMANCE MEASURES

	FY 2014 Actual	FY 2015 Budget	FY 2016 Gov. Rec.
# of exceedances of Ozone, PM, CO, NO2 and SO2 standards	4	0	0
# of ambient air samples collected	1,108	1,235	1,235

# of actions initiated to reduce emissions into Delaware due to transport	7	10	10

### **WATER** **40-04-03**

#### ACTIVITIES

#### Surface Water Discharges

- Use NPDES permits to implement PCSs for TMDLs.
- Issue NPDES permits that contain the necessary requirements and conditions (toxic controls, pre-treatment requirements, stormwater, Combined Sewer Overflow (CSO) and sludge requirements).

# NATURAL RESOURCES AND ENVIRONMENTAL CONTROL

40-00-00

- Implement the Municipal Separated Storm Sewer Systems program (MS4), including permitting several new Phase II MS4s.
- Regulate stormwater discharges from industrial facilities.
- Implement a NPDES program for aquatic pesticides pursuant to the Clean Water Act.
- Issue licenses for wastewater operators.
- Review plans and issue permits for the construction of wastewater collection and treatment facilities.
- Conduct compliance inspections for NPDES facilities and CSO systems.
- In partnership with the Department of Agriculture, implement a regulatory program for large and medium Concentrated Animal Feeding Operations.

### PERFORMANCE MEASURES

	FY 2014 Actual	FY 2015 Budget	FY 2016 Gov. Rec.
% major individual NPDES permitted facilities inspected annually	100	100	100
% minor individual NPDES permitted facilities inspected annually	96	100	100

### Groundwater Discharges

- Encourage designers and applicants to incorporate land treatment systems into their wastewater management plans.
- Perform construction and compliance inspections on all large on-site wastewater systems and 70 percent of all small systems.
- Issue large septic and spray permits in compliance with all applicable regulations.
- Issue replacement and repair permits for all known malfunctioning subsurface systems.
- Issue Underground Injection Control (UIC) permits and authorizations in compliance with all applicable regulations.
- Locate and inventory all unauthorized UIC wells, perform inspections and prevent non-compliance.
- Perform statewide compliance inspections of holding tanks.
- Implement aspects of approved PCSs for TMDL watersheds.

### PERFORMANCE MEASURES

	FY 2014 Actual	FY 2015 Budget	FY 2016 Gov. Rec.
% of alternative on-site treatment systems inspected for operational compliance	100	100	100
% of construction inspections for on-site wastewater systems that discharge:			
< 2,500 gallons/day	57	70	70
> 2,500 gallons/day	100	100	100
% of compliance inspections for on-site wastewater systems that discharge more than 2,500 gallons per day	95	100	100
% of statewide compliance inspections on holding tanks	93	100	100

### Water Supply

- Provide technical and policy support to the Water Supply Coordinating Council.
- Review and approve allocation and water well permits that meet public health and environmental protection requirements.
- Conduct research and monitor ground water resources. Included as a priority activity is possible implementation of the expanded ground water monitoring network in eastern Kent County by the Delaware Geological Survey.
- Provide assistance to New Castle, Kent and Sussex Counties and municipalities to meet requirements of their respective source water protection ordinances.
- Implement the Source Water Assessment and Protection program under the federal 1996 Safe Drinking Water Act amendments (joint cooperation with the Department of Health and Social Services), including long-term protection strategies for public drinking water supply sources.
- Promote water conservation, wellhead protection and source water protection with public education and cooperative agreements with stakeholders.
- Perform ground water reviews for non-hazardous waste sites.

### PERFORMANCE MEASURES

	FY 2014 Actual	FY 2015 Budget	FY 2016 Gov. Rec.
# of water allocation permits issued to reduce backlog of unpermitted projects	57	55	55
% of well permit data entered within five days of receipt of information	100	100	100
% of public water systems with source water protection strategies substantially implemented	94	99	97

# NATURAL RESOURCES AND ENVIRONMENTAL CONTROL

**40-00-00**

## Wetlands and Subaqueous Lands

- Maintain an inventory of tidal wetlands, issue wetland and subaqueous lands permits and leases for docks, piers, shoreline stabilization and other projects in tidal and non-tidal waters.
- Review and issue permits for marina construction.
- Issue Water Quality certifications for federal permits.
- Provide customer service to landowners, contractors, consultants, realtors and developers regarding the location of regulated wetlands and waters.
- Promote wetland, stream channel and riparian restoration.
- Administer a cost-share program to assist waterfront landowners with shoreline stabilization projects using vegetation and other environmentally friendly techniques.
- Support efforts to re-establish fees for commercial and industrial docks and piers on public subaqueous lands.

### PERFORMANCE MEASURES

	FY 2014 Actual	FY 2015 Budget	FY 2016 Gov. Rec.
% requests for new shoreline stabilized with soil bioengineering and rip-rap versus bulkheading	95	95	95
% of marinas with approved operations and maintenance plans	50	75	90
% of structures/projects authorized during a fiscal year that are field checked for compliance	50	75	75

## Environmental Laboratory

- Continue to perform biological and chemical analysis, monitoring and assessments to endure the wise management, conservation, restoration and enhancement of the State's natural resources, as well as to protect public health, welfare and safety and the environment.
- Provide leadership and management support for the Delaware Public Health Laboratory. Responsibilities include ensuring consistent and reliable laboratory analytical operations (infectious disease, viruses and bacteria, rabies, HIV, etc.) in compliance with federal (FDA, CDC, EPA, etc.) and state rules and regulations, effective diagnostic performance of laboratories in state health service centers and working with organizations, such as hospitals, clinics, prisons and the Office of Drinking Water, in support of public health efforts and maintaining safe public drinking water supplies.

- Perform microbial testing to identify bacteria, protozoa and other organisms in order to detect and prevent human disease initiation or spread in recreational and shellfish (food) harvesting waters.
- Provide laboratory and field analytical services to support key environmental programs such as Delaware's Ambient Surface Water Quality Monitoring program, the Delaware Estuary Boat Run Water Quality Monitoring, the Chesapeake Bay Nontidal Water Quality Monitoring Network, Delaware's Watershed Approach to Toxics Assessment and Restoration, Recreational Shellfish Monitoring, Delaware Beach Monitoring, Emergency Response program, permit compliance programs, Site Investigation and Remediation (SIRS), Tank Management program, as well as the EPA National Aquatic Resource Surveys and others.
- Provide support, guidance and recommendations for the development of monitoring strategies that include project plan design, development and implementation.
- Participate on Science and Technical Advisory Committees such as the Center for the Inland Bays, the Chesapeake Bay Nontidal Analytical Methods and Quality Assurance Workgroup and Watershed Study Workgroups.
- Operate the Laboratory Information Management System to support and enhance operational quality and productivity in a cost efficient manner while facilitating timely sharing of precise and accurate information throughout the department, federal agencies and the citizens of Delaware.

## WASTE AND HAZARDOUS SUBSTANCES 40-04-04

### ACTIVITIES

#### Site Investigation and Restoration

- Oversee remedial investigation, feasibility study, remedial design and action at Hazardous Substance Cleanup Act, enforcement, voluntary cleanup program and brownfield sites.
- Assist in facilitating grants and loans at brownfield sites to ensure sites are cleaned up and reused in a safe and productive manner.
- Implement a plan to integrate and coordinate Watershed and Site Investigation and Restoration

# NATURAL RESOURCES AND ENVIRONMENTAL CONTROL

program with the goal of restoring Delaware watersheds impacted by toxic pollutants.

- Promote field screening procedures to reduce the number of analytical samples sent to the laboratory for full analysis.
- Work with communities to enhance understanding of SIRS programs and the risks posed by SIRS sites.
- Perform brownfield assessments or inspections at sites targeted for redevelopment.
- Conduct natural resource damage assessments at sites where releases of hazardous substances have harmed the environment.
- Enhance and implement the brownfield inventory and ranking system to address redevelopment potential and the degree of contamination.
- Perform facility evaluations to determine whether a release of hazardous substances has occurred on a property and rank the potential risk of the property.
- Enforce upon potential responsible parties not willing to perform a remedy.
- Oversee long-term stewardship of regulated sites to ensure the completed remedial action remains protective to human health and the environment.

### PERFORMANCE MEASURES

	FY 2014 Actual	FY 2015 Budget	FY 2016 Gov. Rec.
# of acres of brownfields remediated	173	80	85
% of SIRS sites remediated	43	40	40
# of long term stewardship inspections	156	135	140
# of proposed and final remediation plans issued	81	40	50
# of enforcement sites initiated	4	4	5

#### Tank Management

- Conduct underground storage tank (UST) and aboveground storage tank (AST) facility compliance assessments, oversee removals and closures, approve design plans and supervise the installation of new systems.
- Administer contracts for sites using state funding to remove orphan USTs and complete site remediation at facilities that do not have a tank owner or a responsible party.
- Implement cost savings for sites through pay-for-performance contracting.
- Review Vapor Recovery (VR) permit applications and oversee testing of VR systems to ensure compliance with the gasoline VR regulations.
- Reduce the amount of time from identification to closure of Leaking Underground Storage Tank (LUST) sites.

- Continue implementation of risk-based corrective action closure procedures at LUST sites.
- Maintain three-year tank inspection frequency, partnering with Delaware Technical and Community College to implement a training program for tank owners and operators and establish a delivery prohibition program.
- Increase outreach and inspection activities to educate the UST regulated community, including tank owners, operators, contractors and consultants.
- Commission private insurance boiler inspectors operating within Delaware and monitor inspections.
- Conduct inspections of boiler and pressure vessels at facilities that do not have insurance.
- Investigate boiler and pressure vessel accidents.

### PERFORMANCE MEASURES

	FY 2014 Actual	FY 2015 Budget	FY 2016 Gov. Rec.
# of LUST sites cleaned up:			
regulated USTs	71	50	50
unregulated USTs	39	45	45

unregulated USTs	32	40	60
# of new AST releases identified:	23	20	30
% of UST facilities in compliance following inspection activities	81	80	80
# of inspections conducted at UST facilities	143	165	165
# of boiler and pressure vessel inspections at uninsured facilities	1,680	800	1,000

#### Solid and Hazardous Waste Management

- Implement and regulate the Universal Recycling law.
- Regulate the disposal of waste generated in Delaware to prevent adverse impacts to the environment.
- Monitor permitted solid and hazardous waste sites to identify any contaminant releases to the environment.
- Require, oversee and approve corrective actions to remedy any significant adverse impacts resulting from contaminant releases.
- Pursue closure and remediation of unauthorized, illegal or environmentally unacceptable solid and hazardous waste disposal sites.
- Track the transport and disposal of solid and hazardous waste to ensure compliance with environmental regulations.

# NATURAL RESOURCES AND ENVIRONMENTAL CONTROL

## 40-00-00

- Communicate and encourage hazardous waste generators on the reduction of hazardous waste.
- Complete solid and hazardous waste compliance assessments and implement a multi-media approach where possible.
- Implement the hazardous waste corrective action process.
- Oversee the scrap tire cleanup program.

### PERFORMANCE MEASURES

	FY 2014 Actual	FY 2015 Budget	FY 2016 Gov. Rec.
# of scrap tires cleaned up (tons)	824	1,250	400
% of municipal solid waste recycled	40.1	50.0	50.0
% of facilities assessed returning to compliance within 180 days	100	100	100
# of tons of waste properly managed under permits	1,100,000	1,150,000	1,150,000
# of participants in 3R's (reduce, reuse and recycle) educational opportunities	300,000	300,000	300,000

### Emergency Prevention and Response

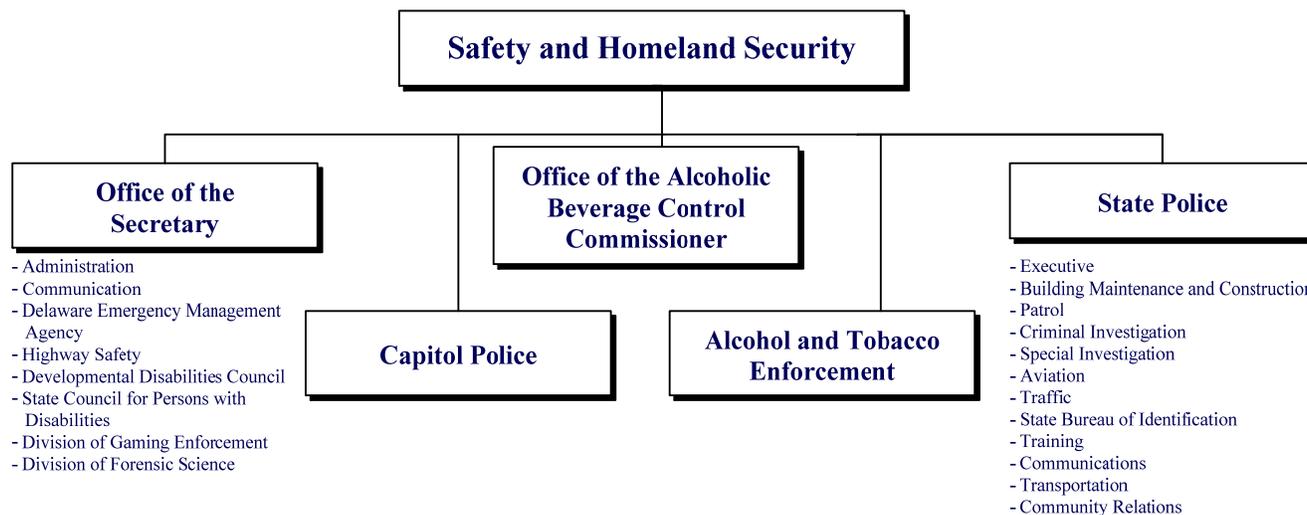

- Respond to and investigate environmental incidents and emergencies on a 24/7 basis.
- Respond to hazardous material incidents as part of the State Emergency Response Team and the Delaware Emergency Operations plan.
- Participate in emergency planning and exercises with federal, state and local emergency management and response agencies.
- Provide emergency response and hazardous materials training to state and local response agencies.
- Ensure compliance with hazardous chemical inventory and Toxic Release Inventory (TRI) data reporting pursuant to the Emergency Planning and Community Right-to-Know Act (EPCRA).
- Support State Emergency Response Commission (SERC) operations and local emergency planning committees through electronic collection of EPCRA Tier II hazardous chemical reporting fees and data.
- Analyze TRI data and report data trends.
- Upgrade and maintain response capabilities and activities through SERC.
- Comply with the Accidental Release Prevention regulation by conducting inspections and incident investigations, reviewing risk management plans and participating in emergency planning activities.

### PERFORMANCE MEASURES

	FY 2014 Actual	FY 2015 Budget	FY 2016 Gov. Rec.
# of emergency responses to incidents	342	325	325
# of Accidental Release program inspections	20	35	30

# SAFETY AND HOMELAND SECURITY

## 45-00-00

### MISSION

To promote and protect the safety of people and property in Delaware.

### KEY OBJECTIVES

- Successful preparation for and response to natural and man-made catastrophes.
  - Ensure federal and state mandates for services are accomplished, including statewide disaster mitigation.
  - Continue to increase disaster response and recovery capabilities.
  - In conjunction with the Federal Emergency Management Agency (FEMA), assist communities in planning to become disaster resistant.
  - Work with the Delaware State Police (DSP), State Fire School, Division of Public Health and local law enforcement agencies to plan, obtain equipment for and support the implementation of training for homeland security or terrorist-related events for the first responder community.
- Prevent crime.
  - Continue to gather intelligence, analyze and disseminate information to thwart criminal and terroristic acts.
  - Increase the number of criminal cases solved.
  - Continue training to address growing or emerging crime trends.
- Make the State's highways safe.
  - Enhance enforcement, public awareness programs and educational efforts to increase seatbelt use and reduce alcohol-related fatalities,

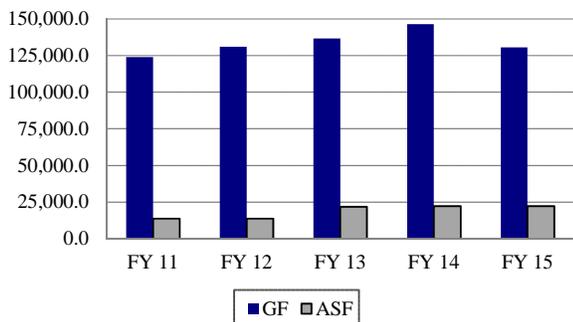

fatal crashes resulting from aggressive driving and pedestrian fatalities.

- Ensure the safety of state employees and facilities.
  - Increase police and security presence within state facilities.
  - Continue to develop and enhance planning, training and exercises in emergency evacuation and threat procedures.
- Protect the health of residents and youth.
  - Continue enforcing the State Liquor Control Act and the rules of the Alcoholic Beverage Control Commissioner and Appeals Commission.
  - Continue enforcing state and federal statutes on the prohibition of the sale of tobacco to minors.
  - Produce public educational awareness programs regarding the responsible use of alcoholic beverages and tobacco products.
- Ensure reliable and effective statewide emergency communications capability.
  - Support and maintain the statewide 800 MHz system.
  - Support and maintain the State's conventional radio systems.

### MISSION

To promote safety and homeland security by coordinating and advocating for related policy and resources, as well as serving as a liaison with the Governor’s Office, other state and non-state agencies and the community at-large.

### KEY OBJECTIVES

- Provide departmental leadership in matters of safety and homeland security.
- Provide broad policy and fiscal guidance to the operating divisions.
- Encourage collaborative approaches to problem identification and solving.
- Coordinate policy, administrative and support functions for the department, including budgetary and fiscal activities, public relations, information technology, legislative activities and constituent relations.

### BACKGROUND AND ACCOMPLISHMENTS

The Office of the Secretary provides:

- Chairmanship for the Delaware Homeland Security Council;
- Chairmanship for the Delaware Emergency Medical Services Oversight Committee;
- Membership to the Diamond State Port Corporation;
- Leadership and coordination of the Law Enforcement Subcommittee of the Domestic Violence Coordinating Council;
- Administration of State Aid to Local Law Enforcement (Grants-In-Aid appropriation);
- Coordination and development of departmental civilian employee training programs;
- Departmental technology coordination, consolidation and implementation;
- Guidance to division directors;

### **COMMUNICATION**

#### **45-01-20**

#### MISSION

To promote public safety through the installation, removal, repair, modification and alignment of the State's radio communication systems and electronic

equipment, in-shop and at remote locations throughout the State. As resources permit, the division extends its maintenance services to support fire, rescue, ambulance companies, county and municipal agencies.

#### KEY OBJECTIVES

- Support and maintain the State's 700 and 800 MHz radio systems and infrastructure, ensuring reliable digital voice communications to and from fixed stations and mobile and portable subscriber devices throughout Delaware.
- Support portable public address system requests and maintain the fixed sound system and accessories at Legislative Hall.
- Support communications and emergency equipment installations in all state agency, various county, municipal and fire company first responder vehicles.
- Act as the State's communications interoperability coordinator to ensure direct communications with Delaware's neighbors.
- Act as the State's single point of contact for FirstNet, the nation's public safety broadband network.
- Extend services to municipalities, towns, counties, and volunteer fire, rescue and ambulance companies.

#### BACKGROUND AND ACCOMPLISHMENTS

In addition to maintenance and repairs, the division was instrumental in the installation of the 700 and 800 MHz systems, microwave systems, mobile data computers, automatic vehicle location and global positioning systems, automatic passenger counters, annunciators, paging systems, radar equipment, variable messaging/speed signs and sound/recorder systems at Legislative Hall.

The division created a strategic plan, which will serve as a road map for the systematic upgrade of the current 800 MHz system. This plan will ensure the system continues to serve the needs of the first responder community.

The division completed inventory and programming of hundreds of radios provided to first responders under grant funds issued by the Delaware Emergency Management Agency.

The division extended its services, providing support for New Castle and Kent Counties, Delaware Transit Corporation, the Cities of Wilmington, Dover, Milford,

Camden, Wyoming and Clayton and the Delaware Volunteer Firefighter's Association.

The division continued the formal approval process for in-building first responder radio coverage testing under Senate Bill 79 for new buildings constructed over 25,000 square feet.

### ACTIVITIES

- Repair and maintain communications equipment:
  - Portable and fixed radios;
  - Public address and sound systems;
  - Mobile traffic radar and video systems;
  - 911 computer consoles;
  - Digital microwave systems;
  - Uninterruptible power supplies;
  - System and fault management terminals;
  - Network servers;
  - Mobile data computers;
  - Automatic vehicle location systems;
  - Passenger counters; and
  - Annunciators and sirens.
- Perform system and fault management for the 700 and 800 MHz systems.
- Participate in the planning and implementation of radio systems and approval of radio purchases.
- Respond to emergencies affecting communications.
- Support the State Interoperability Executive Council and its associated subcommittees.
- Manage communication tower leases.
- Obtain and manage contractual support for:
  - Depot repairs;
  - Electronics and civil engineering;
  - Generator and air conditioner maintenance;
  - Test equipment calibration;
  - Tower climbing and maintenance;
  - Grounds keeping;
  - Software support;
  - Technical assistance and training;
  - Shipment and delivery; and
  - Fire suppression systems.

### *DELAWARE EMERGENCY MANAGEMENT AGENCY 45-01-30*

---

### MISSION

The Delaware Emergency Management Agency (DEMA) is the lead agency for coordination of comprehensive, all-hazard emergency preparedness, training, response, recovery and mitigation services to save lives, protect Delaware's economic base and reduce the impact of emergencies.

### KEY OBJECTIVES

- Ensure federal and state mandates for planning and services are accomplished to satisfy preparedness, response, recovery and mitigation goals and objectives.
- Sustain and increase disaster response and recovery capabilities through emergency management skill development and training and exercise initiatives for emergency operations.
- Continue to meet the federal requirements for state and local Mitigation Plans in conjunction with FEMA.
- Ensure the annual update and sustainment of the Threat and Hazard Identification and Risk Assessment (THIRA) and State Preparedness Report (SPR).
- Sustain the National Incident Management System within state and local emergency plans and assist local municipalities with maintenance of compliance standards.
- Ensure all emergency plans are consistent with the National Preparedness Goals and Objectives,

# SAFETY AND HOMELAND SECURITY

45-00-00

Federal Comprehensive Preparedness Guides and National Emergency Management Standards.

- Provide to Delaware's response community, private sector, volunteer agencies and organizations, a multi-year training and exercise plan.

## BACKGROUND AND ACCOMPLISHMENTS

DEMA, along with local emergency management organizations, addresses the possibility of the occurrence of emergency incidents statewide, including natural, radiological, chemical hazards, terrorism and situations pertaining to public safety.

DEMA continues to coordinate and participate in disaster response and preparedness activities. Agency accomplishments include:

- Provided emergency management operations in response to all-hazard disaster incidents affecting Delaware;
- Revised the Delaware Emergency Operations Plan (DEOP) and developed hazard specific annexes to comply with the Incident Command Structure (ICS) format;
- Conducted required quarterly Radiological Emergency Planning (REP) exercise with state, local and utility partners;
- Participated with zero discrepancies in the federally graded hostile action-based drill;
- Reviewed state and local emergency plans for compliance and integration with the DEOP;
- Improved capability to secure federal disaster declarations and administer federal disaster recovery;
- Continued to foster private-public and state-local partnerships to coordinate information and resources for emergency planning, response and recovery;
- Maintained Storm Ready status, as recognized by the National Oceanic and Atmospheric Administration;
- Supported and maintained a mobile radiation monitoring vehicle for gathering radiological information and electronic relay to the state Emergency Operations Center (EOC); and
- Administered federal grants, providing equipment, training, exercise and planning activities to over 10,000 emergency response personnel to improve their terrorism preparedness.

## ACTIVITIES

- Plan, train, coordinate and support response efforts of all-hazard homeland security issues, including

chemical, biological, explosive, incendiary, radiological, technological and natural or storm-related hazards.

- Review and sustain the DEOP as a living document for compliance with federal guidance and complete the development of Hazard Specific Annexes.
- Provide position-specific training to DEMA staff and state EOC participants, which includes local, state, private sector and non-governmental partners on the DEOP and EOC procedures.
- Coordinate review of emergency plans with state and local partners.
- Conduct emergency management/response training statewide to prepare for, respond to and recover from incidents.
- Update standard operating procedures for the EOC to comply with ICS standards.
- Develop a comprehensive Delaware shelter strategy for community shelters, serving general population evacuees, as well as evacuees with medical and developmentally disabled needs, unaccompanied minors and pets.
- Support protective action and resource collaboration planning for the Delmarva Peninsula.
- Participate in emergency planning for the developmentally disabled and special needs communities.
- Conduct annual THIRA, SPR and other federally required reports pertaining to mandated U.S. Department of Homeland Security and FEMA requirements.
- Maintain preparedness in order to activate the EOC as the central point of coordination and support for pre-disaster, ongoing and post-disaster recovery activities.
- Coordinate post-emergency recovery efforts with local, state and national partners.
- Conduct, coordinate and support exercises to deliver services during domestic threats and natural or technological emergencies.
- Prepare for and conduct federally graded REP exercise.
- Maintain the Delaware Emergency Notification System, a statewide system for rapidly notifying the public by telephone in the event of an emergency.

### ***HIGHWAY SAFETY*** ***45-01-40***

#### MISSION

The Office of Highway Safety (OHS) is committed to improving safety on Delaware roadways through the administration of federal highway safety funds, the analysis of crash data to identify problem locations and priority areas and the development and implementation of countermeasures to combat unsafe driving behavior.

#### KEY OBJECTIVES

- Coordinate high-visibility enforcement and public awareness initiatives to improve highway safety statewide, specifically:
  - Increase the statewide seatbelt use rate;
  - Decrease the percentage of impaired driving-related fatalities;
  - Decrease the percentage of speeding-related personal injury crashes; and
  - Decrease the percentage of motorcycle fatalities.
- Continue to support Traffic Records Coordinating Committee partners' efforts to enhance existing traffic records systems to aid in accurate, timely and complete data analysis.

#### BACKGROUND AND ACCOMPLISHMENTS

OHS coordinates highway safety initiatives focused on public outreach and education, high-visibility enforcement and collaboration with state and local governments and various other highway safety partners. Programming resources are directed to the following identified highway safety priority areas: occupant

protection, impaired driving, speeding, traffic records and motorcycle safety.

In cooperation with DSP, county and local law enforcement agencies, efforts to increase seatbelt and child restraint use include participation in the national Click It or Ticket campaign, coordination of additional overtime enforcement and the development of a high-visibility outreach campaign. OHS also offers a child safety seat fitting station in each county where parents and caregivers can have their car seat installed for free.

To reduce the incidence of impaired driving and speeding, OHS coordinates the State's participation in the National Highway Traffic Safety Administration Region 3 impaired driving enforcement and public awareness initiative (Checkpoint Strikeforce) and the Respect the Sign enforcement and public awareness program.

OHS continues to work with various partners to upgrade existing traffic record systems, and to create education and enforcement campaigns designed to decrease the incidence of motorcycle crashes.

OHS also coordinates initiatives designed to decrease distracted driving, increase the safety of pedestrians on Delaware roadways and reduce the number of crashes involving teen drivers.

#### ACTIVITIES

- Management of federal and state highway safety funds, distribution of federal funds to identified agencies and the preparation of the Annual Highway Safety Plan and Annual Evaluation Report.
- Identification of the types of crashes that are occurring, the crash locations and the primary contributing circumstances leading to these crashes.
- Monitoring legislative activities that impact highway safety.
- Monitoring the effectiveness of approved highway safety projects.
- Developing and coordinating public awareness and outreach activities with an emphasis on the identified priority areas.

## ***DEVELOPMENTAL DISABILITIES COUNCIL*** ***45-01-50***

### **MISSION**

The mission of the Developmental Disabilities Council (DDC) is to promote and embrace inclusion, equality and empowerment for persons with disabilities.

### **KEY OBJECTIVES**

- The council advocates for change and educates communities to be responsive and sensitive to the needs, preferences and choices of all people with developmental disabilities and their families, which will enhance their participation in life and society. This is achieved through:
  - Holding agencies accountable;
  - Facilitating access to culturally competent services;
  - Educating the public and policy makers; and
  - Funding projects that promote systems change.

### **BACKGROUND AND ACCOMPLISHMENTS**

The DDC is authorized by Public Law 106-402 to address the unmet needs of people with developmental disabilities through system-wide advocacy, planning and demonstration projects.

### **ACTIVITIES**

- **Partners in Policymaking:** This trademarked and nationally recognized program runs for one weekend a month for eight months. It teaches self-advocacy skills to adults with disabilities and the parents of children with disabilities. It enables graduates to become successful advocates for themselves, their family members and the disabled community.
- **Legislation, Independence through Assistive Technology, Family and Education Conference:** This annual conference is the largest disabilities-related conference in the State. It is a multi-agency collaboration that consists of 12 workshops in four main tracks involving disability issues.
- **Delaware People First (DPF):** The council has been instrumental in assisting the leadership of DPF to achieve 501(c)(3) nonprofit status. The council will continue to support DPF's efforts to foster and grow self-advocacy skills among persons with disabilities in Delaware.

- **Launch Space:** The goal of this project is to increase the number of persons with disabilities engage in self-employment.
- **Transition Training Modules:** This project focuses on developing a series of transition training modules to prepare youth, young adults with disabilities and their families to successfully transition from youth to adult services in Delaware. Training will continue to be conducted throughout the State. The modules will also be put on websites of the State's disability organizations, so youth with disabilities and their families can view them at their leisure.

## ***STATE COUNCIL FOR PERSONS WITH DISABILITIES*** ***45-01-60***

### **MISSION**

The mission of the State Council for Persons with Disabilities (SCPD) is to unite in one council disability advocates and state agency policy makers to ensure individuals with disabilities are empowered to become fully integrated within the community.

### **KEY OBJECTIVES**

- Promote legislation strengthening accessible parking laws.
- Advise the Department of Health and Social Services (DHSS), Division of Medicaid and Medical Assistance (DMMA) on the implementation of the Money Follows the Person program and rebalancing of long-term care funds.
- Monitor and advise DHSS regarding the Pathways to Employment program and Vision Quest Communication plan.
- Amend the current assessment form related to cognitive and behavioral deficits.
- Introduce and pass legislation to amend the personal attendant services program.
- Advocate for increased services and programs for individuals with acquired brain injuries. Implement the pilot Traumatic Brain Injury fund and advocate

for legislation, which will sustain funding for the program.

- Promote passage of House Bill 196, which adds “source of income” as a protected class under the Delaware Fair Housing Act.
- Monitor and make recommendations regarding public paratransit services.
- Promote legislation that better defines the State’s role in addressing Americans with Disabilities Act (ADA) complaints in places of public accommodation.
- Promote legislation that improves guardianship laws relating to people with disabilities.
- Implement the requirements of the Employment First Oversight Commission, as required by House Bill 319.

## BACKGROUND AND ACCOMPLISHMENTS

SCPD analyzes and promotes state, federal and local legislation, regulations, programs and policies to ensure they effectively meet the needs of persons with disabilities in Delaware. SCPD is a cross-disability council created by Delaware Code. Membership includes state agencies, providers, advocacy organizations, individuals with disabilities and their family members. The council addresses a vast scope of disability-related issues including, but not limited to, housing, employment, transportation, workforce, healthcare and community-based services.

SCPD has been critical in the passage of the following pieces of legislation:

- House Bill 30, which mandates a statewide attendant services program;
- House Bill 447, which strengthens accessible parking laws for people with disabilities;
- House Bill 154, which makes it easier to integrate community-based housing for all persons with disabilities and eliminates provisions that are invalid under the Federal Fair Housing Act;
- Senate Bill 121, which provides opportunities for persons with disabilities in state employment;
- Senate Bill 261, which creates an exception to the Nurse Practices Act and clarifies that competent individuals should be allowed to delegate health care acts to others;
- House Bill 433, which creates a lemon law for assistive technology devices;
- House Bill 355, which ensures eligible persons may receive services from DHSS, Division of Services

for Aging and Adults with Physical Disabilities even when those persons are receiving primary case management services from another state agency;

- House Bill 83, which requires accessible call buttons at gas stations to assist drivers with disabilities with refueling activities;
- House Bill 237, which requires automatic doors or accessible call buttons at newly-constructed businesses and places of public accommodation; and
- Senate Bill 285, which promotes accessibility of polling locations.

SCPD initiated the revamping of the regulations for group homes for people with mental illness and staffed two committees of the Commission on Community-Based Alternatives for Individuals with Disabilities. The council has been involved with numerous amendments to state regulations, policies, programs and other legislation that affect persons with disabilities and their families.

SCPD also houses the State’s ADA Coordinator position, which mediates grievances and issues regarding ADA as it pertains to state agencies. In addition, this position coordinates various training on disability-related issues. SCPD also houses the Council on Deaf and Hard of Hearing Equality.

## ACTIVITIES

- Review all state policies, plans, programs and activities concerning persons with disabilities to determine whether such policies, programs, plans and activities effectively meet the needs of persons with disabilities.
- Make recommendations to the Governor, General Assembly and all state agencies on ways to improve the administration of services for persons with disabilities and facilitate the implementation of new or expanded programs.
- Propose and promote legislation, regulations and policies to improve the wellbeing of persons with disabilities.

## ***DIVISION OF GAMING ENFORCEMENT*** ***45-01-70***

### **MISSION**

The Division of Gaming Enforcement (DGE) is committed to ensuring the integrity of Delaware's gaming industry. This is accomplished by identifying and engaging in contemporary, professional and ethical enforcement initiatives. To this end, DGE is founded upon a three-pronged organizational structure: applicant/vendor background investigations, criminal enforcement/investigations and intelligence gathering. These three distinctive components work together to provide a comprehensive approach to ensuring the integrity of the gaming industry in Delaware.

### **KEY OBJECTIVES**

- Ensure a safe and lawful environment for the visitors and employees of Delaware's casinos.
- Ensure suitability of casino employees and vendors through thorough background investigations.
- Provide continued investigative, technical and intelligence gathering training for employees in support of the Delaware Gaming Competitiveness Act of 2012.
- Monitor daily casino activity reporting requirements.
- Ensure the most efficient use of personnel and assets through the use of technology, principles of intelligence-led policing and the strategic planning process.
- Partner with other law enforcement and regulatory agencies on issues of mutual concern.

### **BACKGROUND AND ACCOMPLISHMENTS**

DGE was created with the implementation of table games in Delaware's three gaming venues: Delaware Park, Dover Downs and Harrington Raceway. Since their creation, DGE has taken the lead with surrounding jurisdictions regarding sharing of criminal intelligence germane to the casino industry through regional intelligence conferences and improved relationships with surrounding venues. DGE has also built a solid reputation for thorough suitability investigations to obtain licensure by the Delaware Lottery and recommended sanctions for regulatory violations.

### **ACTIVITIES**

- Deter, detect, investigate and prosecute criminal offenses relating to gaming in a video lottery facility or elsewhere and relate it to the operation of the Delaware Lottery.
- Gather, analyze and disseminate intelligence information regarding casino-related crimes to law enforcement partners and video lottery facilities, as permitted by law.
- Investigate the background, qualifications and suitability of each applicant prior to licensing by the Director of the Delaware Lottery.
- Assist the Delaware Lottery in the consideration, promulgation and application of its rules and regulations.
- Exchange information with and receive criminal history information from the Federal Bureau of Investigation for use in considering applicants for any license or registration issued by the State Lottery Office.
- Request or receive information, materials and any other data from any licensee, registrant or applicant for a license or registration.
- Notify the State Lottery Office of any information that may affect the continued qualifications or suitability of any licensee or registrant.
- Maintain the Involuntary Exclusion list to exclude from all licensed video lottery facilities persons whose presence would be inimical to the interest of the State of Delaware or lottery operations therein.

and quantitative scientific analysis of chemical and biological evidence samples.

## KEY OBJECTIVES

- Support the State's law enforcement agencies through the scientific analysis of drug evidence.
- Complete investigations and analysis in an accurate and timely manner.
- Investigate the essential facts surrounding sudden, accidental or suspicious deaths.
- Establish the cause and manner of death within reasonable medical certainty for all investigated deaths.
- Determine the positive identity of unidentified human remains.
- Maintain the State's DNA database.

## BACKGROUND AND ACCOMPLISHMENTS

The Office of the Chief Medical Examiner, established in 1970, was transferred to the Department of Safety and Homeland Security in July of 2014, becoming DFS. It exists to investigate all sudden, accidental or suspicious deaths that occur in Delaware.

During Fiscal Year 2014, DFS:

- Investigated 4,519 deaths;
- Received 5,959 forensic evidence cases;
- Analyzed 3,518 controlled substances cases;
- Analyzed 63,328 controlled substances evidence exhibits;
- Received 200 DNA cases;
- Received 39 arson cases;
- Performed toxicology analysis on 807 Driving Under the Influence (DUI) cases;
- Performed 2,303 corresponding tests;
- Performed toxicology analysis on 861 post-mortem cases; and
- Performed 2,803 corresponding tests.

## ACTIVITIES

- Conduct medicolegal investigation of all sudden, accidental or suspicious deaths.
- Perform post-mortem examinations.
- Identify human remains.
- Analyze post-mortem toxicology samples.
- Perform scientific analysis of drug evidence.
- Provide transportation of drug and biological evidence to the Forensic Sciences Laboratory.

- Analyze urine and blood samples for the presence of drugs and alcohol.
- Analyze biological evidence for the presence of DNA.
- Maintain a convicted felons DNA database.
- Analyze arson evidence for the State's Fire Marshal.
- Provide court testimony by pathologists, other forensic scientists and medicolegal investigators.

**OFFICE OF THE ALCOHOLIC BEVERAGE  
CONTROL COMMISSIONER**  
**45-03-00**

**MISSION**

To ensure the health, safety and welfare of the public by regulating the activities of the alcoholic beverage industry while permitting open competition and legal marketing practices that meet the lawful needs and convenience of the consumer.

**KEY OBJECTIVES**

- Revise and streamline the rules governing the alcoholic beverage industry.
- Develop a strategic plan and operating policies.
- Revise and maintain an updated and accurate file system to enable the prompt and accurate dissemination of information regarding licensees.

**BACKGROUND AND ACCOMPLISHMENTS**

Delaware has a three-tier system for the sale of alcoholic beverages: suppliers, wholesalers and retailers. The State's control over the business of alcohol consumption, distribution and sale is performed through the licensing and enforcement process. Strict lines between suppliers, wholesalers and retailers exist, so there is no controlling interest among the three.

The Delaware Alcoholic Beverage Control Commission underwent Joint Sunset Committee review from 1998-2000. Pursuant to House Bill 660, a new system for the regulation of the alcoholic beverage industry was established. Effective December 1, 2000, regulation of the industry became the responsibility of the Alcoholic Beverage Control Commissioner, who is appointed by the Governor and confirmed by the Senate. The Commissioner's decisions may be appealed to a three-member Appeals Commission, whose members are also appointed by the Governor and confirmed by the Senate.

Pursuant to House Bill 660, enforcement of 4 Del. C. and the rules of the Office of the Alcoholic Beverage Control Commissioner shall remain with the Division of Alcohol and Tobacco Enforcement (DATE), with the Commissioner holding administrative hearings and rendering decisions on these prosecutions.

## ALCOHOL AND TOBACCO

### ENFORCEMENT

45-04-00

#### MISSION

To protect the health, safety and welfare of people in Delaware through the enforcement of liquor and youth access to tobacco laws, while maintaining the highest state of preparedness for responding to threats against homeland security.

#### KEY OBJECTIVES

- Continue enforcing the State Liquor Control Act and rules of the Alcoholic Beverage Control Commissioner and Appeals Commission.
- Continue enforcing state and federal statutes on the prohibition of the sale of tobacco to minors.
- Produce public awareness and educational programs regarding the responsible use of alcoholic beverages and tobacco products.

#### BACKGROUND AND ACCOMPLISHMENTS

DATE is a recognized leader in alcohol and tobacco prevention and known for unwavering commitment to community education initiatives. Dedicated to decreasing the illegal use of alcohol, DATE promotes responsible distribution of alcoholic beverages by licensees, responsible consumption by those of legal age and zero-tolerance for underage consumption.

DATE agents are sworn and certified police officers, vested with statewide authority of arrest for commissioner rule violations, as well as any other Delaware criminal law violation. DATE agents have a diverse range of duties from investigating resident complaints and conducting underage sale compliance checks to enforcing criminal laws and commissioner rules in more than 2,000 licensed establishments. DATE agents attend yearly training to maintain the highest state of preparedness for responding to threats against homeland security and provide security to DEMA during heightened security alerts and exercise drills on the campus.

DATE continues its mission by working with federal agencies and local law enforcement to enforce the prohibitions on the sale of alcohol and tobacco products to minors and has assumed an active role in homeland security. or bootleg items; such as cigarettes, CDs, DVDs and popular apparel. In coordination with the Federal Bureau of Alcohol, Tobacco, Firearms and Explosives, DATE increased its emphasis on interdiction of illegal alcohol and tobacco being transported through Delaware.

At the state level, DATE continues to work with DHSS, Division of Public Health and the Department of Services for Children, Youth and Their Families to continue the implementation of the statewide strategy for compliance with the Federal Synar Amendment.

In December 1999, the division implemented a zero-tolerance policy on retailers who sold tobacco to youth under age 18. By August 31, 2002, the compliance rate had risen dramatically from 67 to 97 percent and remains at a similar rate today, which is significantly higher than the target compliance rate (80 percent) mandated by the federal government.

The Rewards program for compliant tobacco retail clerks, in which they receive a reward when they do not sell tobacco products to the cooperating underage witness (CUW), contributed to Delaware having the highest compliance rate in the nation. DATE also created a website that contains information for the public and online reporting for agents while out in the field. The agents can access the website from mobile data terminals in their undercover police vehicles.

## STATE POLICE

**45-06-00**

### MISSION

To provide residents and visitors in the State with a professional and compassionate police service, including prevention of and response to acts of terrorism.

### KEY OBJECTIVES

- Continue to reduce violent crimes and Part I crimes within the DSP service area.
- Maintain or reduce complaints investigated per officer, particularly in the fastest growing areas of the State.
- Reduce highway crashes and resultant fatalities and injuries, focusing in particular on curbing identified aggressive driving behaviors.
- Implement and support technology improvements and maintain existing systems, which maximizes officer productivity, enhances data accuracy and collection and facilitates meaningful participation in the nation's homeland security efforts.
- Continue training to address growing or emerging crime trends, including those related to terroristic activities.
- Recruit and retain a diverse and well-trained workforce.

### BACKGROUND AND ACCOMPLISHMENTS

DSP has undertaken or expanded several projects that have directly improved the delivery of services.

- Implemented the Omega "CrimeView" Dashboard, the most widely used crime analytic and mapping tool in North America, allowing for near real-time analytics and mapping of all police incidents in the State to enhance deployment strategies for crime reduction and traffic safety initiatives.
- Initiated a fatigue management program, maximizing duty performance for employees operating in the high-risk profession of law enforcement.
- Expanded community outreach initiative programs to include best practices in the field of community policing, aimed at increasing public trust and reducing violent crime.
- Implemented the Crash Analysis Reporting System, a software program that provides real time

information pertaining to crashes on Delaware's roadways and provides predictive analysis to allow for resources to be directed to problem areas in an effort to prevent crashes.

- Expanded the use of social media (Twitter, Facebook, DSP website and others) and a new Crime Tips smartphone application to provide communities and businesses with real time criminal and traffic updates, allowing instantaneous citizen reporting of suspicious criminal activity, missing persons and safety hazards.

## OFFICE OF THE SECRETARY

55-01-00

### MISSION

To represent the Governor on issues involving transportation and to provide leadership as the department strives to be a transparent, efficient and accountable institution in which safety, performance management, customer satisfaction and being fiscally responsible are of the highest priority.

### KEY OBJECTIVES

- Provide leadership and direction to the department in support of the statewide Long-Range Transportation plan.
- Enhance working relationships between the department and various external groups, including but not limited to, other state agencies, the legislature, municipal governments and civic associations.
- Assist the department in the protection of public assets and recovery of damages to those assets as allowed by law.
- Develop and maintain a Continuity of Operations Plan to ensure core business functions are performed during major disruptions of normal business activities.
- Serve as steward of the department's financial functions, financial statement preparations and federal, state and department independent audit processes.
- Conduct public relations activities that support the construction and maintenance of a nationally recognized system benefiting travelers and commerce.
- Foster a workplace environment that embraces all diversity and encourages respectful treatment of all individuals.
- Provide outreach at universities, schools, job fairs and diversity organization events to encourage awareness of career opportunities at the department.
- Provide key training that is relevant, based on current operational needs and provides a foundation for both career enhancement and advancement within state government.

### BACKGROUND AND ACCOMPLISHMENTS

The Office of the Secretary provided leadership and direction for the department during Fiscal Year 2014. Major accomplishments include:

- Established a department-wide performance management program to track performance and efficiency;
- Implemented an automated, criteria-based prioritization process for creating the six-year Capital Transportation Program;
- Established the Delaware Department of Transportation (DelDOT) Leadership Academy with a first class of eight graduates;
- Established a \$50 million revolving line of credit to mitigate federal payments risk;
- Refinanced \$118 million and refunded \$10 million of Delaware Transportation Authority bonds, generating \$9 million of interest expense savings over five years;
- Decreased outstanding debt, from a peak in Fiscal Year 2011 of \$1.2 billion to \$865.0 million;
- Reduced the annual debt service payment by \$31.1 million, from a peak of \$134.4 million in Fiscal Year 2012 to \$103.1 million;
- Returned Delaware Transit Corporation (DTC) to the State of Delaware Workers' Compensation program, avoiding an estimated \$2.5 million of incremental third-party insurance premiums; and
- Received legislative approval and implemented a \$1 increase to State Route (SR) 1 weekend tolls, generating an estimated \$8 million of incremental revenue in Fiscal Year 2015, \$10 million in Fiscal Year 2016.

### PLANNING 55-03-01

#### MISSION

To provide excellence in transportation through an inclusive and comprehensive transportation planning and permitting process that seeks solutions to the State's transportation needs by balancing safety, choice, environmental stewardship, economic development, financial accountability and quality of life.

#### KEY OBJECTIVES

- Work with internal and external customers to create plans that result in a comprehensive system of transportation options in coordination with state policies and local government comprehensive plans.
- Provide transportation information and advice to local governments with land use decision-making responsibilities to help coordinate zoning, subdivision and annexation decisions among state agencies, counties and municipalities.
- Coordinate with local land use agencies in the assessment of impacts of land use proposals on the transportation system.
- Support the State's efforts to discover and solve transportation problems by collecting, analyzing, summarizing and publishing transportation-related data, including customer service and satisfaction data.
- Develop the department's six-year Capital Transportation Program in coordination with local Metropolitan Planning Organizations (MPO), Sussex County and other divisions.

#### BACKGROUND AND ACCOMPLISHMENTS

Planning works to address the mobility needs of Delaware residents and visitors through the systematic identification and definition of transportation problems within Delaware and, where appropriate, with counterparts in adjoining states to solve transportation problems that are regional in nature. Planning strives to provide its customers with the opportunity to use all transportation modes in a manner consistent with state policies, county and local comprehensive plans and the wishes of affected communities within the bounds of fiscal and environmental constraints.

Planning recently completed an enhancement to the project prioritization process. This enhancement utilizes an analytical hierarchy process to weigh criteria in accordance with DelDOT's current mission, vision and goals to provide better transparency.

Planning is involved with local governments and other state agencies in making decisions about prospective changes in land use. This includes providing technical analysis and advice regarding proposed policies and standards, comprehensive plans, zoning and re-zoning, site plans and the issuance of entrance (driveway) permits.

Planning also supports the department through data services, which involve the collection, storage, quality control, analysis and publication of various data items, including traffic volume, accident statistics, roadway information and other transportation system and user characteristics.

Planning develops, and continually refines, transportation strategies for maintaining conformity with federal air quality standards and undertakes community-based transportation plans. Planning also develops and maintains long-range transportation plans and other statewide programs, including the Transportation Alternatives program.

Planning is in a multi-year effort to improve the data quality and accessibility of the Traffic Count program, update the technology used in mapping geographic-based information systems and automate the Highway Performance Monitoring System process.

## MAINTENANCE AND OPERATIONS

55-04-00

### MISSION

To provide excellence in transportation by keeping the State's road transportation network in a state of good repair through the careful and consistent application of personnel, equipment and financial resources.

### KEY OBJECTIVES

- Perform emergency response to weather events, including winter snow removal and seasonal responses to conditions.
- Manage the Community Transportation Fund (CTF), ensuring requests are estimated, responded to and funded in an appropriate timeframe.
- Manage equipment fleet maintenance to have assets functional and available as needed to support highway system maintenance activities.

### BACKGROUND AND ACCOMPLISHMENTS

Maintenance and Operations is responsible for the daily operation and maintenance of Delaware's multi-modal transportation network within established levels of service. This responsibility includes maintaining highway lighting, roadways, bridges, drainage, vegetation, sweeping and landscaping.

Major accomplishments include:

- Conducted 17,017 maintenance inspections on storm sewer structures and 524 stormwater best management practices for condition, functionality and water pollutant detection;
- Conducted safety training on snow plows, chain saws, electrical, fire suppression, job site safety analysis and avoiding backover and rollover incidents;
- Calculated work-related injury rates and performed data analysis to identify trends by incident category and location; and
- Continued to use bio-diesel fuel in the fleet to reduce the impact of fuel on air quality.

### ***MAINTENANCE DISTRICTS*** ***55-04-70***

#### ACTIVITIES

- Identify and manage fiscal resources necessary by providing analytical evaluations and planning support.
- Offer appropriate resource center training opportunities to improve maintenance troubleshooting, operator work processes and promote safety for equipment operators and mechanics, as well as to provide career advancement opportunities for staff.
- Update and maintain the certification tracking application and certification manual for all equipment operators.
- Manage, implement and maintain the National Pollutant Discharge Elimination System and Municipal Separate Storm Sewer System.
- Maintain an incident response plan that ensures the removal of snow/ice and wind/flooding hazards in a reasonable time frame.
- Maintain roadside vegetation, drainage maintenance, overhead highway lighting and outdoor advertising activities along the right-of-way statewide.
- Provide roadway maintenance including pothole patching, highway sealing (joints and cracks), concrete and asphalt patching, bump removal, sweeping and material management by digging, hauling and stockpiling materials.

## DELAWARE TRANSPORTATION AUTHORITY 55-06-01

### MISSION

To provide excellence in transportation through the provision of a range of high-quality public transportation service options that satisfies the needs of the customer and the community.

### KEY OBJECTIVES

- Make data driven decisions to improve efficiency and cost effectiveness of the transit system.
- Increase revenue by implementing an equitable fare structure for bus and train service.
- Maintain the highest on-time performance rate for fixed-route and paratransit services, while observing all safety measures and requirements.
- Implement a plan and design appropriate infrastructure consistent with the recommendations of the 2012 State Smart Transit Initiative and 2014 Wilmington Transit Moving Forward reports to reduce bus congestion in downtown Wilmington.
- Ensure assets meet the MAP-21 State of Good Repair guidelines through effective preventative maintenance and timely replacement.
- Revise and update policies and training programs to help reduce the number of preventable accidents.
- Implement a preventative maintenance program for facility cameras and upgrade bus surveillance cameras for wireless downloads and increased video capacity.
- Utilize a light duty return to work program to reduce the cost of workers' compensation claims.
- Implement a Transit Redesign program to improve the quality and efficiency of DTC services and provide better access to jobs, schools, shopping and other destinations.
- Expand customer outreach activities, improve communications with customers and ensure communications are accessible to those with disabilities or limited English proficiency.
- Reduce environmental impact of operations by utilizing alternative energy sources to fuel vehicles and run facilities.

### BACKGROUND AND ACCOMPLISHMENTS

DTC operates the public transit system and manages public transport assets within Delaware, including bus service along fixed routes (DART First State), specialized paratransit services for individuals with disabilities or elderly patrons and individuals requiring dialysis treatments and commuter rail services. DTC also coordinates the RideShare Delaware program that promotes carpooling and other non-single occupancy vehicle modes of transportation.

Recent accomplishments include the following:

- Delineated ADA paratransit and demand response services in order to properly measure and report to the Federal Transit Administration DTC's performance in meeting ADA requirements;
- Increased fares on fixed route, paratransit and demand response services;
- Expanded service to New Castle County:
  - Sunday service expanded to Route 40; and
  - Sunday service hours extended from 6 p.m. to 8 p.m.;
- Extended Kent County weekday service hours from 6 p.m. to 9 p.m. on all routes;
- Converted gasoline engines on five paratransit vehicles to operate on propane fuel, which is cleaner-burning and less expensive than gasoline;
- Replaced missing and/or damaged glass in over 100 bus shelters statewide with thicker, more durable half inch glass and scheduled approximately 25 bus shelters to receive the thicker glass, which means 95 percent of DTC's shelters will have the thicker glass by the end of Fiscal Year 2015, reducing operating costs associated with graffiti removal;
- Began a multi-year State of Good Repair project to improve bus stops statewide and to bring them into compliance with ADA;
- Recognized over 68 percent of eligible employees for having no preventable accidents for calendar year 2013;
- Provided New Freedom transportation services to individuals with disabilities statewide that focused on days/times when DART Paratransit was not available;
- Continued construction of a third track, and related improvements, on the Northeast Corridor south of Wilmington to expand rail capacity and improve performance of commuter and intercity train services;
- Continued design of Newark Regional Transportation Center to serve the City of Newark,

### ACTIVITIES

- Collaborate with stakeholders to improve fixed route, paratransit and commuter rail services.
- Develop new flex route services for Georgetown, Millsboro and Seaford.
- Market transit to increase ridership on all modes.
- Increase revenue through paid display advertising on buses and state-owned railcars.
- Encourage advanced technologies that reduce fuel consumption, emissions and vibration.
- Respond to and address service requests, complaints and suggestions in a prompt, fair and thorough manner.
- Improve the workforce through targeted trainings and reviews.
- Review current financial, operating, safety and customer service for incorporation into a new Performance Management plan.
- Support rail freight service to Delaware businesses, including operation of state-owned railroad lines.
- Complete installation of new CAD/AVL software.

## TRANSPORTATION SOLUTIONS

### 55-08-00

### MISSION

To provide excellence in transportation by developing, constructing and maintaining the State's infrastructure in a manner that results in a safe, cost-effective and efficient multi-modal transportation network that enhances mobility, commerce and livability. In addition, Transportation Solutions provides high quality support services to other divisions in the department.

### KEY OBJECTIVES

- Consistently deliver high-quality projects from concept through construction and ensure projects are completed as scheduled in the Capital Transportation Program.
- Acquire property interests needed for protecting and improving the State's transportation system.
- Maximize operational efficiency of the transportation infrastructure by effectively using technology, such as video cameras and signal system coordination.
- Continue to design and manage the rehabilitation and replacement of all bridges determined to be structurally deficient according to federal rating criteria.
- Continue to manage the preservation and rehabilitation of all state maintained roadways by maintaining a pavement system rating of at least 85 percent fair or better.
- Comply with all ADA standards relating to curb ramps.
- Maintain high quality materials, traffic control devices, signage, pavement markings and surfaces of quality for the traveling public.

### BACKGROUND AND ACCOMPLISHMENTS

Transportation Solutions coordinates all activities required to prepare plans, provide right-of-way services (appraisal, acquisition, relocation, property management and disposal), environmental services (assess impacts and coordinate all necessary permits and approvals associated with natural and cultural resource compliance issues) and construct transportation projects involving the roadway network, bridges, transportation facilities, railroad crossings, traffic markings, traffic control

devices and toll roads, including the quality assurance and control responsibilities for both development and construction.

Significant accomplishments include:

- Advertised 32.1 percent of the projects as scheduled;
- Awarded over \$306 million in new contracts;
- Prepared construction plans, specifications and estimates for 105 contracts;
- Used 132,934 tons of recycled asphalt pavement in the hot-mix tonnage produced, saving on material costs;
- Used 40,287 tons of warm-mix asphalt, lowering the energy costs associated with the production of pavement materials;
- Completed improvements at 21 railroad crossings, including installation of cantilevered flashing lights, new crossing gates, new crossing surfaces and four ADA compliant pedestrian accesses;
- Completed Bridge 2-195A on West Railroad Avenue over Isaac Branch, Bridge 2-033 on SR 15 Canterbury Road over Hudson Branch, Bridge 2-158A on Chestnut Grove Road over Calhoun Branch, Bridge 2-112 on K112 on Burrsville Road over Saulsbury Ditch, Bridge 2-114C on Todd's Chapel Road over Tomahawk Branch and Bridge 2-016B on K016 North Little Creek Road over Little Creek River;
- Continued construction of the I-95 and SR 1 interchange project, the I-95 and U.S. 202 interchange, the Carter Road project, Washington Street Sidewalks and SR 141 Newport Viaduct bridge rehabilitation;
- Continued construction of a missing link of the Northern Delaware Greenway, along Talley Road north of Wilmington; completed the construction of the SR 1 at SR 30 grade separation project; started construction of SR 26 Atlantic Ave from Clarksville to Assawoman Canal, U.S. 13 Seaford intersection improvements, South Union Street and rehabilitation of SR 896 bridges over I-95;
- Continued final design and right-of-way acquisition phases on U.S. 301 Mainline project and started early action relocation of utilities;
- Started early action utility relocations on the West Dover Connector;
- Continued final design for the reconstruction and enhancement of the Newark Regional Transportation Center (NRTC);
- Continued to enhance real-time traffic flow information on the DelDOT website, including travel time information for four critical corridors;

- Designed 79 standalone traffic signal lighting and Intelligent Transportation System (ITS) projects, including pedestrian upgrades, asset management improvements, safety upgrades, fire signals, fiber optic telecommunications lines and WTMC radio repeater sites;
- Constructed and installed 72 traffic signal and ITS devices;
- Fabricated 25,633 signs and 14,058 decals;
- Performed traffic impact damage inspections for six bridges;
- Completed 769 scheduled bridge inspections, 200 sign structure inspections and 37 dam inspections;
- Published proposed changes to the Delaware Utility Manual Regulation in the Delaware Register;
- Held annual winter workshops to disseminate information to designers, construction inspectors, contractors and consultant personnel;
- Completed design of the SR 1 Pedestrian Improvement project, Plantations Road/Cedar Grove Road/Postal Lane Intersection Improvement project, and the West Dover Connector;
- Completed the expedited acquisition of property required for the Dover High School sidewalk project;
- Executed a Section 106 Programmatic Agreement with the State Historic Preservation Office and FHWA delegating a portion of cultural resource compliance authority; and
- Successfully obtained permit approvals for 14 design projects, 32 district maintenance projects, five bridge management projects, one emergency maintenance project and one emergency design/build project.

### *PROJECT TEAMS* 55-08-30

#### ACTIVITIES

- Define and solve transportation problems in a way that meets community transportation needs.
- Prepare all roadways, safety improvements, paving programs, corridor and area-wide concepts and construction plans in a context-sensitive manner, including ADA compliance.
- Manage the department's construction program, including daily field inspections of contractors' work to ensure on-time delivery of completed roadway improvements within the established project budgets.
- Prepare safe, efficient and reliable bridge designs and construction plans in a context-sensitive manner to improve the quality of the State's bridge inventory.
- Manage the pavement network by evaluating and prioritizing needed improvements to the system.
- Perform systematic inspection of bridges, dams and overhead structures to prioritize repair work and maintain adequate bridge sufficiency rating.
- Perform package and quality checks on all design plans, contracts, specifications and estimates to enable on-time advertisement and to minimize addendums.
- Improve the safety and ride ability of the State's railroad at-grade crossings.
- Ensure acceptable material quality and construction performance through inspection and verification.

## MOTOR VEHICLES

55-11-00

### MISSION

To provide excellence in transportation by providing courteous and efficient service to the public while protecting Delaware residents by establishing the validity of licensed drivers and ensuring safe and non-polluting vehicles are operated on Delaware roadways. Also, by providing a safe, efficient and environmentally-sensitive toll network that offers a variety of convenient, cost-effective options for processing all vehicular traffic.

### KEY OBJECTIVES

- Issue secure and accurate driver license and identification cards while ensuring those individuals obtaining Delaware credentials are representing their identity accurately, are in the country legally, meet all the requirements for obtaining driving privileges and have demonstrated their Delaware residency.
- Handle vehicle registrations, problem drivers and commercial drivers, and maximize the collection of motor fuel taxes, toll receipts and other revenues in accordance with applicable state and federal laws.
- Maintain an investigative unit to manage licensed vehicle dealer activities, deter fraud, identify theft and monitor internal activities, ensuring system security and customer confidence.
- Ensure the division has an effective employee development and succession planning process in place by continuing to offer the award-winning Manager in Training program to employees.
- Provide outreach programs and services to enhance the overall quality of service to members of specific populations, such as teen drivers, senior drivers and Hispanic communities.
- Ensure continuous and safe operation of the State's toll roads and facilities.
- Continue management oversight of the lease agreement to operate and maintain the Delaware Welcome Center and Service Plaza on I-95.
- Continuously review all motor vehicle lane facilities and toll plazas to ensure maintenance needs are met and improvements are made as needed.

### BACKGROUND AND ACCOMPLISHMENTS

DMV continues to be one of the most visible divisions serving over 840,000 vehicles and over 650,000 drivers, conducting approximately 1.5 million transactions, over 64 million toll transactions, receiving almost 750,000 telephone calls and collecting over \$420 million in revenue annually.

Some of the division's recent major accomplishments include:

- Opened a new, state-of-the-art, 45,000 square foot DMV facility just outside of Delaware City to replace the New Castle DMV;
- Redesigned the DMV website to allow easier customer access, averaging approximately 6.6 million views over the fiscal year;
- Implemented a quick customer service survey at the end of every in-person transaction resulting in over 300,000 responses in a matter of months and a rating of 99 percent excellent or good;
- Began offering DMV services at all three toll plazas;
- Hosted the American Association of Motor Vehicle Administrators (AAMVA) Annual International Conference in Dover resulting in over \$1.2 million in revenue for Delaware businesses;
- Implemented legislation:
  - To allow farmers to record owner and vehicle information with DMV for farm vehicles that previously were not registered;
  - To modify the definition of a moped to improve registration accuracy and safety;
  - That transfers the oversight and approval of Defensive Driver Course providers from the Department of Insurance to the Division of Motor Vehicles;
  - That enables the division's CDL program to maintain compliance with new Federal Motor Carrier Safety Administration regulations that govern Commercial Learner Permits holders; and
  - That requires all Driving Under the Influence (DUI) offenders to have an Ignition Interlock Device installed on their vehicles regardless of blood alcohol content;
- Added a special identification (ID) station to the Georgetown and Delaware City DMVs, enabling the issuance of Veteran ID cards at all DMV facilities;
- Launched a new driver license road test scheduler that centralizes all road test scheduling statewide to eliminate double booking and reduce road test backlogs;
- Implemented the Parent's Supervised Driving program, by partnering with Safe Roads Alliance, to

## 55-00-00

provide awareness and information about driving laws, rules and regulations to parents of teens who are on Delaware's Graduated Driver License Program, which provides teaching and supervision methods for parents to focus on when instructing their teens how to safely operate a motor vehicle;

- Expanded the driver license and identification card kiosk program by adding six new kiosks to the Delaware City DMV;
- Entered into a reciprocal driver license agreement with Taiwan (Republic of China) to permit the transfer of a Taiwan license for a Delaware license without requiring testing (law and skills), and allowing a Delaware license to be transferred into Taiwan without testing;
- Named by the Presidential Commission on Election Administration as a national model for other state DMVs to look toward when modernizing their voter registration process;
- Completed the Dealer Licensing module, phase 1, of the DMV System Modernization, which will take the division's databases and customer management system off of the mainframe and enable more timely implementation of programming needs;
- Exceeded the division's goal of 70 percent E-ZPass utilization on Delaware toll roads;
- Opened a first in the Nation combined DMV call center/E-ZPass Customer Service Center, operated by Transcore, resulting in:
  - Revitalization of Downtown Dover;
  - Reduction of all first level calls typically handled by front-line, customer-facing DMV employees by 50 percent; and
  - Increased foot traffic in the E-ZPass Customer Service Center;
- Implemented a live web chat option for customers to use when needing information from the DMV, which nearly 5,000 customers utilized since implementation;
- Offered the Motorcycle Rider Education Safety course to nearly 1,800 students;
- Successfully passed social security online verification and commercial driver license federal program audits;
- Exceeded the DMV goal of enrolling 50 percent of all driver license and identification card holders into the Gift of Life Organ Donor program;
- Continued outreach to the Delaware Hispanic community which included:
  - Serving as a member of the Delaware Hispanic Commission;
  - Offering a printed version of the CDL manual in Spanish;

- Attending Festival Hispano, Hispanic Heritage Celebration, New Castle Farmer's Market and the Hola Media Banquet;
- Advertising in *Hoy en Delaware*, radio advertising on Maxima 900AM and La Exitosa 930AM; and
- Participated in radio interviews on Maxima 900AM;
- Implemented online vehicle registration renewals; and
- Ensured all dealer title work was completed in 10 days or less.

## 60-00-00

### ADMINISTRATION

#### 60-01-00

#### MISSION

To provide leadership, policy direction, sound management and administrative support to ensure optimum internal and external service delivery to customers.

To provide concise and applicable analyses of Delaware's economic, demographic, occupational and industrial labor market areas in serving as a labor market information clearinghouse.

#### KEY OBJECTIVES

- Continue to ensure the labor market information provided to customers is accurate and current.
- Continue initiatives to create a culture within the department that promotes and values creativity, collaboration, diversity, employee recognition, family-friendly policies, teamwork, professionalism and respect.
- Increase the visibility of the department's services through a strong public relations and marketing campaign.
- Continue to use management information systems including the department's web and Intranet sites, e-government services and videoconferencing, to support effective communications.

#### BACKGROUND AND ACCOMPLISHMENTS

The Administration unit consists of the Office of the Secretary, the Office of Occupational and Labor Market Information (OOLMI) and Administrative Support.

The department continues to undertake initiatives to improve efficiencies for its stakeholders by:

- Continuing to address feedback from staff on how to make the department a better place to work;
- Taking a leadership role in working with other agencies on behalf of mutual constituents; and
- Retaining and developing skilled staff to provide quality customer service on a timely basis and reduce the department's vacancy rate.

The Office of Administrative Support includes the Information Technology Management (ITM) unit. ITM provides operational support to divisions with mainframe applications and shared applications and resources. ITM is responsible for the maintenance and support of all

production file servers, phone systems and network infrastructure. Over the past year, the department has continued to work closely with the Department of Technology and Information on the Information Technology (IT) consolidation.

OOLMI has continued to be a primary source of information about labor market conditions. The office produces analytical and statistical reports on the industrial and occupational structure of the labor market, including supply-demand analysis and employment projections. OOLMI's website provides instant access to all analyses, data and publications, effectively allowing customers to create their own information products. OOLMI publishes the *Delaware Career Compass* annually. This publication, now available in its 22nd edition, serves as a leading educational guide to thousands of Delaware students and job seekers.

## UNEMPLOYMENT INSURANCE 60-06-00

---

### MISSION

To assist in the promotion of statewide economic stability and vitality by providing temporary, partial income maintenance to workers who become unemployed through no fault of their own and by making referrals of unemployed workers to re-employment services.

To ensure adequate funding for the payment of unemployment insurance benefits through the collection of employer taxes.

To contribute to the development of a qualified workforce by collecting a statewide training tax from employers to provide funds for the training of dislocated workers, school-to-work transition, industrial training and other training initiatives.

### KEY OBJECTIVES

- Exceed the federal performance criteria for first payment timeliness of 21 days for 87 percent of all UI claims.
- Exceed the federal performance criteria for establishing new employer tax accounts within 90 days for 70 percent of new employers.
- Achieve a UI Trust Fund balance capable of supporting more than a year of benefit payments at the highest level ever experienced in Delaware.
- Provide UI program services via online and telecommunications options in addition to the personal services available at four accessible office locations statewide.

### BACKGROUND AND ACCOMPLISHMENTS

For 79 years, the UI program has been one of the nation's most important social insurance programs. This program provides prompt, partial wage replacement to unemployed workers through the payment of UI benefits. The UI program serves the business community during periods of economic downturn by pumping UI Trust Fund reserves into the economy. Approximately 50,000 unemployed Delawareans collected unemployment benefits in each of the past three fiscal years. During this three-year period, \$327.0 million in regular state UI benefits were paid, an average of \$109.0 million per year. In Fiscal Year 2014, \$97.7 million in regular state UI benefits were paid. Tax revenue during

the past three fiscal years was \$312.9 million, an average of \$104.3 million per year. In Fiscal Year 2014, \$109.2 million in UI Trust Fund taxes were collected.

In Fiscal Year 2010, Delaware's UI Trust Fund balance reached zero for the first time in 27 years because of the significant demands placed on it to pay claims. As a result, Delaware was forced to borrow \$78.0 million from the federal government to pay unemployment insurance benefits. After making a final payment of \$10.6 million in November 2014, all of the federal loans have been repaid. Delaware's UI Trust Fund net balance as of June 30, 2014 was \$3,605,926.83.

The division has an established track record of being diligent and creative in its efforts to provide customer-friendly, efficient service by:

- Providing UI program information for employers and unemployed workers, such as the *UI Handbook for Employers and Your Guide to UI Benefits*, as well as downloadable forms for employers on the division's webpage;
- Providing employers with the option to register with the division online;
- Designating subject matter experts to serve on the division's rapid response team to provide information and services to employers and workers going through a downsizing or closing process;
- Providing a UI Information hotline that is accessible 24/7 for individuals to obtain information about how to file a claim for UI benefits, where to file a claim and, if already collecting benefits, the status of their UI payment;
- Providing a TeleBenefits option in the UI Information hotline that enables unemployed Delaware workers to claim their weekly UI payment via telephone;
- Providing a WebBenefits option that enables unemployed Delaware workers to claim their weekly UI payment via the Internet;
- Implementing an automated claims adjudication system that has reduced the processing time for nonmonetary determinations;
- Providing individuals with the option to file new or reopened UI benefits claims online;
- Providing recipients of UI benefits with the option to receive their weekly payment by direct deposit; and
- Providing UI recipients with the option to receive their weekly payment via debit card.

## 60-00-00

### INDUSTRIAL AFFAIRS

#### 60-07-00

#### MISSION

To promote and develop the welfare of wage earners to improve their working conditions and advance their opportunities for profitable employment by providing partial income maintenance to injured workers and their families, enforcing labor standards laws, civil rights laws, apprenticeship laws, identifying workplace hazards and collecting data about workplace injuries, illnesses and fatalities.

#### KEY OBJECTIVES

- Decrease the average time to resolve discrimination complaints to 165 days, with all complaints being resolved within 12 months.
- Continue encouraging participation in the discrimination mediation program.
- Continue implementing discrimination case streamlining measures without sacrificing the quality of core services.
- Maintain the average amount of time to resolve labor standards cases at 30 days per year over the next three years.
- Increase the number of prevailing wage inspections on state-funded construction projects by 15 percent over the next three years.
- Continue proactive enforcement of labor standards, provide educational speaking engagements and train the Child Labor Work Permit Issuing Officers in school districts.
- Continue safeguarding the welfare of apprentices by certifying, monitoring and enforcing apprenticeship programs, laws and standards and promoting apprenticeship to women, minorities and young people.
- Continue encouraging participation in the workers' compensation mediation system in lieu of a formal hearing before the Industrial Accident Board (IAB), allowing for an expedient and cost-effective disputed case resolution.
- Continue working with the Workers' Compensation Oversight Panel (WCOP) and House Bill 373's expansion of the former Health Care Advisory Panel (HCAP) to further develop the workers'

compensation Health Care Payment System (HCPS), a medical cost containment system.

- Increase total attendance at safety and health training sessions by 10 percent each year for the next three years.
- Increase the total number of promotional/marketing visits to employers and agencies by 5 percent each year for the next three years.
- Increase the awareness of discrimination laws and regulations by continuing outreach efforts statewide.
- Increase the availability of the division's laws, rules, regulations and forms on the Internet to provide customers with easy, constant access to information.

#### BACKGROUND AND ACCOMPLISHMENTS

The Office of Workers' Compensation (OWC) administers and enforces the State's workers' compensation laws, which provide benefits to eligible workers who suffer work-related injuries or illnesses. IAB sits as a quasi-judicial court system for disputed workers' compensation cases.

HCAP maintained a vigorous schedule of meetings, which resulted in significant statutory and regulatory changes aimed at medical cost containment. In addition, Governor Markell and the General Assembly ordered the continuation of the Workers' Compensation Task Force (WCTF) to address the increases in workers' compensation rates over the last three years. The May 2014 WCTF recommendations were formulated into House Bill 373, which was signed into law on July 15, 2014.

House Bill 373 moved the responsibilities of the ratepayer advocate and the Data Collection Committee from the Insurance Commissioner's office to the purview of WCOP; mandated medical cost reductions over the next three years - 20 percent in 2015, 5 percent in 2016 and 8 percent in 2017; and required WCOP to establish three Medicare-based fee schedules in HCPS. These changes foster a more independent ratepayer advocate during the rate setting process; give WCOP more authority to identify cost drivers based on actual medical cost data; and set the stage for significant medical cost containment in the workers' compensation system.

Since the inception of HCPS in 2008, OWC has certified 2,597 healthcare providers and processed 2,449 requests for utilization review.

The Wage and Hour unit processed 316 cases in Fiscal Year 2014 and collected \$115,187 in unpaid wages and benefits. Wage and Hour total judgments for Fiscal Year

2014 were \$147,023. Also, during that time frame, 102 service letters were processed and the unit received nine Clean Indoor Air complaints. As of June 1, 2014, the minimum rate increased to \$7.75. The second phase will take effect on June 1, 2015 raising the minimum wage rate to \$8.25 per hour for Delaware workers.

The Prevailing Wage section opened 243 cases in Fiscal Year 2014 and collected \$481,004 in prevailing wages owed to mechanics and laborers working on state-funded construction projects. The section also conducted 265 on-site inspections.

During Fiscal Year 2014, the Apprenticeship section monitored approximately 289 sponsors and their respective 817 apprentices. Journey papers were awarded to 118 individuals who completed their apprenticeship programs.

The Office of Safety and Health Consultation and Statistics (OSHCS) provides free, comprehensive on-site consultations for high-risk businesses with less than 250 employees to assist in voluntary compliance with federal Occupational Safety and Health Administration (OSHA) regulations. OSHCS also assists the U.S. Bureau of Labor Statistics in collecting, analyzing and disseminating statistics on work-related injuries, illnesses and fatalities to support public and private decision-making within the State of Delaware.

OSHCS continues to partner with the Department of Health and Social Services (DHSS) and the Delaware Healthy Workplaces program to ensure all Delawareans have safe workplaces. While OSHCS covers private industry, those in the public/government sector are referred to DHSS for assistance.

OSHCS uses statistical data to target high injury rate industries, such as healthcare and construction. Those companies are sent general safety and health information related to their industry, and the office offers them one-on-one confidential consulting sessions.

During Fiscal Year 2014, OSHCS staff provided the 10-hour OSHA General Industry Safety and Health training course to 72 students representing many of Delaware's trade/construction employers. After students completed the two-day course, they received a U.S. Department of Labor card certifying they received safety training, which is a condition for employment for those entering industrial careers. Additionally, OSHCS staff provided formal training on Fall Protection, Stairways and Ladders, Machine Guarding, Bloodborne Pathogens, Control of Hazardous Energy (Lockout/Tagout), Ergonomics, Hazardous Chemical Labeling, Personal Protective Equipment and OSHA Recordkeeping to over 500 students representing various Delaware employers.

The Office of Anti-Discrimination (OAD) works with Delaware employers and workers to build and maintain workplaces free from discrimination with respect to pay, hiring decisions, promotional opportunities, firings, disciplinary actions and the terms and conditions of employment. OAD is Delaware's sole administrative forum for resolving employment discrimination and sexual harassment complaints. As such, OAD enforces and administers six separate state and federal statutes prohibiting discrimination in the workplace based on race, color, sex (including pregnancy), age, disability, national origin, religion, genetic information, sexual orientation, gender identity and marital status.

During Fiscal Year 2014, OAD received 801 charges of discrimination. There were 35 complaints of age discrimination; 100 complaints of disability discrimination; 316 complaints arising under Title VII (race, color, national origin, religion and sex); and 206 complaints under the Delaware statutes which include Delaware Discrimination in Employment Act and the Persons with Disabilities Employment Protection Act. OAD resolved 818 complaints, including 40 negotiated settlements through OAD Mediation program and Alternative Dispute Resolution (ADR) efforts, which resulted in \$422,772 wages and benefits paid by Delaware employers directly to Delaware workers.

OAD partners with the U.S. Equal Employment Opportunity Commission to coordinate investigations of complaints filed under both state and federal law.

**MISSION**

To provide opportunities and resources to individuals with disabilities, leading to success in employment and independent living.

**KEY OBJECTIVES**

- Assist 1,035 individuals with disabilities to achieve success in employment by providing guidance and counseling, vocational rehabilitation services and education and job training.
- Provide transition services to 800 high school seniors with disabilities and support them in employment, continued education or job training.
- Provide supported employment services to 300 individuals with the most significant disabilities who receive supportive services from DHSS's Divisions of Developmental Disabilities Services and Substance Abuse and Mental Health.
- Adjudicate 100 percent of all claims for Social Security disability benefits filed in Delaware within federal program timeliness guidelines.
- Provide independent living services to 100 individuals with significant disabilities enabling them to live independently in the community.

**BACKGROUND AND ACCOMPLISHMENTS**

The Division of Vocational Rehabilitation (DVR) provides employment services for individuals with disabilities and assists them in securing employment. DVR also administers the Disability Determination Services (DDS), which determine eligibility for Delawareans that apply for federal Social Security disability benefits.

DVR Transition Counselors regularly visit every public high school in Delaware to provide career counseling and develop employment plans for seniors with disabilities. More than 300 transition age youth with disabilities will complete their employment plan and achieve stable employment with DVR support this year.

DVR uses evidence-based practices, such as employer-based work experiences, to assist students with disabilities to prepare for employment. Project SEARCH, using a nationally recognized model, provides job skill training and education services to high school

seniors in New Castle and Kent Counties. Christiana Care and Bay Health are employer sites where students receive work experience and work readiness training. Upon graduation, these students are prepared for employment and receive job placement and on-site support from participating Community Rehabilitation Programs.

DVR and DHSS's Division of Social Services have developed an initiative to assist people with disabilities, receiving Temporary Assistance for Needy Families (TANF) benefits, to become more self-sufficient. The Transitional Work program and various partners will work with up to 500 individuals with disabilities to provide access to vocational rehabilitation services, employment skills and supportive services, enabling them to become employed. This initiative is in its first year.

The Independent Living program provides assistive technology goods and services for people with significant disabilities that enable them to continue to live independently in the community. DVR collaborates with DHSS's Division of Services for Aging and Adults with Physical Disabilities to provide individual assessments and project management for Medicaid recipients to coordinate service delivery for their customers with independent living needs. Through care coordination, agencies are able to achieve efficiencies and serve more individuals with disabilities.

DDS evaluates and adjudicates claims filed in the State of Delaware for federal Social Security disability benefits (Supplemental Security Income and Social Security Disability Income). This past fiscal year, DDS adjudicated over 13,000 disability claims.

### EMPLOYMENT AND TRAINING

#### 60-09-00

#### MISSION

To provide services enabling employers and job seekers to make informed employment and training choices leading to employment.

#### KEY OBJECTIVES

- Place 74 percent of customers in a job that yields average earnings of \$13,730 during the second and third quarters following program exit and provide follow-up services to customers to retain employment at a rate of 88 percent.
- Enhance and implement a broad range of services to employers.
- Streamline the one-stop integrated service delivery system and coordinate the division's services with other workforce development programs through seamless service delivery to customers.
- Use the Mobile One-Stop to target outreach services to special needs populations, in particular for prison-to-work activities.
- Enhance e-government services to job seekers and employers through staff facilitated and self-directed services in One-Stop career centers and via the Internet.
- Provide targeted services to dislocated workers unlikely to return to their previous industry or occupation and to workers who have exhausted their basic unemployment benefits and are applying for extended benefits.
- Provide case management to customers to maximize their employment potential through on-the-job training and occupational skills training or intensive services leading to certification attainment and employment in high demand, high growth occupations that pay livable wages.
- Focus resources to complete the Workforce Investment Board strategic planning goals, improving services to veterans and individuals with disabilities, implementation of adult career ladders and the development of a skills bank.
- Streamline the delivery using Lean principles to improve both the quality and quantity of client services.

- Enhance Delaware JobLink to better serve business customers and job seekers.

#### BACKGROUND AND ACCOMPLISHMENTS

The Division of Employment and Training (DET) operates a statewide labor exchange system serving both employers and job seekers. DET administers federal and state-funded employment services and training programs for individuals who have barriers to employment as a result of job dislocation or other socioeconomic factors.

The four local offices are the cornerstones of the State's One-Stop Career Center system. The resource rooms provide customers with job search resources and staff-facilitated services when necessary. The centers provide flexibility and allow the customer to choose a service path. Depending on the needs of the customer, services range from self-directed job search to staff-supported services.

Last year, the division provided a variety of one-stop employment and training services to over 57,000 customers through job search assistance, vocational skills training programs, school-to-work training programs, summer youth employment, re-employment services and employer services. In addition, thousands of other customers used self-help services in the resource rooms.

The Mobile One-Stop is a valuable resource used to provide employment services to job seekers and assist employers with a rapid response vehicle for downsizings. The flexibility of the Mobile One-Stop provides the employment services of the state to various community gatherings, rural areas, ex-offender outreach programs and educational testing sites.

To enhance e-government services to job seekers and employers through job matching and information services, the division's Delaware JobLink system provides access to a full range of workforce development information about job openings, training opportunities, support services, labor market information, occupational trends and a web-based resume talent bank from any site with access to the Internet.

Under the Workforce Investment Act, DET is required to provide transitional assistance services to job seekers who work for a company laying off 50 or more workers. Taking a proactive approach, DET provides services to smaller lay-off groups at the employer's request.

Three major service accomplishments occurred this year:

- Implemented an intelligent job order product for job seekers and employers, enabling employers to enter specific skill needs for new employees in the same

manner as job seekers, to provide an improved match;

- Finalized the development of three Career Lattices, the plan for initial implementation in Delaware JobLink and continue to work with the U.S. DOL's America's Job Link Alliance to transition to an electronic interactive tool; and
- Expanded workshops for One-Stop customers, adding a career planning workshop, which assists individuals seeking employment.

**MISSION**

To sustain and promote the viability of food, fiber and agricultural industries in Delaware through quality services that protect and enhance the environment, health and welfare of the general public.

**KEY OBJECTIVES**

The Department of Agriculture works to ensure the most efficient use of limited resources to carry out mandated responsibilities that include:

- Maintaining same-day response to all human, animal and plant health emergencies;
- Reducing residues, pathogens and contaminants in the food supply and reducing the risk of food-borne illness due to intentional sabotage of the food supply;
- Encouraging land management and conservation programs to support the Purchase of Development Rights (PDR) programs for forest and cropland;
- Identifying and supporting new opportunities to expand the sale of Delaware’s agricultural commodities and value-added products;
- Supporting Delaware’s agricultural producers and producer organizations;
- Ensuring the integrity of Delaware’s agricultural products through zero tolerance of quarantine pests and diseases for interstate and international certification;

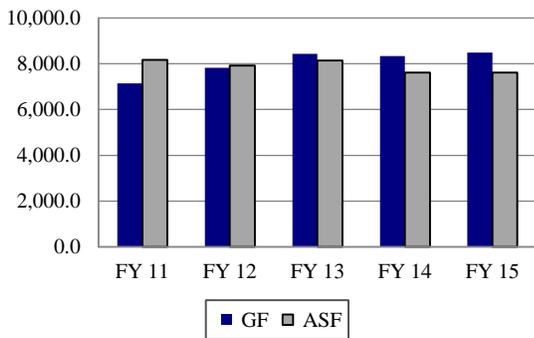

- Increasing the number and diversity of people participating in agricultural education, information and training programs;
- Developing and implementing nutrient management practices that protect ground and surface water, while maintaining a viable agricultural industry;
- Collecting data and directing policies that protect the State’s natural resources and environment from adverse effects and improve water quality;
- Facilitating research by state institutions and private interests;
- Assisting land owners in controlling noxious weeds and non-native (invasive) plant species to maintain agricultural productivity and natural resource preservation;
- Continuing to streamline operations and reorganize functional components within the department to better serve the agricultural community and general public;
- Identifying and utilizing alternative funding sources in support of the department’s mission and goals;
- Strengthening programmatic relationships with the Department of Safety and Homeland Security, Delaware Emergency Management Agency and Division of Public Health in support of emergency response efforts;
- Promoting and ensuring the integrity of the horse racing industry;

## AGRICULTURE

### 65-01-00

### BACKGROUND AND ACCOMPLISHMENTS

#### Administration

The Office of the Secretary serves as the point of contact between agriculture, the largest industry in the State, and state government. The Secretary of Agriculture represents the agricultural community and related sectors of the economy in all facets of state government. Under the direction of the Office of the Secretary, the department informs the public about contributions made by the agricultural community and services provided by the department to consumers. The department has an “educate before we regulate” policy and continues to enhance communication with the regulated community to obtain full compliance with the laws, rules and regulations.

The Office of the Secretary provides the Secretary of Agriculture with administrative support, in addition to necessary personnel, financial and computer support services. The Information and Education section provides outreach functions to the agricultural community, including expansion of educational programs and other communications from the department.

The department is tasked with enhancing the economic viability of agriculture in Delaware. The section develops and implements a marketing strategy for Delaware’s agricultural products and services. The section also serves on various commodity boards. This aids the diversification of agriculture, enhances Delaware’s agricultural product branding, recruits agricultural businesses and markets agricultural products and services locally, regionally, nationally and internationally.

#### Agriculture Compliance

The Agriculture Compliance section includes a modern laboratory that provides analytic services to Delaware farmers and residents. Its capabilities include precise nutrient analysis of granular, liquid fertilizer and poultry litter for macro nutrients such as nitrogen, phosphorus and potassium, as well as micro nutrients such as magnesium, sulfur and heavy metal analysis. The results generated by the laboratory are ultimately used to help ensure nutrients are properly applied and thus help to protect water quality and our environment. The laboratory provides the same level of analysis for livestock feeds and pet foods.

# AGRICULTURE

65-00-00

The Agricultural Compliance section also regulates the sale of agricultural products in the State, such as fertilizer and feeds, by requiring product registration prior to sale.

## **Food Products Inspection**

The Food Products Inspection section safeguards public health by regulating meat, poultry and egg processors, as well as providing inspection and grading services to poultry and shell-egg processors and fruit and vegetable growers. Delaware is a member of the Federal-State Cooperative Inspection program. The State Meat and Poultry Inspection program maintains standards that are equal to the federal inspection program. This section protects consumers by using a science-based inspection system, employing recall effectiveness checks and product testing through the Pathogen Reduction program.

Delaware also works with the U.S. Department of Agriculture (USDA) in cooperative grading agreements with state departments of agriculture and other agencies. Under these federal-state agreements, the licensed graders perform work at point of origin and retail outlets grading various commodities. The USDA, Agricultural Marketing Service, establishes basic grading policies and procedures, which describe quality requirements for each grade of a commodity, giving the industry a common language for selling and buying.

## **Forest Service**

Forests, both rural and urban, are a vital state resource, providing numerous benefits to all Delawareans. Delaware's rural forests comprise approximately 30 percent (375,000 acres) of the State, approximately 85 percent of which are privately owned. Delaware's forests face many challenges, including wildfires, insects, disease, poor management techniques, non-native (invasive) species and fragmentation by development.

The mission of the Forest Service section is to conserve, protect and enhance Delaware's forests through education, management and professional assistance. The Forest Conservation program helps landowners and communities improve their forest resources through education and technical assistance. The Forest Protection program strives to protect and improve forest health through monitoring, watershed protection and wildfire prevention and suppression. The Forestry Education program educates and informs residents about the importance of forests through the management of the three state forests, two state forest education centers and educational programs for children and adults.

## **Harness Racing Commission**

The Delaware Harness Racing Commission (DHRC) is the regulatory body charged with ensuring the integrity and fairness of harness racing in Delaware. DHRC has jurisdiction over all associations and licensees that participate in harness racing.

A primary objective of the DHRC is to protect the public interest in pari-mutuel wagering contests and all aspects leading up to and following the conclusion of those races.

DHRC provides the opportunity for growth and regulatory oversight to the Delaware Standardbred Breeders' Fund. By providing fairness and a level field of competition through objective standards, DHRC strives to ensure due process in administrative matters, respond to public concerns and provide information regarding the industry and DHRC operations.

## **Pesticides**

The Pesticides section has authority under the Delaware Pesticide Law and Federal Insecticide, Fungicide and Rodenticide Act to regulate the sale and use of pesticides in the State.

The section emphasizes education and offers a comprehensive pesticide applicator certification and training program. The educational program is complemented by an ongoing compliance assistance and enforcement program of inspections and sampling at the various levels of pesticide distribution and use.

The section administers a groundwater protection program to ensure the use of pesticides is not degrading ground and drinking water quality. The centerpiece of the program is a statewide shallow groundwater monitoring network comprised of over 60 domestic and agricultural wells and 108 dedicated monitoring wells owned by the State. The section also monitors the depth of the water table to help predict water supply for domestic and agricultural use.

## **Planning**

The Planning section's services include land-use and comprehensive planning, agricultural preservation, forestland preservation and the Young Farmers program. Combining farmland preservation and planning coordination has helped stem the loss of farmland and forestland in Delaware.

## **Plant Industries**

The Plant Industries section is the plant and plant pest regulatory enforcement authority. Its primary mission is to protect agriculture, the environment and residents

# AGRICULTURE

65-00-00

from the damaging effects of plant, honeybee pests and noxious weeds. The section also facilitates domestic and international trade of plants, plant products, grain, seed and agricultural commodities.

The Plant Industries section has the authority to quarantine certain products, plants and/or pests as necessary to prevent the spread of economically or environmentally harmful pests. Plant Industries also works in cooperation with the USDA, Plant Protection and Quarantine Unit and the University of Delaware Cooperative Extension Service to conduct surveys for non-native pests and pests of export significance.

The Plant Industries section is also responsible for the Apiary Inspection program, which requires beekeepers to annually register their colonies and locations.

The Seed Laboratory certifies granaries and trains and licenses grain inspectors; provides seed testing services to farmers; collects and tests official seed samples; ensures labeling conforms to the Seed Law; and conducts the Seed Certification program.

## **Animal Health**

The Animal Health section is charged with preventing the introduction and spread of contagious and infectious diseases into and within the animal and poultry population of the State. This is accomplished by maintaining a diagnostic laboratory, as well as cooperating with the poultry diagnostic laboratory of the University of Delaware.

Personnel respond to reports of potential disease problems from veterinarians and owners of livestock, poultry and pets. Staff visit farms, dairies and livestock auctions to collect biological specimens for analysis and diagnosis of disease. In most instances, staff members inform the veterinarian and owner of the animal's diagnosis and suggested control methods.

When certain serious and highly contagious diseases are diagnosed, the state veterinarian, through the authority of the Secretary of Agriculture, may quarantine or even destroy the animal, herd or flock to prevent the spread of that disease to other premises.

## **Thoroughbred Racing Commission**

The Delaware Thoroughbred Racing Commission (DTRC) regulates and oversees the sport of Thoroughbred and Arabian racing in the State. Its primary objectives and principles are to protect, preserve and promote agriculture and horse racing. This is accomplished through efforts to prevent and eliminate corrupt practices, ensure fairness in decisions affecting licensees and patrons, ensure due process in

administrative proceedings, facilitate the promulgation of rules and regulations that allow the racing association and horsemen to remain competitive with surrounding jurisdictions and provide information concerning the industry and DTRC operations. DTRC ensures the State and the betting public receive fair percentages of the wagering dollar with periodic accounting audits.

## **Weights and Measures**

The Weights and Measures section is responsible for the regulation of all commercial transactions involving weighing and measuring, all devices used commercially to determine weight, measure or count and the enforcement of Delaware packaging and labeling regulations. Major activities of this section include inspection of retail packages, gas pumps, fuel oil and propane meters, scales, grain moisture meters, point of sale scanning systems, parking meters and other timing devices.

This section provides both in-house and off-site training to businesses and service technicians. The Voluntary Serviceperson Registration program has enrolled more than 250 technicians, which ensures a high degree of confidence in the accuracy of weighing and measuring devices used in Delaware.

## **Nutrient Management**

Pursuant to provisions of the 1972 Clean Water Act, the Department of Natural Resources and Environmental Control (DNREC) and the U.S. Environmental Protection Agency signed a memorandum of understanding (MOU), which set forth a plan to restore the quality of Delaware's impaired waters to achieve federal water quality standards. The MOU requires the development and implementation of programs to reduce non-point source water pollution. Studies indicate excess nutrient loading of surface lands has a negative impact on the quality of both surface and groundwater. The Nutrient Management program supports the MOU and carries out many programs to further the goals of improved water and soil quality, as well as ensuring the long-term vitality of the agricultural industry.

The Nutrient Management Law (3 Del. C. § 2200 et. al.) created the Delaware Nutrient Management Commission and Nutrient Management program. The program regulates activities that involve the generation, handling and application of fertilizer nutrients, including animal manure. The program administers nutrient certifications, planning, reimbursement, poultry litter relocation, farm audits, complaint resolution, Concentrated Animal Feeding Operation (CAFO) permitting and a meaningful environmental stewardship recognition strategy.

### Agricultural Lands Preservation Foundation

Since 1992, the Delaware Agricultural Lands Preservation Foundation has enrolled over 167,000 acres and 1,200 farms in agricultural preservation districts and district expansions in Delaware.

With expenditures to date of \$206 million, 796 properties totaling 115,000 acres have been permanently protected. These acres of permanently preserved agricultural land account for 20 percent of the total land in farms and 8 percent of the State's total land area. Delaware has one of the most successful Agricultural Lands Preservation programs in the nation. The program continues to partner with the federal government for additional funding, and over the life of the program has received funding from all three counties to supplement the program.

Additionally, the Young Farmers program was established in Fiscal Year 2012 to help individuals enter into agriculture while also preserving farmland. This program has helped 25 young farmers purchase 2,100 acres of farmland.

#### ACTIVITIES

- Oversee all aspects of plant and animal emergency response plans and activities.
- Represent agriculture on councils and committees to address natural resource projects.
- Oversee the department's budget development, presentation and administration, as well as personnel management.
- Develop, present and provide information for various legislative initiatives that affect agriculture in Delaware.
- Provide direction and leadership to the department and seek input from the agricultural community in policy development.
- Serve Delaware farmers and agribusinesses with leadership and education in the areas of marketing and promotion to increase sales and the value of their products.
- Identify and obtain grant and alternative funding opportunities.
- Promote both the department and the agricultural community, as well as inform the general public.
- Partner with the Delaware Economic Development Office, USDA, other state departments of agriculture and private industry to identify barriers in the

promotion and marketing of agricultural products and offer solutions to remove those barriers.

- Implement an agricultural marketing plan that channels Delaware's agricultural products to local, regional, national and international markets.
- Increase name recognition of Delaware's agricultural products regionally and nationally.

## 70-00-00

### MISSION

The mission of the Department of Elections is to provide a standardized, secure and accurate election system for the residents of Delaware. The department provides residents with voter registration information and structure needed to participate, as well as access to campaign finance reports.

### KEY OBJECTIVES

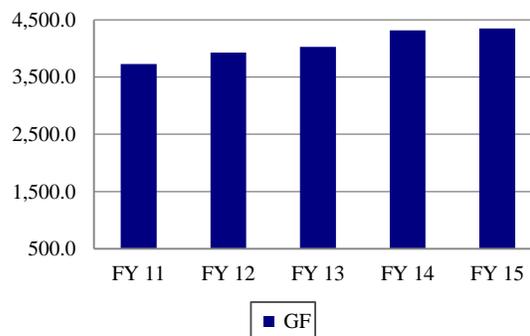

- Ensure the standard administration of Delaware election laws.
- Use technology to improve services to Delaware residents here and abroad.
- Conduct elections for Delaware residents from presidential primaries to school and municipal elections.
- Track and post campaign finance reports.

### BACKGROUND AND ACCOMPLISHMENTS

The department has led the nation in developing the first statewide electronic voting system. In addition, voting machines have audio modules, making them accessible for persons with visual disabilities.

Delaware successfully maintained a statewide voter registration database long before it became a federal mandate.

### STATE ELECTION COMMISSIONER

#### 70-01-01

### MISSION

Coordinate statewide activities and standardize election policies and practices. The office also oversees campaign finance reporting and Help America Vote Act (HAVA) funding.

# ELECTIONS

## 70-00-00

### KEY OBJECTIVES

- Maintain a statewide voter registration system.
- Coordinate with each county to conduct all mandated elections.
- Educate and assist municipalities in the conduct of their elections.
- Track and post campaign finance reports.

### BACKGROUND AND ACCOMPLISHMENTS

The office provides services to all residents as required by state and federal laws to ensure uniform access to the electoral process.

Delaware has received national recognition for the Electronic Signature project, which uses technology to create a seamless, paperless connection between the Division of Motor Vehicles (DMV) and the Department of Elections. In addition, the office has been recognized for iVOTE.DE.Gov. This technology will allow Elections to provide online services to all citizens, as well as be added to the online systems of the Departments of Health and Social Services (DHSS) and Labor (DOL), making real-time, electronic submissions the norm for all agencies mandated to process voter registration.

In response to the federal mandate to provide electronic transmission of absentee ballots to military and overseas voters, staff developed its own vendor-free system saving significant annual maintenance fees.

A new Campaign Finance Information Reporting System has been implemented and all filers now file electronically.

The office participates in Student/Parent Mock Elections, in cooperation with the Departments of Technology and Information, State and Education. In addition, the office partners with The News Journal, the University of Delaware and the League of Women Voters.

As the Chief State Election Official, the Commissioner administers HAVA funding, which mandates federal standards for voting machines, voter registration and access for Delaware voters. These funds have been used to upgrade voting machines, make polling places accessible and increase the use of technology in all processes.

### NEW CASTLE COUNTY ELECTIONS

#### 70-02-01

### MISSION

New Castle County Elections provides first-class service to residents by registering them to vote and conducting fair and impartial elections.

# ELECTIONS

## 70-00-00

### KEY OBJECTIVES

- Provide quality service to all customers.
- Register Delaware residents who apply and are eligible to vote.
- Remove ineligible voters from the list of registered voters.
- Conduct elections in an efficient and impartial manner, as mandated by 14 and 15 Del. C.
- Educate the public regarding the elections process and the use of the State's electronic voting machine.
- Enhance efficiency by streamlining operational procedures.

### BACKGROUND AND ACCOMPLISHMENTS

New Castle County Elections continued to work through the State Election Commissioner to improve the election process and used technology and staff-initiated innovations to improve efficiency and reduce costs in a challenging fiscal climate.

Through participation in the Electronic Registration Information Center project, the office has processed over 35,000 records in an effort to improve the accuracy of the State's Voter Registration data. As a result, the registrations of over 5,700 voters who are deceased or have moved to another state have been cancelled, and the records of several thousand voters have been updated. These removals and updates were done in accordance with the National Voter Registration Act standards.

New Castle County Elections has also made greater use of the warehouse office space for in-person absentee voting. New Castle County citizens will be able to vote by absentee ballot six days a week during the last three weeks preceding the General Election, a significant increase over the 2012 trial.

## KENT COUNTY ELECTIONS

### 70-03-01

### MISSION

Kent County Elections serves the residents of Kent County and the State of Delaware by operating voter registration programs and conducting all elections in accordance with state and federal laws.

### KEY OBJECTIVES

- Perform all duties related to conducting an election pursuant to state and federal laws.
- Provide information to the public, candidates and political parties regarding election laws, rules, regulations and registration requirements.

# ELECTIONS

## 70-00-00

- Conduct all elections mandated by 14 and 15 Del. C. in an efficient, fair and impartial manner.
- Notify, appoint and train election officers for all elections mandated by 14 and 15 Del. C. to perform uniform and non-partisan elections.

### BACKGROUND AND ACCOMPLISHMENTS

During the past year, Kent County Elections met filing and voter registration deadlines in a timely and professional manner. The office assisted with eight municipal elections. Six of the eight Kent County Municipalities are now using the Voter Registration system pursuant to 15 Del. C. § 7554(b). Three Kent County School Referenda, and School Board Elections were conducted, with four of the five School Districts having elections. The office also performed many activities for voter education with the school districts and group functions, such as supplying voting machines, ballots, voter registrars, polling place information, absentee ballot information and promotional items to keep the public aware of the continuing changes in voting practices.

### MISSION

To provide the residents of this State, and all who visit, a fire-safe environment in the home, workplace or wherever they pursue their varied lifestyles or interests.

### KEY OBJECTIVES

- Eliminate the loss of life and reduce injuries from the threat of fire or explosions by:
  - Suppressing arson;
  - Investigating all fire incidents to determine an accurate cause;
  - Providing thorough and complete supporting documentation of the investigation;
  - Pursuing, apprehending and convicting those responsible for arson and arson-related incidents;
  - Preventing and deterring international and domestic terrorist activities through the investigation of improvised explosive device incidents;
  - Teaming with federal, state and local authorities to communicate intelligence information gathered on investigations and passed through the Delaware Information and Analysis Center (DIAC);
  - Providing victim assistance in the aftermath of a fire; and
  - Disseminating findings to increase public awareness of fire and life safety issues.
- Maintain the highest levels of life safety in educational, health care, business, mercantile and institutional occupancies and places of assembly by:

# FIRE PREVENTION COMMISSION

75-00-00

- Providing consistent, thorough and accurate compliance inspections and life safety surveys;
- Attaining compliance with State Fire Prevention Regulations through educational endeavors, inspection and survey programs and property conservation;
- Providing technical assistance to achieve corrective action; and
- Responding to the needs and inquiries of Delawareans by taking action on their complaints and inquiries within 48 hours.
- Provide timely and quality service in the Plan Review and Approval, Fire Protection Systems Certification, Licensing and Quality Assurance programs for fire protection systems by:
  - Providing complete, accurate and timely reviews of project submissions;
  - Providing assistance to clients for understanding the technical requirements of the State Fire Prevention Regulations required for their projects; and
  - Ensuring required fire protection systems are tested, inspected or maintained.
- Enhance the level of public awareness regarding fire prevention and life safety by:
  - Increasing public appearances and dissemination of fire safety information; and
  - Reducing the loss of life and property for all residents, with a special emphasis on individuals with disabilities and adolescents, who play with matches, lighters or cause fires.
- Report, analyze and disseminate fire incident statistical data from the 61 fire departments in the state.

## BACKGROUND AND ACCOMPLISHMENTS

The Office of the State Fire Marshal operates under the direction of the State Fire Prevention Commission, which reports directly to the Governor. The office serves as the lead statewide investigative and law enforcement agency charged with investigating fire and explosion incidents and suppressing arson. The State Fire Prevention Regulations, as promulgated by the State Fire Prevention Commission, are the basis for the life safety inspections and property conservation surveys carried out by the Office of the State Fire Marshal. Such inspections and surveys impact nearly all occupancies and buildings frequented by the public.

The Office of the State Fire Marshal provides regulatory control in the areas of explosives, fireworks, amusement rides, places of assembly, health care facility certification and a variety of hazards, such as flammable liquids and liquefied petroleum gases.

The Technical Services unit of the Office of the State Fire Marshal provides the plan review and approval process for new construction, alterations and renovations of all buildings. Such an approval is required prior to local building officials issuing a building permit. Certification and licensing of fire protection system vendors and contractors provide for quality control in the design, installation and operation of required fire protection systems.

In recent fiscal years, the following initiatives have been successfully completed or are in progress:

- Implemented an ongoing education campaign to ensure all residential occupancies have smoke alarms to enhance survival levels in the event of a fire;
- Provided for the installation of electric-powered smoke detectors with battery back-up to owner-occupied residential dwellings within Delaware for those homes that are not protected by a working smoke alarm, with priority given to homes with handicapped children, handicapped adults, infirm residents and residents 62 years-of-age and older;
- Monitored the installation of sprinkler systems in all student dormitories;
- Assisted in the passage of legislation to increase the penalty for exceeding the posted occupancy limit;
- Placed gas chromatography/mass spectrometry laboratory instruments in service in the State Forensic Laboratory, with the cooperation of the Chief Medical Examiner, to permit the analysis of fire scene debris for all fire investigation and law enforcement agencies throughout Delaware;
- Implemented the e-Permit System to facilitate processing of data and recordkeeping in the Technical Services unit;
- Conducted the Fire Education and Arson Resistance program in eight Delaware middle schools;
- Implemented the False Fire Alarm Law to reduce the amount of false alarms fire departments are called to respond to; and
- Implemented the Reduced Ignition Propensity Cigarettes Program Law.

### STATE FIRE SCHOOL 75-02-01

#### MISSION

The mission of the State Fire School is mandated by 16 Del. C. § 6613 to § 6618 and instructs the Delaware State Fire School to:

- Provide firefighters with needed professional instruction and training at a minimum cost to them and their employers;
- Develop new methods and practices of firefighting;
- Provide facilities for testing firefighting equipment;
- Disseminate information relative to fires, techniques of firefighting and other related subjects to all interested agencies and individuals throughout the State; and
- Undertake any project and engage in any activity that, in the opinion of the State Fire Prevention Commission, will serve to improve public safety.

On July 1, 1972, the State Fire Prevention Commission was given the mandate under 16 Del. C. § 6708 to § 6714 to regulate the ambulance service in Delaware. The Commission assigned the State Fire School the duties of training and certifying ambulance personnel.

#### KEY OBJECTIVES

- Provide firefighters, ambulance and rescue personnel with necessary professional instruction and training.
- Certify and re-certify Delaware emergency medical technicians.
- Provide agency, institutional and industrial personnel, as well as the general public, with necessary professional instruction and training.
- Provide fire and emergency medical services personnel with the necessary training to combat weapons of mass destruction and terrorism.

#### BACKGROUND AND ACCOMPLISHMENTS

To more effectively manage the State Fire School's training and education program, services for specific target audiences have been identified including firefighters, fire officers, ambulance and rescue personnel, state agencies, institutions, industrial personnel and the general public.

Since its inception in 1964, the State Fire School has been sensitive to the need for quality training and education in fire protection and places strong emphasis on improving the instructor development program for part-time

personnel. Instructor candidates are trained in instructional methodology and trained to teach specific subject areas. Active instructors are cross-trained in high priority subject areas to help the school meet its program service demands, as well as improve the individual's professional ability. All instructors are required to attend improvement seminars as scheduled by the Fire School to maintain their certification.

Continued emphasis is placed on planning and evaluation. Existing courses of instruction are reviewed and revised to ensure their content is current and consistent with new concepts and techniques.

In addition to conducting the normally-scheduled activities and meetings and honoring special requests for programs and services, progress continues to be made toward improving program quality. Emphasis is placed on improving program management and cost effectiveness.

## STATE FIRE PREVENTION COMMISSION

### 75-03-01

#### MISSION

The mission of the State Fire Prevention Commission is mandated by 16 Del. C. c. 66 as follows:

- Promulgate, amend and repeal regulations for the safeguarding of life and property from hazards of fire and explosion;
- Appoint the State Fire Marshal and Fire School Director and have complete jurisdiction and management over the State Fire School;
- Authorize new fire companies or substations, resolve boundary and other disputes and prohibit cessation of necessary fire protection services;
- Ensure a high level of public safety for the safeguarding of life and property from the hazards of fire and explosion; and
- Oversee statewide basic life support ambulance service.

#### KEY OBJECTIVES

- Promulgate, amend and repeal State Fire Prevention regulations, State Fire Service standards and State Ambulance Service regulations.
- Provide a direct liaison between state government and the statewide volunteer fire service.
- Provide a direct liaison between state government and the statewide basic life support service.
- Inspect and license basic and advanced life support ambulances and facilities.
- Investigate and provide an appeals process for complaints regarding emergency medical technicians, emergency medical service providers, fire service and public complaints.

#### BACKGROUND AND ACCOMPLISHMENTS

The State Fire Prevention Commission consists of seven members who serve without compensation and are responsible for developing the fire policy information base. The State Fire Marshal reviews the Delaware State Fire Prevention regulations on an annual basis and reports findings and recommended changes to the commission. The regulations are reviewed and updated every three years. Effective July 1, 1995, Live Fire Training and Burn regulations were adopted by the commission. Effective

#### MISSION

The Delaware Army and Air National Guard are federally-authorized military forces with both federal and state missions. The federal mission of the Delaware National Guard is to maintain properly trained and equipped units available for prompt mobilization in the event of war, national emergency or as otherwise needed. In this capacity, command and control is within the purview of the President of the United States.

The state mission of the Delaware National Guard is to provide trained and disciplined forces for domestic emergencies or as otherwise required. In a peacetime environment or operation short of federal mobilization, organizational command and control is directed by the Governor of the State of Delaware. The Delaware National Guard employs a full-time and part-time workforce paid using federal, state or combined funding sources.

#### KEY OBJECTIVES

- Maintain a balanced force structure authorization of 1,602 soldiers in the Delaware Army National Guard and 1,106 airmen in the Air National Guard.
- Enhance joint operation capabilities to achieve optimal mission effectiveness and efficiency on operations involving Army and Air personnel.
- Continue quality recruiting, promotion and retention programs, as well as enhancing mission readiness, through effective military leadership development programs and challenging unit training.
- Develop and participate in local, state and national programs and partnerships that provide a positive impact on Delaware communities.

#### BACKGROUND AND ACCOMPLISHMENTS

The Delaware National Guard provides personnel and equipment in the event of a natural disaster, civil disturbance or an actual armed conflict. The Delaware National Guard provides service to local communities, the entire population of the State of Delaware and the whole of the United States.

The following are recent accomplishments of the Delaware National Guard.

- Responded for service around the world with the following activities:
  - Over 200 soldiers from the 198th Signal Battalion returned from a 10-month deployment to Afghanistan in February 2014;
  - Detachment 1 of the 150th Engineering Company returned from a 10-month deployment to Afghanistan in June 2014;
  - The 238th General Support Aviation Battalion (GSAB) returned from a nine-month deployment to Kuwait in August 2014;
  - The 126th GSAB has been deployed to the Middle East since June 2014; and
  - During Fiscal Year 2014, 150 airmen from the Delaware Air National Guard served tours of duty in the Middle East and other countries around the world.

### MISSION

The mission of the Governor’s Advisory Council for Exceptional Citizens (GACEC) is to serve as the review board for policies, procedures and practices related to the delivery of services for all residents with exceptionalities or disabilities in Delaware. GACEC also serves as an advisory panel for agencies providing educational services and programs to children (birth through age 26) in Delaware through the Individuals with Disabilities Education Act (IDEA). GACEC’s primary function is to advise and advocate as necessary in order to achieve its mission.

### KEY OBJECTIVES

- Analyze state regulations and legislation.
- Participate in public meetings.
- Review public reports.

- Participate in program visits.
- Coordinate various research projects.

### BACKGROUND AND ACCOMPLISHMENTS

Since 1972, GACEC has served as the State’s Advisory Council for Exceptional Children. The agency advises the State Board of Education and the Department of Education (DOE) on all issues related to the education of children with special needs, including those with outstanding talents and gifts. Pursuant to Delaware Senate Bill 353, passed by the 129th General Assembly in 1977, the Advisory Council for Exceptional Children was renamed the Governor’s Advisory Council for Exceptional Citizens, and its responsibilities were expanded to cover a broad range of human service needs for all residents with disabilities.

GACEC has served as the advisory panel for special education since the initial passage in 1974 of the federal special education statute, Education of the Handicapped Act. GACEC continues to serve in this capacity under the reauthorized law, IDEA and its amendments.

In Fiscal Year 2014, GACEC actively participated in the development and passage of legislation impacting the overall development, education and general welfare of children and adults with disabilities. This included ongoing participation in the State Transition Taskforce for Emerging Adults with Disabilities and Special Health Care Needs, which was created as a result of Senate Concurrent Resolution 34 passed by the 146th General Assembly. GACEC continued to work on the recommendations of the State Transition Taskforce Report, including the creation of the DelAWARE DisABILITY Hub transition website. GACEC also continued the work of the Disability Education Awareness Program to meet the demand for awareness and acceptance in schools and other child-centered settings.

## UNIVERSITY OF DELAWARE

### 90-01-01

### MISSION

To develop and maintain strong undergraduate and graduate curricula, strengthen academic, research and service programs and maintain a strong academic reputation that continues to attract highly qualified students.

The educational experience at the University of Delaware (UD) is one of intellectual fulfillment and preparation for productive careers. The first concern of the university's program of instruction is to provide rigorous and demanding standards to develop primary linguistic, cognitive and information skills in students for success at the university and in postgraduate life.

### KEY OBJECTIVES

The following strategic goals build upon key strengths and critical capabilities of UD and define the aspirations and initiatives that will advance the university on a path to prominence.

- Create a diverse and stimulating undergraduate academic environment that enhances intellectual exploration and attracts and supports students from Delaware and diverse backgrounds.
- Develop faculty leadership in key intellectual areas to strengthen high-profile research initiatives and increase the profile and growth of graduate studies.
- Strengthen the university's initiative for the planet that will lead to ground-breaking environmental research and development of alternative energy

technologies and demonstrate ecologically-friendly green practices.

- Foster knowledge and awareness of the economic, environmental, political, cultural and social issues that face the world through the establishment of an institute for global studies and the development of strategic and active global partnerships.
- Promote public service among students with communities in Delaware and around the world.

### BACKGROUND AND ACCOMPLISHMENTS

UD exists to cultivate learning, develop knowledge and foster the free exchange of ideas. State-assisted yet privately governed, the university has a strong tradition of distinguished scholarship, research, teaching and service that is grounded in a commitment to increasing and disseminating scientific, humanistic and social knowledge for the benefit of the larger society. With roots reaching back to 1743, and chartered by the State in 1833, UD is a land-grant, sea-grant and space-grant institution.

UD is dedicated to outstanding undergraduate and professional education and serves as a major research university with extensive graduate programs. University faculty is committed to the intellectual, cultural and ethical development of students as citizens, scholars and professionals. University graduates are prepared to contribute to a global society that requires leaders with creativity, integrity and a dedication to service.

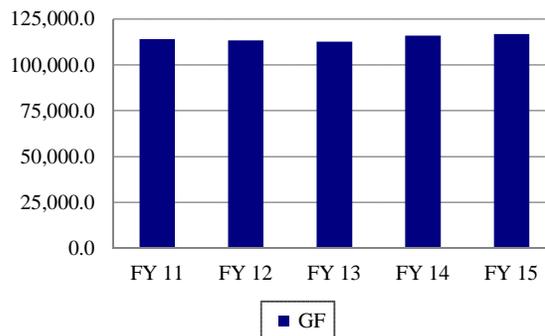

As an institution engaged in addressing the critical needs of the State, nation and global community, UD carries out its mission with the support of alumni who span the globe and in partnership with public, private and nonprofit institutions in Delaware and beyond.

Many academic and administrative initiatives are currently being implemented to meet the university's strategic milestones, including:

- Funded research in areas of early childhood education, natural disaster risk management and advanced magnetic materials;
- Ranked among the nation's top 100 universities in federal research and development obligations;
- Fostered community and business engagement with the construction of the Science, Technology and Advanced Research (STAR) Campus, which will be a center of innovation that will evolve over the next half century;
- Enrolled more than 700 undergraduates from nearly 100 nations, representing a fourfold increase from 2008; and

- Continued to maintain the university's retention and graduation rates, which are significantly above the national norm for highly selective, doctorate-granting institutions.

### DELAWARE GEOLOGICAL SURVEY

#### 90-01-02

#### MISSION

To engage in geologic and hydrologic research and exploration and disseminate information through publication and public service.

#### KEY OBJECTIVES

The goal of the Delaware Geological Survey (DGS) is to provide objective geologic and hydrologic information, advice and service to stakeholders. This goal is accomplished by conducting hydrologic and geologic hazard investigations and disseminating the results through public service, publications and the Internet. Such information is used to advise, inform and educate stakeholders about the important role earth science information plays in addressing issues related to water resources, public health, agriculture, economic development, land use planning, environmental protection and restoration, geologic hazards, waste disposal, energy, mineral resources and recreation.

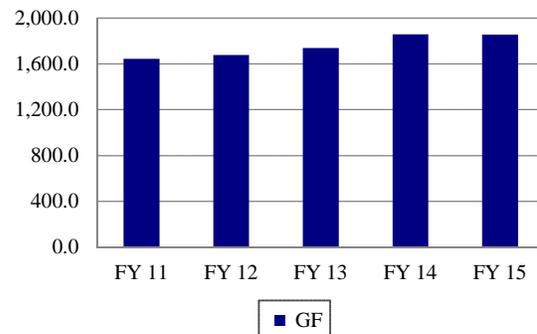

The following objectives will allow this to occur:

- Maintain programs for geologic, hydrologic and topographic mapping;
- Continue systematic investigation of the geology;
- Identify potential water supplies, energy sources and construction materials;
- Identify, understand and prepare to deal effectively with all reasonable projections of geologic hazards, such as droughts, flooding, sea-level rise, erosion, earthquakes, landslides and sinkholes;
- Compile data from mapping programs and serve over reliable, accessible databases;
- Provide online mapping tools that can be used for data manipulation from a wide variety of geospatial information;
- Recommend and draft laws for optimum and equitable use of geological and hydrological resources;
- Evaluate activities related to oil, gas, wind energy and geothermal exploration and development; and
- Manage all agreements with the U.S. Geological Survey and the U.S. Bureau of Ocean Energy Management, Regulation and Enforcement.

#### BACKGROUND AND ACCOMPLISHMENTS

- Completed mapping for the Clayton and Millington Quadrangles on July 1, 2014.
- Published four geologic maps Series: No. 19 (Frankford and Selbyville), No. 20 (Millsboro and Whaleyville), No. 21 (Trap Pond and portions of Pittsville) and No. 22 (Sharptown, Laurel, Hebron and Delmar) Quadrangles.
- Monitored flood and weather conditions during major storm events, in cooperation with the state climatologist.
- Continued collaboration with the Delaware Environmental Monitoring and Analysis Center (DEMARC) to coordinate environmental data collection from diverse sources, including movement towards availability of statewide airborne photography through the DEMARC site.
- Continued upgrades to the real-time web-based Coastal Flood Monitoring System, with support from the Delaware Environmental Observing System and the Department of Natural Resources and Environmental Control.
- Development of two technical reports covering the expansion of the Delaware Groundwater Monitoring Network, a recommendation from the Governor's Water Supply Coordinating Council.
- Added continuous data loggers to a total of 70 wells in the Delaware Groundwater Monitoring Network, which has allowed for the collection of over nine million individual water level and temperature measurements.
- Served as lead agency for a cooperative effort with the U.S. Geological Survey to obtain high-resolution LiDAR data for the entire state of Delaware.

## DELAWARE STATE UNIVERSITY 90-03-00

### MISSION

Delaware State University (DSU) is a public, comprehensive, 1890 land-grant institution that offers access and opportunity to diverse populations from Delaware, the nation and the world. Building on its heritage as a historically black college, the university purposefully integrates the highest standards of excellence in teaching, research and service in its baccalaureate, masters and doctoral programs. DSU's commitment to advance science, technology and liberal arts produces capable and productive leaders who contribute to the sustainability and economic development of the global community.

### KEY OBJECTIVES

- Use enrollment management best practices to increase overall enrollment to 5,000 students.
- Increase retention and graduation rates by at least 2 percent annually for the next five years.
- Produce and place graduates in the workplace, graduate and professional programs to become productive leaders in an increasingly global community.
- Recruit and retain outstanding and engaged faculty.
- Increase research productivity in grants, scholarly publications, creative activities, innovation and patents by 50 percent in five years and assist faculty, staff and students in all aspects of their research endeavors.

### BACKGROUND AND ACCOMPLISHMENTS

Over the last year, the university has had a number of significant accomplishments, including:

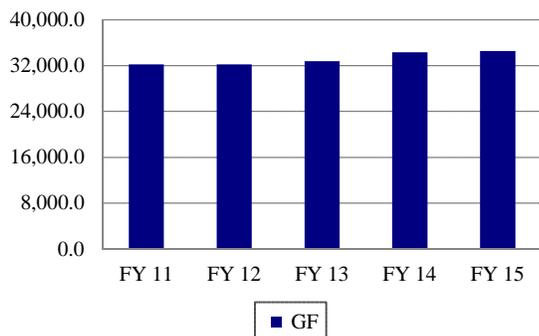

- DSU broke its total enrollment record for the fourth consecutive year in the fall of 2013 with a student population of 4,505;
- During DSU's 2013-2014 academic year, the university awarded a total of 687 diplomas, which included a school record of 551 bachelor's degrees;
- DSU student-athletes led the way academically in the Mid-Eastern Athletic Conference All-Academic Team with 136 student-athletes with at least a 3.0 grade point average, surpassing all other conference schools for the fourth consecutive year;

# HIGHER EDUCATION

## 90-00-00

- DSU was named as the 1890 Land Grant University of the Year in November 2013 by the Association of Public and Land Grant Universities, which also awarded the institution the 1890 Land Grant Research Award;
- In December 2013, DSU was awarded a historic \$1.05 million grant from the Bernard Osher Foundation to establish an endowment for non-traditional students aged 25 and older who are starting or restarting their undergraduate academic journey; and
- DSU launched the Early College High School in August 2014 with an inaugural class of 132 ninth graders, featuring a science, technology, engineering and mathematics (STEM) emphasis curriculum.

- DSU began construction on campus in January 2014 of Phase II of the new Optical Science Center for Applied Research building. Phase II is projected to be completed by the spring of 2015.
- Conduct a wide range of research projects, curriculum advancements and outreach activities in the College of Agriculture and Related Sciences, utilizing funds from the U.S. Department of Agriculture (USDA).
- Collaborate with the Nemours Center for Cancer and Blood Disorders to establish a Delaware Sickle Cell Research Center. For its work, DSU will receive almost \$1.8 million out of the total \$10.2

million National Institute of Health grant awarded to establish the center.

- Establish the university's first-ever solar research and education program through a research grant from the U.S. Department of Energy.
- Provide technical expertise to the USDA Foreign Agriculture Service by researching and evaluating ongoing USDA projects in the West Africa region. The USDA has awarded DSU a five-year \$1.4 million grant to fund this work.
- Implement a cyber-learning strategy to improve STEM instruction, as well as increase student achievement and retention. The new initiative is funded by a \$400,000 grant.
- Facilitate future student and faculty exchanges with institutions of higher education in Ghana and China as part of a formalized agreement among DSU and Higher Education institutions in the two countries.
- Collaborate with health agencies and organizations to host Delaware's first-ever Maternal Transport Nurse Course within the Department of Nursing.
- DSU held its third annual Inspired Day of Service, in which more than 250 students fanned out to seven community service projects in all three counties of the State on March 29, 2014. The annual activity is connected to the state funded Inspire Scholarship program, which requires each recipient to complete 20 hours per year of public service.

### DELAWARE TECHNICAL AND COMMUNITY COLLEGE

90-04-00

#### MISSION

Delaware Technical and Community College (Delaware Tech) is a statewide multi-campus community college committed to providing open admission postsecondary education.

#### KEY OBJECTIVES

- Provide career education in technically current associate degree, diploma and certificate programs designed to support the employment needs of New Castle, Kent and Sussex Counties.
- Provide general education to help students become aware of social problems, develop an appreciation of human differences, enhance social and political involvement, realize environmental issues, build a sense of ethical responsibility and have access to and use of information resources.
- Provide developmental education courses to assist students in gaining competencies in reading, writing, computing, spelling, speaking, listening and analyzing.
- Provide transfer education programs that facilitate access to upper division baccalaureate degree programs at area colleges and universities.
- Provide opportunities for student development, including counseling, academic advising, career planning, financial aid programs, tutoring, student activities, job placement and transfer advisement.
- Offer lifelong learning educational programs, which encourage residents of all ages to pursue self-development and broaden their interests and talents.
- Offer workforce training to assist new and existing industries and businesses in improving quality and productivity.
- Offer teaching advancement supported by professional development activities that focus on continuous improvement of the learning process.
- Provide advanced technology applications for credit and non-credit education and training.
- Coordinate community services reflecting cultural, recreational and civic opportunities to enhance the quality of life in the community.

#### BACKGROUND AND ACCOMPLISHMENTS

Delaware Tech is a statewide institution of higher education providing academic, technical, continuing education and industrial training opportunities to Delaware residents at four campuses.

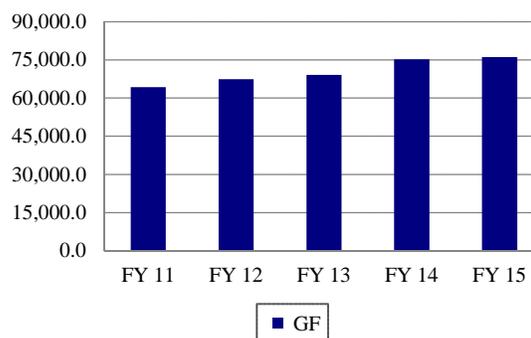

Numerous degree programs are offered, including the Associate in Applied Science degree, which is granted upon successful completion of specific curriculum requirements. In addition, diploma and certificate programs are offered in a variety of technical areas at each campus.

The college and its campuses are fully accredited by the Commission on Higher Education, Middle States Association of Colleges and Schools. In addition, several curricula have earned program-based accreditation by various professional organizations.

The George Campus is located in the City of Wilmington; the Stanton Campus is near Newark; the Owens Campus is near Georgetown; and the Terry Campus is north of the City of Dover.

The President's Office, located adjacent to the Terry Campus, functions as a central office by providing a variety of services in support of the campuses. Delaware Tech's enrollment has grown dramatically in recent years. Students of all ages, backgrounds and walks of life have benefited from the training and education provided. It is estimated that one-fourth of Delaware's adult population has taken courses at Delaware Tech in its short history.

### DEPARTMENT OF EDUCATION

#### 95-01-00

#### KEY OBJECTIVES

The Department of Education (DOE) continues to:

- Set high expectations for all students with rigorous standards and assessments;
- Align assessments to the Delaware State Standards, including the Common Core Standards, to measure student achievement;
- Use longitudinal student achievement data to gauge student growth and development;
- Make student growth the critical factor in educator evaluations;
- Conduct annual evaluations to understand educator effectiveness;
- Increase educator effectiveness through comprehensive professional development;
- Use data to inform educator career development and advancement, as well as, educator preparation and mobility to the lowest achieving schools; and
- Increase the success of the lowest achieving schools with robust support and accountability.

DOE continues to focus its efforts in four main areas.

#### Standards and Assessments

Implement rigorous college and career-ready standards and link with high-quality formative and summative assessments.

- Implement and provide training in the rigorous, college and career-ready standards and align grade-level expectations to guide local curriculum.
- Increase college and career-readiness by funding statewide assessments of college-readiness (PSAT and SAT), implementing college-readiness programs, hosting Advanced Placement (AP) trainings and supports for educators and students and increasing dual enrollment opportunities.
- Develop a meaningful ladder of assessments in all grades and subjects areas, beginning with Reading and Math.
- Provide support for educators for high-quality formative assessment through the Delaware System of Student Assessments Digital Library and Interim Assessment system.

#### Data Systems to Support Instruction

Improve access and use of the State's robust longitudinal data system.

- Increase data-driven instruction by building educators' technical and pedagogical skills during regular collaborative planning time.
- Enhance an educational dashboard portal, with meaningful performance metrics and reports, to make trend data easily accessible to different stakeholders with differentiated dashboards.
- Increase P-20W and interagency data coordination and governance activities with memoranda of understanding and expansion of the statewide longitudinal data system and performance dashboards into the early learning, higher education and workforce domains.

#### Great Teachers and Leaders

Improve teacher, specialist and school leadership effectiveness through recruitment, selection, evaluation, professional learning, retention and advancement practices.

- Implement and monitor the Delaware Performance Appraisal System (DPAS) II for overall quality and fidelity of implementation, including training and credentialing of all administrators.
- Review and approve alternative educator evaluation systems.
- Align DOE and local education agency practices with the continuous improvement and refinement of regulatory and non-regulatory guidance that amends the educator evaluation system based on educator engagement and data.
- Select top-performing teachers and school leaders through the Delaware Talent Cooperative.

Ensure the equitable distribution of highly-effective teachers and school leaders through pre-service preparation, recruitment, selection, placement, induction and retention practices.

- Establish and expand partnerships with alternate routes to educator certification programs and continue to support the development of teachers in Science, Technology, Engineering and Mathematics, as well as other critical-need subject areas, notably those programs that strategically support educators seeking to serve in highest-need schools.
- Create a statewide recruitment and marketing campaign to attract aspiring educators and school leaders from across the State and country to serve in Delaware's schools through an approach that provides economies-of-scale.

# EDUCATION

## 95-00-00

Analyze educator effectiveness data statewide and develop models of support for teachers and leaders.

- Create analytical tools to assess key educator effectiveness data points such as vacancy rates, time-to-hire ratios and retention/attrition trends.
- Develop a coherent professional development model that links trainings to specific skill and role expectations and to the statewide evaluation system.
- Establish standards for professional development and create processes for certifying quality and approving funding allocated.

### Turning Around the Lowest Achieving Schools

Provide greater support and accountability to Priority Schools and ensure the State and districts collaboratively intervene in failing schools.

## EDUCATION 95-00-00

### DELAWARE ADVISORY COUNCIL ON CAREER AND TECHNICAL EDUCATION 95-06-00

#### MISSION

To strengthen and enhance the CTE delivery system and assist the State in providing quality programs and expanded opportunities for all residents.

#### KEY OBJECTIVES

- Evaluate CTE programs and services.
- Provide technical assistance to local school districts, agencies and other organizations to enhance and improve the CTE delivery system.
- Advise policymakers on the development of and changes to state and federal laws, rules and regulations impacting CTE.
- Promote coordination and partnerships among business, industry, labor and education to help meet the economic needs of the State.
- Disseminate relevant career information to teachers, counselors, students and the general public.

#### BACKGROUND AND ACCOMPLISHMENTS

The Delaware Advisory Council on Career and Technical Education (DACCTE) is comprised of members from the private and public sectors.

DACCTE provides policy recommendations to the Governor, General Assembly, DOE and State Board of Education on matters pertaining to CTE in Delaware.

DACCTE monitors and evaluates CTE programs and services in local school districts and other organizations to ensure these programs and services are in compliance with state and federal standards.

Accomplishments include:

- Conducted professional development activities for middle and high school administrators, teachers and counselors relating to curriculum development;
- Secured additional funding to improve and expand the activities of the Career and Technical Student Organizations;
- Partnered with the Department of Labor, Office of Occupational and Labor Market Information and national experts to provide current labor market trends and workforce data to CTE teachers, counselors and administrators;

- Provided technical assistance and resources to develop the State Tech Prep Consortium and implement programs in the secondary and post-secondary schools;
- Conducted statewide workshops for teachers and school administrators regarding federal and state regulations and funding for career and technical programs;
- Provided support and resources to Agri-Science, Business/Marketing, Health Sciences and Family and Consumer Sciences programs through DOE; and
- Provided resources and technical assistance to develop and disseminate the *Delaware Career Compass* and *Teachers Guide* to middle and high schools.

## EXPLANATION OF FINANCIAL SCHEDULES

**Exhibit A** is a summarized report of financial operations of the General Fund (GF) of the State. This statement shows the actual GF revenue by sources and the expenditures by departments for Fiscal Year 2014, as well as the estimated revenue and available appropriations for Fiscal Year 2015. The last column on the right reflects the estimated revenue and the recommended appropriations for Fiscal Year 2016. Also indicated is the condition of the cash account of the GF that may prevail at the ending of Fiscal Year 2015 if revenue, as estimated, is realized and if recommended appropriations are approved. This statement further reflects financial information on the appropriation limit and the budget reserve account, as required by the State Constitution.

**Schedule A-1** is a supporting statement of the Fiscal Year 2015 Appropriations column of Exhibit A. It identifies the estimated expenditures for Fiscal Year 2015 classified by department and source of appropriations.

**Schedule A-2** is a supporting statement of the Fiscal Year 2015 Budget Act column of Schedule A-1. It identifies the Fiscal Year 2015 GF appropriations by department and major category of expenditure. It also identifies authorized positions for both GF and Special Fund.

**Schedule A-3** is a supporting statement of the expenditure section of Exhibit A. It identifies the Fiscal Year 2016 recommended GF appropriations by department and major category of expenditure. It also identifies authorized positions for both GF and Special Fund.

**Exhibit B** shows the revenues from all sources and the expenditures of all departments, both GF and Special Funds (refers to Appropriated, Non-Appropriated, Federal, Bond and other state funds), consolidated in comparative form for Fiscal Years 2013 and 2014.

**Schedule B-1** is a supporting statement of the GF expenditures section of Exhibit B, assembled by department and category for Fiscal Year 2014. Also indicated are the GF reversions by department. The category amounts in this schedule reflect expenditures by account codes and are not comparable to amounts shown in Schedules A-2 and A-3, which reflect expenditures by appropriation code.

**Schedule B-2** is a supporting statement of the special fund expenditures section of Exhibit B, assembled by department and category for Fiscal Year 2014.

**Exhibit C** is a summarized statement of capital improvement fund expenditures by department for Fiscal Year 2014. The funding sources are long-term debt and

other special funds designated for capital improvement purposes.

### Note

Depending upon the exhibits or schedules utilized, all amounts presented have either been rounded with the elimination of cents or to the nearest one hundred (i.e. \$1,700 would be \$1.7). Accordingly, rounding may result in some columns not totaling to the amount indicated but should be within reasonable variance.

## DEFINITION OF BUDGETARY TERMS

**Agency** - Any board, department, bureau or commission of the State that receives an appropriation under the Appropriations Act of the General Assembly.

**Appropriated Special Funds (ASF)** - A type of funding appropriated in the Budget Act. Revenue generated by fees for specific, self-sufficient programs.

**Appropriation Limits** - The amount the legislature is allowed to authorize for spending.

◆ **Operating Budget** - The State Constitution limits annual appropriations to 98 percent of estimated revenue plus the unencumbered General Fund (GF) balance from the previous fiscal year. To appropriate more than the 98 percent, the legislature must declare an emergency.

◆ **Capital Budget** - Legislation sets three criteria. (See **Debt Limit** for details.)

**Appropriation Unit (APU)** - Major subdivision within a department/agency comprised of one or more Internal Program Units.

**Appropriations Act (Budget Act)** - Legislation that is introduced and passed by the General Assembly for the State's operating budget. This bill appropriates money for personnel costs, travel, contractual services, debt service, energy, etc. The General Assembly appropriates GF and ASF dollars and GF, ASF and Non-Appropriated Special Funds (NSF) positions.

**Bond and Capital Improvements Act (Bond Bill)** - Legislation that is introduced and passed by the General Assembly for the State's capital budget. This bill appropriates money for items that have at least a 10-year life including: construction of buildings, land acquisitions, water and wastewater infrastructure, drainage projects, etc.

**Bond Bill** - See Bond and Capital Improvements Act.

**Budget Act** - See Appropriations Act.

**Budget Request** - A series of documents that an agency submits to the Office of Management and Budget (OMB) and the Controller General's Office outlining the funding and positions requested for the next fiscal year.

**Budget Reserve Account** - Within 45 days after the end of any fiscal year, the excess of any unencumbered funds remaining from said fiscal year shall be paid by the Secretary of Finance into the Budget Reserve Account; provided, however, no such payment will be made that would increase the total of the Budget

Reserve Account to more than 5 percent of only the estimated GF revenue. The General Assembly by three-fifths vote of the members elected to each House may appropriate from the Budget Reserve Account additional sums as may be necessary to fund any unanticipated deficit in any given fiscal year or to provide funds required as a result of any revenue reduction enacted by the General Assembly.

**CIP** - Capital Improvement Plan.

**Class** - All positions sufficiently similar in duties, responsibilities and qualification requirements to use the same examination, salary range and title.

**Continuing Appropriations** - Unexpended funds that do not revert to the GF through legislative action at the close of the fiscal year but remain available in the agencies for expenditures in the following fiscal year.

**Debt Limit** - The General Assembly passed legislation to set a three-part debt limit for the State:

1. The amount of new "tax-supported obligations of the State" that may be authorized in one fiscal year may not exceed 5 percent of the estimated net GF revenue for that year.
2. No "tax-supported obligations of the State" and no "Transportation Trust Fund (TTF) debt obligations" may be incurred if the aggregate maximum annual payments on all such outstanding obligations exceed 15 percent of the estimated GF and TTF revenue.
3. No general obligation debt may be incurred if the maximum annual debt service payable in any fiscal year on all such outstanding obligations will exceed the estimated cumulative cash balances.

**Debt Service** - The amount of principal and interest due on an annual basis to cover the cost of borrowing funds to finance capital improvements.

**Delaware Budget System (DBS)** - Web-based system used for developing and analyzing agency budget requests and preparing the Governor's Recommended Budget.

**Delaware Economic and Financial Advisory Council (DEFAC)** - Representatives from state government, the General Assembly, the business community and the academic community who forecast the State's revenues and expenditures. The council meets six times a year. Appropriation limits are determined based on DEFAC forecasts.

## DEFINITION OF BUDGETARY TERMS

**Delaware State Clearinghouse Committee (DSCC) -**

A committee established by statute to review and approve/disapprove federal grants and non-federal grants requested by state agencies (including higher education institutions) and, in some circumstances, federal grants requested by private agencies and local governmental entities.

**Development Fund -** Funds appropriated within the Office of Management and Budget (OMB) in the Appropriations Act for the development and implementation of new information system and technology projects throughout state government.

**Division -** Major subdivision within a department/agency comprised of one or more budget units.

**Enhancements -** Dollar adjustments to an agency's budget resulting from new programs/services, a planned expansion or improvement of current programs.

**Epilogue -** The section of the Budget Act that provides instructions or guidance on positions, reporting requirements and the allocation of revenue and appropriated funds.

**Federal Funds -** Funds awarded to state agencies by the federal government through a grant application process at the federal level and the Clearinghouse process at the state level.

**First State Financials (FSF) -** A web-based financial management and accounting system currently utilized by the State.

**Fiscal Year (FY) -** A 12-month period between settlement of financial accounts. The state fiscal year runs from July 1 through June 30. The federal fiscal year is October 1 through September 30.

**FTE (Full-Time Equivalent) -** One full-time position.

**General Assembly -** Legislative body comprised of the House of Representatives and the Senate. All members are elected. House members serve for two years and Senate members serve for four years.

**General Fund (GF) -** Primary fund of the State. All tax and other fines, fees and permit proceeds are deposited here unless specific legislative authority has been granted to allow the revenue to be deposited in another fund.

**Governor's Recommended Budget -** The Governor's recommendations presented to the General Assembly in late January.

**Grants-in-Aid -** Funds provided by the legislature to private nonprofit agencies to supplement state services to the residents of Delaware. Also includes the state share of county paramedic programs.

**Internal Program Unit (IPU) -** Major subdivision within an Appropriation Unit. Key level for budget development and tracking.

**Joint Finance Committee (JFC) -** The Joint Finance Committee consists of the members of the House Appropriations and Senate Finance Committees. 29 Del. C. § 6336 mandates JFC members meet jointly for the purpose of considering a budget proposal submitted by the Governor. Such meetings may require attendance of state agency heads who shall provide the committee with information explaining their budget requests and agency goals and objectives. JFC proposes a budget for consideration by the General Assembly.

**Joint Committee on Capital Improvement (Bond Bill Committee) -** A Capital Improvement Committee comprised of members of the House and Senate Bond Committees, which meets jointly to consider proposals for capital improvements projects submitted by the Governor. As with JFC, such meetings may require attendance of state agency heads who shall provide the committee with information explaining their capital budget requests. The Joint Committee on Capital Improvement proposes a capital budget for consideration by the General Assembly.

**Key Objectives -** Statements of specific, intended, measurable goals related directly to the mission of a department, agency or unit.

**Merit System -** The personnel system used by the State provided under 29 Del. C. c. 59.

**Mission -** The purpose of a department, agency or unit. Rationale for the existence of an APU or department.

**Non-Appropriated Special Funds (NSF) -** Funds that are not appropriated by the legislature. Federal funds, school local funds, reimbursements and donations fall into the NSF category.

**One-Time Items -** A non-recurring expense not built into an agency's base budget.

**Paygrade -** One of the horizontal pay ranges designated on the pay plan.

## DEFINITION OF BUDGETARY TERMS

**Payroll Human Resource Statewide Technology (PHRST)** - Integrated application of the human resource, benefits and payroll function for the State of Delaware.

**Performance Measures** - Observable measures of a program's progress towards achieving its identified mission and key objectives.

**Policy** - A governing principle pertaining to goals or methods that involves value judgment.

**Position** - An aggregate of responsibilities and duties, filled or vacant, that requires the services of an employee, part-time or full-time and which has been assigned to a class.

**Reclassification** - A change in the classification assigned to a position to reflect a significant change in the duties and responsibilities of that position. The paygrade may be adjusted either up or down, or it may remain the same.

**Revenue** - Income from taxes and other sources the State collects and receives into the treasury for public use.

**Revenue Budgeting** - A financial planning process, which estimates the income to be realized from various sources for a specific period of time.

**Selective Market Variation** - A mechanism by which the State can address severe recruitment and retention problems in specific job classifications.

**Service Level** - The five funding categories (base, inflation and volume adjustments, structural changes, enhancements and one-times) by which agency budget requests are developed.

**Strategic Plan** - A document developed by an agency that lays out the policy direction and agency goals for a three-year period.

**Structural Change** - Change in the methods of service delivery or the organizational location of programs or services.

**Technology Fund** - Funds appropriated in the Bond and Capital Improvements Act within OMB for statewide technology initiatives. The technology fund is not part of the base budget.

**Transportation Trust Fund (TTF)** - A fund to which all revenues dedicated to the Department of Transportation are deposited. The department uses this fund to cover operating and capital expenditures.

◆ **TFC - Trust Fund Capital.**

◆ **TFO - Trust Fund Operating.**

**Twenty-First Century Fund** - Fund created for deposit of proceeds from the Delaware v. New York decision. Monies are used to finance capital investment programs, including open space, farmland preservation, water/wastewater, park endowment, community redevelopment, neighborhood housing revitalization, educational technology, advanced technology centers, Diamond State Port Corporation and resource, conservation and development projects.
