Overview

With its unique, dual mission, the Delaware National Guard (DNG) maintains the ability to respond to the needs of the State of Delaware and the federal government. Whether providing protection of life and property, order and public safety, or well-trained, well-equipped units available for prompt mobilization during war and national emergencies, the DNG is confident that with sustained resourcing, the DNG will respond with full capabilities.

As a predominantly federally-funded, state-controlled partner, the DNG is a critical component of the Delaware Emergency Operations Plan (DEOP). The capabilities for supporting fellow Delawareans and Americans during natural disasters and civil emergencies are unequalled. The Joint Operations

Center (JOC) works with Delaware’s first responder teams to create detailed plans that ensure rapid response to any contingency.

Whether in response to a flood, nor’easter, snowstorm, cyber event or civil unrest, the DNG is fully prepared to respond at the request of the Governor, with highly qualified personnel. The DNG is proud to serve the citizens of this great State and the nation when called.

The DNG is also involved in cybersecurity, reducing drug abuse with support from the Counterdrug Task Force, military to military partnerships through the State Partnership Program and the National Guard Youth ChalleNGe Program for at-risk youth.

Lastly, the DNG has a presence throughout the entire state of Delaware where our Soldiers and Airmen serve. Through active community support programs, the DNG strives to be a good neighbor and community partner. The DNG, its Soldiers and Airmen, are extensively involved in local community organizations and often participate in and/or support the events they sponsor (training and mission requirements always come first). The Delaware National Guard is always ready to make a difference in our community and support our Home State.
