Notification to Attend Webex Meeting

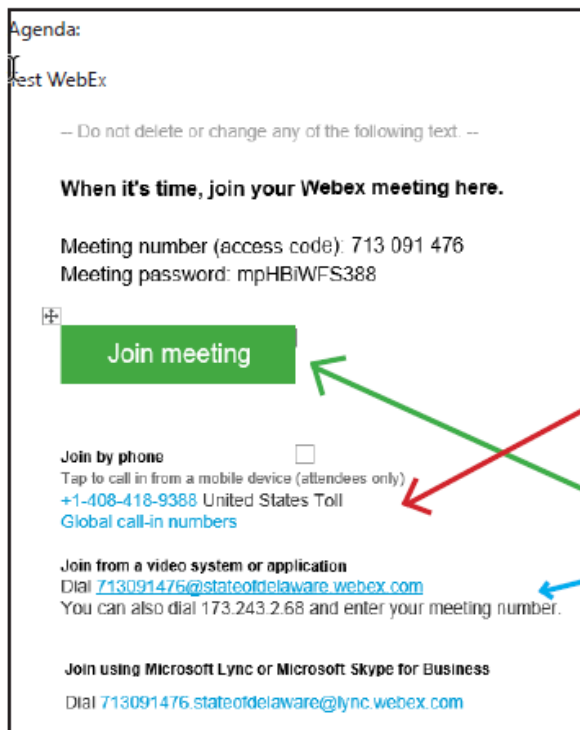

Webex meetings can be **(1) Scheduled** or they could be set up as an **(2) immediate need to meet**.

(1) When a Webex Meeting is Scheduled, the attendee will receive an email invitation.

Below is the calendar invitation that the attendee will receive.

The email and calendar event will provide information as shown below.

Your meeting attendees can choose how to attend:

1) **Dial in** using the phone number provided in the meeting invitation and enter the Meeting Number when prompted

or

2) **Join online** using the links provided in the invitation

(2) The process when immediately establishing a meeting will not generate an Outlook calendar invite or display in your email or on your calendar. Most likely you would receive a message from the “Meeting Organizer” asking you to immediately join the Webex meeting. An example via Skype:

How to join a Webex meeting ...

... dial in only

When attending via phone only, dial the phone number provided in the meeting invitation and enter the Meeting Number when prompted.

...using the Webex URL

If you are at home, remoting to your desktop, the audio and video experience may be degraded. It is recommended that you minimize the remote desktop session and use your home computers internet session to attend the Webex meeting. Open a browser window and type in the URL <https://stateofdelaware.webex.com/hostfirst.lastname>, enter the Meeting number.

...using Outlook at your office or at home via OWA or O365 Online

Select the Join Meeting link from the email or calendar event. Enter the information as prompted.

First time users will be asked to install the Cisco Webex Meeting app.

You will be prompted to Join a Meeting by entering the meeting information
