1. Renovation of the Cleveland White Building

Funding is requested for full renovation of the Cleveland White Building on the Department of Services for Children, Youth and Their Families (DSCYF) main campus. The building is more than 100 years old with the most recent major renovation in 1996. Costs of renovation include design, agency approvals, and site and parking improvements. If renovated, the building will accommodate 110 staff, allowing DSCYF to reduce lease expenditures for non-state-owned sites.

2. Minor Capital Improvement and Equipment

Funding is requested for continued maintenance projects that ensure efficiency and optimal condition of department facilities. Proposed projects include installation and enhancement to security systems, replacement of building HVAC and electrical systems and equipment, and upgrades to living quarters in residential facilities.

3. Maintenance and Restoration

Funding is requested for ongoing maintenance and restoration projects. The department currently maintains 15 state-owned buildings varying in age and usage. As buildings and systems age, repairs and replacements are necessary to adequately maintain them. This funding will delay the need for major work on the facilities. An increase from prior year funding is being requested to account for security upgrades needed in non-residential sites and to accommodate residential facility requests in preparation for accreditation audits scheduled for late 2019.
