Delaware Advisory Council on Career and Technical Education

Overview

The mission of Delaware Advisory Council on Career and Technical Education (DACCTE) is to strengthen and enhance the career and technical education delivery system and assist the State in providing quality programs, services and expanded opportunities to better prepare youth and adults to become good citizens and productive members of the workforce, contributing to the economic development of the State. DACCTE’s proactive involvement has resulted in the development and implementation of significant policy, programs and related legislation to improve and expand Career and Technical Education in Delaware.

DACCTE was established in 1973 in the Delaware Code as an independent state agency. It is composed of representatives from the private and public sectors: business, industry, labor, National Guard, trade organizations and education. DACCTE is a catalyst for substantive and positive change in vocational, Career and Technical Education in the State.
