At a Glance

- Provide effective and conflict-free counsel to every indigent person accused of a crime in Delaware.

Overview

The primary mission of the Office of Defense Services (ODS) is to provide effective and conflict-free assistance of counsel to its clients by utilizing a business model that consolidates the management of the Public Defender's Office (PDO) and Office of Conflicts Counsel (OCC), via ODS' Central Administration.

Composed of three divisions, ODS is divided into Central Administration, PDO and OCC. Central Administration handles non-case related functions, including intake, information technology, fiscal, human resources, and staff development. PDO is a full service law firm providing representation to a substantial majority of people accused of crimes in Delaware. Similarly, OCC is a network of 30 lawyers who are independent contractors and represent clients not able to be represented by PDO, due to a legally recognized conflict of interest.
