

State of Delaware

Governor Matt Meyer

Fiscal Year 2027 Governor's Recommended Budget

January 29, 2026

FISCAL YEAR 2026 HIGHLIGHTS

Business Formation

More than 280,000 from January to October 2025.

Healthcare

Relieved millions in medical debt for thousands of Delawareans.

Education

More than 41,000 books delivered to more than 4,000 classrooms.

Housing

Historic investments in smart growth and affordable units.

Small Businesses

Supported entrepreneurs with millions in federal grants.

Funded SNAP

Protected benefits for more than 60,000 families.

MEYER ADMINISTRATION PRINCIPLES

EFFICIENCY & TRANSPARENCY

Delawareans deserves a government that is transparent, accountable, and efficient.

Making government smarter and more responsive to deliver tangible results for every taxpayer dollar.

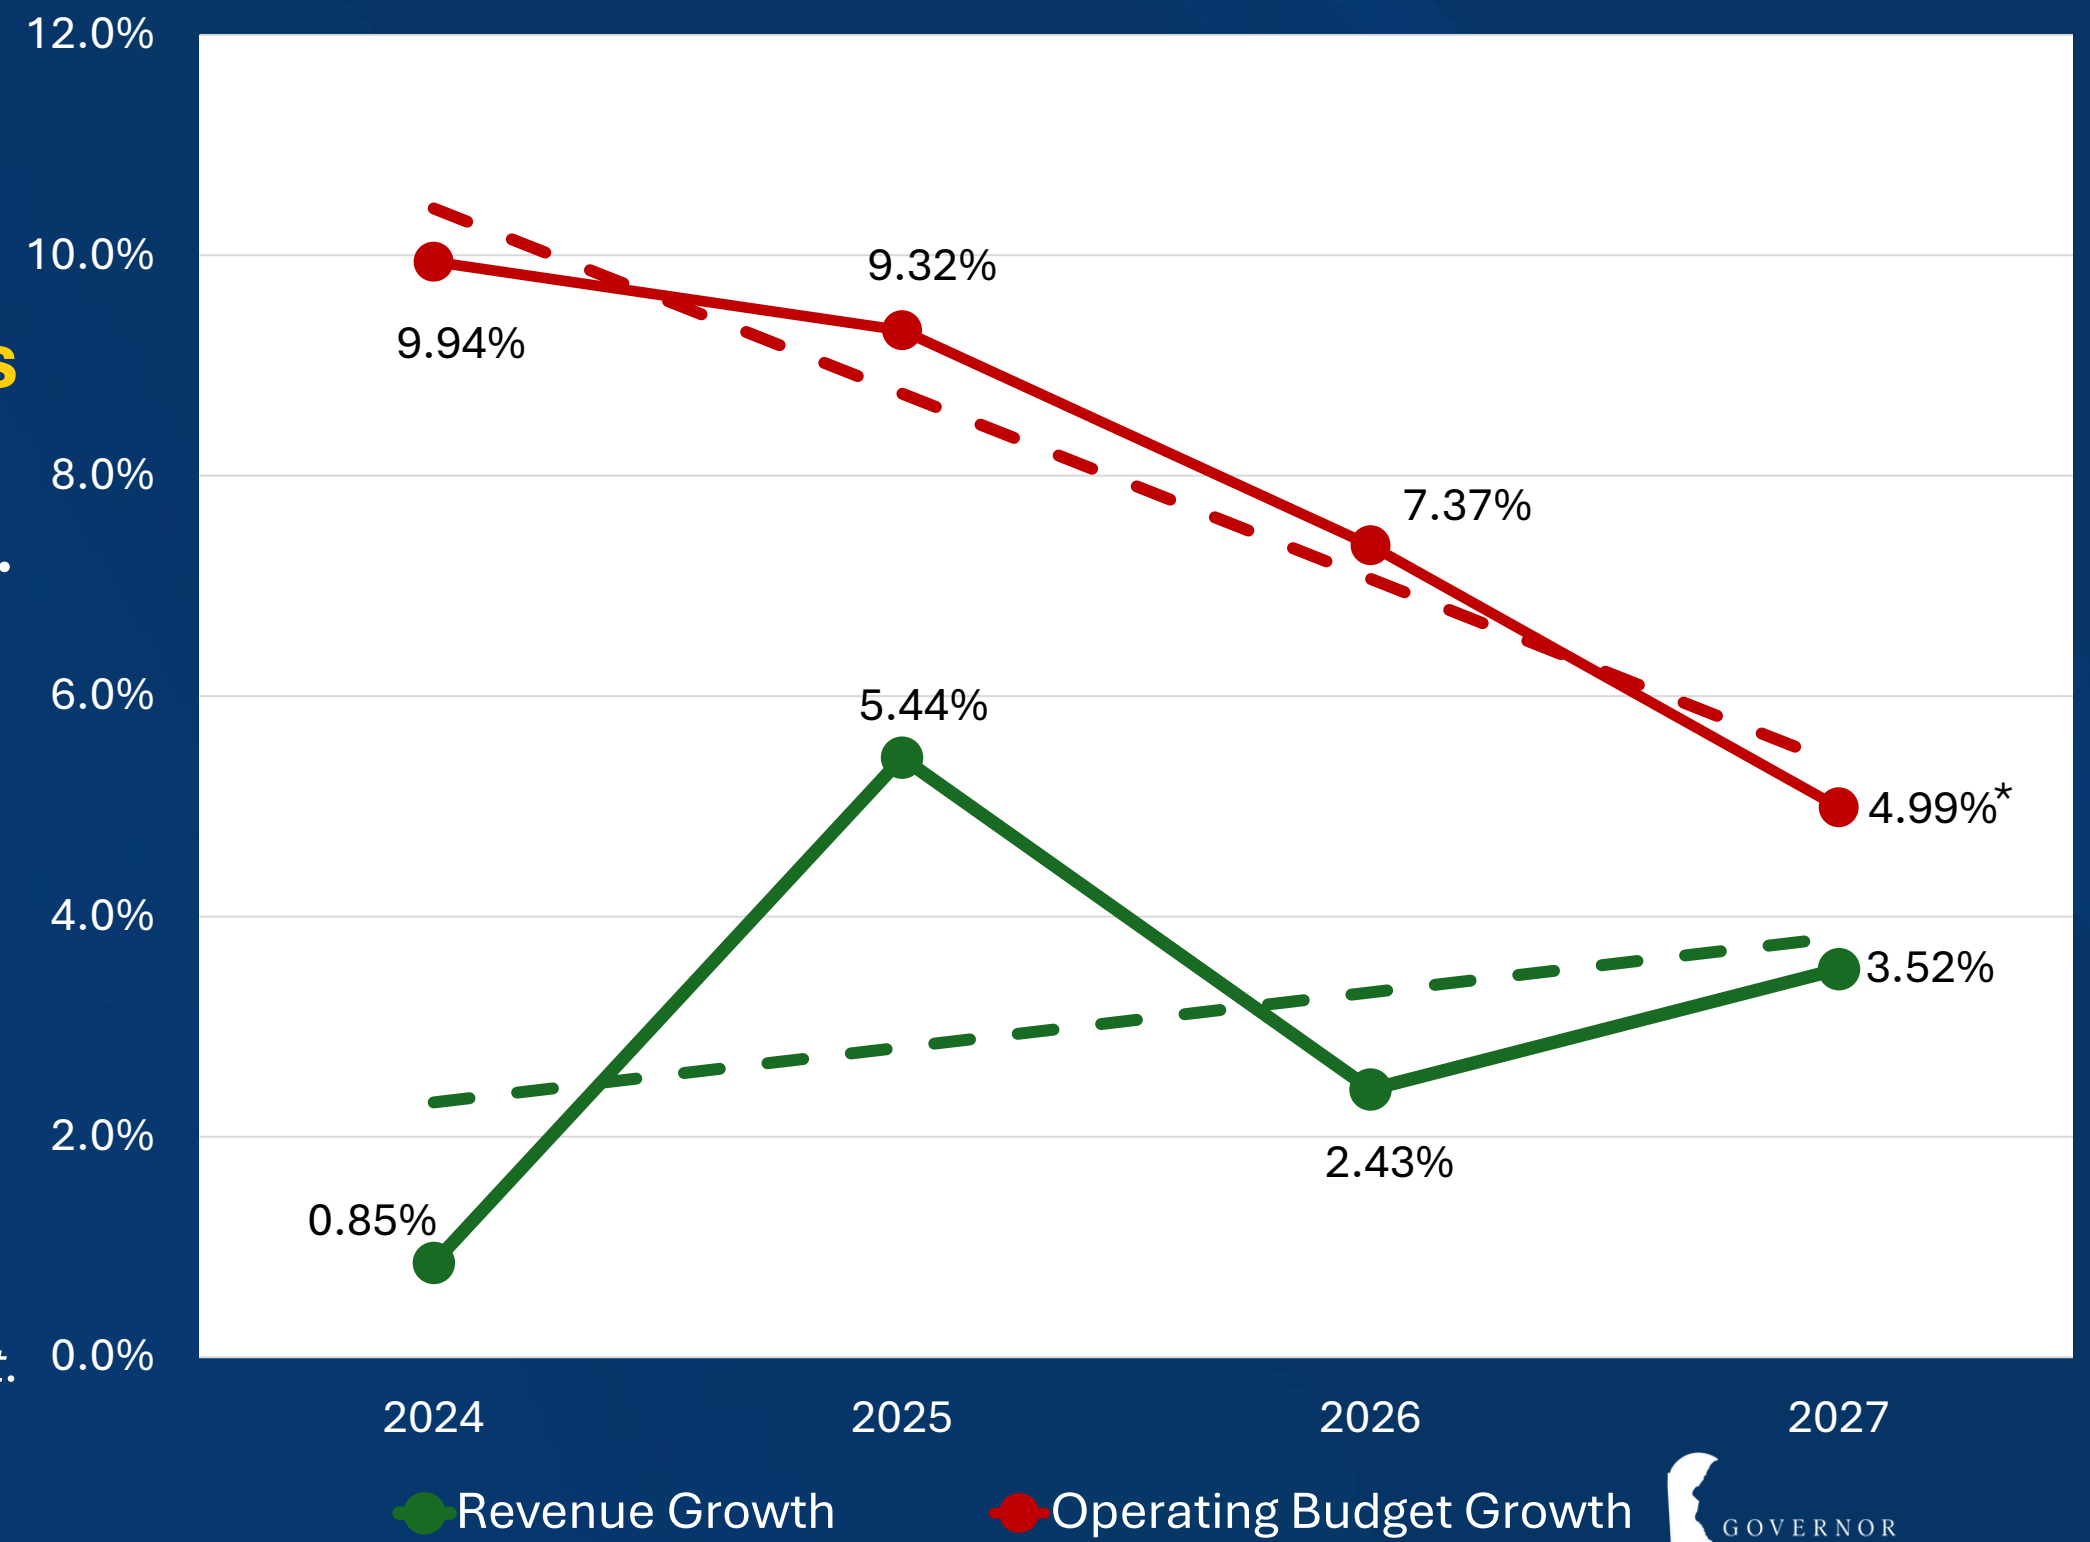

RESPONSIBLE BUDGETING

Targeted reductions to close the structural imbalance between revenues and expenditures.

Placing Delaware's finances on solid footing while protecting public services for every family and every community.

REDUCING THE STRUCTURAL DEFICIT

- In FY 2024, spending growth **outpaced** revenue growth by **9.1%**.
- Our Recommended Budget **reduces the structural deficit by over 70%**, compared to the FY 2026 projection.
- The FY 2027 Governor's Recommended Budget keeps **operating budget growth below 5.0%***.

* Excluding one-time appropriations in the Operating Budget.

MEYER ADMINISTRATION PRIORITIES

INVESTING IN OUR CHILDREN

Stronger classrooms today mean a stronger Delaware tomorrow. We will directly fund classrooms to improve literacy, support educators, and address students' mental health.

INVESTING IN OUR HOUSING

In Delaware, housing is a human right. We will increase affordability, speed-up construction while prioritizing smart growth, and make it easier for first-time home buyers.

INVESTING IN OUR HEALTHCARE

Every Delawarean deserves access to affordable, quality healthcare. We will expand access, tackle costs, and promote healthier communities throughout Delaware.

INVESTING IN OUR WORKFORCE

State employees keep Delaware running. We will raise teacher pay and increase salaries, so that we can stay competitive and attract the best and brightest workers.

INVESTING IN OUR CHILDREN

Delaware Early Childhood Care & Education Alliance:

- The State will invest in expanding high quality affordable early child education opportunities offered statewide through a childcare hub.
- Coordinating childcare investments with additional funding for Purchase of Care.

Literacy Support for Schools:

- Emergency funding for school districts and charters to help students meet their full literacy potential.
- The State will distribute the funds based on demonstrated commitment to evidence-based literacy instruction and reading pilot programs, using the same successful funding model employed during the high-dosage tutoring effort.

Implementing Delaware's New Education Funding System:

- Support the Public Education Funding Commission in overhauling Delaware's public education funding model.
- The State will invest funds to ensure that all districts and charters are prepared to implement an equitable and transparent funding model.

INVESTING IN OUR HOUSING

Targeted Rental Assistance for Those Who Need it Most:

- Ongoing support for low-income individuals who require affordable housing and support services through the State Rental Assistance Program.

Strengthening Delaware's Response to Homelessness:

- Provide low-barrier funding for homelessness services to ensure immediate support and stability to the individuals and families who need help the most.

Housing Development Fund:

- Maintain enhanced level of funding to provide homeownership counseling, emergency home repairs, down payment and settlement assistance.

Enhancing Mortgage Assistance Opportunities:

- Expand opportunities for Delawareans to become homeowners.

Downtown Development Districts:

- Support smart growth practices in existing economic districts.

INVESTING IN OUR HEALTHCARE

Targeted Medicaid Investments:

- Ensure Delawareans have access to the critical care they need to lead healthier lives.

Expanding Rural Healthcare Access:

- Through the federal Rural Healthcare Transformation Program, we will invest in Delaware's health infrastructure, including the development of Delaware's first medical school and increasing the number of mobile health units.

Investing in Delaware's Direct Service Professionals:

- Increase the reimbursement rate to support those who care for our most vulnerable.

Improving Access to Fresh and Nutritious Foods:

- Establish a SNAP 'double up bucks' food incentive program.

INVESTING IN OUR WORKFORCE

- **Increasing pay** for Delaware public educators.
- **Providing** a salary increase for all state employees.
- **Expanding** apprenticeship opportunities statewide.
