System and Data Integrity

Advanced Knowledgebase

DELJIS Synonymous with Criminal Justice - allows for Accountability and Transparency
Proven Success
Projects Past and Present
At a Glance

* Enhancements to LEISS (Law Enforcement Investigative Support Suite)

* Built and enhanced interfaces with 911 dispatch

* Interfaces with other criminal justice partners (Office of Defense Services, Justice of the Peace Court, FOCUS, etc.)

* Created new codes for bad debt supervision fees for the DOC.
Continually create watch-lists and automated validation checks for partner agencies

Enhanced transfer of data between JIC and CJIS

Created the interface for Court of Common Pleas voice recognition software

Developed and implemented new programs for the Office of State Court Collections Enforcement (OSCCE)
Projects Past and Present continued

* Moved all the Superior Courts to one unified collection system

* Created functionality for Dept. of Justice to track Concealed Carry (CCDW) applications so tracking can be matched with Superior Court

* Modified the entire charging document to process the “civil” marijuana and paraphernalia as a result of decriminalization
Projects Past and Present continued

- Enhanced routine searches to include the FBI’s G4-NICS persons prohibited checks
- Created and implemented new Juvenile Justice Civil Citation
- Developed Police Prosecution Calendars and special duty Highway Safety automation accounting and reporting
- Created data downloads for numerous research organizations
- Created completely new arrest warrant automation process.
Projects Past and Present
continued

* Drug Intervention Notifications from LE to DSAMH – Crisis Intervention Services in real time – scalable – adding Police Diversion Program for low level criminal offenses
* Automation of NARCAN deployment forms directly to EMS
* Sex Crime DNA kit testing (SAKI)
* Officer Weapon Used Tracking, adding Use of Force-Response to Resistance
* Department of Elections automated voter registration checks and interface with new cloud system
* Standardize Judicial Sentencing Orders for all Courts
General Fund Budget Request

Personnel $1,364.3
(includes two new positions)

Travel 10.0

Contractual Services 1,576.10

Supplies 20.0

VINES Software 152.3

TOTAL $3,122.7
**Budget Reduction**

* DELJIS staff is comprised of 12 FTE positions

* Staff augmentation utilizes approximately 18 contractors

* **Cost savings** if we incrementally move some contractors to full time positions.

* Two Critical FTE positions requested
Consistency in meeting Performance Measures = Growth

* From 2003 to present our workload triples on average

* In 2003 we had 6,500 users. Today support/monitor over 9,800

* Security investigations have risen from 35 to average over 120 annually

* Electronically prepared documents rose from 197,000 to over 600,000

• Hundreds of systems enhancements, modifications, and interfaces
